INDEPENDENT AUDITORS' REPORT

Plan Administrator
American Quarter Horse Association 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of American Quarter Horse Association 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Delinquent Participant Contributions for the year ended December 31, 2023 and Assets Held at End of Year as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of American Quarter Horse Association 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated November 30, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

AMERICAN QUARTER HORSE ASSOCIATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The following brief description of the American Quarter Horse Association 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document and Summary Plan Description, which are available from the plan administrator, for more complete information.

General — The Plan is a defined contribution plan sponsored by American Quarter Horse Association, American Quarter Horse Foundation and Awards Recognition Concepts LLC (collectively, the Organization) covering eligible employees. Employees who are not collective bargaining (union) employees, non-resident aliens, or World Show employees and are at least 18 years old are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions — A participant may elect to have up to 100% of their pretax annual compensation withheld by the Organization and contributed to the Plan on their behalf as an elective contribution in lieu of receiving such amount as compensation. Such contributions may not exceed the limits established in the Internal Revenue Code (IRC). Participants have the option of putting their elective contributions into a traditional 401(k) account or a Roth 401(k) account. Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover).

The Organization makes safe harbor contributions matching 100% of the first 6% of eligible compensation that a participant contributes to the Plan. The matching contribution is invested as directed by the participant. This contribution is intended to satisfy a safe harbor contribution formula permitted by Internal Revenue Service (IRS) regulations. By making the safe harbor matching contribution, the Plan will automatically satisfy the nondiscrimination requirements that otherwise would apply to 401(k) contributions made to the Plan. The Organization may also make additional discretionary matching and/or discretionary contributions. There were no discretionary contributions for the years ended December 31, 2023 and 2022. Contributions are subject to regulatory limitations.

Automatic Enrollment — The Plan provides for eligible employees to be automatically enrolled in the Plan at a contribution rate of 6%. Participants may affirmatively elect a different percentage or elect not to make deferral contributions.

Participants' Accounts — Each participant's account is credited with the participant's contributions and Organization's contributions, and an allocation of the Plan's earnings and losses. The Plan's earnings or losses, excluding that related to participants' loans, are allocation to the participants' accounts based upon the proportion that each participants' account bears to the total participants' account balances related to that fund.

Earnings resulting from loans to participants are credited to the respective participants' accounts. Participants direct the investment of their contributions into various investment options offered by the Plan.

Administrative Expenses — Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Vesting — Participants are 100% vested in the amounts they contribute plus the earnings or losses thereon. A participant is 100% vested in the Organization's safe harbor matching contributions after two years of credited service and 100% vested in the Organization's additional discretionary matching and/or discretionary contributions, if any, after three years of credited service.

Forfeitures — At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$62,183 and \$50,183, respectively. These accounts will be used to reduce future Organization contributions and to pay Plan expenses. During the years ended December 31, 2023 and 2022, forfeitures of \$32,492 and \$33,191, respectively, were used to reduce plan expenses.

Payment of Benefits — Upon separation of service due to death, disability, retirement, or termination of employment, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants who terminate employment with an aggregate vested account balance of \$5,000 or less will receive an automatic distribution of their account balance. If the amount of the distribution exceeds \$1,000 and a lump sum or rollover is not elected, the distribution will be rolled over into an individual retirement account.

Notes Receivable from Participants — Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are issued by the Plan and secured by the balance in the participant's account. All loans must be repaid within a period of five years, unless the loan is used to purchase a principal residence, in which case the loan must be repaid within a reasonable period of time not to exceed fifteen years. Under the terms of the Plan agreement, Plan loans will bear a reasonable rate of interest determined by the Plan administrator, currently 1% above the prime rate. Principal and interest is paid ratably through payroll deductions.

Plan Tax Status — The Plan is a non-standardized preapproved plan of Empower Retirement LLC. Empower Retirement LLC obtained its latest determination letter dated November 11, 2022, stating that the non-standardized plan is qualified under Section 401 of the IRC. The IRS stated that the non-standardized plan, as designed, was in compliance with the applicable requirements of the IRC. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The plan administrator has concluded that as of December 31, 2023, the Plan has no material uncertain tax positions.

Plan Termination — Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Organization contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting — The financial statements of the Plan have been prepared on the accrual basis of accounting.

Contributions Receivable — Contributions receivable are considered fully collectible by the plan administrator and accordingly no allowance for credit losses is recorded at December 31, 2023 and 2022.

Contributions from participants are recorded in the year which employee contributions are withheld from compensation.

Valuation of Investments and Income Recognition — Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded at the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants — Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Use of Estimates — The preparation of the financial statements in conformity with generally accepted accounting principles requires the Plan's management to make estimates and assumptions which affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Benefit Payments — Benefits are recorded when paid.

Subsequent Events — The Plan has evaluated subsequent events for recognition or disclosure through the date of the Independent Auditors' Report, which is the date the financial statements were available for issuance.

3. INVESTMENTS

Fair Value Measurements — Generally accepted accounting principles require the Plan to use a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2: Prices determined using significant other observable inputs. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Prices determined using significant unobservable inputs.

The investment's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Common Stock and Mutual Funds — Valued at closing price reported on the active market on which the investments are traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Fair Value
2023:				
Mutual funds	\$ 13,905,306			\$ 13,905,306

4. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

The following is a summary of the information obtained by management and agreed to or derived from the information certified as complete and accurate by Empower Trust Company, LLC, the custodian of the Plan.

	2023	2022
Investments	\$ 13,905,306	\$ 11,575,572
Notes receivable from participants	370,271	383,703
Interest and dividend income on investments	433,873	303,977
Net appreciation (depreciation) in fair value of investments	1,502,773	(2,517,182)
Interest income on notes receivable from participants	20,506	12,621

Directed brokerage accounts not held and certified by Empower Trust Company LLC and, accordingly, audited as of December 31, 2023 and 2022 and for the years then ended are as follows:

	2023	2022
Investments	\$ 12,529	\$ 12,846
Net appreciation (depreciation) in fair value of investments	8,280	(8,778)

5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

6. RECONCILIATION OF FINANCIALS STATEMENTS TO FORM 5500

The following is a reconciliation of the net assets available for benefits as stated in the financial statements and the related Form 5500 as of December 31:

	2023	2022
Net assets available for benefits per Form 5500	\$ 14,281,702	\$ 11,962,027
Employer contributions receivable		13,186

Loans deemed distributed	<u>6,404</u>	<u>10,094</u>
Net assets available for benefits per the financial statements	<u>\$ 14,288,106</u>	<u>\$ 11,996,069</u>

The following is a reconciliation of the changes in net assets available for benefits as stated in the financial statements and the related Form 5500 for the years ended December 31:

	2023	2022
Net increase (decrease) in net assets available for benefits per Form 5500	\$ 2,319,675	\$ (2,329,328)
Employer contributions receivable, beginning of year	(13,186)	
Other receivable, beginning of year	(10,762)	
Employer contributions receivable, end of year		13,186
Other receivable, end of year		10,762
Change in loans deemed distributed	<u>(3,690)</u>	<u>10,094</u>
Net increase (decrease) in net assets available for benefits per the financial statements	<u>\$ 2,292,037</u>	<u>\$ (2,295,286)</u>

7. PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee associations, or relatives of such persons. The Plan holds notes receivable from participants issued by the Plan.

8. NON-EXEMPT PROHIBITED TRANSACTIONS — DELINQUENT PARTICIPANT CONTRIBUTIONS

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. During 2022 and 2021, contributions totaling \$168,733 were not timely remitted. During the year ended December 31, 2023, all delinquent contributions and lost earnings were fully remitted.
