## Independent Auditor's Report

Plan Administrator and Plan Participants  
Miller Engineers 401(k) and Profit Sharing Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Miller Engineers 401(k) and Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of October 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended October 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of October 31, 2023 and 2022, and for the year ended October 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

### **Other Matter—Supplemental Schedule Required by ERISA**

The supplemental schedule of assets held as of October 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to Financial Statements

October 31, 2023 and 2022

### 1) Summary of Significant Plan Provisions

The following description of Miller Engineers 401(k) and Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

#### General

The Plan is a defined contribution plan covering all full-time employees of Miller Engineers, Inc. dba Souder Miller & Associates (the “Company” or the “Employer”). For purposes of elective deferrals, the entry date is any date on or after eligibility requirements are met. Participants must be age twenty-one or older, and have six months of service with the Company to become eligible for employee deferrals and Employer discretionary contributions.

On November 12, 2021, the Company sold Vigil Enterprises, Inc (wholly-owned subsidiary, “VEI”), executing a plan amendment the same day to remove VEI employees from the plan, the residual transfers are reflected in the accompanying Statement of Changes in Net Assets Available for Benefits. The Company is the Plan’s Sponsor and serves as the Plan administrator. Certain employees of the Company serve as the Plan’s trustees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### Contributions

Each year, participants may contribute pretax deferrals or after-tax Roth contributions up to the lesser of the federal statutory limits or 100% of pretax annual compensation, as defined in the Plan. Participants who have attained the age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers).

The Plan has elected to be a safe harbor plan and the Company makes safe harbor non-elective contributions equal to 100% of the first 4% of compensation deferred. Net employer safe harbor contributions totaled \$347,690 for the year ended October 31, 2023.

The Plan may also make profit sharing contributions at the discretion of the Company’s Board of Directors. Participants who have satisfied the age and service eligibility requirements are generally eligible for an allocation of the profit sharing contribution for a Plan year if they are employed on the last day of the Plan year. The profit sharing contributions are allocated to all participants in the same ratio as their compensation. Employer profit sharing contributions totaled \$348,809 for the year ended October 31, 2023.

Contributions are subject to regulatory limitations.

## Notes to Financial Statements

October 31, 2023 and 2022

### Participant Accounts

Each participant's account is credited with the participant's contributions, Employer contributions, and allocations of Plan earnings (losses). Participant accounts may also be charged with an allocation of certain administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their account into various investment options offered by the Plan.

### Vesting of Accounts

Participants are immediately vested in the Employer's safe harbor contributions, as well as their employee contributions. Vesting in the Employer's discretionary matching contributions portion of their accounts plus earnings thereon is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 2	0%
2	30%
3	60%
4 or more	100%

### Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% percent of their vested account balance. The loans are issued by the Plan and secured by the vested balance in the participant's account. The maximum loan period is five years unless for the purchase of a principal residence, in which case, the loan must be repaid within a reasonable period of time not to exceed fifteen years. Under the terms of the Plan agreement, Plan loans bear a reasonable rate of interest determined by the Plan Administrator. Principal and interest are paid through payroll deductions. Participants can have no more than two loans outstanding at a time.

### Payment of Benefits

Benefits are payable in the event of retirement, disability, death, attainment of age 59½ or termination of employment. A participant may receive the value of the vested interest in their account as a lump-sum distribution or in the form of annuity payments.

Under the terms of the Plan, participants may receive a hardship distribution of the vested portion of their account balance if they have met one of the required qualifying events.

## Notes to Financial Statements

October 31, 2023 and 2022

### Forfeitures

Forfeitures are the nonvested portion of a participant's account that is lost upon termination of employment. Forfeitures are retained by the Plan and may be used to pay the Plan's administrative expenses or to reduce future Employer contributions. For the year ended October 31, 2023, forfeitures totaling \$1,587 were used to reduce the Companies' contributions and pay administrative expenses. The balances in forfeiture accounts as of October 31, 2023 and 2022, were \$0 and \$1,531, respectively.

## 2) **Summary of Significant Accounting Policies**

### Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### Investment Valuation and Income Recognition

Investments are reported at fair values.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### Risks and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near-term and that such changes could materially affect the participants' account balances and amounts reported in the statements of net assets available for benefits.

### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions upon the occurrence of a distributable event, based on the terms of the Plan agreement. Interest income is recorded on an accrual basis.

