Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: WITHUMSMITH+BROWN, PC

(2) EIN: 22-2027092

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Independent Auditor's Report

To the Plan Administrator of
Bob Hall, Inc. 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements

We have performed an audit of the financial statements of Bob Hall, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of October 31, 2023 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Bob Hall, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended October 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of Bob Hall, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3) (C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bob Hall, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bob Hall, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bob Hall, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2023 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of or for the year ended October 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2022 Financial Statements

The financial statements of Bob Hall, Inc 401(k) Profit Sharing Plan, as of October 31, 2022, were audited by PBMAres, LLP. On August 1, 2023, the Baltimore office of PBMAres, LLP joined with WithumSmith+Brown, PC. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed PBMAres, LLP not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated August 15, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agreed to, or was derived from, in all material respects, the information prepared and certified by an institution that management determined met the requirements of ERISA Section 103(a)(3)(C).

Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agreed to or was derived from the certified investment information, were presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agreed to, or was derived from, in all material respects, the information prepared and certified by an institution that management determined met the requirements of ERISA Section 103(a)(3)(C).

Bob Hall, Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements
October 31, 2023 and 2022

1. Description of Plan

The following description of the Bob Hall, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established effective September 1, 1978, as restated November 1, 2022. The Plan covers all employees of Bob Hall, Inc. and its affiliate, Bob Hall, LLC (collectively, the "Company"), who have one year of service and are age nineteen or older. Employees covered under a collective bargaining agreement are not eligible to participate in the Plan. The Board of Trustees of the Company controls and manages the operation and administration of the Plan. Empower Annuity Insurance Company of America ("EAIC"), as agent for Massachusetts Mutual Life Insurance Company (MassMutual), is the certifying entity of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions

Each year, participants may contribute any amount of pre-tax and after-tax (Roth) annual compensation, as defined in the Plan document, subject to Internal Revenue Code ("IRC") limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their allocations on a daily basis.

For the year ended October 31, 2023, the Company provided an enhanced Safe Harbor matching contribution of 100% of the employee's contribution up to the first 4% of the employee's salary for a total of \$201,160. Additionally, at its discretion, the Company may make a profit sharing contribution. For the Plan year ended October 31, 2023, employer discretionary profit sharing contributions of \$363,729 were made. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's discretionary contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the Company's matching contributions plus actual earnings thereon. Vesting in the Company's discretionary profit sharing contribution portion of their accounts is based on years of service. A participant is 20% vested after 2 years of credited service and continues to vest in increments of 20% until 100% vested after 6 years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with interest rates charged by local commercial banks for similar loans (prime plus 2%). At October 31, 2023 and 2022, outstanding loans bore interest rates ranging from 4.25% to 10.5%. Principal and interest is paid ratably through payroll deductions.

Notes to Financial Statements
October 31, 2023 and 2022

Payment of Benefits

Upon termination of service due to death, disability, retirement, or other reasons, a participant whose vested account balance is greater than \$5,000 may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount.

Participants whose vested account balance is \$5,000 or less will receive the value of the vested interest in his or her account as a lump-sum distribution. All fully vested balances are available for distribution after the participant reaches the age of 59 1/2. Earlier distribution is permitted after the attainment of age 55 and seven years of service. In addition, the Plan allows for hardship distributions if certain criteria are met.

Forfeited Accounts

At October 31, 2023 and 2022, there were no forfeited nonvested accounts. Forfeitures are to be used to pay Plan expenses, offset Company contributions or reallocated to participants. For the year ended October 31, 2023, employer contributions receivable was reduced by \$24,917 of forfeited nonvested accounts, in accordance with plan provisions.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by Empower Retirement. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of October 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

October 31, 2023 and 2022

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through August 13, 2024, the date the financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at October 31, 2023 and 2022.

Money Market Funds: Shares of money market portfolios are valued at their carrying amount due to their short-term nature.

