INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Pacific Hide & Fur Depot dba Pacific Steel and Recycling 401(k) Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Pacific Hide & Fur Depot dba Pacific Steel and Recycling 401(k) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022 and for the years then ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Pacific Hide & Fur Depot dba Pacific Steel and Recycling 401(k) Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Pacific Hide & Fur Depot dba Pacific Steel and Recycling 401(k) Plan and Trust's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing our audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Pacific Hide & Fur Depot dba Pacific Steel and Recycling 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing our audit in accordance with generally accepted auditing standards, we:

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Pacific Hide & Fur Depot dba Pacific Steel and Recycling 401(k) Plan and Trust's ability to continue as a going concern for a reasonable amount of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule agreed to or derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule relates to assets held by Vanguard Fiduciary Trust Company for the time period January 1, 2023 through October 13, 2023 and Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company for the time period October 14, 2023 through December 31, 2023, and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**PACIFIC HIDE & FUR DEPOT dba
PACIFIC STEEL AND RECYCLING 401(k) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022**

1. DESCRIPTION OF THE PLAN

The following brief description of the Pacific Steel & Recycling 401(k) Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan Document and Summary Plan Description (SPD) for a more complete description of the Plan's provisions.

General

Pacific Hide & Fur Depot (the "Company") established the Plan effective September 1, 2004. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is a defined contribution plan covering substantially all employees except employees covered by a collective bargaining agreement, leased employees or employees employed on a casual or temporary basis.

Effective September 1, 2023, the Plan was restated pursuant to the cycle three restatement period and current SECURE Act legislature.

Eligibility

Employees not otherwise excluded become eligible after they have attained the age of 18 and have been employed by the Company for three months. Eligible employees may enter the Plan on the first day of the month following satisfaction of the eligibility requirements.

Plan Administration

The Plan is administered by the Board of Trustees. The Board of Trustees contracts with an independent third-party administration firm to perform recordkeeping responsibilities. All money that is contributed to the Plan is held for the benefit of the participants.

Contributions

Under the provisions of the Plan, each participant may elect to reduce his or her salary or wages on a pre-tax or Roth after tax basis up to a limit of 100% of annual compensation. The participant's total annual salary reduction may not be more than the limits under Internal Revenue Code section 402(g), as adjusted annually. Employees must make a separate deferral election for bonuses. Participants may also contribute amounts representing rollover distributions from certain other qualified retirement plans. Rollover contributions were \$90,846 and \$568 for the years ended December 31, 2023 and 2022, respectively. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes a safe harbor enhanced matching contribution of 100% of the first 4% of participant's compensation. The Company made safe harbor matching contributions of \$1,511,206 and \$1,666,551 for the years ended December 31, 2023 and 2022, respectively. Pursuant to the Plan Document, the Company may make a discretionary matching contribution to each eligible participant's account. There were no discretionary contributions for the years ended December 31, 2023 and 2022.

Participant Accounts

Participants in the Plan have segregated accounts in the name of the trust. Each participant account is credited with the participant's contributions, employer contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are immediately 100% vested in their deferral contributions, safe harbor contributions, discretionary matching contributions, if made, plus actual earnings thereon.

Forfeitures

Forfeitures resulting from the refund of excess deferrals are used to reduce employer contributions. In the Plan years ended December 31, 2023 and 2022, amounts forfeited were \$204,130 and \$74,401, respectively. In the Plan years ended December 31, 2023 and 2022, forfeited amounts used to reduce employer contributions totaled \$209,764 and \$82,638, respectively.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in any one of a variety of investment options. The Plan Sponsor may change the investment options offered at any time, as deemed appropriate. Participants have access to their information through the Internet and may make allocation changes at any time, subject to the Securities & Exchange Commission restrictions on excess trading.

The fund offerings are intended to provide participants with a variety of investment options over the usual range of asset classes with varying risk categories from conservative to aggressive. The prospectuses of the various funds offer detailed information on the characteristics, operations, management and expenses of the investments offered.

Payment of Benefits

Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of his or her account.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and certain reported amounts and disclosures. Actual results could differ from those estimates.

Administrative Expenses

Asset management fees, if any, are paid by the Plan. Investment results are net of fees associated with the management of the registered investment companies in which the Plan invests. Active and inactive participant accounts are charged a portion of the recordkeeping fee. All other fees associated with the Plan are paid by the Company and are excluded from these financial statements.

