Moldex-Metric, Inc. Profit Sharing Plan &
Tax Sheltered 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Moldex-Metric, Inc. Profit Sharing Plan & Tax Sheltered 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held at End of Year) as of December 31, 2023 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MOLDEX-METRIC, INC. PROFIT SHARING PLAN & TAX SHELTERED 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Moldex-Metric, Inc. Profit Sharing Plan & Tax Sheltered 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a qualified, defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Plan was established in 1974 by Moldex-Metric, Inc. (the “Company or Employer”) to provide benefits to eligible employees, as defined in the Plan document. The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code (“IRC”), as amended.

Administration

The Plan is administered by a Plan Committee appointed by the Plan Sponsor. Fidelity Management Trust Company (the “Trustee”) is the trustee and holds the Plan’s assets. Fidelity Workplace Services, LLC is the recordkeeper and processes and maintains the records of participant data.

Eligibility

There was no service requirement prior to September 1, 2023. Effective September 1, 2023, employees of the Company are eligible to participate in the Plan after completing 1,000 hours of service. Employees covered under the Plan include all employees, except for residents of Puerto Rico.

Participant Contributions

Participants may contribute a specified dollar amount or percentage of their eligible compensation. Participants may elect to have the Company contribute up to 75% of their eligible pre-tax compensation to the Plan up to the amount allowable under the Plan document and current income tax regulations. Effective November 3, 2023, the Plan allows for Roth contributions. Participants who have attained the age 50 before the end of the Plan year are eligible to make catch-up contributions. Contributions withheld are invested in accordance with the participant’s direction. Participants can make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. Effective November 3, 2023, the Plan accepts rollovers of after-tax employee contributions.

TAX SHELTERED 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Employer Contributions

The Company may make discretionary nonelective contributions to eligible employees, who complete 1,000 hours of service and are employed on the last day of the Plan year. For the year ended December 31, 2023, the Employer made the following contributions to eligible employees:

Group A: Consisted of one employee who received a discretionary contribution of \$25,000, subject to limitations under the IRC.

Group B: Consisted of four employees who each received a discretionary contribution of \$10,000, subject to limitations under the IRC.

Group C: Consisted of all other eligible participants who received discretionary contributions equal to 4.17% of eligible compensation

Vesting

Participants are immediately vested in their contributions, including actual earnings thereon. Employer nonelective discretionary contributions are subject to a five-year vesting schedule vesting at 20% per year.

Participant Accounts

Each participant's account is credited with the respective participant's contribution and allocations of the Employer's nonelective contribution and Plan earnings and charged with an allocation of administrative expenses to the extent that the expenses were not paid by the Employer. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants must direct their salary deferral contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options any time throughout the year via the Internet website or by using the automated telephone system offered by the trustee.

Payment of Benefits

Upon termination of service, death, disability or retirement, the participants or beneficiaries may elect to leave their account balances in the Plan or receive their total benefits in a lump sum amount equal to the value of the participant's interest in his or her account or in the form of an annuity. The Plan allows for the automatic cash-out of participant account balances that do not exceed \$1,000. Additionally, the Plan allows for an automatic rollover provision for any balances between \$1,000 and \$5,000 into an Individual Retirement Account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Financial Hardship Distributions

The Plan allows hardship withdrawals in accordance with IRS regulations. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the participant and is limited to certain purposes.

Forfeitures

Forfeitures shall first be used to pay administrative expenses under the Plan, if so directed by the Employer. To the extent that forfeitures are not used to pay Plan administrative expenses, as directed by the Employer, forfeitures shall be applied to reduce the Employer's contributions. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$42,466 and \$13,136, respectively. From the forfeited non-vested account balances, \$40,000 was applied to reduce the 2023 Employer discretionary contributions, which were funded in June 2024.

Notes Receivable from Participants

The Plan allows participants to borrow up to the lesser of \$50,000 or 50% of their account balance. The minimum principal balance of any loan is \$1,000. The notes are secured by the participant's account balance. Such notes bear interest at a rate commensurate with the local prevailing rate as determined by the Plan Administrator. The notes receivable from participants must be repaid to the Plan within a five-year period, unless the note is used for the purchase of a principal residence, in which case the maximum repayment period may be longer. A participant can only have one outstanding loan. The specific terms and conditions of such notes are established by the Company. Outstanding notes receivable at December 31, 2023 and 2022, carry interest rates at 6.50% and mature through 2029.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or would be paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

**MOLDEX-METRIC, INC. PROFIT SHARING PLAN &
TAX SHELTERED 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Management fees charged to the Plan for investments in registered investment companies are based on assets invested and deducted on a daily basis. Management fees are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are reclassified as distributions based upon the terms of the Plan document. For the year ended December 31, 2023, \$9,033 deemed distributions were netted against post-default payments received of \$23,037. An allowance for credit losses in the amount of \$105,212 and \$112,635 has been recorded as of December 31, 2023 and 2022, respectively.