Pooled Separate Accounts: Valued at the net asset value ("NAV") of shares held by the Plan at year-end. The NAV, as provided by the certifying entity, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

Life Insurance: The Plan's investment in life insurance is valued at the cash surrender value, which approximates fair value. This investment is considered to be a Level 3 investment.

The following table presents the Plan's investments for which fair value is measured using the net asset value ("NAV") per share practical expedient by investment category as of October 31, 2023 and 2022:

Asset Allocation - Target Date: A series of funds designed to provide high total returns until the target retirement date. Each fund invests in various asset classes using an asset allocation strategy designed for the investors expected to retire in the designated retirement year.

Asset Allocation - Lifestyle: A series of funds that seek a stable balance of risk-and-return potential. Each fund invests in a different combination of underlying funds, which are continually adjusted to capture opportunities and manage risks.

High Yield Bond: Invests at least 80% of its net assets in lower rated fixed income securities, commonly known as "junk bonds". It may also invest in convertible securities, preferred stocks, warrants, bank borrowings and other fixed securities. Investments in high yielding debt securities are generally subject to greater market fluctuations and risk of loss of income and principal than are investments in lower yielding debt securities.

Intermediate Term Bond: Invests in fixed income instruments including public and private bonds, mortgage-backed securities and U.S. Treasuries. The average credit quality will not be below investment grade and a duration close to the Lehman Brothers Aggregate Bond Index duration will be maintained.

International/Global Bond: The fund seeks current income with capital appreciation and growth of income, by investing at least 80% of its net assets in bonds of governments, government related entities and government agencies located anywhere in the world. The fund regularly enters into various currency-related and other transactions involving derivative instruments.

International/Global Large Core: Seeks capital appreciation. Its strategy is focused on undervalued mid and large-cap equity securities, with a significant portion of its assets in foreign securities and, to a lesser extent, distressed securities and merger arbitrage.

International/Global Large Growth: A large-cap strategy focused on investing in international companies that are expected to grow at a faster pace than global economic output.

International/Global Small/Mid Cap: Invests in companies of any size, including equity securities issued by foreign companies with relatively small market capitalizations that are believed by the investment advisor to be in their early life cycle but have the potential to become major enterprises. Investments may also include securities issued in initial public offerings and securities traded in the over-the-counter markets. International investing can involve special risks, such as, political changes and currency fluctuations. These risks are heightened in emerging markets.

Large Cap Core: Seeks to match the performance of the S&P 500 by investing in a representative sample of the stocks in that index. The ability to match investment performance to the S&P 500 is affected by daily cash flow and expenses.

Large Cap Growth: Seeks capital appreciation by investing in companies with a market capitalization value of more than \$10 billion.

Large Cap Value: A type of large-cap stock investment where the intrinsic value of the company's stock is greater than the stock's market value. The stock's intrinsic value can be determined by using a valuation model such as discounted cash flow and multiples.

Mid Cap Core: Provides investors with a benchmark for mid-sized companies. The index measures the performance of mid-sized companies, reflecting the distinctive risk and return characteristics of this market segment.

Mid Cap Growth: Invests in stocks of companies with medium-sized market capitalizations that have proven products or services and above-average earnings. The emphasis is on companies with strong balance sheets and the cash flow to fund growth.

Mid Cap Value: Focuses on companies with durable asset bases, flexible balance sheets, and sustainable free cash flows.

REIT: Invests, under normal circumstances, at least 80% of the value of its net assets in common stocks and other equity securities issued by real estate companies, such as real estate investment trusts (REITs) and real estate operating companies (REOCs).

Small Cap Core: Seeks to duplicate the investment composition and overall performance of the stocks included in the Russell 2000 Index.

Small Cap Growth: Seeks small-cap growth companies that are industry leaders, serving markets that are growing substantially and producing solid financial returns.

Small Cap Value: Seeks total return through investment primarily in small capitalization equity securities.

