INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the
Ascom (US), Inc. Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Ascom (US), Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Ascom (US), Inc. Retirement Plan's 2023 and 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ascom (US), Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ascom (US), Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ascom (US), Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ascom (US), Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2023 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at year end is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ASCOM (US), INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN:

The following description of the Ascom (US), Inc. Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General - The Plan is a defined-contribution plan adopted by Ascom (US), Inc. (the "Plan Sponsor") on January 1, 2008, as a deferred savings and profit sharing plan. The Plan's Custodian is Empower Trust Company, LLC (the "Custodian"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility - An eligible participant, as defined by the Plan, is eligible to participate upon attainment of age eighteen and the completion of two months of service. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation.

Contributions - Each year, participants may contribute up to their total pre-tax annual compensation as defined in the Plan Document, but participants cannot exceed the maximum limits set by the Internal Revenue Service ("IRS"). Participants may also make after-tax contributions and contribute rollover amounts representing distributions from other qualified defined benefit or contribution plans.

The Plan Sponsor made Safe Harbor fixed contributions to eligible employees in the amount equal to 100% of the participants' elective deferrals that do not exceed 3% of the participants' compensation, and 50% of the participants' elective deferrals that exceed 3%, but do not exceed 5% of eligible compensation. The Plan Sponsor is also allowed to make additional discretionary matching and profit sharing contributions.

Participant Accounts - Each participant's account is credited with the participant's contributions, and the allocation of (a) the Plan Sponsor's contributions and (b) Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the loan fund. The repayment period for loans may not exceed five years unless the loan is for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. Loans may be prepaid at any time without penalty.

ASCOM (US), INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

Vesting - Participants are immediately vested in their voluntary and safe harbor contributions in addition to actual earnings thereon. Vesting in Plan Sponsor profit sharing contributions, in addition to actual earnings thereon, is based on years of service. Prior to normal retirement age, a participant's interest in the contributions of the employer becomes vested 20% after two years of service, increasing 20% each succeeding year until fully vested after six years of service. A participant is 100% vested when they attain normal retirement age.

Payment of Benefits - Upon death, disability, retirement, or termination of service, a participant may receive a distribution in an amount equal to the vested value of his or her account.

Participants entitled to distributions may elect to receive their distributions in the form of annuities or as a single lump-sum payment if their vested account at any time exceeded \$5,000. Participants entitled to benefits whose vested accounts never exceeded \$5,000 are to receive their distribution as a lump sum.

Investment Options - Upon enrollment in the Plan, a participant directs the investment of his or her contributions and Plan Sponsor contributions into investment options offered by the Plan. The Plan currently offers various mutual funds and a fixed annuity fund as investment options for participants.

Forfeitures - Benefit payments to terminated employees partially vested in the Plan include their vested portion of employer contributions. The nonvested portion of terminated participants' account balances is used to offset various administrative and professional expenses and reduce future employer contributions. During the years ended December 31, 2023 and 2022, forfeitures of \$2,561 and \$626, respectively, were used to reduce employer contributions and pay Plan expenses. The forfeiture balance available to reduce future employer contributions and expenses at December 31, 2022 was \$2,547. There was no forfeiture balance available to reduce future employer contributions and expenses at December 31, 2023.

Administrative Expenses - The Plan's administrative expenses are paid by either the Plan or the Plan Sponsor, as provided by the Plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting - The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that could affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

ASCOM (US), INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

Investment Valuation and Income Recognition - The Plan's mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

The Plan's fixed annuity fund is valued at contract value. Contract value represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. See Note 5 for further discussion.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) in fair value includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefit payments to participants are recorded when paid.

Income Taxes - The IRS has determined and informed the Plan's volume submitter on June 30, 2020, that the Prototype Non-Standardized Profit Sharing Plan with cash or deferred arrangement, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is a qualified plan as described in Section 401(a) of the IRC and is therefore exempt from federal and state income taxes. Income generated by activities that would be considered unrelated to the Plan's purpose would be subject to tax which, if incurred, would be recognized as a current expense. No such tax has been recognized for the years ended December 31, 2023 and 2022.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan. Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan files annual returns in the U.S. federal jurisdiction. The statute of limitations for returns filed within this jurisdiction is generally three years after the return is due or filed, whichever is later. As of December 31, 2023, the Plan's annual returns for its 2020 through 2022 tax years remain subject to examination by tax authorities.