Benefit Payments

Benefit payments are recorded when paid.

Plan Expenses

The Company pays certain Plan expenses. Expenses paid by the Company are excluded from these financial statements. Plan expenses not paid by the Company, will be charged on a pro-rata basis to the value of the participants account balances.

NOTE 3 – CERTIFIED INFORMATION

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023; the related investment activity and interest income on notes receivable from participants reflected in the statement of changes in net assets available for plan benefits for the year ended December 31, 2023.

NOTE 4 – FAIR VALUE MEASUREMENT

FASB Accounting Standards Codification Topic 820, “*Fair Value Measurements and Disclosures*” (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under the standard are described below:

Level 1 – Inputs to the valuation methodology are unadjusted, quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted market prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS**

NOTE 4 – FAIR VALUE MEASUREMENT (Continued)

Following are descriptions of valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Interest-bearing cash

Valued at the carrying value, which approximates fair value due to the short-term nature of such investments.

Common collective trust

Units held in common collective trusts (CCT) are valued using the net asset value practical expedient (NAV practical expedient) of the CCT, as reported by the CCT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The NAV of a CCT is calculated based on a compilation of primarily observable market information. The CCTs have daily redemption frequency, no redemption period or restrictions, and no unfunded commitments. Withdrawals directed by the plan sponsor must be preceded by a twelve-month written notice to the trustee; provided, however, that the trustee may, in its discretion, complete any such plan-level withdrawals before the expiration of such twelve-month period.

Registered investment companies (mutual funds)

Valued at the daily closing price as reported by the shares. Registered investment companies held by the Plan are open-ended shares that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The registered investment company shares held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 – FAIR VALUE MEASUREMENT (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

	<u>Investments at Fair Value as of December 31, 2023</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit the reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for plan benefits.

NOTE 5 – TAX STATUS AND UNCERTAIN TAX POSITIONS

The Plan has adopted non-standardized form of a pre-approved plan sponsored by FMR LLC. The Plan has received, on June 30, 2020, from the Internal Revenue Service (“IRS”) as to the pre-approved plan’s qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

U.S. GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS or the DOL. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in question.

NOTE 6 – RELATED PARTY TRANSACTIONS

Certain Plan investments and notes receivable from participants and the related interest income are managed and held by an affiliate of the Trustee of the Plan. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 7 – PLAN TERMINATION OR MODIFICATION

The Company intends to continue the Plan indefinitely for the benefit of its participants; however, it reserves the right to terminate or modify the Plan at any time by resolution of its Board of Directors and is subject to the provisions of ERISA. Upon termination of the Plan, contributions to the Plan shall cease and all participants who are affected by such termination shall become 100% vested. Net assets available for plan benefits would be distributed to the participants based on each participant’s interest in the Plan.

Net assets available for plan benefits per the form 5500	<u>\$31,769,906</u>	<u>\$28,107,940</u>

The following is a reconciliation of the affected components of the changes in net assets available for plan benefits per the financial statements to the Form 5500 for the year ended December 31, 2023:

Employer's contributions per the financial statements	\$ 533,682
Adjustment for employer's contributions receivable	(533,682)
Adjustment for prior year employer's contributions receivable	<u>590,778</u>
Total Employer's contributions per the Form 5500	<u>\$ 590,778</u>

NOTE 9 – PROHIBITED TRANSACTIONS

As required by ERISA Section 2510.3-102, the Employer is required to segregate participant contributions from its general assets and remit them to the Plan as soon as administratively feasible.

During the plan year ended December 31, 2022, the Employer inadvertently failed to remit certain participant contributions totaling \$322 of participant deferrals within the required timeframe as stated by the United States Department of Labor (DOL). The Employer calculated the lost earnings on the \$322 of late participant deferrals outside of the DOL's Voluntary Fiduciary Correction Program. Lost earnings totaling \$23, was paid from the Employer's assets and not from assets of the Plan on September 8, 2023.

NOTE 10 – SUBSEQUENT EVENTS

In June 2024, the Plan amended the Adoption Agreement regarding the amount a service provider agrees to credit to the Plan in recognition of the service provider's compensation for Plan services may be allocated to an ERISA account. If not allocated and not utilized for the payment of Plan expenses, such amounts shall be allocated to the accounts of participants and beneficiaries pro rata based on the ratio that each participant and beneficiary's balance in each investment, and/or allocate amounts to the accounts of participants and beneficiaries pro rata based on their account balances in the trust excluding loan amounts.

The Plan has evaluated all activity through August 5, 2024, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition in the financial statements, or disclosure in the notes to the financial statements.

