INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
American Road Management Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed audits of the accompanying financial statements of American Road Management Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(c) [ERISA Section 103(a)(3)(c) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of American Road Management Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(c), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Phone: 813-337-0997 • Fax: 813-337-0998
10401 Greendale Drive • Tampa, Florida 33626 • www.gtcpafl.com • Gemmat@gtcpafl.com

The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the American Road Management Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(c) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(c) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(c) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of American Road Management Inc. 401(k) Plan internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about American Road Management Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(c) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets Held at Year End is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

NOTE 1 - DESCRIPTION OF PLAN

The following represents a summary of key provisions of American Road Management Inc. 401(k) Plan (the "Plan") but does not purport to be complete and is qualified in its entirety by the terms of the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of American Road Management Inc. (the "Company") who have completed six months of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended, ("ERISA") and the Internal Revenue Code ("Code"). The 401(k) Investment Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan Administrator.

The Plan which was effective January 1, 2001, was amended and restated November 1, 2021. The Plan trustee and administrator elected to adopt the Non-Standardized Pre-Approved 401(k)Profit-Sharing Plan with CODA sponsored by Ascensus LLC.

Contributions

Each year, participants may contribute annual compensation as defined in the Plan agreement up to the maximum allowed by the Internal Revenue Code. Participants' contributions are limited from 1% to 80% of eligible compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Roth elective deferrals are permitted under the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to contribute to the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated target date retirement fund until changed by the participant. The Company may make annual discretionary matching contributions and/or non-elective contributions. Additional conditions to receive the discretionary employer match include, the participant must be an employee of the employer on the last day of the Plan year however this condition will be waived if a contributing participant dies or contributing participant terminates employment due to disability. The Company may make a discretionary employer profit sharing contribution. For the years ended December 31, 2023 and 2022, the Company made a discretionary matching contribution of 50% of elective deferral up to 3% of compensation.

NOTE 1 - DESCRIPTION OF PLAN (continued)

Participants direct the investment of contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and a money market fund as investment options for participants. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching discretionary contributions and discretionary profit-sharing contributions when made, rollovers from other plans, Plan earnings (losses), forfeitures of terminated participants' nonvested accounts and charged with an allocation of administrative expenses, if any. Participants who initiate a loan or benefit payment are charged a fee for that transaction. Allocations are based on the participant's earnings or account balances, or specific participant transactions as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their 401(k) voluntary contributions plus actual earnings thereon. Vesting in the Company matching and profit-sharing contributions is based on years of continuous service. A participant is 100% vested after three years of credited service, with no vesting in prior years. A participant is required to have completed 1000 hours of service to constitute a year of vesting service and 500 hours of service must be exceeded to avoid a break in vesting service. A participant will be fully vested if the employee dies, or the employee incurs a disability.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The resulting notes receivable are secured by the balance in the participants' accounts and bear interest at rates ranging from 4.25% to 9.50%, which are commensurate with local prevailing rates at the time the notes were issued, as determined quarterly by the Plan Administrator. Principal and interest is collected ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installment payments, as defined by the Plan agreement. For termination of service or for other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution. If the participant's account balance is $1,000 or less, payment will be made in an immediate lump-sum without the participant's consent.

NOTE 1 - DESCRIPTION OF PLAN (continued)

Payment of Benefits

If the account balance is greater than $1,000 but less than $5,000, payment will be made to an individual retirement account at the custodian (trustee), or such other provider as the Company designates in accordance with Department of labor ("DOL") guidelines, unless the participant requests a different disposition of his or her account balance within the applicable election period.

Forfeited Accounts

For the years ended December 31, 2023, and 2022, forfeited nonvested accounts totaled approximately $0.

Administrative Expenses

The Plan's administrative expenses are paid either by the Plan or the Company as provided by the Plan document. Certain administrative expenses, including an allocation of salaries related to Plan administration, audit and legal costs, are paid by the Company and qualify as party-in-interest transactions which are exempt from prohibited transaction rules. Expenses that are paid directly by the Company are excluded from these financial statements. Fees for custodial and record-keeping services are paid by the plan. Participants are charged directly for loan fees and fees related to certain distribution types.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United Staes of America ("GAAP")

Use of Estimates

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value. The Plan's mutual funds are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisor and trustees. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation in fair value of investments includes the plan's aggregate gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds and a money market fund are deducted from income earned on a daily basis and are not separately reflected. Consequently, such management fees and operating expenses are reflected as a reduction of net appreciation or an addition to net depreciation in the aggregate fair value of such investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator deems the note receivable to be in default, the participant note receivable is reduced and a benefit payment is recorded based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4 - EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants totaling $45,232 for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions to the applicable participants prior to March 15, 2024.

