INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Desert Financial Federal Credit Union
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of the Desert Financial Federal Credit Union 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation for the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the financial statements, but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DESERT FINANCIAL FEDERAL CREDIT UNION 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Note 1 – Description of the Plan

General

The Plan is a safe harbor 401(k) defined contribution plan established January 1, 1982 by Desert Financial Federal Credit Union (the Credit Union). The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The following description of the Plan is provided for general information purposes only. Participants should refer to the Summary Plan Description or the Adoption Agreement, including amendments thereto, for a complete description of the Plan's provisions.

Administration

The Credit Union is the Plan Sponsor and named Plan Administrator. The Plan Administrator is responsible for oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance and fees, and reports to the Trustees. The Investment Custodians are Empower Annuity Insurance Company of America and Empower Trust Company, LLC. The Investment Custodians hold all of the Plan's assets and execute all of the Plan's transactions. The Plan has also retained Empower Retirement, LLC to provide participant recordkeeping and administrative services.

Eligibility

The Plan cover all employees of the Credit Union (including employees of the Credit Union's wholly-owned subsidiaries), that are not excluded employees, are eligible to participate in the Plan upon reaching age 18 and after completing 30 days of employment. Entry date is the first day of the month following meeting eligibility requirements. Excluded employees are not entitled to participate in the Plan for purposes of salary deferrals and rollover contributions. Excluded employees are defined as follows: (a) union employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining; (b) certain nonresident aliens who have no earned income from sources within the United States; (c) leased employees; (d) part-time, temporary, or seasonal employees (employees whose regularly scheduled service is less than 800 hours of service per computation year period, however, if a part-time employee completes 800 hours of service in any year of employment, they will be eligible to enter the Plan on the next entry date); or (e) reclassified employees. Participants must be employed as of the last day of the Plan year to be eligible to receive any employer paid profit sharing contributions.

Contributions to the Plan

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined by the Plan document, through payroll withholdings. The Plan also allows participants to make after-tax Roth contributions. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions.

Participants may also contribute amounts representing distributions from other defined benefit or defined contributions plans (rollover). The Plan includes an auto-enrollment provision whereby all newly eligible participants are automatically enrolled at a deferral rate of 3% unless they affirmatively elect not to participate. Auto-enrollment contributions are invested in a designed fund until changed by the participant.

DESERT FINANCIAL FEDERAL CREDIT UNION 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

During the year ended December 31, 2023, the Credit Union contributed fixed nonelective contributions of \$4,263,507.

Participants direct the investment of both their contributions plus their share of employer contributions into the various investment options offered by the Plan. The Credit Union contributions are allocated in the same manner as that the participant's elective contributions.

The contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions the Credit Union's contributions as well as Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participants' earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participant loans will only be granted for financial hardships or other specific financial needs as outlined in the loan policy. Participants may only have one loan outstanding at any time. Loans are secured by the balance in the participant's account. Loan terms may not exceed a maximum of 5 years unless used for the purchase of a primary residence. Additionally, they may also elect to defer the distributions of the Plan balance. Special rules apply to distributions due to death, disability and retirement. Participants should refer to the full Plan document for details.

DESERT FINANCIAL FEDERAL CREDIT UNION

401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

The Plan allows for in-service distributions upon attainment of age 59½ for all deferral contributions, safe harbor contributions and nonelective contributions, and rollover contributions for any reason. The Plan also allows for in-service distributions prior to attainment of the Plan's normal retirement age due to financial hardship, as defined in the Plan document, for vested account balances.

Vesting

Participants are immediately vested in their contributions and the safe harbor matching contributions, plus actual earnings thereon. Participants vest in the Credit Union's nonelective contributions and the proportionate share of investment earnings at a rate of 20% for each year of credited service by the participant with 100% vesting after five years of credited services. Participants become fully vested upon death, disability, or attainment the age of 65 while employed by the Credit Union.

Unallocated forfeiture account maintained \$122,914 and \$66,662 balance as of December 31, 2023 and 2022, respectively.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting. Income from investments is recorded when it is earned. Expenses are recorded in the accounting period in which they are incurred.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment adviser, Investment Custodians and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are charged to expense when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make repayments on a note receivable and the Plan Administrator deems the note receivable to be uncollectible, the balance on the note receivable from the participant is reclassified to benefits paid to participants.

