INDEPENDENT AUDITORS' REPORT

To the Trustees of
BISSELL Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of BISSELL Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of BISSELL Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of BISSELL Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about BISSELL Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if

there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of BISSELL Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about BISSELL Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and

other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BISSELL Inc. 401(k) Plan

Notes to Financial Statements

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the BISSELL Inc. 401(k) PLAN (Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that covers all eligible employees of BISSELL Inc. (Company) and provides for retirement benefits. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Benefit Plan Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

Contributions

Participants may contribute any percentage of their eligible compensation, up to the maximum amount allowable by the Internal Revenue Service, including catch-up contributions for participants who have attained age 50 before the end of the year, through a payroll deduction program. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 4% of eligible compensation. The automatic enrollment includes an annual escalation of 1%, up to 10% of eligible compensation, unless the participant affirmatively elects to not participate. Contributions are automatically invested in a designated balanced fund until changed by the participant.

The Company makes Safe Harbor contributions to the Plan equal to 3% of participating compensation for all eligible participants. Participant and Company Safe Harbor contributions are 100% vested at all times.

The Company provides a 50% matching contribution on participant deferrals up to 4% of eligible wages, for a maximum Company match of 2% of eligible wages. Matching contributions are subject to a 3-year vesting schedule as follows:

	<u>Vesting</u>
Less than 3 years of vesting service	0%

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contributions, an allocation of that account's investment experience, and charged with an allocation of administrative expenses that are paid by the plan. Allocations are based on participant earnings or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their individual accounts.

Payment of Benefits

Funds may be withdrawn from a participant's account upon the occurrence of one of the following: hardship, attainment of age 59-1/2, QDRO, death, total disability, termination of employment, transfer of employment, or attainment of age for required minimum distribution. Upon termination of service, a participant may elect to either receive distribution of a lump-sum amount equal to the value of the participant's account, or to transfer the value of the participant's account into another qualified retirement plan.

Benefits are recorded when paid.

Notes Receivable from Participants

A participant may borrow up to 50% of his or her employee contribution account balance, up to a maximum of \$50,000. The loans are secured by the balance in the participant's account. Interest is charged on the outstanding loan balance at the prevailing rate for comparable loans. Loans are repaid by payroll deduction over a term that complies with Internal Revenue Code guidelines. Both interest and principal payments are credited to the participant's account.

Forfeitures and Plan Expense Account

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$113,933 and \$93,049, respectively. These accounts will be used to reduce future administrative expenses or employer contributions. Also, in 2023, Plan expenses and employer contributions were reduced by \$58,723 and \$20,945, respectively, from forfeited nonvested accounts. In 2022, Plan expenses and employer contributions were reduced by \$33,222 and \$13,241, respectively, from forfeited nonvested accounts.

At December 31, 2023 and 2022, nonvested expense reimbursement accounts totaled \$7,075 and \$6,077, respectively. These accounts will be used to reduce Plan expenses. Plan expenses were reduced by \$0 and \$796 from the expense reimbursement account for the years ended December 31, 2023 and 2022, respectively.

Notes to Financial Statements

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and terminate the Plan subject to the provisions set forth in ERISA. Should the Plan terminate, all participants' accumulated plan benefits become 100% vested and will be distributed to the participants.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Benefit Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Reclassifications

Certain amounts as reported in the 2022 financial statements and footnotes have been reclassified to conform to the 2023 presentation.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the plan document. Interest income is recorded on the accrual basis. Related fees are recorded

BISSELL Inc. 401(k) Plan

Notes to Financial Statements

as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 3 – INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2023 and 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Trust Company, LLC, the trustee of the Plan.

NOTE 4 – INCOME TAX STATUS

Effective January 1, 2022, the Plan was amended and restated using the Empower Retirement, LLC Defined Contribution Pre-Approved Plan #02. The Plan document has received an opinion letter from the Internal Revenue Service dated November 14, 2022, stating that the written form of the underlying prototype plan document is qualified under Section 401(a) of the Internal Revenue Code (the "Code") and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the Code. The Plan is required to operate in conformity with the Code to maintain its qualification. The Plan's administrator and the Plan's tax counsel believe the Plan is designed and is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 5 – TRANSACTIONS WITH PARTIES IN INTEREST

Fees incurred for legal, accounting, and administrative services rendered by parties in interest were based on customary and reasonable rates for such services and are the responsibility of the Plan. The Company may, at its discretions, elect to pay certain administrative expenses on behalf of the Plan. Expenses that are paid by the Company are excluded from these financial statements. Empower Annuity Insurance Company of America served as the Plan's record keeper for the years ended December 31, 2023 and 2022. Fees paid by the Plan to Empower Annuity Insurance Company of America amounted to \$7,976 and \$3,511 for the years ended December 31, 2023 and 2022, respectively. Fees paid by the Plan to Empower Advisory Group amount to \$46,091 and \$47,808 for the years ended December 31, 2023 and 2022, respectively. Fees paid by the Plan to Vander Ploeg, Bergakker & Associates amounted to \$9,970 and \$9,275 for the years ended December 31, 2023 and 2022, respectively. Custodial fees for 2023 and 2022 are included in net appreciation (depreciation) in fair value of investments on the statements of changes in net assets available for benefits. These transactions qualify as exempt party-in-interest transactions.

NOTE 6 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements

Inputs to the valuation methodology includes quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specific (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

BISSELL Inc. 401(k) Plan

Notes to Financial Statements

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are presented as level 1 in the fair value measurements table.

Self-Directed Brokerage Accounts: Consists of money market funds, corporate stocks, bond funds, and mutual funds. Money market funds, corporate stocks, and mutual funds are valued at the daily closing price as reported by the fund and are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The money market funds, corporate stocks, and mutual funds held by the Plan are deemed to be actively traded and are presented as level 1 in the fair value measurements table. Bond funds are valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings. The bond funds can be redeemed on a daily basis and have no unfunded commitments. The bonds funds are presented as level 2 in the fair value measurements table.

Collective investment trusts: Valued based on their daily net asset value (NAV) as provided by the plan. The NAV is based upon other significant observable inputs (including quoted market prices for similar securities, interest rates, prepayment speeds, credit risk, etc.). The net asset value of a collective investment trust is not publicly quoted. The net asset values, as provided by the custodian, are used as practical expedients to estimate fair value. This class invests in a collective trust fund as well as a variety of security-backed contracts. The collective investment trusts can be redeemed at NAV as of the measurement date and can be redeemed on a daily basis. There are no unfunded commitments.

Notes to Financial Statements

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	Fair Value Measurements at Reporting Date Using:		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
December 31, 2023			
Mutual funds	\$ 116,244,336	\$ 116,244,336	\$ -
Self-directed brokerage accounts	4,538,365	4,538,365	-
Collective investment trusts			
measured at net asset value (a)	3,595,797	-	-
Investments at fair value	<u>\$ 124,378,498</u>	<u>\$ 120,782,701</u>	<u>\$ -</u>
December 31, 2022			
Mutual funds	\$ 98,905,807	\$ 98,905,807	\$ -
Self-directed brokerage accounts	4,295,453	4,295,296	157
Collective investment trusts			
measured at net asset value (a)	4,284,877	-	-
Investments at fair value	<u>\$ 107,486,137</u>	<u>\$ 103,201,103</u>	<u>\$ 157</u>

(a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

NOTE 7 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through the date of the independent auditors' report, August 6, 2024, which is the date the financial statements were available to be issued.