(a) In accordance with FASB ASC 820, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Fair Value of Investments that Calculate NAV

The following tables summarize investments for which fair value is measured using the net asset value (NAV) per share practical expedient as of October 31, 2023 and 2022:

Pooled separate accounts represent ownership of units of participation (units), rather than ownership of specific assets. The value of any one pooled separate account is determined by aggregating the value of all of the units held by the Plan. The value of a single unit is the total value of the pooled separate accounts underlying investments plus other assets less liabilities divided by the total number of units outstanding. The fair values of the investments in this class have been estimated using the net asset value per share (or its equivalent) as a practical expedient. There are no participant redemption restrictions for these investments.

4. Fully Benefit-Responsive Investment Contracts

The Plan holds a fully benefit-responsive guaranteed investment contract with MassMutual, for which contributions are maintained in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by MassMutual, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at October 31, 2023 and 2022 was \$4,780,601 and \$6,792,883, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 0%. Such interest rates are reviewed semi-annually for resetting.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (a) the complete or partial termination of the Plan, (b) the establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of participants from Plan coverage as a result of a sponsor-initiated event such as the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs, if MassMutual determined that such establishment, activation, amendment or change has an adverse effect on MassMutual's administrative procedure or other investors with investment agreements in the same class as the contract or results in a financial loss to MassMutual. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The guaranteed investment contract permits the insurance company to terminate the contract if any of the following events occur: (a) the investor provides effective communication that the investment option will be terminated, (b) the market value account balance is not more than \$1,000 or the book value account balance is zero, (c) the insurance company determined that it will not be able to continue to operate the agreement under its current terms following the Plan's establishment, activation or material change to, any Plan investment fund, or (d) the Plan fails to make contributions to the SAGIC Investment Option required under the agreement.

5. Information Certified by Certifying Entity

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2023 and 2022. Accordingly, Empower Annuity Insurance Company of America ("EAIC"), as agent for Massachusetts Mutual Life Insurance Company (MassMutual), has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of October 31, 2023 and 2022, and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of October 31, 2023, and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended October 31, 2023.

6. Cash Surrender Value of Life Insurance

The cash surrender value of life insurance for the years ended October 31, 2023 and 2022 was \$39,883 and \$38,851, respectively. The change in the cash surrender value of the life insurance policy is presented net of premiums paid during the year. The cash surrender value increased \$259 during the year ended October 31, 2023.

7. Related-Party and Party In Interest Transactions

Certain Plan investments are managed by Empower, and, therefore, these transactions qualify as party in interest transactions.

Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments.

The Plan made direct administrative fee payments to Empower Annuity Insurance Company of America of \$2,758 for the year ended October 31, 2023. The Company pays directly any other fees related to the Plan's operations.

MAP Retirement USA, and MAP Retirement, Inc. are the third-party administrators for the Plan and, therefore, parties-in-interest. Fees paid indirectly to the third-party administrators were \$4,987 and \$1,463, respectively, for the year ended October 31, 2023. The Plan paid direct administrative fees of \$1,400 to MAP Retirement USA for the year ended October 31, 2023.

Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party in interest transactions.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

9. Tax Status

Effective November 1, 2022, the Plan adopted a pre-approved plan sponsored by CCH Incorporated DBA FTWilliam Com. The pre-approved plan provider has received an IRS Opinion Letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

10. Risks and Uncertainties

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

11. Delinquent Participant Contributions

During the year ended October 31, 2023, the Plan sponsor did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Untimely remittances identified on the Schedule of Delinquent Participant Contributions, which totaled \$8,273, were not corrected in 2023. The DOL considers late deposits to be prohibited transactions. The Plan Sponsor will remit lost earnings to the Plan, file Form 5330, and pay applicable excise taxes for the 2023 late contributions during the year ending October 31, 2024. The lost earnings and excise tax payments will be made from the Plan sponsor's assets and not from the assets of the Plan.
