INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Weidmuller, Inc. Employee Savings Plan
Richmond, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Weidmuller, Inc. Employee Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WEIDMULLER, INC. EMPLOYEE SAVINGS PLAN

Notes to Financial Statements

1. Description of Plan:

The following description of Weidmuller, Inc. Employee Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement or summary plan description for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all eligible employees of Weidmuller, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

All regular full-time and part-time salaried or hourly employees on a United States payroll are eligible for the Plan on their date of hire. Plan management is responsible for the oversight of the plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions: Each year, participants may contribute up to 50 percent of pretax annual compensation, as defined in the plan document, up to the maximum limits of the Internal Revenue Code (IRC). Highly compensated employees may contribute up to 16 percent of pretax annual compensation, as defined in the plan document. Participants may designate all or a portion of their deferral as after-tax contributions into a Roth account. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Through November 2023, the Company contributed 100 percent of the first 2 percent and 50 percent of the next 3 percent of base compensation that a participant contributes to the Plan. In addition, the Company may contribute a profit sharing amount at the option of the Company. In December 2023, the Company temporarily suspended matching and profit sharing contributions. The Company made profit sharing contributions totaling \$534,964 for 2023 and \$536,433 for 2022. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

1. Description of Plan, Continued:

Participant Accounts: Each participant's account is credited with the participant's contributions, allocations of Company discretionary matching and profit sharing contributions, and Plan earnings (net of administrative expenses). Allocations are based on participant's eligible compensation or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options: Participants may direct the trustee as to the investment of their account balances in accordance with guidelines established by the Plan. Participants may change their investment elections at any time.

Vesting: Participants are immediately vested in their contributions plus earnings thereon. Participants who leave the Plan because of death, normal retirement, or disability retirement, as defined in the plan document, are considered 100% vested. Company discretionary matching and profit sharing contributions provide a three year vesting schedule. The vesting schedule states participants will be vested in the Company's contributions 33% after one year, 67% after two years, and 100% after three years of credited service.

Notes Receivable from Participants: Participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable terms cannot exceed five years, unless the proceeds are used to acquire a principal residence. The notes receivables are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates at inception of the loan as determined by the plan administrator. Principal and interest are paid ratably through bi-weekly payroll deductions. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants that the Plan Administrator considers to be in default, are classified as distributions based upon the terms of the plan document.

Plan Administration: Overall responsibility for administering the Plan rests with the Company. Participant accounts are administered by Fidelity Investments Institutional Operations Company Inc., an affiliate of the trustee, and the third-party administrator of the Plan.

1. Description of Plan, Continued:

Payment of Benefits: Benefits may be paid to the participant or beneficiary upon death, disability, retirement, or termination of employment, as defined by the plan document. The Plan provides for normal retirement at age 65. Participants may elect to receive either a single lump-sum payment of the participant's vested account balance or a single lump-sum payment of a portion of the participant's account balance. Hardship withdrawals are allowed for in the Plan if certain criteria are met.

Forfeitures: Forfeitures of unvested terminated participants' non-vested accounts are applied to reduce employer contributions or pay administrative expenses. Forfeitures totaled \$50,613 for 2023 and \$19,821 for 2022. Forfeitures applied to contributions and administrative expenses were \$48,125 during 2023 and \$20,354 during 2022. Forfeited balances available at year end were \$3,016 at December 31, 2023 and \$10 at December 31, 2022.

2. Summary of Significant Accounting Policies:

Basis of Accounting: The financial statements of the Plan are prepared on the accrual method of accounting.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors, trustee, and insurance companies. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment income (loss) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses: Certain expenses of the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Payment of Benefits: Benefits are recorded when paid.

WEIDMULLER, INC. EMPLOYEE SAVINGS PLAN

2. Summary of Significant Accounting Policies, Continued:

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Subsequent Events: Management has evaluated subsequent events for potential recognition and/or other disclosure through August 13, 2024, the date the financial statements were available to be issued, and has determined that there are no subsequent events to be reported in the accompanying financial statements.

3. Fair Value Measurements:

The Financial Accounting Standards Board ("FASB") has issued guidance for measurement and disclosure of fair value and establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology are quoted prices for similar instruments in active and inactive markets; and model driven valuations with significant inputs and drivers derived from observable active markets.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Valuation techniques used should maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for investments carried or disclosed at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commissions ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

WEIDMULLER, INC. EMPLOYEE SAVINGS PLAN

Notes to Financial Statements, Continued

3. Fair Value Measurements, Continued:

Common/collective trust: Valued daily at the NAV as reported by the fund manager, based on the fair value of the underlying investments. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value as of the Plan's year end:

		Investments at Fair Value as of December 31, 2023	
		Level 1	Total
Assets:			
Mutual funds		\$ 4,176,597	\$ 4,176,597
Total assets in the fair value hierarchy		\$ 4,176,597	4,176,597
Investments valued at NAV (a)			20,754,737
Total investments at fair value			\$ 24,931,334
		Investments at Fair Value as of December 31, 2022	
		Level 1	Total
Assets:			
Mutual funds		\$ 4,198,127	\$ 4,198,127
Total assets in the fair value hierarchy		\$ 4,198,127	4,198,127
Investments valued at NAV (a)			15,281,533
Total investments at fair value			\$ 19,479,660

(a) In accordance with subtopic 820-10, certain investments that were measured at NAV as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the tables above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. Administration of Plan Assets:

The Plan's assets are administered under a contract with Fidelity Management Trust Company, the trustee of the Plan. The trustee invests funds received from contributions, investment sales, interest, and dividend income and makes distribution payments to participants.

5. Related Party and Party-In-Interest Transactions:

Certain investments are managed by the trustee, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment manager services are included in net appreciation in the fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. These transactions qualify as party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Notes to Financial Statements, Continued

6. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

7. Tax Status:

The Internal Revenue Service has determined and informed the prototype sponsor by letter dated June 30, 2020 that the adopted prototype plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Management has evaluated the effects of accounting guidance related to uncertain income tax positions and concluded that the Plan had no significant financial statement exposure to uncertain income tax positions at December 31, 2023 and 2022. The Plan is not currently under audit by any tax authority.

8. Financial Information Certified by a Qualified Institution:

Fidelity Management Trust Company, the Trustee, has certified that the following information is complete and accurate as of and for the years ended December 31, 2023 and 2022:

- Investments, at fair value
- Investment income (loss)
- Schedule of assets (held at end of year)
- Notes receivable from participants
- Interest income on notes receivable from participants
