Independent Auditor's Report

The Plan Administrator
Rendr Care Physicians 401(k) Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Rendr Care Physicians 401(K) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such

information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Rendr Care Physicians 401(k) Plan

Notes to Financial Statements

1. Description of the Plan

The following brief description of the Rendr Care Physicians 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document and summary Plan description for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was established on August 1, 2020. The Plan covers all employees of Triboro Administrative Services, LLC (the Company or the Employer) and certain affiliated entities, who have completed three consecutive months of service and have attained at least 18 years of age. Employees who are covered by a collective bargaining agreement, nonresident aliens, and scheduled to work less than 1,000 hours are not eligible to participate in the Plan. Mid Atlantic Trust Company (MATC) is the custodian of the Plan.

The Plan was amended and restated effective January 1, 2021 for regulatory and certain Plan changes and on January 1, 2022 to allow Employer safe harbor matching contributions into the Plan.

Contributions

Each year, participants may contribute up to the annual dollar limitations as imposed by the Internal Revenue Service (IRS) through a pre-tax salary deferral (\$22,500 and \$20,500 in 2023 and 2022, respectively). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions (\$7,500 and \$6,500 for 2023 and 2022, respectively). Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers/transfers).

The Company may, in its sole discretion, make Employer matching and qualified non-elective contributions based on a formula determined by the Company. For the Plan year beginning January 1, 2022, the Company makes safe harbor matching contribution in an amount equal to: 1) 100% of the matched employee contribution that are not in excess of 3% of eligible compensation, plus 2) 50% of the matched employee contribution that exceed 3% of eligible compensation but do not exceed 5% of eligible compensation. The employer safe harbor matching contributions made by the Company during the years ended December 31, 2023 and 2022 were \$2,935,649 and \$1,297,476, respectively.

Investment Options

All of the Plan's investment options are fully participant directed. Participants may direct the investment of their account balances into any of the Plan's available investment options.

The life insurance policies provided by Metropolitan Life Insurance Company (Metlife) can be terminated by participants at any time and the cash surrender value of these policies reverts back to the participant's account. The cash surrender values of these policies at December 31, 2023 and 2022 were \$959,709 and \$817,411, respectively.

Notes to Financial Statements

Participant Accounts

Each participant's account is credited with the participant's contributions, Employer contributions and rollovers, if any, and subject to the provisions of the Plan and the Plan's investment earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferral contributions, rollover contributions, Employer safe harbor matching contributions, qualified non-elective contribution plus actual earnings thereon. All other non-qualified matching and contributions, are vested as follows:

Years of Service	Vesting (%)
Less than 2 years	-
2 but less than 3	20
3 but less than 4	40
4 but less than 5	60
5 but less than 6	80
6 or more	100

Forfeitures

Forfeitures of terminated participants' non-vested account balances may be used to reduce future matching contributions of the Company or to pay reasonable Plan expenses. At December 31, 2023 and 2022, the balance in the forfeiture account was \$4,354 and \$0, respectively.

Notes Receivable from Participants

Participants may borrow from their vested accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes bear interest as stated in the Plan document at the time the loan was initiated. The maximum term of each note is up to five years, unless used to purchase a primary residence. Principal and interest are paid ratably through payroll deductions. Participants can have up to one outstanding loan at the same time.

Payments of Benefits

Participants are eligible to receive the vested interest in their account under the following circumstances: (a) attaining normal retirement age, (b) attaining the age of 59½, (c) separation from service, (d) becoming disabled, or (e) upon death. Participants may elect to receive the value of their account in the form of a single lump-sum payment or installment payments.

Hardship Withdrawal

In cases of financial hardship, as defined by the Plan, participants may be eligible to receive a distribution from their salary deferral account balance.

Rendr Care Physicians 401(k) Plan

Notes to Financial Statements

Plan Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. However, the majority of the expenses are allocated to participants and certain direct expenses incurred by an individual participant shall be deducted from that participant's account only.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions of \$8,114 to the applicable participants in April 2024.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurement.

Whole life insurance policies are stated at their cash surrender value and are not within the scope of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*.

The Plan presents, in the statements of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of investments, which consists of realized and unrealized gains or losses on investments purchased and sold, as well as held during the year. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Rendr Care Physicians 401(k) Plan

Notes to Financial Statements

Notes Receivable from Participants

Notes receivable from participants are stated at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable are reclassified as a loan discharge based on the terms of the Plan document. Fees charged by the Plan relating to notes receivable from participants are paid from the participants' accounts. No allowance for credit loss has been recorded as of December 31, 2023 or 2022.

3. Risks and Uncertainties

The Plan invests in mutual funds, whole life insurance policies and a money market fund. Due to various risks (e.g., interest rate, market volatility, and credit) associated with certain investments and the level of uncertainty related to changes in the value of investments, it is reasonably possible that changes in the values of investments will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across various participant directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments.

4. Certified Investment Information

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid Atlantic Trust Company (MATC), a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA, except for the life insurance policies held at Metlife.

- Investments as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022, except for the life insurance policies amounting to \$959,709 and \$817,411 as of December 31, 2023 and 2022, respectively.
- Investment income (loss) as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, except for dividend income received from life insurance policies amounting to \$22,711 and \$22,197 for the years ended December 31, 2023 and 2022, respectively.
- Investment information included in the Schedules of Assets (Held at End of Year) as of December 31, 2023, as shown on the ERISA-required supplemental schedule, except for the life insurance policies amounting to \$959,709.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

5. Fair Value Measurements

ASC 820, *Fair Value Measurements and Disclosures*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Cash Equivalents - The Plan considers all highly liquid investments with a maturity of 90 days or less when purchased to be cash equivalents. The cash equivalents consist of interest-bearing cash in a money market fund and, therefore, have been included as Level 1 investments.

Mutual Funds - These are valued at the daily closing price, as reported by the fund, mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and, therefore, have been included as Level 1 investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes that its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Rendr Care Physicians 401(k) Plan

Notes to Financial Statements

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis:

December 31, 2023

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 20,373,021	\$ -	\$ -	\$ 20,373,021
Cash equivalents	184,881	-	-	184,881
	\$ 20,557,902	\$ -	\$ -	\$ 20,557,902

December 31, 2022

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,661,379	\$ -	\$ -	\$ 4,661,379
Cash equivalents	2	-	-	2
	\$ 4,661,381	\$ -	\$ -	\$ 4,661,381

6. Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments are managed by Metlife and MATC, the custodian, and, therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants, would also qualify as exempt party-in-interest transactions. Additionally, certain employees and officers of the Company, who are also participants of the Plan, perform administrative services for the Plan at no cost. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

7. Tax Status

As of August 1, 2020, the Plan adopted CCH Incorporated DBA ftwilliam.com's non-standardized pre-approved profit-sharing plan with cash or deferred arrangement (CODA). Accordingly, the Plan is permitted to rely on the document provider's advisory letter. The IRS has determined and informed the document provider by an updated letter dated June 30, 2020, that the volume submitter profit-sharing plan is designed in accordance with the applicable sections of the Internal Revenue Code (Code). The Plan administrator believes the Plan is designed and operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Notes to Financial Statements

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan, subject to the provisions of ERISA. In the event of a Plan termination, no further contributions shall be made to the Plan, and each participant will be fully vested as to their account balance.

9. Subsequent Events

The Plan has evaluated subsequent events through August 1, 2024, the date that the financial statements were available to be issued. There were no other subsequent events identified requiring disclosure or adjustment to the financial statements.
