INDEPENDENT AUDITOR'S REPORT

To the 24 Hr. Safety, LLC. 401(k) Profit Sharing Plan and Trust
Plan and Participants

SCOPE AND NATURE OF THE ERISA SECTION 103(A)(3)(C) AUDIT

We have performed audits of the accompanying financial statements of 24 Hr. Safety, LLC. 401(k) Profit Sharing Plan and Trust ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Fidelity Management Trust Company as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

OPINION

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section;

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 24 Hr. Safety, LLC. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS (CONTINUED)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental schedule of Schedule H, Line 4i- Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA (CONTINUED)

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 - PLAN DESCRIPTION

The following description of the 24 Hr. Safety LLC 401(k) Profit Sharing Plan and Trust ("the Plan") provides only general information about the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan was adopted effective January 1, 2007 to establish a savings and investment plan for the exclusive benefit of the employees of 24 Hr. Safety, LLC (the "Employer", "Company" or "Plan Administrator"). The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Fidelity Management Trust Company serves as the Plan's asset custodian and trustee.

ELIGIBILITY

Full-time employees who have completed one full month of service are eligible to become a participant in the Plan. Safe harbor matching contributions are made to all eligible employees. Discretionary profit-sharing contributions will be made to eligible employees who have completed 500 hours of service during the plan year.

CONTRIBUTIONS

Participants may elect to have a portion of their annual compensation contributed to the Plan as a pre-tax elective deferral, as defined by the Plan. The Plan was amended on November 3, 2023 to permit participants to make Roth elective deferrals. A participant's combined elective deferrals are limited by federal income tax laws to \$22,500 and \$20,500 (\$30,000 and \$27,000 for participants who have attained age 50 by the end of the calendar year) in 2023 and 2022 subject to certain non-discrimination tests for excess deferral contributions. These limitations are adjusted periodically to reflect cost-of-living increases.

The Company makes safe harbor matching contributions on behalf of each participant for 100% of the first 6% of the participant's compensation contributed to the Plan. For the year ended December 31, 2023, the Company made matching contributions of \$473,467. Additional profit-sharing amounts may be contributed at the discretion of the Company. The Company did not make a profit-sharing contribution for the year ended December 31, 2023.

ADMINISTRATION EXPENSES

Third party administrator, audit and legal expenses of the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

24 HR SAFETY, LLC. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

FORFEITED ACCOUNTS (PROFIT SHARING)

Amounts contributed by the Company which are forfeited by participants as a result of the participants' separation from service prior to becoming 100% vested may be used to reduce the Company's contributions. There were no forfeitures applied to reduce the Company's contributions for the year ended December 31, 2023. There were no forfeitures pending application as of December 31, 2023 and 2022.

VESTING

Participants are immediately vested in their elective contributions plus earnings thereon. Employer safe harbor matching contributions (plus earnings thereon) are also immediately vested. Vesting in the Company's profit-sharing contributions of their accounts is based on years of continuous service as follows:

Years of Vesting Service	Vesting Percentage
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Upon reaching the retirement age of 65, participants become fully vested in all contributions.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's elective contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contribution Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

ROLLOVERS

Rollovers represent funds transferred to the Plan from other qualified plans of the participants. The Plan was amended on November 3, 2023 to allow eligible participants to make rollovers of after-tax employee contributions.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

The minimum principal amount that participants may borrow from their fund is \$1,000 up to a maximum of \$50,000, or one-half of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account. All loans bear interest at prime rate and have a repayment period of no more than 60 months unless such loan is for the purchase of a participant's primary residence in which case the term cannot exceed 10 years. Interest will remain fixed throughout the duration of the loan. As of December 31, 2023, interest rates ranged from 3.25% to 8.50%.

PAYMENT OF BENEFITS

Upon termination of service, distributions will be made to eligible participants from their vested interest in their account as soon as reasonably practicable following the date the participant's application for distribution is received by the administrator. Hardship distributions can also be made to qualified participants.