Employer Contribution Receivable

The Credit Union contributes a fixed nonelective contribution to each participant based on the participant's current compensation and eligibility. The Credit Union funds the nonelective contribution in the beginning of the subsequent year.

Payment of Benefits

Benefits are recorded when paid.

Fees and Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Credit Union. Expenses that are paid by the Credit Union are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including July 29, 2024, which is the date the financial statements were available to be issued.

Note 3 – Unaudited Information Certified by the Investment Custodians

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such elections, the following information has been certified by Empower Annuity Insurance Company of America and Empower Trust Company, LLC as to the completeness and accuracy and was not subjected to any auditing procedures performed by the Plan's independent auditors:

1. All investment balances reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022,
2. All investment activity reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023,
3. All investment-related information included in the Supplemental Schedule H, line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2023, and
4. Notes receivable from participants as of December 31, 2023 and 2022 and the related income for the year ended December 31, 2023.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Note 4 – Fair Value Measurements

The framework for measuring fair value provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing net asset value (NAV) as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their NAV daily and to transact at that value. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust fund: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investments for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

As of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$100,356,614	\$—	\$—	\$100,356,614
Common/collective trust fund (a)	—	—	—	4,403,714
Total investments at fair value	\$100,356,614	\$—	\$—	\$104,760,328

DESERT FINANCIAL FEDERAL CREDIT UNION 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

	As of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$78,212,078	\$—	\$—	\$78,212,078
Common/collective trust fund (a)	—	—	—	4,376,190
Total investments at fair value	\$78,212,078	\$—	\$—	\$82,588,268

(a) The common/collective trust fund is measured using NAV as a practical expedient. These investments have not been classified in the fair value hierarchy table. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate NAV per share (or its equivalent) as of December 31, 2023 and 2022:

	As of December 31,				
	2023 Fair Value	2022 Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice
Common/collective trust funds (b)	\$4,403,714	\$4,376,190	\$—	Daily	Daily

(b) The common/collective trust fund of Series 25053 CL M is generally comprised of a combination of fixed income and equity investment options. These investment options may include balanced, asset allocation, target-date, and target-risk investment options. Although typically lower risk than investments options that invest solely in equities, all investment options in this category have the potential to lose value.

Note 5 – Party-in-Interest Transactions

Certain Plan investments are managed by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, who are the Plan's Investment Custodians. During the year ended December 31, 2023, the Plan paid direct compensation to the Investment Custodians for services rendered. Indirect compensation (that is netted against investment income on the Statements of Changes in Net Assets Available for Benefits) is paid to the Investment Custodians from total annual operating expenses charged on the balance of fund investments, depending on the particular fund. Transactions involving these investments are considered party-in-interest transactions; however, these transactions are not considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Credit Union has the right under the Plan to discontinue its contributions and to terminate the Plan at any time subject to the provisions of ERISA. Upon termination, all participant account balances become 100% vested.

DESERT FINANCIAL FEDERAL CREDIT UNION

401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 7 – Plan Amendment and Tax Status

The Plan is utilizing a non-standardized pre-approved profit sharing plan, which has been filed with the IRS and has received a favorable opinion dated November 14, 2022. The Credit Union has not elected to apply for an individual IRS determination letter upon adoption of the Plan nor on any subsequent amendment. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code and, therefore, that the Plan is qualified under Section 401(a) and that the related Trust is tax-exempt as December 31, 2023.

The Plan permitted provisions of SECURE Act 2.0 during the year ended December 31, 2023. Written amendments to the Plan document to reflect these operational changes will be adopted at a later date in accordance with the deadlines pursuant to applicable laws and IRS guidance.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

Note 8 – Risks and Uncertainties

The Plan invests in investments which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

The following is a reconciliation of net assets available for benefits per the Form 5500 to the financial statements as of December 31, 2023 and 2022:

	2023	2022
Net assets available for benefits per the Form 5500	\$106,864,129	\$84,383,098
Employer contributions receivable	4,263,507	3,973,285
Net assets available for benefits per the financial statements	<u>\$111,127,636</u>	<u>\$88,356,383</u>

The following is a reconciliation of the net decrease in net assets per the Form 5500 to the net increase in assets per the financial statements for the year ended December 31, 2023:

Net increase in net assets available for benefits per the Form 5500	\$22,481,031
Employer contributions receivable - prior year	(3,973,285)
Employer contributions receivable - current year	<u>4,263,507</u>
Net increase in net assets available for benefits per the financial statements	<u>\$22,771,253</u>
