TO THE ADMINISTRATIVE COMMITTEE
DENSO TEN AMERICA LIMITED 401(K)
SHARED SAVINGS PLAN
NOVI, MICHIGAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of DENSO TEN AMERICA Limited 401(k) Shared Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of DENSO TEN AMERICA Limited 401(k) Shared Savings Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DENSO TEN AMERICA Limited 401(k) Shared Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DENSO TEN AMERICA Limited 401(k) Shared Savings Plan ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DENSO TEN AMERICA Limited 401(k) Shared Savings Plan internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DENSO TEN AMERICA Limited 401(k) Shared Savings Plan ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

1. DESCRIPTION OF PLAN

The following description of the DENSO TEN AMERICA Limited (“Company”) 401(k) Shared Savings Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a defined contribution plan covering all employees of the Company who are age 21 or older, and have completed one month of service, and are not specifically excluded under the provisions of the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan fiduciaries oversee the governance of the Plan and determine the appropriateness of the Plan’s investment offerings and monitor investment performance.

PARTICIPANT CONTRIBUTIONS

Each year, participants may contribute up to 70% of annual compensation on a pre-tax or after-tax (Roth) basis, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, collective trust funds, and a guaranteed income fund as investment options for participants as well as a self-directed brokerage option. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balance fund until changed by the participant.

EMPLOYER CONTRIBUTIONS

The Company makes safe harbor matching contributions under a Qualified Automatic Contribution Arrangement (QACA) equal to 100% of deferrals up to 4% of eligible compensation and 50% of deferrals over 4% up to 6% of eligible compensation. Additional matching and/or profit sharing amounts may be contributed at the option of the Company’s board of directors. No additional matching or profit sharing contributions were made for 2023 or 2022. Contributions are subject to certain IRS and Plan limitations.

December 31, 2023 and 2022

1. DESCRIPTION OF PLAN (continued)

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and Company safe harbor matching contributions, as well as allocations of the Company's additional matching and profit sharing contributions and Plan earnings (losses). Participant accounts are charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting of the Company's QACA safe harbor matching, additional matching and/or profit sharing contributions plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after two years of credited service.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loan terms range up to five years, or up to ten years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a commercially reasonable rate established by the plan administrator. No more than one loan may be outstanding at any time for any participant. Interest rates ranged from 4.25% to 9.50% per annum. Principal and interest are paid ratably through payroll deductions.

PAYMENT OF BENEFITS

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service due to other reasons, a participant with an account balance greater than \$5,000 may receive the value of the vested interest in his or her account as a lump-sum distribution or annual installments. For those terminated participants with a balance below \$5,000, the Plan provides for mandatory distribution, as defined. The plan also permits withdrawals of active participants' elective contributions and rollover contributions only in amounts necessary to satisfy financial hardship as defined by the plan agreement.

1. DESCRIPTION OF PLAN (continued)

FORFEITED ACCOUNTS

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$837 and \$4,029, respectively. Forfeited accounts are used to reduce non-elective contributions and to reduce Plan expenses. During 2023 and 2022, forfeited nonvested accounts were used to reduce administrative expenses in the amounts of \$3,113 and \$15,306, respectively.

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements are presented on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(continued)**

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value (except for the fully benefit responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are reported of net revenue sharing from mutual fund companies. (See Note 6)

DATE OF MANAGEMENT'S REVIEW

The Plan has evaluated subsequent events through August 1, 2024, the date the financial statements were available to be issued. The Company had no subsequent events to disclose.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

3. FAIR VALUE MEASUREMENTS (continued)

MUTUAL FUNDS

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

COLLECTIVE TRUSTS

Valued at the NAV of the units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

SELF DIRECTED BROKERAGE ACCOUNTS

Valued at the NAV of the securities underlying the accounts held by the Plan at year end.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

December 31, 2023 and 2022

4. CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC.

5. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan invested in a fully benefit-responsive guaranteed income fund through group annuity contracts with Empower Annuity Insurance Company of America (“Empower”). Empower maintained the contributions in a general account which was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Under both Company's, the contract met the fully benefit-responsive investment contract criteria and, therefore, was reported at contract value. Contract value is the relevant measure for the fully benefit-responsive investment contract because this is the amount received by participants if they were to initiate permitted transactions under the terms of the contract. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The crediting rate is established and declared by the contract issuer and may not be less than 0%. The crediting rate is reviewed on an annual basis for resetting.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive annuity contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

**5. INVESTMENT CONTRACT WITH INSURANCE
COMPANY (continued)**

Certain events limit the Plan's ability to transact at contract value with Empower Annuity Insurance Company. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with Plan participants, is probable.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following: (a) An uncured violation of the Plan's investment guidelines, (b) A breach of material obligation under the contract, (c) A material misrepresentation, (d) A material amendment to the agreements without the consent of the issuer.

6. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds, common/collective trust funds, self-directed brokerage option and a guaranteed income fund managed by Empower. Empower is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Empower provides certain administrative services to the Plan pursuant to Administrative Services Agreements between the Company and Empower. Empower receives revenue from mutual fund service providers for services Empower provides to the funds. This revenue is used to offset certain amounts owed to Empower for its administrative services to the Plan.

6. PARTY-IN-INTEREST TRANSACTIONS (continued)

If the revenue received by Empower from such mutual fund service providers exceeds the amount owed under the agreement, Empower remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. The excess amounts totaled \$9,687 and \$21,733 for the years ended December 31, 2023 and 2022, respectively. The Plan or Plan Sponsor may make a payment to Empower for administrative expenses not covered by revenue sharing. Such direct payments totaled \$29,542 and \$7,603 for the years ended December 31, 2023 and 2022, respectively.

OneDigital Investment Advisors, LLC (d/b/a Resources Investment Advisors, LLC) was the investment advisor and consultant for the Plan and, therefore, these transactions qualify as party-in-interest. Direct fees paid by the plan for these services amounted to \$37,077 and \$15,381 for the years ended December 31, 2023 and 2022, respectively.

Professional services were provided to the Plan by Fenner, Melstrom & Dooling, PLC ("FMD"). FMD is the Plan's auditor, and therefore qualifies as party-in-interest. Fees paid by the Plan for services amounted to \$12,500 and \$11,500 for the years ended December 31, 2023 and 2022, respectively.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in employer contributions.

8. TAX STATUS

The Company has adopted a prototype plan that relies on the opinion letter of the prototype document. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdiction; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.