NOTE 5 – UNAUDITED INFORMATION CERTIFIED BY THE PLAN TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data prepared in part or entirely from information certified by Ascensus Trust Company ("Ascensus") the Trustee, in accordance with 29 CFR 2520.103-8 of the Department of Labor 's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

	2023	2022
Investments, at fair value:	$ 6,895,176	$ 5,823,844
Investment income :		
Net appreciation/(depreciation) in fair value of investments	$ 713,275	$ (956,722)
Interest and dividends	$ 153,572	$ 115,801

The Trustee has also certified the completeness and accuracy of notes receivable from participants of $123,097.

NOTE 6 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets and Level 3 inputs are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

Mutual funds: The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 6 - FAIR VALUE MEASUREMENTS (Continued)

Money market fund: Shares held in money market funds are comprised of debt securities with individual maturities of thirteen (13) months or less and an average maturity of seventy-five (75) days or less. The composition of securities is structured to maintain a value of $1 per share and these funds are classified as Level 1.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments:

	Fair Value Measurement as of December 31, 2023	
	Quoted Prices in Active Markets for Identical Assets Level 1	Assets Measured at Fair value 12/31/2023 Total
Investments:		
Mutual funds	$ 6,664,991	$ 6,664,991
Money market fund	230,185	230,185
Investments at fair value	$ 6,895,176	$ 6,895,176

	Fair Value Measurement as of December 31, 2022	
	Quoted Prices in Active Markets for Identical Assets Level 1	Assets Measured at Fair value 12/31/2022 Total
Investments:		
Mutual funds	$ 5,633,397	$ 5,633,397
Money market fund	190,447	190,447
Investments at fair value	$ 5,823,844	$ 5,823,844

Gains and losses (realized and unrealized) included in the statement of changes of net assets available for benefits for the year ended December 31, 2023, are reported in net appreciation/(depreciation) in fair value of investments.

NOTE 7 - TAX STATUS

The Plan administrator elected to adopt the Non-Standardized Pre-Approved 401(k)Profit-Sharing Plan with CODA sponsored by Ascensus LLC, (basic plan document). The Plan was restated and amended effective November 1, 2021. The initial plan document was effective January 1, 2001. The Internal Revenue Service had determined by letter dated June 30, 2020, that the Plan was designed in accordance with applicable sections of the Internal Revenue Code.

The Plan administrator believes the Plan, as currently amended and restated, is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore believes that the Plan is qualified, and the related trust is tax-exempt. Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS.

As of December 31, 2022, the Plan had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. Plan management believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE 8 - RISKS AND ECONOMIC UNCERTAINTIES

The Plan invests in various investment securities with the underlying assets consisting of any combination of stocks, bonds, fixed income securities, and other investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - PARTIES-IN-INTEREST

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Plan investments and the related transactions as of December 31, 2023 were in investment funds managed by Ascensus, the Plan Trustee; therefore, these investments and transactions qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

The trustees provided certain administrative services to the Plan pursuant to Master Plan Services Agreement ("MSA") between the Company and the trustees. The trustees received revenue from mutual funds for the services the trustees provided to these funds. This revenue may be used to offset certain amounts owed to the trustees for its administrative services to the Plan.

NOTE 9 - PARTIES-IN-INTEREST (continued)

If the revenue received by the trustees from such mutual fund service providers exceeded the amount owed under the MSA, the trustees remit the excess to the Plan's trust. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants.

Fees paid by the Plan for custodial and record-keeping services amounted to $32,520 for the year ended December 31, 2023 and $14,388 for the year ended December 31, 2022.

NOTE 10 – SUBSEQUENT EVENTS

In preparing these financial statements, Plan management has evaluated, for potential recognition or disclosure, significant events or transactions that occurred during the period subsequent to December 31, 2023, through July 26, 2024, the date these financial statements were available to be issued. No such significant events or transactions were identified.

NOTE 11- RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2023:

Net assets available for benefits per the financial statements	$	7,206,872
Less contributions receivable, end of year		
Plus excess contributions payable, end of year		45,232
Net assets available for benefits per Form 5500	$	7,252,104

The following is a reconciliation of the net increase in net assets per the financial statements to the Form 5500, for the year ended December 31, 2023:

Net increase in net assets per the financial statements	$	1,212,967
Plus contributions receivable, beginning of year		2,141
Less contributions receivable, end of year		-
Less excess contributions payable, beginning of year		(23,805)

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
American Road Management Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed audits of the accompanying financial statements of American Road Management Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(c) [ERISA Section 103(a)(3)(c) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of American Road Management Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(c), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

10401 Greendale Drive • Tampa, Florida 33626 • www.gtcpafl.com • Gemmat@gtcpafl.com

The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the American Road Management Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(c) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(c) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(c) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of American Road Management Inc. 401(k) Plan internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about American Road Management Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(c) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets Held at Year End is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

NOTE 1 - DESCRIPTION OF PLAN

The following represents a summary of key provisions of American Road Management Inc. 401(k) Plan (the "Plan") but does not purport to be complete and is qualified in its entirety by the terms of the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of American Road Management Inc. (the "Company") who have completed six months of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended, ("ERISA") and the Internal Revenue Code ("Code"). The 401(k) Investment Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan Administrator.

