## INDEPENDENT AUDITOR'S REPORT

To the Trustees, Retirement Plan Committee, and Plan Administrator  
Bar Education, Inc. Retirement Savings Plan  
Miami Lakes, Florida

### **Opinion**

We have audited the financial statements of Bar Education, Inc. Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets in liquidation available for benefits as of December 31, 2022, the related statement of changes in net assets in liquidation available for benefits for the year ended December 31, 2022, and the related notes to the financial statements. In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets in liquidation available for benefits of Bar Education, Inc. Retirement Savings Plan as of December 31, 2022, and the changes in its net assets in liquidation available for benefits for the year ended December 31, 2022, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bar Education, Inc. Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Emphasis of a Matter – Plan Merger and Transfer and Liquidation Basis of Accounting**

As discussed in Note 1 to the financial statements, Bar Education, Inc., the Plan's sponsor, elected on April 18, 2022 to merge and transfer the Plan's assets into Lever1 Retirement Savings Plan. As a result, the Plan changed its basis of accounting from the going concern basis of accounting to the liquidation basis of accounting. All assets were substantially merged, transferred and liquidated from the Plan by December 31, 2022. Our opinion is not modified in respect to this matter.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements, continued***

Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplemental Schedules Required by ERISA***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4i – Schedule of Assets in Liquidation (Held at End of Year) as of and for the year ended December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

***Comparative Information Presented on the December 31, 2021 Financial Statements***

The 2021 financial statements are presented for comparative purposes only and we did not audit, review or compile the 2021 financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management outside of our routine initial and beginning balance audit procedures related to the 2021 financial statements. Therefore, we do not express an opinion, a conclusion, nor provide any assurance on the 2021 financial statements as they are simply presented for comparative purposes only as needed for reconciliations to the December 31, 2022 Form 5500.

BAR EDUCATION, INC. RETIREMENT SAVNGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2022 and 2021

**NOTE 1. DESCRIPTION OF THE PLAN**

The following description of the Bar Education, Inc. Retirement Savings Plan (Plan) provides only general information. Participants should refer to the Plan summary plan description and Plan document for a more complete description of the Plan's provisions.

General

The Plan, which was established on January 1, 2021, was maintained by Bar Education, Inc. (the Company or Sponsor) for the benefit of the Company's and its affiliates eligible employees. The Plan was a defined contribution plan under Sections 401(a) and 401(k) of the Internal Revenue Code (IRC) and was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Effective April 18, 2022, the Plan merged into the Lever1 Retirement Savings Plan and transferred all Plan assets into the Lever1 Retirement Savings Plan, this transaction is referred to as the "merger and transfer" throughout these statements. The Plan effectively terminated after the merger and transfer into the Lever1 Retirement Savings Plan.

Eligibility

Prior to the merger and transfer, eligible employees included all regular employees of the Company over the age of 21, who were not covered under a collective bargaining agreement and who were not non-resident aliens. Employees were eligible to participate in the Plan on the first day of the calendar quarter following completion of a twelve month period in which 1,000 hours have been worked.

Contributions

Prior to the merger and transfer, each year, participants could contribute up to 100% of pretax or post tax annual compensation, as defined in the Plan. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants could direct the investment of their contributions into various investment options offered by the Plan. The Plan offered various mutual funds as investment options.

The Plan was a safe harbor retirement savings Pan, which required the Company to make safe harbor matching contributions. The Company, as required by the Plan, made safe harbor matching contributions equal to 100% of each participant's elective deferral up to and not exceeding 4% of base compensation that a participant contributed to the Plan. Additional matching contributions could also be contributed at the discretion of the Company. During the year ended December 31, 2022, the Company made safe harbor matching contributions of \$35,441 to the Plan. The Company did not make any discretionary additional matching contributions for the period ended December 31, 2022. Contributions were subject to certain Internal Revenue Service (IRS) limitations.

Vesting

Prior to the merger and transfer, participants were vested immediately in their voluntary contributions plus actual earnings thereon. Vesting in the Company's safe harbor contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants vest at a rate of 20% per year beginning with the second year of service. Prior to the merger and transfer, participants became fully vested after six years of service.

Participants are considered to have completed one year of service for purpose of vesting upon the completion of 1,000 hours of service at any time during 12 consecutive months.

Participant Accounts

Prior to the merger and transfer, individual accounts were maintained for each participant's share of the Plan's investment results, the Company's safe harbor matching contributions and discretionary nonelective contributions, and the participant's contributions. Allocations of Plan investment results are based on participant account balances, as defined by the Plan document.

December 31, 2022 and 2021

**NOTE 1. DESCRIPTION OF THE PLAN, continued**

Notes Receivable from Participants

Prior to the merger, a participant could borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Loans were secured by the participant's account balance and bore interest at a reasonable rate of interest as determined by the Plan based on prevailing interest rates charged for similar loans in the loan market. Repayments of the loans were made in substantially equal payroll deductions amortized over the life of the loan. The loan had to be repaid within five years unless the loan was used to purchase a primary residence, in which case the repayment period could not extend beyond 15 years from the date of the loan. The principal amount of the loan, together with all accrued interest, immediately become due when the participant was no longer employed by the Company. Delinquent notes receivable from participants were reclassified as distributions based upon the terms of the Plan document.