PLAN TERMINATION

Although the Employer has not expressed any intent to do so, it may terminate the Plan at any time, subject to the terms of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 2 - BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Defaulted loans are deemed distributed and recorded as benefits paid to participants in the statement of changes in net assets available for plan benefits. During 2023, the Plan had no deemed distributions.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

RISKS AND UNCERTAINTIES

The Plan provides for several investment options which are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

UNCERTAIN TAX POSITIONS

The provisions of Financial Accounting Standards Board ("FASB") Accounting Standards Codification Topic 740 *Income Taxes* requires the use of a two-step approach for recognizing and measuring tax benefits taken or expected to be taken in a tax return and disclosures regarding uncertainties in income tax positions. Only tax positions that meet the more likely than not recognition threshold at the effective date may be recognized.

The Plan administrator does not believe that the Plan has any material uncertain tax positions at December 31, 2023; however, the Plan's tax returns for the years ending December 31, 2022, 2021 and 2020 are still subject to examination by relevant taxing authorities.

(CONTINUED)*

DATE OF MANAGEMENT'S REVIEW

The Plan administrator has evaluated subsequent events through August 2, 2024, the date which the financial statements were available to be issued.

NOTE 3 - CONCENTRATION OF MARKET AND CREDIT RISK

The Plan maintains investments considered to be cash equivalents which are not federally insured. The Plan does not believe it is exposed to any significant credit risk on these cash equivalents and has not experienced any losses in such accounts.

The financial instruments, which potentially subject the Plan to concentrations of market and credit risk, are principally investments. The Plan's investments consist of various mutual funds. To reduce concentrations of credit risk, the Plan administrator has made available various types of these accounts to the participants, and the participants themselves choose their own accounts based upon their appropriate risk level. As a consequence, the Plan administrator believes that the Plan's credit risk exposure for participant directed investments is limited.

NOTE 4 - TAX STATUS

The Plan obtained the latest determination letter for the prototype plan dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE 6 - FAIR VALUE DISCLOSURES

ASC Topic 820-10, *Fair Value Measurements and Disclosures* ("ASC 820-10") establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities and the lowest priority to unobservable inputs.

The three levels of the fair value hierarchy under ASC 820-10 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Other significant observable inputs (including quoted prices in active markets for similar assets or liabilities), or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 6 - FAIR VALUE DISCLOSURES (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan's assets at fair value as of December 31, 2023 are as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments at fair value:				
Mutual funds	\$ <u>9,442,496</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>9,442,496</u>
Total	\$ <u>9,442,496</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>9,442,496</u>

The Plan's assets at fair value as of December 31, 2022 are as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments at fair value:				
Mutual funds	\$ <u>7,872,683</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>7,872,683</u>
Total	\$ <u>7,872,683</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>7,872,683</u>

There were no unfunded commitments at December 31, 2023 and 2022.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for plan benefits. For the year ended December 31, 2023, there were no significant transfers in or out of Levels 1, 2, or 3.

NOTE 7 – RELATED PARTY TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as a fiduciary of the Plan, any party rendering service to the Plan, the Employer, and certain others.

Plan investments are managed by Fidelity Investments who is also the record keeper for the plan. Plan investments are held by Fidelity Management Trust Company, who is both the custodian and trustee of the Plan. The plan also invests in funds offered by Fidelity Investments. The plan administrator has approved these investment options. Each of these service providers are a party-in-interest to the Plan.

Miller Grossbard Advisors, LLP is the independent auditor of the Plan.

Fees paid by the Employer for administrative, investment advisory, and audit services are excluded from these financial statements.

