INDEPENDENT AUDITORS' REPORT

To the Administrator of the
Encompass Digital Media 401(k) Plan
Atlanta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of the Encompass Digital Media 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Encompass Digital Media 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank of similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520-103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Encompass Digital Media 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Encompass Digital Media 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but it is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Encompass Digital Media 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Encompass Digital Media 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used

to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ENCOMPASS DIGITAL MEDIA 401(k) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

Note 1 - Description of plan:

The following description of the Encompass Digital Media 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Encompass Digital Media, Inc. (the Company, Plan Sponsor, or Plan Administrator).

The Plan's eligibility requirements are as follows: eligible employees must complete one month of service to enter the Plan. There is no age requirement related to eligibility. All employees are eligible to participate in the Plan with the exception of collectively bargained employees, leased employees, non-resident aliens with no U.S. source income, interns, and employees classified as freelance employees. Eligible employees may enter the Plan on the first day of the month after eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan amendments

Effective February 28, 2022, the Plan Sponsor executed an amended and restated adoption agreement. This adoption agreement is substantially the same as the previous agreement, and associated amendments, with the following exceptions:

Plan compensation was changed from 3401(a) wages to W-2 wages. Items excluded from compensation include reimbursements and other expense allowances, fringe benefits, moving expenses, deferred compensation, welfare benefits, and unused leave.

Contributions

Participants may elect to contribute up to 90% of compensation, up to current Internal Revenue Service (IRS) limitations, through payroll deductions. This includes both pre-tax and Roth contributions. The Plan also allows for participant after-tax contributions up to 50% of compensation. Participants who have attained age 50 before the end of the Plan year are permitted to make catch-up contributions.

Notes to Financial Statements - Continued

December 31, 2023 and 2022

Note 1 - Description of plan - continued:

Contributions - continued

The Plan has a provision whereby participants are automatically enrolled in the Plan at a deferral rate of 3% of their compensation unless they elect otherwise. Automatically enrolled participants have their contributions increased on August 1st of each year by 1%, up to a maximum contribution rate of 8%, unless the participant makes a different election.

Participant accounts

Each participant's account is credited with the participant's contributions, discretionary employer contributions, if any, employer profit-sharing contributions, if any, Plan expenses, and Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

Forfeited accounts

As of December 31, 2023 and 2022, forfeited non-vested accounts totaled \$94,645 and \$79,638, respectively. Forfeitures are included in the Fidelity Government Money Market Fund and the Fidelity Freedom Index Income Fund at December 31, 2023 and 2022. Forfeitures may be used to pay administrative expenses of the Plan or to reduce employer discretionary matching, profit-sharing, and employer match true-up contributions. During 2023, forfeitures totaling \$1,653 were used to pay administrative expenses of the Plan, \$0 of forfeitures were used to offset employer discretionary matching contributions, and \$23,338 of forfeitures were used to offset employer match true-up contributions.

Vesting

Participants are immediately vested in their voluntary deferral, Roth, and after-tax contributions, plus actual earnings thereon. Participants are also immediately vested in employer safe-harbor matching contributions. Employer discretionary matching contributions made after January 1, 2021 vest using a 2-year cliff vesting schedule which provides that participants are 100% vested after two years of service. Participants vest in the employer's discretionary matching contributions made prior to January 1, 2021 in accordance with the following schedule:

Note 1 - Description of plan - continued:

Payment of benefits

A participant is entitled to a distribution of the vested value of his or her account upon termination of service, disability, or death. Participants must take distributions as lump sum amounts. Additionally, in-service withdrawals of a participant's deferrals and vested matching contributions are permitted in cases of proven financial hardship or upon attainment of age 59 1/2. If a participant's account balance is less than \$5,000 but more than \$1,000 upon termination of service, a distribution of the participant's account may be made to an individual retirement account setup in the participant's name. A participant terminating with a balance of \$5,000 or more may maintain their account balance in the Plan. A participant terminating with a balance of \$1,000 or less will have their vested account balance distributed directly to them in a lump sum payment.