Plan Committee
Moldex-Metric, Inc. Profit Sharing Plan &
Tax Sheltered 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Moldex-Metric, Inc. Profit Sharing Plan & Tax Sheltered 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held at End of Year) as of December 31, 2023 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MOLDEX-METRIC, INC. PROFIT SHARING PLAN & TAX SHELTERED 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Moldex-Metric, Inc. Profit Sharing Plan & Tax Sheltered 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a qualified, defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Plan was established in 1974 by Moldex-Metric, Inc. (the “Company or Employer”) to provide benefits to eligible employees, as defined in the Plan document. The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code (“IRC”), as amended.

Administration

The Plan is administered by a Plan Committee appointed by the Plan Sponsor. Fidelity Management Trust Company (the “Trustee”) is the trustee and holds the Plan’s assets. Fidelity Workplace Services, LLC is the recordkeeper and processes and maintains the records of participant data.

Eligibility

There was no service requirement prior to September 1, 2023. Effective September 1, 2023, employees of the Company are eligible to participate in the Plan after completing 1,000 hours of service. Employees covered under the Plan include all employees, except for residents of Puerto Rico.

Participant Contributions

Participants may contribute a specified dollar amount or percentage of their eligible compensation. Participants may elect to have the Company contribute up to 75% of their eligible pre-tax compensation to the Plan up to the amount allowable under the Plan document and current income tax regulations. Effective November 3, 2023, the Plan allows for Roth contributions. Participants who have attained the age 50 before the end of the Plan year are eligible to make catch-up contributions. Contributions withheld are invested in accordance with the participant’s direction. Participants can make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. Effective November 3, 2023, the Plan accepts rollovers of after-tax employee contributions.

MOLDEX-METRIC, INC. PROFIT SHARING PLAN & TAX SHELTERED 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Employer Contributions

The Company may make discretionary nonelective contributions to eligible employees, who complete 1,000 hours of service and are employed on the last day of the Plan year. For the year ended December 31, 2023, the Employer made the following contributions to eligible employees:

Group A: Consisted of one employee who received a discretionary contribution of \$25,000, subject to limitations under the IRC.

Group B: Consisted of four employees who each received a discretionary contribution of \$10,000, subject to limitations under the IRC.

Group C: Consisted of all other eligible participants who received discretionary contributions equal to 4.17% of eligible compensation

Vesting

Participants are immediately vested in their contributions, including actual earnings thereon. Employer nonelective discretionary contributions are subject to a five-year vesting schedule vesting at 20% per year.

Participant Accounts

Each participant's account is credited with the respective participant's contribution and allocations of the Employer's nonelective contribution and Plan earnings and charged with an allocation of administrative expenses to the extent that the expenses were not paid by the Employer. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants must direct their salary deferral contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options any time throughout the year via the Internet website or by using the automated telephone system offered by the trustee.

Payment of Benefits

Upon termination of service, death, disability or retirement, the participants or beneficiaries may elect to leave their account balances in the Plan or receive their total benefits in a lump sum amount equal to the value of the participant's interest in his or her account or in the form of an annuity. The Plan allows for the automatic cash-out of participant account balances that do not exceed \$1,000. Additionally, the Plan allows for an automatic rollover provision for any balances between \$1,000 and \$5,000 into an Individual Retirement Account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

MOLDEX-METRIC, INC. PROFIT SHARING PLAN & TAX SHELTERED 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Financial Hardship Distributions

The Plan allows hardship withdrawals in accordance with IRS regulations. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the participant and is limited to certain purposes.

Forfeitures

Forfeitures shall first be used to pay administrative expenses under the Plan, if so directed by the Employer. To the extent that forfeitures are not used to pay Plan administrative expenses, as directed by the Employer, forfeitures shall be applied to reduce the Employer's contributions. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$42,466 and \$13,136, respectively. From the forfeited non-vested account balances, \$40,000 was applied to reduce the 2023 Employer discretionary contributions, which were funded in June 2024.

Notes Receivable from Participants

The Plan allows participants to borrow up to the lesser of \$50,000 or 50% of their account balance. The minimum principal balance of any loan is \$1,000. The notes are secured by the participant's account balance. Such notes bear interest at a rate commensurate with the local prevailing rate as determined by the Plan Administrator. The notes receivable from participants must be repaid to the Plan within a five-year period, unless the note is used for the purchase of a principal residence, in which case the maximum repayment period may be longer. A participant can only have one outstanding loan. The specific terms and conditions of such notes are established by the Company. Outstanding notes receivable at December 31, 2023 and 2022, carry interest rates at 6.50% and mature through 2029.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or would be paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

**MOLDEX-METRIC, INC. PROFIT SHARING PLAN &
TAX SHELTERED 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Management fees charged to the Plan for investments in registered investment companies are based on assets invested and deducted on a daily basis. Management fees are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are reclassified as distributions based upon the terms of the Plan document. For the year ended December 31, 2023, \$9,033 deemed distributions were netted against post-default payments received of \$23,037. An allowance for credit losses in the amount of \$105,212 and \$112,635 has been recorded as of December 31, 2023 and 2022, respectively.