NOTE 8 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements at December 31, 2023 and 2022 to Schedule H of Form 5500:

INDEPENDENT AUDITOR'S REPORT

To the 24 Hr. Safety, LLC. 401(k) Profit Sharing Plan and Trust
Plan and Participants

SCOPE AND NATURE OF THE ERISA SECTION 103(A)(3)(C) AUDIT

We have performed audits of the accompanying financial statements of 24 Hr. Safety, LLC. 401(k) Profit Sharing Plan and Trust ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Fidelity Management Trust Company as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

OPINION

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section;

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

www.mgallp.com

BASIS FOR OPINION

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 24 Hr. Safety, LLC. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS (CONTINUED)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental schedule of Schedule H, Line 4i- Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA (CONTINUED)

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 - PLAN DESCRIPTION

The following description of the 24 Hr. Safety LLC 401(k) Profit Sharing Plan and Trust ("the Plan") provides only general information about the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan was adopted effective January 1, 2007 to establish a savings and investment plan for the exclusive benefit of the employees of 24 Hr. Safety, LLC (the "Employer", "Company" or "Plan Administrator"). The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Fidelity Management Trust Company serves as the Plan's asset custodian and trustee.

ELIGIBILITY

Full-time employees who have completed one full month of service are eligible to become a participant in the Plan. Safe harbor matching contributions are made to all eligible employees. Discretionary profit-sharing contributions will be made to eligible employees who have completed 500 hours of service during the plan year.

CONTRIBUTIONS

Participants may elect to have a portion of their annual compensation contributed to the Plan as a pre-tax elective deferral, as defined by the Plan. The Plan was amended on November 3, 2023 to permit participants to make Roth elective deferrals. A participant's combined elective deferrals are limited by federal income tax laws to \$22,500 and \$20,500 (\$30,000 and \$27,000 for participants who have attained age 50 by the end of the calendar year) in 2023 and 2022 subject to certain non-discrimination tests for excess deferral contributions. These limitations are adjusted periodically to reflect cost-of-living increases.

The Company makes safe harbor matching contributions on behalf of each participant for 100% of the first 6% of the participant's compensation contributed to the Plan. For the year ended December 31, 2023, the Company made matching contributions of \$473,467. Additional profit-sharing amounts may be contributed at the discretion of the Company. The Company did not make a profit-sharing contribution for the year ended December 31, 2023.

ADMINISTRATION EXPENSES

Third party administrator, audit and legal expenses of the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

24 HR SAFETY, LLC. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

FORFEITED ACCOUNTS (PROFIT SHARING)

Amounts contributed by the Company which are forfeited by participants as a result of the participants' separation from service prior to becoming 100% vested may be used to reduce the Company's contributions. There were no forfeitures applied to reduce the Company's contributions for the year ended December 31, 2023. There were no forfeitures pending application as of December 31, 2023 and 2022.

VESTING

Participants are immediately vested in their elective contributions plus earnings thereon. Employer safe harbor matching contributions (plus earnings thereon) are also immediately vested. Vesting in the Company's profit-sharing contributions of their accounts is based on years of continuous service as follows:

Years of Vesting Service	Vesting Percentage
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Upon reaching the retirement age of 65, participants become fully vested in all contributions.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's elective contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contribution Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

ROLLOVERS

Rollovers represent funds transferred to the Plan from other qualified plans of the participants. The Plan was amended on November 3, 2023 to allow eligible participants to make rollovers of after-tax employee contributions.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

The minimum principal amount that participants may borrow from their fund is \$1,000 up to a maximum of \$50,000, or one-half of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account. All loans bear interest at prime rate and have a repayment period of no more than 60 months unless such loan is for the purchase of a participant's primary residence in which case the term cannot exceed 10 years. Interest will remain fixed throughout the duration of the loan. As of December 31, 2023, interest rates ranged from 3.25% to 8.50%.

PAYMENT OF BENEFITS

Upon termination of service, distributions will be made to eligible participants from their vested interest in their account as soon as reasonably practicable following the date the participant's application for distribution is received by the administrator. Hardship distributions can also be made to qualified participants.

