Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Meier Supply Co., Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of October 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended October 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Meier Supply Co., Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended October 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Davidson Fox & Company, LLP

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Meier Supply Co., Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Meier Supply Co., Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Meier Supply Co., Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Meier Supply Co., Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements

themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following is a brief description of Meier Supply Co., Inc. 401(k) Profit Sharing Plan (the Plan) provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. A complete description of the Plan may be obtained from the Plan Administrator.

General

The Plan is a defined contribution profit sharing plan under Section 401(k) of the Internal Revenue Code that was established on January 1, 2002 for the purpose of providing retirement benefits for eligible employees of Meier Supply Co., Inc. (the Company). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees are eligible to participate in the Plan's salary deferral option when they reach the age of 21. Eligibility for employer matching and profit sharing contributions requires that an employee complete twelve months of service and be employed on the last day of the Plan Year. These requirements are waived for employees who die, become disabled, or retire during the Plan Year.

Contributions

The plan allows participants to defer up to 100% of their eligible compensation, but participants are limited to the annual threshold set by the Internal Revenue Service. Participants over the age of 50 are eligible to make catch-up contributions up to certain dollar thresholds, as defined in the Plan. Participants have the option of making Roth elective deferrals.

All employees meeting the eligibility requirements to make salary deferrals to the Plan are automatically enrolled in the Plan and 3% of the employee's eligible compensation will be automatically withheld and deposited into the Plan as a salary deferral. Participants will then have the ability to terminate or modify the automatic deferral election within 90 days of the date the automatic deferral election is first effective.

Participants may also contribute funds representing distributions from other qualified plans or individual retirement accounts in the form of direct rollover contributions.

The Company may make matching contributions on behalf of eligible participants in an amount equal to either a percentage of compensation or a dollar amount as it directly relates to elective deferrals made during the Plan Year by eligible participants. The Company may also make discretionary profit sharing contributions, which will be allocated to participant accounts based on the amount of eligible compensation. For the years ended October 31, 2023 and 2022, the company made matching and discretionary contributions of \$275,034 and \$256,534, respectively.

The Plan provides that all employee contributions to the Plan will be invested in certain individual funds as directed by each participant.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Plan is participant-directed Plan.

Vesting

Participants are immediately vested in their contributions and employer matching contributions plus actual earnings thereon. There is a six year graded vesting schedule with regard to the Company's non-elective contributions of 20% vesting after two years of services, and an additional 20% vesting for each additional year of service. In addition, a participant's account balance will become fully vested upon reaching retirement age, becoming disabled or dying while employed by the Company. Normal retirement age is 65.

Payment of Benefits

Upon termination of employment, participants may receive all or part of their vested account balance paid at any time. If the value of the participant's vested interest is greater than \$1,000 but less than or equal to \$5,000, a direct rollover will be made of the participant's vested account balance into an IRA as selected by the plan administrator. Active participants may receive a portion of their vested accounts once they reach age 59½. Required minimum distributions are made once a participant reaches age 70½. Additionally, active participants may make hardship withdrawals to satisfy financial hardships as specified in the Plan document.

Forfeited Accounts

Forfeited, non-vested accounts are retained in the Plan and used to reduce the contribution of the employer. During the years ended October 31, 2023 and 2022, employer contributions were reduced by \$1,972 and \$-0-, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared on an accrual basis in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The Plan uses estimates and assumptions in preparing financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair market value. Quoted market prices are used to value mutual funds. Shares of common/collective trusts are reported at contract value. Within the self-directed brokerage accounts, mutual funds, common stocks, and unit investment trusts are valued at quoted market prices.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded when earned. The net realized and unrealized appreciation (depreciation) in fair value of investments reflects the change in market value from beginning of year to end of year, realized gains and losses on sale of underlying investments, and investment earnings.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest at year end. The Plan administrator annually evaluates notes receivable for collectability based on their current financial condition. Provisions for losses on notes receivable are determined on the losses of known risks in the loan portfolio, the estimated value of underlying collateral and current economic conditions. Losses on notes receivable are treated as distributions to plan participants upon default. At October 31, 2023 and 2022, the allowance for losses on notes receivable was \$-0-, as all are considered collectable because they are secured by participant accounts.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Certain expenses of maintaining the Plan are paid by the Plan sponsor in addition to those paid by the Plan.

Subsequent Events

The Company has evaluated events and transactions that have occurred between October 31, 2023 and August 9, 2024 which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. No significant subsequent events have been noted to have occurred within this time period.

NOTE 3 - CERTIFICATIONS

The Plan Administrator has obtained certification from NBT Bank and Charles Schwab Bank, that the following information provided in the annual report to the Plan Administrator is complete and accurate.

NOTE 3 - CERTIFICATIONS (Continued)

This information, which has not been examined by independent auditors, is summarized as follows at October 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
Cash and cash equivalents	\$ 370,871	\$ 292,550
Investments, at fair value and contract value	\$ 12,860,006	\$ 11,676,832
Interest, dividends and net appreciation in fair value of investments	\$ 729,399	

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits and are summarized as follows:

	<u>Fair Value</u>	<u>Quoted Prices In Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
<u>October 31, 2023</u>				
Mutual funds	\$ 10,125,764	\$ 10,125,764	\$ -	\$ -
Self-directed brokerage accounts	<u>1,795,241</u>	<u>1,795,241</u>	<u>-</u>	<u>-</u>
	\$ <u>11,921,005</u>	\$ <u>11,921,005</u>	\$ <u>-</u>	\$ <u>-</u>
<u>October 31, 2022</u>				
Mutual funds	\$ 9,008,912	\$ 9,008,912	\$ -	\$ -
Self-directed brokerage accounts	<u>1,740,167</u>	<u>1,740,167</u>	<u>-</u>	<u>-</u>
	\$ <u>10,749,079</u>	\$ <u>10,749,079</u>	\$ <u>-</u>	\$ <u>-</u>

Generally accepted accounting principles establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs were not available.

(See Independent Auditor's Report)

NOTE 5 - INVESTMENT IN COLLECTIVE TRUST

One of the current investment options in the Plan is the Federated Capital Preservation Fund (the Fund), which invests in traditional guaranteed investment contracts (GICs), separate account guaranteed investment contracts (SGICs), synthetic guaranteed investment contracts (SICs), money market mutual funds and other stable value products.

These contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. Contract value, as reported to the Plan by the trustee and custodian, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The total contract value of the guaranteed investment contract was \$939,001 and \$927,753 as of October 31, 2023 and 2022, respectively.

Certain events limit the Plan's ability to transact at contract value with the fund. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

NOTE 6 - RELATED PARTY TRANSACTIONS

NBT Bank, the trustee, and Charles Schwab Bank, a custodian, as defined by the Plan, have physical and administrative control of certain assets of the Plan and execute transactions therein. For such responsibilities, NBT Bank and Charles Schwab Bank receive fees at customary and reasonable rates as provided for in the Plan. Administrative fees paid by the Plan to the trustee and custodian amounted to \$29,152 and \$28,942 for the years ended October 31, 2023 and 2022, respectively.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS

OCTOBER 31, 2023 AND 2022

(See Independent Auditor's Report)

NOTE 8 - INCOME TAX STATUS

The Plan is a non-standardized prototype plan. The Internal Revenue Service has determined and informed the trustee by a letter dated March 31, 2014 that the Plan and the related trust established under the Plan are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - TERMINATED PARTICIPANTS

The value of terminated participants' accounts for years ended October 31, 2023 and 2022 was \$2,931,782 and \$2,261,573, respectively.
