The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the financial statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial statements section of our report. We are required to be independent of Bell & Associates Construction, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bell & Associates Construction, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bell & Associates Construction, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bell & Associates Construction, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## ***Other Matters***

### ***Supplemental Schedules Required by ERISA***

The supplemental schedules of schedule H, line 4(a) – schedule of delinquent participant contributions, and schedule H, line 4(i) – schedule of assets (held at end of year), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**BELL & ASSOCIATES CONSTRUCTION, LLC**  
**401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED DECEMBER 31, 2023**

---

**NOTE 1 - DESCRIPTION OF THE PLAN**

The following description of the Bell & Associates Construction, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

***GENERAL***

The Plan is a defined contribution 401(k) plan for the benefit of the employees of Bell & Associates Construction, LLC (the “Company” or “Plan Sponsor”) that is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). All full-time employees of the Company who have completed sixty days of service and are age eighteen or older are eligible to participate in the Plan (“Participants”). The Plan Sponsor is responsible for oversight of the Plan and the appropriateness of investment offerings.

***PARTICIPANT AND ROLLOVER CONTRIBUTIONS***

Participants of the Plan may authorize a pre-tax or post-tax (Roth) payroll deduction of not less than 1 percent, or more than the maximum allowed by the Internal Revenue Code (“IRC”). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. An employee who is or will become eligible to participate in the Plan may rollover their funds from their current employer benefit plan into the Plan in any amount that constitutes a qualifying rollover contribution, as defined by the IRC. Contributions are accumulated and invested according to the election of the participant, by the trustee of the Plan. Participants have a 100 percent vested and nonforfeitable interest in their own contributions plus actual earnings thereon.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at four percent of eligible compensation, which increases annually by one percent per year up to a maximum of ten percent on October 1 every year. Contributions are automatically invested in a designated money market fund until changed by the participant.

***EMPLOYER MATCHING CONTRIBUTIONS***

The Plan Sponsor may make a discretionary matching contribution. Effective April 1, 2022 the Plan Sponsor elected to make discretionary matching contributions equal to 65% of participant contributions up to 6% of each participant’s annual pay. The Company made matching contributions of approximately \$618,000 during the year ended December 31, 2023.

**401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED DECEMBER 31, 2023**

---

**NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)**

***EMPLOYER PROFIT SHARING CONTRIBUTIONS***

The Company may also make discretionary profit sharing contributions to the Plan. The discretionary profit sharing allocation would be based on the ratio that each participant's compensation bears to the total of such compensation of all participants. Participants must complete 500 hours of service to receive such allocation. No such contribution was made for the year ended December 31, 2023.

***PARTICIPANT ACCOUNTS***

Each participant's account is credited with the participant's contributions, Company's matching contributions and allocations of the Company's discretionary profit sharing contributions, if any, and earnings/losses. Participant accounts are charged for any withdrawals, distributions, and an allocation of administrative expenses that are paid by the Plan. Allocations are based on formulas as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Upon distribution of the account to a participant who separates from service before vesting, the portion of the account attributable to the non-vested portion of the Company's contribution is forfeited.

***VESTING***

The participant is vested in the employer's matching and discretionary profit sharing contributions depending on the number of years of service as follows:

| <u>Years of Service</u> | <u>Vesting Percentage</u> |
|-------------------------|---------------------------|
| Less than 1 year        | 0%                        |
| 1 year                  | 25%                       |
| 2 years                 | 50%                       |
| 3 years                 | 75%                       |
| 4 years                 | 100%                      |

Prior to March 1, 2022, the Plan had a five year vesting grade. As such, participants were vested 20% every year up to 100% after five years.

**401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED DECEMBER 31, 2023**

---

**NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)**

***PAYMENT OF BENEFITS***

Upon retirement, disability, death or termination of employment, the participant shall become entitled to the total value of his or her vested account. Distributions will be paid in a lump sum or in installments over a number of years, based upon election of the participant or the Plan, as defined in the Plan Document. If a participant terminates employment for any reason and his or her vested account balance does not exceed \$5,000, the Plan administrator may distribute such amount in a lump-sum payment to the participant without consent of participant.

The Plan also allows a participant to withdraw all or a portion of his or her account as an in-service distribution as long as the participant has attained age 59 1/2, and is still employed by the Plan Sponsor, as defined. Upon financial hardship, a participant is entitled to the value of his or her fully vested accounts, which is payable immediately in a lump-sum distribution.

***NOTES RECEIVABLE FROM PARTICIPANTS***

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of (i) 50 percent of the participant's account balance or (ii) \$50,000 (reduced by any loan repayments during the prior year). Loan terms shall not exceed five years unless the loan proceeds are used to acquire a principal residence, for which the term cannot exceed 10 years. The loans are secured by the balance in the participant's account and bear interest at a rate of 5.25 to 10.50 percent, which is commensurate with local, prevailing rates as determined by the Plan administrator. Participants may only have one loan outstanding at any given time. Principal and interest is paid each pay period (i.e. weekly or semi-monthly) through payroll deductions.