PLAN TERMINATION

Although the Employer has not expressed any intent to do so, it may terminate the Plan at any time, subject to the terms of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 2 - BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Defaulted loans are deemed distributed and recorded as benefits paid to participants in the statement of changes in net assets available for plan benefits. During 2023, the Plan had no deemed distributions.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

RISKS AND UNCERTAINTIES

The Plan provides for several investment options which are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

UNCERTAIN TAX POSITIONS

The provisions of Financial Accounting Standards Board ("FASB") Accounting Standards Codification Topic 740 *Income Taxes* requires the use of a two-step approach for recognizing and measuring tax benefits taken or expected to be taken in a tax return and disclosures regarding uncertainties in income tax positions. Only tax positions that meet the more likely than not recognition threshold at the effective date may be recognized.

The Plan administrator does not believe that the Plan has any material uncertain tax positions at December 31, 2023; however, the Plan's tax returns for the years ending December 31, 2022, 2021 and 2020 are still subject to examination by relevant taxing authorities.

(CONTINUED)*

DATE OF MANAGEMENT'S REVIEW

The Plan administrator has evaluated subsequent events through August 2, 2024, the date which the financial statements were available to be issued.

NOTE 3 - CONCENTRATION OF MARKET AND CREDIT RISK

The Plan maintains investments considered to be cash equivalents which are not federally insured. The Plan does not believe it is exposed to any significant credit risk on these cash equivalents and has not experienced any losses in such accounts.

The financial instruments, which potentially subject the Plan to concentrations of market and credit risk, are principally investments. The Plan's investments consist of various mutual funds. To reduce concentrations of credit risk, the Plan administrator has made available various types of these accounts to the participants, and the participants themselves choose their own accounts based upon their appropriate risk level. As a consequence, the Plan administrator believes that the Plan's credit risk exposure for participant directed investments is limited.

NOTE 4 - TAX STATUS

The Plan obtained the latest determination letter for the prototype plan dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE 6 - FAIR VALUE DISCLOSURES

ASC Topic 820-10, *Fair Value Measurements and Disclosures* ("ASC 820-10") establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities and the lowest priority to unobservable inputs.

The three levels of the fair value hierarchy under ASC 820-10 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Other significant observable inputs (including quoted prices in active markets for similar assets or liabilities), or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 6 - FAIR VALUE DISCLOSURES (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan's assets at fair value as of December 31, 2023 are as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments at fair value:				
Mutual funds	\$ <u>9,442,496</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>9,442,496</u>
Total	\$ <u>9,442,496</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>9,442,496</u>

The Plan's assets at fair value as of December 31, 2022 are as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments at fair value:				
Mutual funds	\$ <u>7,872,683</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>7,872,683</u>
Total	\$ <u>7,872,683</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>7,872,683</u>

There were no unfunded commitments at December 31, 2023 and 2022.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for plan benefits. For the year ended December 31, 2023, there were no significant transfers in or out of Levels 1, 2, or 3.

NOTE 7 – RELATED PARTY TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as a fiduciary of the Plan, any party rendering service to the Plan, the Employer, and certain others.

Plan investments are managed by Fidelity Investments who is also the record keeper for the plan. Plan investments are held by Fidelity Management Trust Company, who is both the custodian and trustee of the Plan. The plan also invests in funds offered by Fidelity Investments. The plan administrator has approved these investment options. Each of these service providers are a party-in-interest to the Plan.

Miller Grossbard Advisors, LLP is the independent auditor of the Plan.

Fees paid by the Employer for administrative, investment advisory, and audit services are excluded from these financial statements.

NOTE 8 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements at December 31, 2023 and 2022 to Schedule H of Form 5500:

	<u>2023</u>	<u>2022</u>
Net assets available for plan benefits per the financial statements	\$ 9,882,472	\$ 8,196,519
Subtract:		
Employer contribution receivable	<u>(31,841)</u>	<u>(31,841)</u>
Net assets available for plan benefits per Form 5500	\$ <u>9,850,631</u>	\$ <u>8,164,678</u>

The Form 5500 is prepared on a cash basis with regard to participant and employer contributions receivables.

