Independent Auditors' Report

To the Plan Administrator
The DeRoyal Employees' Savings & Retirement Plan
Powell, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The DeRoyal Employees' Savings & Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year) for the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the DeRoyal Employees' Savings & Retirement Plan (the "Plan") provides only general information. Readers should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all eligible employees of DeRoyal Industries, Inc., its wholly-owned subsidiaries (Atlanta International Prosthetics, and Debusk Services, LLC) and its affiliated entities (DeRoyal Textiles, Inc., Royal Converting, Inc., and Waterstone Acquisition, LLC) (collectively the "Company") who have completed six months of service and are age eighteen or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions - Each year, participants may elect to defer a percentage of their compensation, as defined in the Plan. Total deferrals in any taxable year may not exceed a dollar limit which is set by law. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers twenty nine (29) registered investment companies, cash and a general account through the Plan's US Government Money Market account with State Street Institutional.

The Company may, at its discretion, make matching and non-matching contributions. The Company will match participants' contributions up to 4% of compensation.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions (if any) and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in employer contributions is based on years of continuous service. Employees hired before January 1, 2008 are subject to 0% vesting before their first year of service, 20% after 1 year of service and 100% after 2 years. For employees hired after January 1, 2008, employees are 0% vested until their second year of employment upon which they become 100% vested.

Participant Loans - Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear annual percentage rates ranging from 4.25% to 9.50%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits - Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments, not extending beyond the participant's assumed life expectancy.

Forfeited Accounts - At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$974 and \$16,828, respectively. These accounts are available to be used to reduce future Company contributions.

Administrative Expenses - Diversified Investment Advisors charges the Plan for recordkeeping services. All other administrative expenses of the Plan are paid by the Company.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The Plan's financial statements have been prepared using the accrual basis of accounting.

THE DEROYAL EMPLOYEES'
SAVINGS & RETIREMENT PLAN
Notes to Financial Statements(Continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Registered investment companies are valued based on the quoted market price of the underlying securities. Participant loans are valued at their outstanding balances, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Date of Management's Review - Management has evaluated events and transactions occurring subsequent to the December 31, 2023 for items that should potentially be recognized or disclosed in the financial statements. The evaluation was conducted through the date of the independent auditors' report, which is the date the financial statements were available to be issued.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Transamerica and State Street, the trustees:

	<u>2023</u>	<u>2022</u>
Investments	\$ 89,415,403	\$ 77,748,491
Net appreciation in fair value of investments	<u>\$ 12,985,846</u>	
Dividends	<u>\$ 884,608</u>	
Interest	<u>\$ 253,617</u>	

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. A valuation hierarchy has been established for disclosure of the inputs used to measure fair value. This hierarchy prioritizes the inputs into three broad levels. Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities. Level 2 inputs are quoted prices for similar assets and liabilities in active markets or inputs that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument. Level 3 inputs are unobservable inputs based on the Plan's assumptions used to measure assets and liabilities at fair value. A financial asset or liability's classification within the hierarchy is determined based on the lowest level input that is significant to the fair value measurement.

NOTE 4 - FAIR VALUE MEASUREMENTS -(Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered Investment Companies

The fair value of registered investment companies (collective trust funds and mutual funds) is based on quoted net asset values of the shares held by the Plan at December 31, 2023 and 2022.

General Account

The general account is part of a group annuity contract which invests in stable value investment contracts. The contract value of the general account approximates fair value at December 31, 2023 and 2022.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

At December 31, 2023 and 2022, the Plan had no liabilities carried at fair value subject to remeasurement on a recurring basis. The following table provides the assets carried at fair value measured on a recurring basis as of December 31, 2023 and 2022:

	Assets at Fair Value:		
	Level 1	Level 2	Total
December 31, 2023:			
Registered investment companies	\$ 51,096,589	\$ 31,010,468	\$ 82,107,057
Cash reserve account	120,837	-	120,837
General account	-	7,187,509	7,187,509
	<u>\$ 51,217,426</u>	<u>\$ 38,197,977</u>	<u>\$ 89,415,403</u>
December 31, 2022:			
Registered investment companies	\$ 45,844,199	\$ 24,440,366	\$ 70,284,565
Cash reserve account	96,713	-	96,713
General account	-	7,367,213	7,367,213
	<u>\$ 45,940,912</u>	<u>\$ 31,807,579</u>	<u>\$ 77,748,491</u>

NOTE 5 - GROUP ANNUITY CONTRACT

In 2015, the Plan entered into a group annuity contract with Reliance Trust Company ("Reliance"). Reliance maintains contributions in registered investment companies and a general account.

The general account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative fees. The general account is included in the statements of net assets available for benefits at fair value which approximates contract value as reported to the Plan by Reliance. The average yield on the general account was 2.28% and 2.27% for 2023 and 2022, respectively. The credited interest rate is set monthly.

SAVINGS & RETIREMENT PLAN
Notes to Financial Statements(Continued)

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their company contributions.

NOTE 7 - INCOME TAX STATUS

The Plan has adopted the Volume Submitter Tax-Favored Savings and Discretionary Contribution Plan and Trust Agreement sponsored by Diversified Investors Securities Corporation. The Internal Revenue Service has determined and informed the amended Plan by a letter dated March 31, 2014, that the Plan and related trust are in accordance with applicable sections of the Internal Revenue Code ("IRC").

The Plan recognizes tax loss contingencies when it is probable that a liability had been incurred and the amount of the loss can be reasonably estimated. The amount recognized would be subject to estimates and management's judgment with respect to the likely outcome of each uncertain tax position. Although the tax years ending December 31, 2020 through December 31, 2023 remain open for examination by various taxing authorities, it is management's opinion that no significant uncertain tax positions remain open at December 31, 2023.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan's investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with its investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - PARTY-IN-INTEREST

The Plan's investments are managed by Transamerica. Transamerica is the third-party administrator for the Plan. Accordingly, these transactions qualify as being with a party-in-interest. Another party-in-interest is Rodefer Moss & Co, PLLC who serves as the auditor of the Plan.