The Plan which was effective January 1, 2001, was amended and restated November 1, 2021. The Plan trustee and administrator elected to adopt the Non-Standardized Pre-Approved 401(k)Profit-Sharing Plan with CODA sponsored by Ascensus LLC.

Contributions

Each year, participants may contribute annual compensation as defined in the Plan agreement up to the maximum allowed by the Internal Revenue Code. Participants' contributions are limited from 1% to 80% of eligible compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Roth elective deferrals are permitted under the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to contribute to the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated target date retirement fund until changed by the participant. The Company may make annual discretionary matching contributions and/or non-elective contributions. Additional conditions to receive the discretionary employer match include, the participant must be an employee of the employer on the last day of the Plan year however this condition will be waived if a contributing participant dies or contributing participant terminates employment due to disability. The Company may make a discretionary employer profit sharing contribution. For the years ended December 31, 2023 and 2022, the Company made a discretionary matching contribution of 50% of elective deferral up to 3% of compensation.

NOTE 1 - DESCRIPTION OF PLAN (continued)

Participants direct the investment of contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and a money market fund as investment options for participants. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching discretionary contributions and discretionary profit-sharing contributions when made, rollovers from other plans, Plan earnings (losses), forfeitures of terminated participants' nonvested accounts and charged with an allocation of administrative expenses, if any. Participants who initiate a loan or benefit payment are charged a fee for that transaction. Allocations are based on the participant's earnings or account balances, or specific participant transactions as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their 401(k) voluntary contributions plus actual earnings thereon. Vesting in the Company matching and profit-sharing contributions is based on years of continuous service. A participant is 100% vested after three years of credited service, with no vesting in prior years. A participant is required to have completed 1000 hours of service to constitute a year of vesting service and 500 hours of service must be exceeded to avoid a break in vesting service. A participant will be fully vested if the employee dies, or the employee incurs a disability.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The resulting notes receivable are secured by the balance in the participants' accounts and bear interest at rates ranging from 4.25% to 9.50%, which are commensurate with local prevailing rates at the time the notes were issued, as determined quarterly by the Plan Administrator. Principal and interest is collected ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installment payments, as defined by the Plan agreement. For termination of service or for other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution. If the participant's account balance is $1,000 or less, payment will be made in an immediate lump-sum without the participant's consent.

NOTE 1 - DESCRIPTION OF PLAN (continued)

Payment of Benefits

If the account balance is greater than $1,000 but less than $5,000, payment will be made to an individual retirement account at the custodian (trustee), or such other provider as the Company designates in accordance with Department of labor ("DOL") guidelines, unless the participant requests a different disposition of his or her account balance within the applicable election period.

Forfeited Accounts

For the years ended December 31, 2023, and 2022, forfeited nonvested accounts totaled approximately $0.

Administrative Expenses

The Plan's administrative expenses are paid either by the Plan or the Company as provided by the Plan document. Certain administrative expenses, including an allocation of salaries related to Plan administration, audit and legal costs, are paid by the Company and qualify as party-in-interest transactions which are exempt from prohibited transaction rules. Expenses that are paid directly by the Company are excluded from these financial statements. Fees for custodial and record-keeping services are paid by the plan. Participants are charged directly for loan fees and fees related to certain distribution types.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United Staes of America ("GAAP")

Use of Estimates

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value. The Plan's mutual funds are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisor and trustees. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation in fair value of investments includes the plan's aggregate gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds and a money market fund are deducted from income earned on a daily basis and are not separately reflected. Consequently, such management fees and operating expenses are reflected as a reduction of net appreciation or an addition to net depreciation in the aggregate fair value of such investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator deems the note receivable to be in default, the participant note receivable is reduced and a benefit payment is recorded based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4 - EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants totaling $45,232 for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions to the applicable participants prior to March 15, 2024.