INDEPENDENT AUDITOR'S REPORT

To the 24 Hr. Safety, LLC. 401(k) Profit Sharing Plan and Trust
Plan and Participants

SCOPE AND NATURE OF THE ERISA SECTION 103(A)(3)(C) AUDIT

We have performed audits of the accompanying financial statements of 24 Hr. Safety, LLC. 401(k) Profit Sharing Plan and Trust ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Fidelity Management Trust Company as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

OPINION

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section;

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 24 Hr. Safety, LLC. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS (CONTINUED)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental schedule of Schedule H, Line 4i- Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA (CONTINUED)

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 - PLAN DESCRIPTION

The following description of the 24 Hr. Safety LLC 401(k) Profit Sharing Plan and Trust ("the Plan") provides only general information about the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan was adopted effective January 1, 2007 to establish a savings and investment plan for the exclusive benefit of the employees of 24 Hr. Safety, LLC (the "Employer", "Company" or "Plan Administrator"). The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Fidelity Management Trust Company serves as the Plan's asset custodian and trustee.

ELIGIBILITY

Full-time employees who have completed one full month of service are eligible to become a participant in the Plan. Safe harbor matching contributions are made to all eligible employees. Discretionary profit-sharing contributions will be made to eligible employees who have completed 500 hours of service during the plan year.

CONTRIBUTIONS

Participants may elect to have a portion of their annual compensation contributed to the Plan as a pre-tax elective deferral, as defined by the Plan. The Plan was amended on November 3, 2023 to permit participants to make Roth elective deferrals. A participant's combined elective deferrals are limited by federal income tax laws to \$22,500 and \$20,500 (\$30,000 and \$27,000 for participants who have attained age 50 by the end of the calendar year) in 2023 and 2022 subject to certain non-discrimination tests for excess deferral contributions. These limitations are adjusted periodically to reflect cost-of-living increases.

The Company makes safe harbor matching contributions on behalf of each participant for 100% of the first 6% of the participant's compensation contributed to the Plan. For the year ended December 31, 2023, the Company made matching contributions of \$473,467. Additional profit-sharing amounts may be contributed at the discretion of the Company. The Company did not make a profit-sharing contribution for the year ended December 31, 2023.

ADMINISTRATION EXPENSES

Third party administrator, audit and legal expenses of the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

FORFEITED ACCOUNTS (PROFIT SHARING)

Amounts contributed by the Company which are forfeited by participants as a result of the participants' separation from service prior to becoming 100% vested may be used to reduce the Company's contributions. There were no forfeitures applied to reduce the Company's contributions for the year ended December 31, 2023. There were no forfeitures pending application as of December 31, 2023 and 2022.

VESTING

Participants are immediately vested in their elective contributions plus earnings thereon. Employer safe harbor matching contributions (plus earnings thereon) are also immediately vested. Vesting in the Company's profit-sharing contributions of their accounts is based on years of continuous service as follows:

Years of Vesting Service	Vesting Percentage
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Upon reaching the retirement age of 65, participants become fully vested in all contributions.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's elective contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contribution Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

ROLLOVERS

Rollovers represent funds transferred to the Plan from other qualified plans of the participants. The Plan was amended on November 3, 2023 to allow eligible participants to make rollovers of after-tax employee contributions.

December 31, 2023 and 2022

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

The minimum principal amount that participants may borrow from their fund is \$1,000 up to a maximum of \$50,000, or one-half of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account. All loans bear interest at prime rate and have a repayment period of no more than 60 months unless such loan is for the purchase of a participant's primary residence in which case the term cannot exceed 10 years. Interest will remain fixed throughout the duration of the loan. As of December 31, 2023, interest rates ranged from 3.25% to 8.50%.

PAYMENT OF BENEFITS

Upon termination of service, distributions will be made to eligible participants from their vested interest in their account as soon as reasonably practicable following the date the participant's application for distribution is received by the administrator. Hardship distributions can also be made to qualified participants.