ASCOM (US), INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN:

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the Custodian.

	<u>2023</u>	<u>2022</u>
Mutual funds, at fair value	\$ 19,817,010	\$ 16,440,856
Fixed annuity fund, at contract value	\$ 946,990	\$ 1,515,336
Notes receivable from participants	\$ 349,157	\$ 211,922
Net appreciation (depreciation) in fair value of investments	\$ 2,223,719	\$ (3,930,538)
Dividends	\$ 710,856	\$ 787,524
Interest earned on notes receivable from participants	\$ 13,694	\$ 8,770

4. FAIR VALUE MEASUREMENTS:

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 fair value measurements) and the lowest priority to unobservable inputs (Level 3 fair value measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 Fair Value Measurements:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements:

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

ASCOM (US), INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

Level 3 Fair Value Measurements:

Fair values are based on inputs other than quoted prices included within Level 1 that are unobservable and significant to the fair value measurements.

The asset and liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Mutual funds represent investments with various investment managers. The mutual funds are valued at the daily closing net asset value as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

<u>Fair Value Measurements Using:</u>				
	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
<u>December 31, 2023:</u>				
Mutual funds	\$ <u>19,817,010</u>	\$ <u>19,817,010</u>	\$ <u>0</u>	\$ <u>0</u>
<u>December 31, 2022:</u>				
Mutual funds	\$ <u>16,440,856</u>	\$ <u>16,440,856</u>	\$ <u>0</u>	\$ <u>0</u>

ASCOM (US), INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022, are reported in net appreciation (depreciation) in fair value of investments on the accompanying statements of changes in net assets available for benefits.

5. FIXED ANNUITY FUND:

The Plan has a fixed annuity fund with the Custodian, that invests contributions in the Key Guaranteed Portfolio Fund. The Key Guaranteed Portfolio Fund is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract since the contract was determined to be fully benefit-responsive. The contract is included in the accompanying financial statements at contract value. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest is based on a formula agreed upon with the issuer but may not be less than zero percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (a) amendments to the Plan Document (including complete or partial Plan termination or merger with another plan) (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The group annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The average yield earned by the fund for the benefit responsive fund can be derived by averaging the quarterly gross interest rates for the fund over the year. The average was 1.23% and 0.93% as of December 31, 2023 and 2022, respectively.

ASCOM (US), INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

The actual average yield earned by the Plan for the benefit responsive fund can be derived by averaging the Plan's quarterly interest rates. That average was 1.23% and 0.94% as of December 31, 2023 and 2022, respectively.

6. PLAN ERRORS AND PROHIBITED TRANSACTIONS:

Subsequent to December 31, 2022, the Plan Sponsor identified an error related to the Plans automatic enrollment feature impacting one participant. The Plan Sponsor has computed a corrective contribution totaling \$984, which includes lost earnings. These amounts are considered immaterial to the financial statements as a whole. The Plan Sponsor funded the corrective contributions and lost earnings to the participant's account in August 2023.

7. PARTY-IN-INTEREST TRANSACTIONS:

Certain Plan investments are managed by the Custodian, therefore, these transactions qualify as party-in-interest transactions.

The Plan's third party administrator, investment advisor, and Custodian receive fees for various administrative, investment, and custodial services provided during the year. Fees paid using Plan assets during the years ended December 31, 2023 and 2022 for those services totaled \$72,339 and \$77,309, respectively. These fees were based on customary and reasonable rates for such services. The Plan Sponsor directly pays any other fees related to the Plan's operations. The Plan Sponsor also provides certain accounting and administrative services to the Plan for which no fees are charged.

Certain participants of the Plan have outstanding loans (notes receivable from participants) totaling \$349,157 and \$211,922 as of December 31, 2023 and 2022, respectively. These loans are considered party-in-interest transactions.

8. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

9. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

ASCOM (US), INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

10. SUBSEQUENT EVENTS:

The Plan has evaluated subsequent events through July 29, 2024, the date which the financial statements were available to be issued. No significant subsequent events have been identified by management.