Contributions

Contributions from Plan participants and the safe harbor matching contributions from the Company are recorded in the year in which the employee contributions are withheld from eligible compensation.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Benefit Payments

Benefits are recorded when paid.

Investment, Valuation and Income Recognition

The Plan's investments are reported at fair value and contract value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Contract value is the relevant measurement attribute for the portion of net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount the participant would receive if they were to initiate permitted transactions under the terms of the Plan. The financial statements are prepared on the contract value basis for fully benefit-responsive investment contracts.

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. All investment information disclosed in the accompanying financial statements and schedule including investments held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, dividends, and gain on sales of assets for the years then ended were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the custodians. Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company were the custodians for the year end December 31, 2023. Vanguard Fiduciary Trust Company was the custodian for the time period of January 1, 2023 through October 13, 2023 and for the year ended December 31, 2022.

Accordingly, as permitted under such election, the following information was not subjected to any auditing procedures performed by the independent public accountants, except for comparing such information certified by the custodians to information included in the Plan's financial statements and supplemental schedule:

a. Total investments as shown in the accompanying statements of net assets available for benefits of \$33,875,407 as of December 31, 2023 and \$28,296,917 as of December 31, 2022, respectively, and the supplemental Schedule H, line 4i-Schedule of Assets (Held at End of Year), as of December 31, 2023.

b. Net investment gains (losses) as shown in the accompanying statements of changes in net assets available for benefits of \$4,922,749 as of December 31, 2023 and \$(5,705,618) as of December 31, 2022, respectively.

NOTES TO FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board (FASB) developed the Accounting Standards Codification (ASC) 820, "Fair Value Measurements," to establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the "Fair Value Measurements" guidance are described as follows:

Level 1 - observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.

Level 2 - observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.

Level 3 - inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Registered investment companies: Valued at the net asset value (NAV) of shares held by the Plan at year end.

Pooled separate account: Valued at the net asset value (NAV) of shares of the underlying registered investment company that the Plan's pooled separate account is invested in at year end. The pooled separate account is invested in a single registered investment company.

Collective investment trusts: Valued at the net asset value (NAV) of the units of the collective trusts held by the Plan at year end. The fair value of the units held in collective trust funds are based on the net asset values (NAV) reported by the fund managers as of the financial statement dates and recent transaction prices. The collective trust provides for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan maintains two fully benefit-responsive guaranteed investment contracts with Vanguard Fiduciary Trust Company and Principal Life Insurance Company. There is a put on the contract with Vanguard that expires in August 2024 and at that time the contract will transfer to Principal. The accounts are credited with all contributions made by or on behalf of the participants, all interest credited to the fixed accounts on an annual effective basis pursuant to the guaranteed interest rate applicable, any amounts transferred or distributed from the accounts and applicable charges and fees. The contracts are included in the financial statements at contract value as reported to the Plan by Principal Trust Company, the Custodian. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 2, because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contracts were \$1,722,150 and \$2,006,813 for the years ended December 31, 2023 and 2022, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 0%. Such interest rates are reviewed for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuers. Such events include but may not be limited to a participant termination of employment due to: (1) removal of a group of participants from Plan coverage as a result of a temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the Plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under common control with the employer; (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Plan Sponsor's business. Such events also include: (1) removal from the Plan of one or more groups or classifications of participants; (2) partial or complete Plan termination; or (3) Plan disqualification.

6. PARTY-IN-INTEREST TRANSACTIONS

The Plan paid recordkeeping fees to Vanguard Fiduciary Trust Company of \$40,344 and \$43,144 for the years ended December 31, 2023 and 2022, respectively. Additionally, the Plan paid recordkeeping fees to Principal Life Insurance Company of \$16,593 and \$0 for the years ended December 31, 2023 and 2022, respectively.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. TAX STATUS

The IRS has determined and informed the Plan sponsor by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving its latest determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2023, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months. The Plan's income tax returns are subject to examination by the appropriate regulatory authorities.

9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, assets will be distributed to participants in proportion to their respective individual account balances.

10. SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 13, 2024, the date the financial statements were available to be issued. Management determined there were no subsequent events that required disclosure in the financial statements.
