INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
Brighthouse Services, LLC Savings Plan & Trust
Charlotte, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Brighthouse Services, LLC Savings Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BRIGHTHOUSE SERVICES, LLC SAVINGS PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Brighthouse Services, LLC Savings Plan & Trust (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General Information

The Plan, a defined contribution plan sponsored by Brighthouse Services, LLC (the “Company”), is intended to comply with the applicable requirements of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), and the United States Internal Revenue Code of 1986, as amended (“IRC”). The Plan was established January 1, 2017 and covers substantially all employees of the Company with the exception of nonresident aliens, statutory, seasonal and certain part-time employees who work less than 1,000 hours.

Contributions

For 2023, participants were able to contribute up to 50% of eligible compensation, as defined in the Plan. Employees who do not specify a deferral percentage will be enrolled in the Plan based upon an automatic deferral arrangement as follows:

<u>Number of Years as a Participant</u>	<u>Automatic Deferral</u>
	<u>Percentage</u>
1	3%
2	4%
3	5%
4 and over	6%

Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions as permitted under the IRC. Participants may also rollover amounts representing distributions from other qualified plans.

Each pay period, the Company makes a safe harbor matching contribution to the account of each eligible participant equal to 100% of the first 6% of eligible compensation that a participant contributes to the Plan. The Company also makes a non-elective contribution to eligible participants that are employed on the last day of the plan year. For 2023, the Company contributed 3% of each employee's eligible compensation as a non-elective contribution. Contributions are subject to certain IRC limitations. The Company matching contribution and Company non-elective contribution are collectively referred to as Company Contributions hereafter.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Each participant's account is credited with contributions, charged with withdrawals, allocated investment earnings or losses and may include an allocation of administrative expenses, as provided by the Plan document. Allocations are based on participant contributions, eligible compensation, participant account balances, or specific participant transactions, as defined. A participant is entitled to benefits that are equal to the participant's vested account balance determined in accordance with the Plan document, as described below. Each participant directs the investment of his or her account to any of the investment options available under the Plan. Participants may change their investment options at any time during the year.

Vesting

Participants are immediately vested in their deferral and rollover contributions plus actual earnings thereon. Vesting in the Company Contributions, plus earnings thereon, is based on years of service. In general, a participant is 100% vested in the Company Contributions after two years of service, determined in accordance with the Plan document. Any participant involuntarily terminated from employment under the terms of a Company severance plan shall be 100% vested in his/her entire account as of the date of such termination.

Payment of Benefits

Upon termination of service, a participant is eligible to receive an amount equal to the value of the participant's vested interest in his or her account. Participants may elect to receive their vested account balances as a single lump sum, installment or partial payments, as defined in the Plan document. If a participant's vested balance is \$5,000 or less, it will be automatically distributed upon termination. If the vested balance is greater than \$1,000 but less than \$5,000, the Plan administrator will direct the trustee to distribute the amount into an individual retirement account or annuity for the benefit of the participant if the participant does not elect to receive or roll over the distribution. In certain circumstances, participants may make "hardship withdrawals" as defined in the Plan. Active participants may also take distributions from the Plan upon attainment of age 59½. Distributions are allowed from a participant's rollover account at any time.

Forfeitures

Forfeitures of Company Contributions may be used to pay administrative expenses of the Plan, reduce any future Company Contributions and restore previously forfeited balances of unvested participants who were or are re-employed and meet certain criteria. As of December 31, 2023 and 2022, approximately \$281,000 and \$305,000 of forfeited employer contributions were applied to offset employer contributions receivable reflected in the financial statements.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Loans

A participant may borrow from his or her account up to a maximum of the lesser of \$50,000 (reduced by the highest outstanding balance of loans in his or her defined contribution plan account(s)) or 50% of the participant's vested account balance (reduced by outstanding loans on the date of the loan). Such loans are secured by the balance in the participant's account and bear interest at 1% above the prime rate reported by the Wall Street Journal at the time the loan is made. The principal of and interest on the loans are paid ratably through payroll deductions. Participants may not have more than one loan outstanding at any time; however, two loans are allowed if one is a home loan. The term of the loan must not exceed five years, except for qualified home loans, which must not exceed fifteen years. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Administrative, Investment Management Expenses and Participant Incurred Fees