Benefit Payments

Benefit payments are recorded when paid.

Plan Expenses

The Company pays certain Plan expenses. Expenses paid by the Company are excluded from these financial statements. Plan expenses not paid by the Company, will be charged on a pro-rata basis to the value of the participants account balances.

NOTE 3 – CERTIFIED INFORMATION

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023; the related investment activity and interest income on notes receivable from participants reflected in the statement of changes in net assets available for plan benefits for the year ended December 31, 2023.

NOTE 4 – FAIR VALUE MEASUREMENT

FASB Accounting Standards Codification Topic 820, “*Fair Value Measurements and Disclosures*” (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under the standard are described below:

Level 1 – Inputs to the valuation methodology are unadjusted, quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted market prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS**

NOTE 4 – FAIR VALUE MEASUREMENT (Continued)

Following are descriptions of valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Interest-bearing cash

Valued at the carrying value, which approximates fair value due to the short-term nature of such investments.

Common collective trust

Units held in common collective trusts (CCT) are valued using the net asset value practical expedient (NAV practical expedient) of the CCT, as reported by the CCT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The NAV of a CCT is calculated based on a compilation of primarily observable market information. The CCTs have daily redemption frequency, no redemption period or restrictions, and no unfunded commitments. Withdrawals directed by the plan sponsor must be preceded by a twelve-month written notice to the trustee; provided, however, that the trustee may, in its discretion, complete any such plan-level withdrawals before the expiration of such twelve-month period.

Registered investment companies (mutual funds)

Valued at the daily closing price as reported by the shares. Registered investment companies held by the Plan are open-ended shares that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The registered investment company shares held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 – TAX STATUS AND UNCERTAIN TAX POSITIONS

The Plan has adopted non-standardized form of a pre-approved plan sponsored by FMR LLC. The Plan has received, on June 30, 2020, from the Internal Revenue Service (“IRS”) as to the pre-approved plan’s qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

U.S. GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS or the DOL. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in question.

NOTE 6 – RELATED PARTY TRANSACTIONS

Certain Plan investments and notes receivable from participants and the related interest income are managed and held by an affiliate of the Trustee of the Plan. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 7 – PLAN TERMINATION OR MODIFICATION

The Company intends to continue the Plan indefinitely for the benefit of its participants; however, it reserves the right to terminate or modify the Plan at any time by resolution of its Board of Directors and is subject to the provisions of ERISA. Upon termination of the Plan, contributions to the Plan shall cease and all participants who are affected by such termination shall become 100% vested. Net assets available for plan benefits would be distributed to the participants based on each participant’s interest in the Plan.

NOTE 8 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements to the Form 5500 at December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
Net assets available for plan benefits per the financial statements	\$32,303,588	\$28,698,718
Adjustments for contributions receivable	<u>(533,682)</u>	<u>(590,778)</u>
Net assets available for plan benefits per the form 5500	<u>\$31,769,906</u>	<u>\$28,107,940</u>

The following is a reconciliation of the affected components of the changes in net assets available for plan benefits per the financial statements to the Form 5500 for the year ended December 31, 2023:

Employer's contributions per the financial statements	\$ 533,682
Adjustment for employer's contributions receivable	(533,682)
Adjustment for prior year employer's contributions receivable	<u>590,778</u>
Total Employer's contributions per the Form 5500	<u>\$ 590,778</u>

NOTE 9 – PROHIBITED TRANSACTIONS

As required by ERISA Section 2510.3-102, the Employer is required to segregate participant contributions from its general assets and remit them to the Plan as soon as administratively feasible.

During the plan year ended December 31, 2022, the Employer inadvertently failed to remit certain participant contributions totaling \$322 of participant deferrals within the required timeframe as stated by the United States Department of Labor (DOL). The Employer calculated the lost earnings on the \$322 of late participant deferrals outside of the DOL's Voluntary Fiduciary Correction Program. Lost earnings totaling \$23, was paid from the Employer's assets and not from assets of the Plan on September 8, 2023.

NOTE 10 – SUBSEQUENT EVENTS

In June 2024, the Plan amended the Adoption Agreement regarding the amount a service provider agrees to credit to the Plan in recognition of the service provider's compensation for Plan services may be allocated to an ERISA account. If not allocated and not utilized for the payment of Plan expenses, such amounts shall be allocated to the accounts of participants and beneficiaries pro rata based on the ratio that each participant and beneficiary's balance in each investment, and/or allocate amounts to the accounts of participants and beneficiaries pro rata based on their account balances in the trust excluding loan amounts.

The Plan has evaluated all activity through August 5, 2024, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition in the financial statements, or disclosure in the notes to the financial statements.
