INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
Momentum Midstream Management LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Momentum Midstream Management LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements. Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, line 4i – Schedule of Assets Held at End of Year as of December 31, 2023 and Schedule H, line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Momentum Midstream Management LLC 401(k) Plan

Notes to Financial Statements

December 31, 2023

Note 1 - Description of Plan

The following description of the Momentum Midstream Management LLC 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the *Plan Document* for more information, which is available from the Plan Administrator.

General

The Plan, effective as of November 23, 2005, was most recently amended and restated on May 1, 2023. The Plan is a defined contribution plan covering substantially all employees of Momentum Midstream Management LLC (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Plan trustees and recordkeeper

JPMorgan Invest Holdings LLC serves as the recordkeeper and retains FASCore, LLC to provide recordkeeping service for the Plan, as an agent for Reliance Trust Company ("Reliance"), trustee of the Plan. Effective April 1, 2023, Reliance designated Empower Trust Company, LLC (collectively with Reliance, the "Trustees") to be the trustee of the Plan.

Eligibility

Full-time and part-time employees are eligible to participate in the Plan after reaching age 18 and completing one month of service. Part-time employees are required to complete 1,000 hours of service to be eligible to participate in the Plan. Effective August 1, 2022, new employees who are eligible to participate in the Plan are automatically enrolled at a pretax deferral rate of 3%. This occurs as soon as administratively feasible after thirty days of employment unless otherwise specified.

Participant contributions

The Plan provides for voluntary employee contributions expressed as a percentage of the participant's eligible compensation, as defined, up to 100% of a participant's compensation. The contributions are not to exceed the limits set by the Internal Revenue Code ("IRC"), which limits the annual amount of salary deferrals that may be made by any participant. Eligible participants may also make catch-up contributions upon attaining 50 years of age, as defined by the IRC. Participants may also rollover amounts representing distributions from other qualified plans.

Employer contributions

The Company adopted the Safe Harbor provisions of the IRC. The employer will make a mandatory matching contribution on behalf of each participant contribution in the amount equal to 100% of the employee's elective deferrals not to exceed 6% of the employee's eligible compensation for the Plan year.

Participant accounts

Each participant's account is credited with the participant's contribution, the Company's Safe Harbor contribution, and Plan earnings/losses. Each participant's account is charged with an allocation of administrative expenses, if any.

Momentum Midstream Management LLC 401(k) Plan

Notes to Financial Statements

December 31, 2023

Note 1 - Description of Plan (Continued)Participant accounts (continued)

Participants direct the investment of their account balances in any of several investment funds. Participants can change their investment options among the various investment funds either through direct transfers from one fund to another or by changing the percentage of future contributions allocated among the investment funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions, Company Safe Harbor contributions and actual earnings (losses) thereon.

Plan expenses

All reasonable expenses related to plan administration will be paid from Plan assets, except to the extent the expenses are paid by the Company at its discretion. Expenses that are paid by the Company are excluded from these financial statements. Transaction-related fees are paid by participants. Investment related expenses are included in net appreciation in the fair value of investments.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 and a maximum equal to the lesser of \$50,000 reduced by the highest outstanding note receivable balance in the participant's account during the prior 12-month period or 50% of the participant's vested account balances. Additionally, a participant may not have more than one note receivable outstanding at any time. Each note receivable under the Plan must mature within five years from the date on which it was made unless the note receivable is used to acquire a principal residence, in which case the note receivable may permit a longer repayment term. The notes receivable is secured by the balance in the participant's account and bear interest at 2% over the Prime Rate published in the *Wall Street Journal* on the first business day of the month before the loan is originated.

Participant withdrawals

Upon termination of services due to death, disability, retirement, or other reasons, a participant may elect to receive a lump-sum amount. If the value of the participant's account is less than \$5,000, the Company can distribute the entire vested account balance. If the participant's account balance is between \$1,000 and \$5,000 and the participant does not affirmatively consent to receive a distribution, the balance will be rolled into an individual retirement account established on behalf of the participant. If the participant's account balance is less than \$1,000, the payment will be made in cash in a single lump sum.

