To the Plan Administrators
River Oak Center for Children
403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of River Oak Center for Children 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022 and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of River Oak Center for Children 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of River Oak Center for Children 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about River Oak Center for Children 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT

continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of River Oak Center for Children 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about River Oak Center for Children 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RIVER OAK CENTER FOR CHILDREN

403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following brief description of River Oak Center for Children 403(b) Plan (“the Plan”) is provided for general information purposes only. Participants should refer to the Plan’s Summary Plan Description for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all eligible employees of River Oak Center for Children (“River Oak”) as defined in the Plan. It was established on November 18, 1996 and, amended and restated on July 1, 2012. During 2019 the Plan changed its fiscal year end from June 30 to December 31. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and subsequent laws.

Plan Administration

River Oak is the administrator of the Plan and has delegated certain responsibilities for the operation and administration of the Plan. Trustee and recordkeeping services are provided by The Variable Annuity Life Insurance Company (“VALIC”) and American United Life Insurance Company (“AUL”). Recordkeeping services are also maintained by OneAmerica.

Contributions

Employee Contributions

A participant becomes eligible to make elective deferrals to the Plan on their date of hire. The plan offers both Pre-tax and Roth deferral options. Unless they choose to opt out, all employees are automatically enrolled in the Plan for a Pre-Tax deferral of 3% of their eligible compensation. A participant’s total elective deferral limit in any taxable year cannot exceed the dollar limit set by law. In addition, participants qualifying for age-based provisions may elect to make additional catch-up deferrals. Participants might also be permitted to contribute amounts distributed to them from other eligible retirement plans. Contributions by the participants, including those made as “elective deferrals” are subject to regulatory limitations.

Employer Contributions

Each year, River Oak may make a discretionary nonelective contribution to the Plan for eligible participants. In order to share in the nonelective contribution, participants must satisfy certain conditions as described in the Summary Plan Description. Discretionary contributions made to the Plan are determined at the end of the plan year based on the availability of funds. The allocation of contributions is based on participants’ annual eligible compensation during the plan year. River Oak made discretionary contributions to the plan of 5% for the year ended December 31, 2023 and 2022.

Participant Accounts

Each participant’s account is credited with his or her elective contributions, discretionary nonelective contributions for which they qualified, and attributable Plan earnings. The benefit to which a participant is entitled to, in case of termination or retirement, is the benefit that can be provided from the participant’s vested account.

RIVER OAK CENTER FOR CHILDREN

403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Vesting

Participants are always fully vested in their account balance attributable to contributions they have made and in the earnings of those contributions. Participants are vested in their account balance attributable to River Oak's discretionary contributions, and in the earnings of those contributions, based on continuous years of service completed. To earn a year of service, a participant must be credited with 1,000 hours of service in a plan year. The plan has specific rules for crediting hours of service for vesting purposes. Participants are fully vested according to the following schedule:

Years of Service	Percentage Vested
Less than 3 years	0%
More than 3 years	100%

Forfeitures

Forfeiture is the non-vested portion of a participant's account that is lost upon termination of employment. Upon termination of employment, non-vested portions of participant accounts are forfeited and remain in the Plan. River Oak may use forfeitures to pay Plan expenses or to reduce amounts otherwise required to be contributed to the Plan. Forfeitures used to reduce River Oak's discretionary contributions for the year ended December 31, 2023 and 2022 were \$15,634 and \$24,926 respectively.

Investment Options

Upon enrollment in the Plan, a participant may direct the investment of their Plan account in any of the options offered by AUL. Participants may change their investment options at any time. If a participant does not direct the investment of their Plan account, then their account will be invested in accordance with the default alternatives River Oak established under the Plan.

Plan Loans

Participants actively employed by River Oak may borrow against their VALIC account balances for a maximum loan term of five years. The loan term may be longer for the purchase of a principal residence. The minimum amount is \$1,000 while the maximum amount is the lesser of \$50,000 or 50% of their combined vested account balances. The loans do not reduce the balance of participants' accounts unless the loan goes into default.

Loans from VALIC require the participant to maintain an equal amount of the loan value in loan collateral and loan escrow fund accounts. Principal and interest is paid ratably directly to VALIC. The loans are funded by VALIC and accordingly, are not reflected in the Plan.

continued

RIVER OAK CENTER FOR CHILDREN

403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Notes Receivable from Participants

Participants actively employed by River Oak may borrow up to 50% of their vested AUL/OneAmerica account balance, to a maximum loan of \$50,000. The minimum loan is \$1,000 and the loan duration must be for at least one year. The maximum loan term is five years although it may be longer for the purchase of a principal residence. A participant may only have two loans outstanding at any given time. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate established by the plan administrator.

Payment of Benefits

Generally, payment of vested benefits will not begin until the participant's employment terminates. Upon termination of employment, if the value of a participant's vested account balance does not exceed \$5,000, then a distribution should automatically be paid to the participant. This distribution does not require the participant's consent. If the vested account balance exceeds \$5,000, then distribution requires the participant's consent. For most distributions, participants may request a lump-sum payment, direct transfer of all, or a portion of, a distribution be made to either an individual retirement account or another employer retirement plan willing to accept the transfer.

2. Summary of Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements is as follows:

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Plan income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and (losses) on investments bought and sold as well as held during the period.

RIVER OAK CENTER FOR CHILDREN

403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned, and related fees are recorded as administrative expenses and expensed when incurred. If a participant ceases to make loan payments, the plan administrator may deem the participant loan to be in default.

Fair Value Measurements

Generally accepted accounting principles provide guidance on how fair value should be determined when financial statement elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs - quoted prices in active markets for identical assets

Level 2 inputs - quoted prices in active or inactive markets for the same or similar assets

Level 3 inputs - estimates using the best information available when there is little or no market

The Plan is required to measure certain investments at fair value. The specific techniques used to measure fair value for the financial statement element is described in the notes below that relates to the element.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures as of the date and for the period presented. Actual results could differ from those estimates.

Administrative Expenses

Plan participants pay the fees associated with individual distributions. River Oak absorbs all administrative expenses of the Plan other than contract services charged by VALIC and AUL ("the trustees"). During the year ended December 31, 2023, total contract charges were \$33,956.

RIVER OAK CENTER FOR CHILDREN

403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the financial statements.

Subsequent Events

Management has evaluated subsequent events through August 7, 2024, the date which the financial statements were available for issue. No events or transactions have occurred during this period that appear to require recognition or disclosure in the financial statements.

3. Notes Receivable from Participants

Notes receivable from participants are repaid bi-weekly at 5.50% to 6.50% per annum. Notes receivable from participants outstanding at December 31, 2023 and 2022 were \$139,293 and \$158,865, respectively.

4. Information Prepared and Certified by the Trustees

No auditing procedures were performed on investments and plan income as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

7. Fair Value of Investments in Entities that Use NAV Practical Expedient

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2023 and 2022:

Investments	Fair Value as of December 31		Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
	2023	2022			
General account	<u>\$200,381</u>	<u>\$215,441</u>	n/a	Daily	12 months

8. Plan Termination

Although it has not expressed any intent to do so, River Oak has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

9. Tax Status

The Plan presently does not have a tax determination letter from the Internal Revenue Service ("IRS") since the IRS has not established a process for issuing determination letters to individually designed 403(b) plans. However, the plan administrator and the plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

10. Related Party and Party-in-Interest Transactions

Certain administrative functions are performed by officers and employees of the Plan. No officer or employee received compensation from the Plan for these services.

Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments, which were not covered by revenue sharing. The Plan also made direct payments to service providers which were not covered by revenue sharing.