PLAN TERMINATION

Although the Employer has not expressed any intent to do so, it may terminate the Plan at any time, subject to the terms of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 2 - BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Defaulted loans are deemed distributed and recorded as benefits paid to participants in the statement of changes in net assets available for plan benefits. During 2023, the Plan had no deemed distributions.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

RISKS AND UNCERTAINTIES

The Plan provides for several investment options which are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

UNCERTAIN TAX POSITIONS

The provisions of Financial Accounting Standards Board ("FASB") Accounting Standards Codification Topic 740 *Income Taxes* requires the use of a two-step approach for recognizing and measuring tax benefits taken or expected to be taken in a tax return and disclosures regarding uncertainties in income tax positions. Only tax positions that meet the more likely than not recognition threshold at the effective date may be recognized.

The Plan administrator does not believe that the Plan has any material uncertain tax positions at December 31, 2023; however, the Plan's tax returns for the years ending December 31, 2022, 2021 and 2020 are still subject to examination by relevant taxing authorities.

DATE OF MANAGEMENT'S REVIEW

The Plan administrator has evaluated subsequent events through August 2, 2024, the date which the financial statements were available to be issued.

NOTE 3 - CONCENTRATION OF MARKET AND CREDIT RISK

The Plan maintains investments considered to be cash equivalents which are not federally insured. The Plan does not believe it is exposed to any significant credit risk on these cash equivalents and has not experienced any losses in such accounts.

The financial instruments, which potentially subject the Plan to concentrations of market and credit risk, are principally investments. The Plan's investments consist of various mutual funds. To reduce concentrations of credit risk, the Plan administrator has made available various types of these accounts to the participants, and the participants themselves choose their own accounts based upon their appropriate risk level. As a consequence, the Plan administrator believes that the Plan's credit risk exposure for participant directed investments is limited.

NOTE 4 - TAX STATUS

The Plan obtained the latest determination letter for the prototype plan dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE 6 - FAIR VALUE DISCLOSURES

ASC Topic 820-10, *Fair Value Measurements and Disclosures* ("ASC 820-10") establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities and the lowest priority to unobservable inputs.

The three levels of the fair value hierarchy under ASC 820-10 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Other significant observable inputs (including quoted prices in active markets for similar assets or liabilities), or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 6 - FAIR VALUE DISCLOSURES (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan's assets at fair value as of December 31, 2023 are as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments at fair value:				
Mutual funds	\$ <u>9,442,496</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>9,442,496</u>
Total	\$ <u>9,442,496</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>9,442,496</u>

The Plan's assets at fair value as of December 31, 2022 are as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments at fair value:				
Mutual funds	\$ <u>7,872,683</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>7,872,683</u>
Total	\$ <u>7,872,683</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>7,872,683</u>

There were no unfunded commitments at December 31, 2023 and 2022.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for plan benefits. For the year ended December 31, 2023, there were no significant transfers in or out of Levels 1, 2, or 3.

NOTE 7 – RELATED PARTY TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as a fiduciary of the Plan, any party rendering service to the Plan, the Employer, and certain others.

Plan investments are managed by Fidelity Investments who is also the record keeper for the plan. Plan investments are held by Fidelity Management Trust Company, who is both the custodian and trustee of the Plan. The plan also invests in funds offered by Fidelity Investments. The plan administrator has approved these investment options. Each of these service providers are a party-in-interest to the Plan.

Miller Grossbard Advisors, LLP is the independent auditor of the Plan.

Fees paid by the Employer for administrative, investment advisory, and audit services are excluded from these financial statements.

NOTE 8 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements at December 31, 2023 and 2022 to Schedule H of Form 5500:

	<u>2023</u>	<u>2022</u>
Net assets available for plan benefits per the financial statements	\$ 9,882,472	\$ 8,196,519
Subtract:		
Employer contribution receivable	<u>(31,841)</u>	<u>(31,841)</u>
Net assets available for plan benefits per Form 5500	\$ <u>9,850,631</u>	\$ <u>8,164,678</u>

The Form 5500 is prepared on a cash basis with regard to participant and employer contributions receivables.