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Plan recordkeeping, trustee and certain investment advisory fees are paid by the Company and are not reflected in the financial statements. Fees related to the administration of participant loans are charged directly to the participant's account and are included in participant incurred fees. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Risks and Uncertainties

The Plan holds various investments. Investments are exposed to various risks such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the estimated fair values of investments will occur in the near term and that such changes could materially affect participant account balances and the value of the Plan's investments as reported in the accompanying financial statements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

The Plan's investments consist of shares in registered investment companies reported at estimated fair value. Shares are valued at the net asset value ("NAV") of shares held by the Plan at year-end as further discussed in Note 4.

Purchases and sales of securities are recorded on a trade-date basis. Investment income or losses are recorded as earned. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments.

Participants Loans

Participant loans are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the loans are collateralized by the participants' account balances. Related fees are recorded as participant incurred fees and are expensed when they are incurred.

Payment of Benefits

Benefit payments to participants are recognized when paid.

NOTE 3 - CERTIFIED INVESTMENTS AND PARTICIPANT LOANS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank.

NOTE 4 - FAIR VALUE MEASUREMENTS AND DISCLOSURES

Fair value is the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The Plan categorizes its assets and liabilities measured at estimated fair value into a three-level hierarchy based on the significant input with the lowest level in its valuation. The input levels are as follows:

NOTE 4 - FAIR VALUE MEASUREMENTS AND DISCLOSURES (Continued)

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2: Quoted prices in markets that are not active or inputs that are observable either directly or indirectly.

Level 3: Unobservable inputs that are supported by little or no market activity and are significant to the estimated fair value of the assets or liabilities.

The Plan's assets in registered investment companies totaling \$253,470,804 and \$190,441,687 as of December 31, 2023 and 2022, respectively, are measured at estimated fair value on a recurring basis using publicly quoted market prices in active markets and are classified as Level 1 within the hierarchy.

NOTE 5 – RELATED PARTY TRANSACTIONS

Certain related party transactions between the Plan and the Company qualify as exempt party-in-interest transactions as that term is defined under ERISA. The Plan invests in shares of a mutual fund issued by Schwab Funds, an affiliate of Charles Schwab Trust Bank, the Plan trustee. Transactions in such investments and the Plan's payment of recordkeeping and investment management fees to Charles Schwab Trust Bank qualify as party-in-interest transactions. Certain administrative expenses of the Plan are paid directly by the Company. Certain administrative functions are performed by employees of the Company. No employee receives compensation from the Plan. Participant loan repayments also reflect party-in-interest transactions for participant loans that are secured by the vested balances in the participants' accounts.

NOTE 6 – TERMINATION OF THE PLAN

The Company reserves the right to amend, modify or terminate the Plan at any time. In the event of a termination, each participant would be fully vested in their unvested Company Contributions and earnings thereon, if any, and would have a right to receive a distribution of his or her interest in accordance with the provisions of the Plan.

NOTE 7 – FEDERAL INCOME TAX STATUS

The Internal Revenue Service issued an opinion letter dated June 30, 2020 indicating that the Milliman, Inc. Defined Contribution Volume Submitter Plan and Trust prototype document ("Prototype") adopted by the Plan, as then designed, was in compliance with applicable requirements of the IRC. Although the Plan has been amended from the Prototype, Plan management ("Management") believes that the Plan is currently being operated in accordance with the applicable requirements of the IRC.

GAAP requires Management to evaluate tax positions taken by the Plan. Management has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Management believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 8 – SUBSEQUENT EVENTS

Management has evaluated subsequent events for recognition and disclosure through July 25, 2024, the date these financial statements were issued, and there are no subsequent events to report.