Notes receivable from participants

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note terms are for a maximum of five years, except for notes for the purchase of a primary residence, which may have note terms up to 10 years. Participants may have only one note outstanding. Notes are secured by the participant's account and bear interest at the Prime rate plus 1%. Principal and interest are paid ratably through payroll deductions. Participants may prepay their note at any time.

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when received. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

Administrative expenses

Administrative expenses of the Plan are paid by either the Company or the Plan, as determined by the Plan Sponsor. The Company absorbs a portion of the administrative expenses of the Plan. Fees charged for processing notes receivable from participants and participant distributions are charged directly to the account of the affected participant. Other fees such as registered investment advisor fees, recordkeeping fees, and other account transaction fees, are allocated to the accounts of participants.

Note 2 - Summary of significant accounting policies:

Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan's investments are valued at fair value based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes to Financial Statements - Continued

December 31, 2023 and 2022

Note 2 - Summary of significant accounting policies - continued:

Investment valuation and income recognition - continued

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Shares of registered investment company funds (mutual funds) are valued at the net asset value of shares held by the Plan at year-end by obtaining quoted prices on nationally recognized securities exchanges. These investments are deemed to be actively traded.

Shares of money market funds are valued at the net asset value of shares held by the Plan at year-end by obtaining quoted prices on nationally recognized securities exchanges. This investment is deemed to be actively traded.

Life insurance is valued at the net cash surrender value of the policy as provided by the insurance company. The net cash surrender value approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Balance, beginning of year	\$ 10,853
Dividends	<u>1</u>
Balance, end of year	<u><u>\$ 10,854</u></u>

There were no transfers between Level 1 and Level 3 fair value measurements during the year ended December 31, 2023.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make certain estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

Payment of benefits

Benefits are recorded when paid.

Subsequent events

The Plan has evaluated subsequent events through August 12, 2024, which is the date these financial statements were available to be issued. All subsequent events, if any, requiring recognition as of December 31, 2023, have been incorporated into these financial statements.

Note 3 - Investments and information certified by the trustee:

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, other income, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by the trustee, Fidelity Management Trust Company.

Investments that represent 10% or more of the Plan's investments at December 31, 2023 and 2022 are as follows:

	<u>2023</u>	<u>2022</u>
Fidelity Advisor Growth Opportunities Fund	\$ 9,882,586	\$ 7,124,447
Fidelity 500 Index Fund	\$ 7,066,986	\$ 5,678,867

Note 4 - Party-in-interest transactions:

The trustee and its affiliates perform services for the Plan, sell products to the Plan, and manage and maintain certain investments of the Plan for which fees are charged to the Plan. The Plan pays a portion of the administrative expenses. Such transactions, while considered party-in-interest transactions under ERISA, are specifically exempt from the prohibited transaction rules. Plan expenses paid to parties-in-interest totaled \$193,615 for the year ended December 31, 2023.

ENCOMPASS DIGITAL MEDIA 401(k) PLAN

Notes to Financial Statements - Continued

December 31, 2023 and 2022

Note 4 - Related party transactions - continued:

The Plan Sponsor has a services agreement with Fidelity whereby the Plan receives revenue from contract asset charge fees related to certain investments of the Plan. These revenue credits are allocated to the participants holding those investments each quarter. During the year ended December 31, 2023, the Plan received \$41,958 of revenue credits which are included in other income on the statement of changes in net assets available for benefits. These revenue credits were allocated to participants during the year ended December 31, 2023.

Note 5 - Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants' accounts will become fully-vested.

Note 6 - Tax status:

The underlying prototype plan has received an opinion letter from the IRS dated June 30, 2020 stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC), and therefore, the related trust is tax-exempt. The Plan Administrator has determined that it is eligible to and has chosen to rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for Plan years prior to 2020.