Forfeitures

Prior to the merger and transfer, forfeited account balances were utilized to reduce future Company contributions or pay Plan fees. There were forfeitures of \$1,372 available as of and for the year ended December 31, 2022 prior to the merger and transfer. In 2022, non-vested forfeited amounts were used to pay Plan fees and residual amounts were transferred out of the Plan during the merger.

Benefit Payments

Prior to the merger and transfer, a participant became eligible for benefits at the normal retirement date (age 65), upon termination from the Company, or at the date the participant dies or becomes disabled. In addition, a participant was eligible to receive distributions without termination of employment upon attainment of age 59½ without penalty. In-service hardship withdrawals were permitted by the Plan.

Administrative Expenses

Prior to the merger and transfer, certain expenses of the Plan were paid by the Company, with the exception of investment advisory, recordkeeping and management fees, and TPA fees. These expenses were allocated as necessary to each participant's account.

Plan Termination/Merger

Effective April 18, 2022, the Company elected to merge the Plan with the Lever1 Retirement Savings Plan. The Plan has wound down plan operations and all balances were distributed or transferred to the Lever1 Retirement Savings Plan by December 31, 2022. The total amount transferred to the Lever1 Retirement Savings Plan during the year ended December 31, 2022 was \$2,681,642. See Note 2 Summary of Significant Accounting Policies for more information.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

Due to the merger and transfer of the Plan, Plan management determined that liquidation of the Plan is imminent and the financial statements for the years ended December 31, 2022 and 2021 have been prepared using the liquidation basis of accounting. Under the liquidation basis of accounting, assets are measured at the expected cash proceeds from liquidation and liabilities are measured in accordance with accounting principles generally accepted in the United States that otherwise apply to those liabilities.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS  
December 31, 2022 and 2021

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued**

Investment Valuation and Income Recognition

The Plan's investments were reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants were valued at their unpaid principal balance plus any accrued but unpaid interest. Due to the merger and transfer, there were no outstanding notes receivable from participants at December 31, 2022. Prior to all outstanding loan balances being transferred during the merger and transfer, the Plan had interest rates ranging from 4.25-6.00%.

Subsequent Events

Subsequent events have been evaluated for potential recognition and/or disclosure through August 14, 2024. This represents the date the financial statements were available to be issued.

**NOTE 3. FAIR VALUE MEASUREMENTS**

Accounting standards establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value are described as follows:

**Basis of Fair Value Measurement**

- Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;
- Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the trust investment assets at fair value, as of December 31, 2022 and 2021. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

(a) These funds were measured at NAV per share in accordance with FASB ASC Subtopic 820-10 and have not been classified in the fair value hierarchy. **NOTE 4. TAX STATUS**

The Plan was a non-standardized pre-approved profit sharing plan with CODA sponsored by Slavic Integrated Administration, Inc. d/b/a Slavic401k.com (Slavic401k) which obtained an opinion letter dated June 30, 2020, in which the Internal Revenue Service (IRS) stated that the Plan, as designed, was in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

FASB requires the Plan Administrator to annually evaluate the Plan's tax positions, including accounting and measurement of uncertain tax positions. For the year ending December 31, 2022, the Plan Administrator concluded that no uncertain tax positions had been taken that would require adjustment to or disclosure in the financial statements. The Plan is currently subject to income tax examinations by the federal, state, or local tax authorities for its 2022 and 2021 Form 5500 filings, as they are the only Form 5500 filings for the Plan.

**NOTE 5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Prior to the merger and transfer, Plan investments consisted of a money market fund and certain shares of mutual funds which were managed by Fidelity Investments (Fidelity). One of Fidelity's wholly-owned subsidiaries and affiliates provided custody services to the Plan, all of which qualifies Fidelity and its affiliates as parties-in-interest. Slavic401k provided recordkeeping and other third-party administrator (TPA) services to the Plan, which also qualify as party-in-interest transactions.

Direct compensation of \$210 was paid to Fidelity or its affiliates for the year ended December 31, 2022. During the year ended December 31, 2022, the Plan may have paid indirect compensation to Fidelity. The Plan paid direct compensation of \$5,235 to Slavic401k for recordkeeping and other TPA services during 2022.

Notes receivable from participants also qualified as party-in-interest transactions.

# SOUTHEASTERN COLLEGE

July 23, 2024

Dear Regulators,

We are currently in the process of having the BAR Education, inc. Retirement Savings Plan (the Plan) (EIN 65-0466559; Plan Number 002) audited for the year ended December 31, 2022. We are having a full scope audit performed by our auditors and received a letter dated July 2, 2024, notifying us that our 2022 Form 5500 was rejected due to not having an audit attached to the 5500. At that time, we were unaware that the Plan needed an audit. Our assigned case number is 24-0990D. The audit firm we are using is as follows:

Symphona LLP

118 Park of Commerce Drive, Suite 200

Savannah, Georgia 31405

Phone: 912-238-1001

Audit Firm's EIN – 58-2663273

We anticipate having the audit completed in the near future. We will then amend the Form 5500 and attach the completed audited financial statements to the Form 5500. We will be filing under the Delinquent Filers Voluntary Correction Program (DFVCP) at the time of the amendment.

Respectively,

Jonas Perez Mananet, CFO and Plan Administrator