## Notes to Financial Statements

October 31, 2023 and 2022

### Contributions Payable

For the years ended October 31, 2023 and 2022, amounts payable to participants totaling \$0 and \$214, respectively, for contributions in excess of the amounts allowed by the IRS are recorded as excess contributions payable. The Plan distributed the excess contribution for the year ended October 31, 2022, prior to March 15, 2023.

### Payment of Benefits

Benefits are recorded when paid.

### Administrative Expenses

The Plan permits, but does not require, the Employer to pay significant costs of Plan administration. At any time, the Employer may elect for the Plan to pay administration costs. For the year ended October 31, 2023, the Plan paid substantially all administrative expenses, which are reflected in the accompanying statements of changes in net assets available for benefits.

Investment related expenses are included in net appreciation in fair value of investments.

### Subsequent Events

Subsequent events were evaluated for recognition or disclosure in these financial statements through June 24, 2024, the date that the financial statements were available to be issued. See Note 8 for subsequent event details.

## 3) Investments and Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 *Fair Value Measurements and Disclosures* provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the input to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Quoted prices in markets that are not considered to be active or financial instruments without quoted market prices, but for which all significant inputs are observable, either directly or indirectly.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

# Miller Engineers 401(k) and Profit Sharing Plan

## Notes to Financial Statements

October 31, 2023 and 2022

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at October 31, 2023 and 2022.

*Pooled Separate Accounts (PSA):* Valued based on unit values reported by the Plan trustee, which is principally the market value of the underlying investments, but the PSA net asset value (NAV) per unit is not a publicly quoted price. Assets measured using net asset value as a practical expedient are not assigned a level in the fair value hierarchy.

*Collective Investment Trust:* The collective investment trust (CIT) invests in a collective trust fund as well as a variety of separate accounts and mutual funds. The fair value of the collective investment trust and the separate accounts are not publicly quoted pricing inputs. The fair value of all these investments are used in determining the net asset value (NAV) of the CIT, which is not publicly quoted. Assets measured using net asset value as a practical expedient are not assigned a level in the fair value hierarchy.

### Information about Net Asset Value as a Practical Expedient

The following information sets forth additional disclosures of the Plan's investments whose fair value is estimated using NAV as a practical expedient for the pooled separate accounts and collective investment trust. As of October 31, 2023 and 2022, there were no unfunded commitments, immediate redemption frequency and no notice period required.

#### **4) Information Prepared and Certified by the Custodian (Unaudited)**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.1030-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Life Insurance Company, the custodian of the Plan, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of October 31, 2023 and 2022.
- Investment income and interest income from notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended October 31, 2023.
- Investments reflected on the supplemental schedule of assets held at end of year.

## Notes to Financial Statements

October 31, 2023 and 2022

### 5) Plan Termination

Although it has not expressed any intention to do so, the Company, as the Plan's sponsor, has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

### 6) Tax Status

The Plan is operating as a tax exempt plan under a nonstandardized pre-approved adoption agreement. The Internal Revenue Service (IRS) has determined and informed the Plan sponsor by a letter dated June 30, 2020, that the nonstandardized pre-approved plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since the date of the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

GAAP requires the Plan's administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management does not believe that the Plan has taken any uncertain tax positions as of October 31, 2023. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is generally is no longer subject to income tax examinations for tax years prior to 2019 (fiscal year ended October 31, 2020).

### 7) Related-Party and Party-In-Interest Transactions

Certain Plan assets are investments managed by Principal Financial Group, an affiliate of the custodian of the Plan. These transactions qualify as exempt party-in-interest transactions. The Employer provides certain accounting, administrative, and management services to the Plan for which no fees are charged.

For the years ended October 31, 2023, fees paid by the Plan for administrative expenses such as third party administrative fees, recordkeeping fees, distribution, and loan fees, totaled \$49,649.

## Notes to Financial Statements

October 31, 2023 and 2022

### 8) Subsequent Events

Effective November 1, 2023, the Plan was amended to include the following:

- Automatic enrollment at a flat deferral rate of 3%.
- Increase of the Safe harbor match to 100% of the first 6% of compensation deferred.
- Remove the option for QNECs and QMACs other than corrective QNECs and QMACs.
- Allow for the rollover of in-kind assets from other plans of the employer and Roth contributions.
- Recognize protected in-service distributions at age 40, where allowed by statute, for balances transferred into the plan from other employers of the Plan.
- Add Azurite Professional Community, Inc., as a participating member of the Controlled group.
- Include eligibility for the employees from Inberg-Miller Engineers, Inc. (IME), including credit for prior service with IME. IME was an engineering firm acquired by Souder Miller & Associates, Inc. on November 1, 2022.