INDEPENDENT AUDITORS' REPORT

To the Administrator of the
Encompass Digital Media 401(k) Plan
Atlanta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of the Encompass Digital Media 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Encompass Digital Media 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank of similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520-103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Encompass Digital Media 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Encompass Digital Media 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but it is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Encompass Digital Media 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Encompass Digital Media 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used

to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ENCOMPASS DIGITAL MEDIA 401(k) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

Note 1 - Description of plan:

The following description of the Encompass Digital Media 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Encompass Digital Media, Inc. (the Company, Plan Sponsor, or Plan Administrator).

The Plan's eligibility requirements are as follows: eligible employees must complete one month of service to enter the Plan. There is no age requirement related to eligibility. All employees are eligible to participate in the Plan with the exception of collectively bargained employees, leased employees, non-resident aliens with no U.S. source income, interns, and employees classified as freelance employees. Eligible employees may enter the Plan on the first day of the month after eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan amendments

Effective February 28, 2022, the Plan Sponsor executed an amended and restated adoption agreement. This adoption agreement is substantially the same as the previous agreement, and associated amendments, with the following exceptions:

Plan compensation was changed from 3401(a) wages to W-2 wages. Items excluded from compensation include reimbursements and other expense allowances, fringe benefits, moving expenses, deferred compensation, welfare benefits, and unused leave.

Contributions

Participants may elect to contribute up to 90% of compensation, up to current Internal Revenue Service (IRS) limitations, through payroll deductions. This includes both pre-tax and Roth contributions. The Plan also allows for participant after-tax contributions up to 50% of compensation. Participants who have attained age 50 before the end of the Plan year are permitted to make catch-up contributions.

ENCOMPASS DIGITAL MEDIA 401(k) PLAN

Notes to Financial Statements - Continued

December 31, 2023 and 2022

Note 1 - Description of plan - continued:

Contributions - continued

The Plan has a provision whereby participants are automatically enrolled in the Plan at a deferral rate of 3% of their compensation unless they elect otherwise. Automatically enrolled participants have their contributions increased on August 1st of each year by 1%, up to a maximum contribution rate of 8%, unless the participant makes a different election.

Participant accounts

Each participant's account is credited with the participant's contributions, discretionary employer contributions, if any, employer profit-sharing contributions, if any, Plan expenses, and Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

Forfeited accounts

As of December 31, 2023 and 2022, forfeited non-vested accounts totaled \$94,645 and \$79,638, respectively. Forfeitures are included in the Fidelity Government Money Market Fund and the Fidelity Freedom Index Income Fund at December 31, 2023 and 2022. Forfeitures may be used to pay administrative expenses of the Plan or to reduce employer discretionary matching, profit-sharing, and employer match true-up contributions. During 2023, forfeitures totaling \$1,653 were used to pay administrative expenses of the Plan, \$0 of forfeitures were used to offset employer discretionary matching contributions, and \$23,338 of forfeitures were used to offset employer match true-up contributions.

Vesting

Participants are immediately vested in their voluntary deferral, Roth, and after-tax contributions, plus actual earnings thereon. Participants are also immediately vested in employer safe-harbor matching contributions. Employer discretionary matching contributions made after January 1, 2021 vest using a 2-year cliff vesting schedule which provides that participants are 100% vested after two years of service. Participants vest in the employer's discretionary matching contributions made prior to January 1, 2021 in accordance with the following schedule:

Note 1 - Description of plan - continued:

Payment of benefits

A participant is entitled to a distribution of the vested value of his or her account upon termination of service, disability, or death. Participants must take distributions as lump sum amounts. Additionally, in-service withdrawals of a participant's deferrals and vested matching contributions are permitted in cases of proven financial hardship or upon attainment of age 59 1/2. If a participant's account balance is less than \$5,000 but more than \$1,000 upon termination of service, a distribution of the participant's account may be made to an individual retirement account setup in the participant's name. A participant terminating with a balance of \$5,000 or more may maintain their account balance in the Plan. A participant terminating with a balance of \$1,000 or less will have their vested account balance distributed directly to them in a lump sum payment.