***FORFEITURES***

If a participant is not 100 percent vested on his or her termination date, the non-vested employer portion of the participants' account will be forfeited. All amounts forfeited may be used to offset future Company contributions or administrative expenses. There were outstanding forfeiture balances of approximately \$49,000 and \$9,000 at December 31, 2023 and 2022, respectively. Forfeitures of terminated non-vested account balances that were used for administrative expenses and employer contributions during the year ended December 31, 2023 were approximately \$6,500 and \$13,000, respectively.

**401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED DECEMBER 31, 2023**

---

**NOTE 2 - SUMMARY OF ACCOUNTING POLICIES**

***BASIS OF ACCOUNTING***

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

***USE OF ESTIMATES***

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ significantly from those estimates.

***INVESTMENT VALUATION AND INCOME RECOGNITION***

Investments are reported at fair value, except for the Plan's fully benefit responsive investment contract which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisor, custodian, and insurance company. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

***NOTES RECEIVABLE FROM PARTICIPANTS***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a deemed distribution is recorded.

**NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)**

***PAYMENT OF BENEFITS***

Benefits payments to participants are recorded when paid.

***ADMINISTRATIVE EXPENSES***

The Company pays certain professional fees related to the Plan. Personnel and facilities of the Plan Sponsor were used for certain Plan administrative functions at no charge to the Plan. Expenses that are paid by the Company are excluded from these financial statements. All other expenses incurred in the administration of the Plan are charged and paid by the Plan. Fees related to the administration of notes receivables from participants are charged directly to the participants' accounts and are not included in administrative expenses. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

***SUBSEQUENT EVENTS***

In preparing these financial statements, the Plan has evaluated subsequent events for potential recognition and disclosure through August 8, 2024, the date the financial statements were available to be issued.

**NOTE 3 - CERTIFICATION OF INVESTMENT INFORMATION**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform, and they did not perform, such auditing procedures with respect to the information certified by Reliance Trust Company ("Reliance"), except for comparing the information certified by Reliance to information included in the Plan's financial statements and supplemental schedule. Accordingly, Reliance, the custodian of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022, the related investment income and interest income on notes receivable from participants reflected in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023, and the information reflected in the accompanying supplemental schedule of Assets (Held at End of Year) for as of December 31, 2023.

**BELL & ASSOCIATES CONSTRUCTION, LLC**  
**401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED DECEMBER 31, 2023**

---

**NOTE 4 - RISKS AND UNCERTAINTIES**

The Plan provides for various investment options in investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events with could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits and the accompanying Statement of Changes in Net Assets Available for Benefits.

**NOTE 5 - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification Topic 820, *Fair Value Measurements and Disclosures*, are described as follows:

***Level 1***

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

***Level 2***

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**BELL & ASSOCIATES CONSTRUCTION, LLC**  
**401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED DECEMBER 31, 2023**

---

**NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)**

***Level 3***

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

***Mutual Funds***

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

|                     | Fair Value Measurements at December 31, 2023 |              |              |                      |
|---------------------|----------------------------------------------|--------------|--------------|----------------------|
|                     | Level 1                                      | Level 2      | Level 3      | Total                |

**NOTE 6 - GROUP ANNUITY CONTRACT**

At December 31, 2023 and 2022, the Plan had a fully benefit-responsive group annuity contract, Transamerica Stable Value Core Option, with Transamerica Life Insurance Company ("Transamerica") and was administered by Reliance totaling \$1,139,361 and \$1,425,242, respectively. Transamerica maintains the contributions in a general account. The account is credited with earnings (losses) on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The group annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings (losses), less participant withdrawals and administrative expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan's adoption agreement documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. The plan administrator does not believe that any of such events which would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation of the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

**NOTE 7 - TAX STATUS**

The Plan uses a non-standard pre-approved plan which received an opinion letter from the IRS dated November 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 8 - RELATED PARTY TRANSACTIONS AND TRANSACTIONS WITH PARTIES-IN-INTEREST**

Certain Plan investments are managed by Reliance. Therefore, these investments and transactions qualify as party-in-interest transactions. Fees incurred and paid directly by the Plan for the investment management services were approximately \$33,500 (offset by forfeitures of approximately \$6,500) for the year ended December 31, 2023.

All notes receivable of the Plan are between the Plan and Plan participants. Therefore, these notes and transactions qualify as party-in-interest transactions. Interest earned directly by the Plan from these notes was approximately \$14,000 for the year ended December 31, 2023.

**NOTE 9 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their employer contributions.

**NOTE 10 - NONEXEMPT PROHIBITED TRANSACTION**

During 2023, participant contributions for certain payroll periods, of approximately \$39,020 were not remitted timely to the Plan. The DOL requires that participant contributions be remitted to the Plan on the earliest date on which they can be reasonably segregated from the Company's general assets. Failure to remit participant contributions to the Plan in a timely manner results in a prohibited transaction which must be separately reported to the DOL and may result in penalties to the Plan Sponsor. The Company corrected the loss of earnings for the March 2023 delinquent contribution in March 2024 and plans to correct the remaining 2023 loss of earnings for delinquent contributions during the plan year ending December 31, 2024. The accompanying supplemental Schedule of Delinquent Participant Contributions presents the prohibited transactions of the Plan.