NOTE 5 – UNAUDITED INFORMATION CERTIFIED BY THE PLAN TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data prepared in part or entirely from information certified by Ascensus Trust Company ("Ascensus") the Trustee, in accordance with 29 CFR 2520.103-8 of the Department of Labor 's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

	2023	2022
Investments, at fair value:	$ 6,895,176	$ 5,823,844
Investment income :		
Net appreciation/(depreciation) in fair value of investments	$ 713,275	$ (956,722)
Interest and dividends	$ 153,572	$ 115,801

The Trustee has also certified the completeness and accuracy of notes receivable from participants of $123,097.

NOTE 6 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets and Level 3 inputs are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

Mutual funds: The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 6 - FAIR VALUE MEASUREMENTS (Continued)

Money market fund: Shares held in money market funds are comprised of debt securities with individual maturities of thirteen (13) months or less and an average maturity of seventy-five (75) days or less. The composition of securities is structured to maintain a value of $1 per share and these funds are classified as Level 1.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments:

	Fair Value Measurement as of December 31, 2023	
	Quoted Prices in Active Markets for Identical Assets Level 1	Assets Measured at Fair value 12/31/2023 Total
Investments:		
Mutual funds	$ 6,664,991	$ 6,664,991
Money market fund	230,185	230,185
Investments at fair value	$ 6,895,176	$ 6,895,176

	Fair Value Measurement as of December 31, 2022	
	Quoted Prices in Active Markets for Identical Assets Level 1	Assets Measured at Fair value 12/31/2022 Total
Investments:		
Mutual funds	$ 5,633,397	$ 5,633,397
Money market fund	190,447	190,447
Investments at fair value	$ 5,823,844	$ 5,823,844

Gains and losses (realized and unrealized) included in the statement of changes of net assets available for benefits for the year ended December 31, 2023, are reported in net appreciation/(depreciation) in fair value of investments.

NOTE 7 - TAX STATUS

The Plan administrator elected to adopt the Non-Standardized Pre-Approved 401(k)Profit-Sharing Plan with CODA sponsored by Ascensus LLC, (basic plan document). The Plan was restated and amended effective November 1, 2021. The initial plan document was effective January 1, 2001. The Internal Revenue Service had determined by letter dated June 30, 2020, that the Plan was designed in accordance with applicable sections of the Internal Revenue Code.

The Plan administrator believes the Plan, as currently amended and restated, is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore believes that the Plan is qualified, and the related trust is tax-exempt. Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS.

As of December 31, 2022, the Plan had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. Plan management believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE 8 - RISKS AND ECONOMIC UNCERTAINTIES

The Plan invests in various investment securities with the underlying assets consisting of any combination of stocks, bonds, fixed income securities, and other investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - PARTIES-IN-INTEREST

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Plan investments and the related transactions as of December 31, 2023 were in investment funds managed by Ascensus, the Plan Trustee; therefore, these investments and transactions qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

The trustees provided certain administrative services to the Plan pursuant to Master Plan Services Agreement ("MSA") between the Company and the trustees. The trustees received revenue from mutual funds for the services the trustees provided to these funds. This revenue may be used to offset certain amounts owed to the trustees for its administrative services to the Plan.

NOTE 9 - PARTIES-IN-INTEREST (continued)

If the revenue received by the trustees from such mutual fund service providers exceeded the amount owed under the MSA, the trustees remit the excess to the Plan's trust. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants.

Fees paid by the Plan for custodial and record-keeping services amounted to $32,520 for the year ended December 31, 2023 and $14,388 for the year ended December 31, 2022.

NOTE 10 – SUBSEQUENT EVENTS

In preparing these financial statements, Plan management has evaluated, for potential recognition or disclosure, significant events or transactions that occurred during the period subsequent to December 31, 2023, through July 26, 2024, the date these financial statements were available to be issued. No such significant events or transactions were identified.

NOTE 11- RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2023:

Net assets available for benefits per the financial statements	$	7,206,872
Less contributions receivable, end of year		
Plus excess contributions payable, end of year		45,232
Net assets available for benefits per Form 5500	$	7,252,104

The following is a reconciliation of the net increase in net assets per the financial statements to the Form 5500, for the year ended December 31, 2023:

Net increase in net assets per the financial statements	$	1,212,967
Plus contributions receivable, beginning of year		2,141
Less contributions receivable, end of year		-
Less excess contributions payable, beginning of year		(23,805)

(1) Name: **(2)** EIN:

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. **(2)** ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

		Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	**4a**			
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	**4b**			
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	**4c**			
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)	**4d**			
e Was this plan covered by a fidelity bond?	**4e**			
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?	**4f**			
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4g**			
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4h**			
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	**4i**			
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	**4j**			
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?	**4k**			
l Has the plan failed to provide any benefit when due under the plan?	**4l**			
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)	**4m**			
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3	**4n**			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No

If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.