Notes receivable from participants

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note terms are for a maximum of five years, except for notes for the purchase of a primary residence, which may have note terms up to 10 years. Participants may have only one note outstanding. Notes are secured by the participant's account and bear interest at the Prime rate plus 1%. Principal and interest are paid ratably through payroll deductions. Participants may prepay their note at any time.

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when received. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

Administrative expenses

Administrative expenses of the Plan are paid by either the Company or the Plan, as determined by the Plan Sponsor. The Company absorbs a portion of the administrative expenses of the Plan. Fees charged for processing notes receivable from participants and participant distributions are charged directly to the account of the affected participant. Other fees such as registered investment advisor fees, recordkeeping fees, and other account transaction fees, are allocated to the accounts of participants.

Notes to Financial Statements - Continued

December 31, 2023 and 2022

Note 2 - Summary of significant accounting policies:

Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan's investments are valued at fair value based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes to Financial Statements - Continued

December 31, 2023 and 2022

Note 2 - Summary of significant accounting policies - continued:

Investment valuation and income recognition - continued

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Shares of registered investment company funds (mutual funds) are valued at the net asset value of shares held by the Plan at year-end by obtaining quoted prices on nationally recognized securities exchanges. These investments are deemed to be actively traded.

Shares of money market funds are valued at the net asset value of shares held by the Plan at year-end by obtaining quoted prices on nationally recognized securities exchanges. This investment is deemed to be actively traded.

Life insurance is valued at the net cash surrender value of the policy as provided by the insurance company. The net cash surrender value approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investment valuation and income recognition - continued

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 investment for the year ended December 31, 2023:

Balance, beginning of year	\$ 10,853
Dividends	<u>1</u>
Balance, end of year	<u><u>\$ 10,854</u></u>

There were no transfers between Level 1 and Level 3 fair value measurements during the year ended December 31, 2023.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make certain estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

Payment of benefits

Benefits are recorded when paid.

Subsequent events

The Plan has evaluated subsequent events through August 12, 2024, which is the date these financial statements were available to be issued. All subsequent events, if any, requiring recognition as of December 31, 2023, have been incorporated into these financial statements.

Note 3 - Investments and information certified by the trustee:

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, other income, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by the trustee, Fidelity Management Trust Company.

Investments that represent 10% or more of the Plan's investments at December 31, 2023 and 2022 are as follows:

	<u>2023</u>	<u>2022</u>
Fidelity Advisor Growth Opportunities Fund	\$ 9,882,586	\$ 7,124,447
Fidelity 500 Index Fund	\$ 7,066,986	\$ 5,678,867

Note 4 - Party-in-interest transactions:

The trustee and its affiliates perform services for the Plan, sell products to the Plan, and manage and maintain certain investments of the Plan for which fees are charged to the Plan. The Plan pays a portion of the administrative expenses. Such transactions, while considered party-in-interest transactions under ERISA, are specifically exempt from the prohibited transaction rules. Plan expenses paid to parties-in-interest totaled \$193,615 for the year ended December 31, 2023.

ENCOMPASS DIGITAL MEDIA 401(k) PLAN

Notes to Financial Statements - Continued

December 31, 2023 and 2022

Note 4 - Related party transactions - continued:

The Plan Sponsor has a services agreement with Fidelity whereby the Plan receives revenue from contract asset charge fees related to certain investments of the Plan. These revenue credits are allocated to the participants holding those investments each quarter. During the year ended December 31, 2023, the Plan received \$41,958 of revenue credits which are included in other income on the statement of changes in net assets available for benefits. These revenue credits were allocated to participants during the year ended December 31, 2023.

Note 5 - Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants' accounts will become fully-vested.

Note 6 - Tax status:

The underlying prototype plan has received an opinion letter from the IRS dated June 30, 2020 stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC), and therefore, the related trust is tax-exempt. The Plan Administrator has determined that it is eligible to and has chosen to rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for Plan years prior to 2020.