Additionally, participants may make early withdrawals of all or a portion of their vested account balance under the hardship provisions of the Plan. Participants may make unrestricted early withdrawals of amounts representing distributions from other qualified retirement defined benefit or contribution plans. Participants may make unrestricted withdrawals of their vested account balance on or after age 59 1/2. Withdrawals from the Plan may be subject to federal income tax on contributions and income earned.

Notes to Financial Statements

December 31, 2023

Note 1 - Description of Plan (Continued)Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the net assets would be allocated among participants of the Plan in accordance with the provisions of the Plan.

Note 2 - Summary of Significant Accounting PoliciesBasis of accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"). Participant withdrawals are recorded when paid.

Use of estimates

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make use of estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 regarding fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Unrealized appreciation or depreciation in the fair value of investments held at year-end is determined using the fair value at the beginning of the year or the purchase price if the investment is acquired during the year. The realized gain or loss on the sale of investments is determined using historical cost. Unrealized appreciation or depreciation and realized gains and losses are reported as net appreciation or depreciation in fair value of investments in the statement of changes in net assets available for benefits.

Financial instruments and credit risk

The Plan provides for investments in various investment securities which, in general, are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits. Plan participants bear the risk of any investment losses.

Momentum Midstream Management LLC 401(k) Plan

Notes to Financial Statements

December 31, 2023

Note 2 - Summary of Significant Accounting Policies (Continued)Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions, upon liquidation of their account balance.

Subsequent events

The Plan has evaluated subsequent events through August 13, 2024, which was the date that the financial statements were available to be issued. See Note 8 for discussion of subsequent events.

Note 3 - Fair Value Measurements

The Plan uses a three-level hierarchy for grouping assets and liabilities, based on the significance of inputs. The hierarchy of fair value measurements is described below:

- Level 1 – quoted prices in active markets for identical assets or liabilities;
- Level 2 – inputs other than level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of these assets or liabilities; or
- Level 3 – unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

- Mutual funds – these investments are valued daily based on the quoted market value of the fund assets.
- Collective trust – this investment is measured at net asset value ("NAV"). This NAV represents the Plan's fair value since this is the amount at which the Plan transacts with the trust. The investment can be redeemed daily, has a daily redemption notice period, and has no unfunded commitments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the valuation methods are considered appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3 - Fair Value Measurements (Continued)

The following table summarizes the Plan's investments at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 18,839,810</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 18,839,810</u>

Investments measured at NAV ^(a)				<u>1,007,035</u>
Total investments at fair value				<u>\$ 19,846,845</u>

(a) The collective trust is measured at NAV per share (or its equivalent) and has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 4 - Income Tax Status

The Plan has adopted a prototype plan document, which obtained its latest opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with applicable requirements of the IRC. The Plan Administrator believes that the Plan is currently designed and is being operated within the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan recognizes in the financial statements the impact of uncertain tax positions taken only if it is more likely than not of being sustained upon examination by the taxing authority based on the technical merits of the position. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5 - Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules as of December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends and interest on notes receivable from participants for the year ended December 31, 2023, was obtained by the Company and agreed to or derived from information certified as complete and accurate by the Trustees.

Note 6 - Party-In-Interest Transactions

Certain Plan investments are shares in a collective trust and mutual funds managed by JPMorgan Invest Holdings LLC and therefore these transactions qualify as party-in-interest transactions. In addition, the Plan provides for notes receivable from participants, which are party-in-interest transactions that are exempt from the prohibited transaction rules.

Note 7 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 29,003,308	\$ 20,426,115
Deemed distributions	<u>(91,112)</u>	<u>(87,216)</u>
Net assets available for benefits per Form 5500	<u>\$ 28,912,196</u>	<u>\$ 20,338,899</u>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to net income per Form 5500 for the year ended December 31, 2023:

Net increase in net assets available for benefits per the financial statements	\$ 8,577,193
Interest on deemed distributions	<u>(3,896)</u>
Net income per Form 5500	<u>\$ 8,573,297</u>

Note 8 - Subsequent Events

During January 2024, as part of the provisions of the Setting Every Community Up for Retirement Enhancement Act 2.0, the Plan was amended to increase the mandatory cash out distribution to terminated participants from \$5,000 to \$7,000.
