INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the
Premier Transportation Employee Retirement Savings 401(k) Plan
Forest Park, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Premier Transportation Employee Retirement Savings 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PREMIER TRANSPORTATION EMPLOYEE RETIREMENT SAVINGS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2023 AND 2022
AND FOR THE YEAR ENDED DECEMBER 31, 2023

1. DESCRIPTION OF PLAN

The following description of the Premier Transportation Employee Retirement Savings 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan covering all eligible employees of J.H.O.C. D/B/A Premier Transportation (also referred to as the "Company" or "Employer" or "Plan Sponsor") who have six months of service and are at least twenty-one years of age. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan's Fiduciary Committee oversees governance of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

B. Contributions

Each year, participants may contribute up to 100% of annual compensation on a pre-tax or Roth basis, as defined in the Plan document. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, common collective trusts, a stable value common collective trust, self-directed brokerage accounts, and a group annuity contract as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 1% of eligible compensation. Contributions are automatically invested in a designated target retirement date fund until changed by the participant. The Company makes a discretionary matching contribution and may also make discretionary nonelective contributions as determined by management. Contributions are subject to certain statutory limitations.

C. Participants' Accounts

Each participant's account is credited with (i) the participant's contributions, (ii) the Company's contributions, and (iii) the participant's account earnings. Each participant's account is charged with (i) the participant's withdrawals, (ii) the participant's account losses, and (iii) an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2023 AND 2022
AND FOR THE YEAR ENDED DECEMBER 31, 2023

1. DESCRIPTION OF PLAN (Continued)

D. Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and nonelective contributions is based on years of service as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than two	0%
Two	20%
Three	40%
Four	60%
Five	80%
Six	100%

Participants also become 100% vested upon termination of the Plan, upon reaching the early retirement age of fifty-five years old, or upon disability or death while an employee of the Plan Sponsor.

E. Payment of Benefits

A participant may withdraw up to a maximum of 100% of the vested account balance of participant contributions and rollover contributions, excluding certain earnings on pretax contributions, in the event of a participant's heavy and immediate financial hardship, as defined in the Plan agreement. Hardship distributions cannot exceed the amount of the participant's financial hardship and may not be repaid by the participant.

The Plan Administrator may be required by law to recognize obligations the participant incurs as a result of court-ordered support or alimony payments. The Plan Administrator must honor a qualified domestic relations order ("QDRO"). If a QDRO is received by the Plan Administrator, all or a portion of the participant's account balance may be used to satisfy the obligation.

In-service withdrawals of all or a portion of a participant's vested account balance may be withdrawn by a participant after reaching age fifty-nine and one-half. In-service withdrawals of all or a portion of a participant's rollover account balance may be withdrawn at any time.

Upon retirement, disability or death, a participant or beneficiary may receive the value of the account through a lump sum distribution or a direct rollover into an individual retirement account. In general, if a participant's account balance, as defined in the Plan agreement, is greater than \$5,000 and employment is terminated other than due to retirement or death, the account may not be distributed before normal retirement age without the participant's consent. Participants' account balances less than \$5,000, but in excess of \$1,000 (the involuntary cash-out amount), will be paid as a direct rollover to an individual retirement account.

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to Internal Revenue Service ("IRS") penalties, unless the distribution is transferred to another qualified plan or individual retirement account.

NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2023 AND 2022
AND FOR THE YEAR ENDED DECEMBER 31, 2023

1. DESCRIPTION OF PLAN (Continued)

F. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, reduced by the amount of outstanding loans taken during the prior twelve-month period. The notes are secured by the balance in the participant's account and bear interest at rates of Prime Rate plus 1% which ranged from 4.25% to 9.50% as of December 31, 2023. Principal and interest is paid ratably through payroll deductions.

G. Forfeitures

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$17,359 and \$8,890, respectively. These accounts will be used to reduce future employer contributions and/or reduce administrative expenses. Also, in 2023, employer contributions were reduced by \$67 from forfeited nonvested accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

B. Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles ("U.S. GAAP") requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Fiduciary Committee determines the Plan's valuation policies utilizing information provided by its investment advisors and the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds were deducted from income earned on a daily basis and are not separately reflected. Consequently, these management fees and operating expenses are reflected as a reduction of investment return for such investments.

NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2023 AND 2022
AND FOR THE YEAR ENDED DECEMBER 31, 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Payment of Benefits

Benefit payments are recorded when paid by the Plan.

E. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

F. Administrative Expenses

The Company pays certain administrative expenses on behalf of the Plan including legal, accounting, and Plan administration. Administrative expenses paid by the Plan totaled \$80,775 for the year ended December 31, 2023.

G. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participant account balances and the amounts reported in the accompanying statements of net assets available for benefits.

H. Subsequent Events

Plan management has evaluated subsequent events through August 8, 2024, which is the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 3 inputs for the periods presented.

AS OF DECEMBER 31, 2023 AND 2022
AND FOR THE YEAR ENDED DECEMBER 31, 2023

3. FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Common collective trusts: Valued at the NAV of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV, as provided by the trustee, is valued and published daily.

Stable value common collective trust: Valued at the NAV of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

Self-directed brokerage accounts: Valued at fair value based upon the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 868,731	\$ -	\$ -	\$ 868,731
Common collective trusts	-	8,409,047	-	8,409,047

3. FAIR VALUE MEASUREMENTS (Continued)

Fair Value of Investment that Calculates NAV

The following table summarizes the investment measured at fair value based on NAV per share:

	December 31, 2023 Fair Value	December 31, 2022 Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Stable value common collective trust	\$ -	\$ 332,748	N/A	Daily	N/A

4. GROUP ANNUITY CONTRACT

The Plan has executed a benefit-responsive group annuity contract with Empower Annuity Insurance Company of America ("Empower"). Empower maintains the deposits in an unallocated general fund to which it adds interest at the contract rate and charges participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer on an annual basis, but it may not be less than 0%. A market value adjustment may apply to amounts withdrawn at the request of the contract holder.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes in the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (1) an uncured breach of the Plan's investment guidelines, (2) a material amendment to the contract without the issuer's consent, (3) a violation of a material obligation under the contract, or (4) a material misrepresentation. The Plan Administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

Either Empower or the Plan may terminate the group annuity contract with 75 days advance written notice to the other party.

5. EXCESS CONTRIBUTIONS

Contributions received from participants for 2023 and 2022 are net of excess contributions of \$18,024 and \$15,759, respectively, which represent amounts payable to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan.

6. TAX STATUS

The Plan Sponsor entered into an adoption agreement of the Empower Retirement, LLC Non-Standardized Pre-Approved Profit Sharing Plan (the "Profit Sharing Plan"). The Profit Sharing Plan received a favorable opinion letter from the IRS on November 14, 2022, which stated that the Profit Sharing Plan and related trust were designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving its latest opinion letter and has not obtained an updated opinion letter. However, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and that the Plan was qualified and tax exempt as of December 31, 2023, and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PARTY-IN-INTEREST TRANSACTIONS

Empower and Empower Trust Company, LLC perform services for, and sell products to manage and maintain certain investments for the Plan for which fees are charged to the Plan. While the Plan pays most of the fees, a portion is paid by the Plan Sponsor. Party-in-interest transactions also include loans made to participants.

Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

8. PLAN TERMINATION

Although it has expressed no intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.
