- We acknowledge that we have fulfilled our responsibilities for:
 - o The preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America ("US GAAP"), and the notes include all disclosures required by laws and regulations to which the Plan is subject, including DOL Rules and Regulations for Reporting and Disclosure under ERISA;
 - o Administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
 - o The design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; and
 - o The design, implementation, and maintenance of internal control to prevent and detect fraud.
- We understand that the term "fraud" refers to intentional acts by one or more individuals among Plan management, those charged with governance, employees, or third parties, involving the use of deception that results in a misstatement in financial statements. Two types of intentional misstatements are relevant to your audit – misstatements resulting from fraudulent financial reporting and misstatements resulting from misappropriation of assets. Fraudulent financial reporting involves intentional misstatements, including omissions of amounts or disclosures in financial statements to deceive financial statement users. Misappropriation of assets involves the theft of an entity's assets.
- We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following:
 - o The circumstances permit an ERISA Section 103(a)(3)(C) audit.
 - o A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
 - o The certification meets the 29 CFR 2520.103-5 requirements.
 - o The certified investment information is appropriately measured, presented, and disclosed in accordance with U.S. GAAP.
- In regard to the non-attest services (ie assistance with financial statement preparation) performed by you, we have:
 - o Assumed all management responsibilities;
 - o Designated Selya Stone, Chief Human Resources Officer, who has suitable skill, knowledge, or experience to oversee the services;
 - o Evaluated the adequacy and results of the services performed; and
 - o Accepted responsibility for the results of the services.
- We have obtained and reviewed relevant service auditors' report/s and are performing the applicable user controls.
- We acknowledge our responsibility for presenting the supplemental schedule in accordance with DOL Rules and Regulations for Reporting and Disclosure under ERISA, and we believe the supplemental schedule, including its form and content, is fairly presented in accordance with DOL Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedule have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedule.

Financial Statements and Supplemental Schedule

- The financial statements referred to above are fairly presented in conformity with US GAAP and include all disclosures necessary for such fair presentation. In that connection, we specifically confirm that:

 - o Significant estimates and material concentrations. We understand that concentrations refer to the nature and type of investments held by the Plan, or markets for which it is reasonably possible that events could occur which would significantly disrupt normal finances within the next year.
 - o Guarantees, whether written or oral, under which the Plan is contingently liable, including guarantee contracts and indemnification agreements.
 - o Financial instruments with concentrations of credit risk.
 - o Amendments to the plan instrument, if any.

 - o Reportable transactions (as defined in ERISA Section 103(b)(3)(H) and regulations under that section).
 - o The effects of all known actual, possible, pending or threatened litigation, claims, and assessments.
 - o Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, or events that may jeopardize the tax status) that legal counsel have advised us that must be disclosed.
- We have not consulted a lawyer concerning litigation, claims, or assessments.
- The Plan does not have any uncertain tax positions that require disclosure or recognition in the financial statements.
- The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- There are no non-exempt party-in-interest transactions (as defined by ERISA Section 3(14) and regulations under the section) that were not disclosed in the supplemental schedule or financial statements.

- The supplemental schedule or financial statements disclose the following:
 - o All non-exempt party-in-interest transactions as defined in ERISA Section 3(14) and regulations thereunder.

Furthermore, we have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
- There are no deficiencies in the design or operation of internal control over financial reporting that are reasonably likely to adversely affect the Plan's ability to initiate, authorize, record, process, and report financial data reliably in accordance with US GAAP.
- We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
 - o Management,
 - o Employees who have significant roles in internal control, or
 - o Others where the fraud could have a material effect on the financial statements.
- We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators or others.

- We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL and IRS regulations) whose effects should be considered when preparing financial statements, including those that could result in recording of a loss contingency.
- We have no:
 - o Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - o Intentions to terminate the Plan.
- The Plan is qualified under the appropriate section of the Internal Revenue Code and we intend to continue it as a qualified plan. - The Plan's prototype plan document preparer has obtained an opinion letter dated August 31, 2020 from the Internal Revenue Service stating that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. The plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.
- All required filings of plan documents with the appropriate agencies have been made and provided to you. We do not anticipate any changes to these documents that would have an effect on the audit of the Plan or related financial statement disclosures.
- The Plan has complied with the fidelity bonding requirements of ERISA.
- Amendments to the Plan instruments, if any, have been properly recorded or disclosed in the financial statements.
- The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
- Receivables recorded in the financial statements represent valid claims for transactions arising on or before the date of the statement of net assets available for benefits and have been reduced to their estimated net realizable value.
- The methods and significant assumptions used to estimate fair values of financial instruments, including non-readily marketable securities. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
- We understand that the determination as to whether to pay a particular expense from Plan assets is a fiduciary act governed by ERISA. Administrative expenses paid from Plan assets are considered appropriate Plan expenses and are not considered prohibited transactions (as defined by ERISA section 406 and regulations under that section).
- We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).

- The Plan has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged as collateral.
- We will notify you in advance of intent to include your report, in whole or in part, in any document other than Form 5500 filed with a regulatory agency or printed, in whole or in part, for any reason and you will have the opportunity to review such matter before its filing or issuance.

Independent Auditors' Report

The Plan Administrator of SWK Technologies 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the SWK Technologies 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (a qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of SWK Technologies 401(k) Profit Sharing Plan and Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of SWK Technologies, Inc. (the "Employer" or "Company") except those employees who: (1) are covered by the terms of a collective bargaining agreement; (2) are nonresident aliens and receive no earned income from the Employer; or (3) become employees due to an asset or stock acquisition, merger or similar transaction involving the change in the employer of a trade or business. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

To be eligible to participate in the Plan and to receive Employer contributions, an employee must attain 21 years of age. Employees are automatically enrolled after meeting eligibility requirements.

Contributions

Each year, participants may contribute up to 92% of their eligible compensation on a pre-tax or after-tax (Roth) basis, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Eligible employees will automatically be enrolled in the Plan at a rate of 6% of their eligible compensation, unless they affirmatively elect otherwise within the reasonable period established by the plan administrator.

There is an annual limit as to the amount that can be deducted from compensation that is determined by the Internal Revenue Code ("IRC"). Participants may also contribute amounts representing distributions from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Employer will make a matching contribution equal to 25% of the first 6% of compensation deferred. For the year ended December 31, 2023, the Employer made matching contributions totaling \$262,602. The Employer may make a discretionary profit sharing contribution in an amount determined by the Employer for those eligible employees who are employed on the last day of the Plan year. For the year ended December 31, 2023, no discretionary profit sharing contributions were made to the Plan.

1. Description of Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contributions and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are participant directed.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Employer matching contributions and discretionary profit sharing contributions are as follows:

Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

An employee will become 100% vested upon death or incurring a disability.

Forfeitures

If a participant terminates employment and is less than 100% vested, the participant forfeits the non-vested portion of their account balance. Forfeitures are retained in the Plan and are used to reduce future Employer contributions or to pay expenses. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$5,499 and \$15,146. In 2023, \$23,219 of forfeitures was used to reduce administrative expenses and \$10,475 of forfeitures was used to reduce Employer contributions.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum amount of \$1,000 and maximum amount equal to the lesser of \$50,000 or 95% of one-half the vested account balance or 95% of the total vested account balance excluding the Roth Elective Deferral balance. The loans bear interest at the prime rate plus 1% and are secured by no more than 50% of the participant's vested account balance. The loans plus interest are repaid through payroll deduction in equal payments over the term of the loan. A participant may have no more than two outstanding loans from the Plan at any time.

December 31, 2023

1. Description of Plan (*continued*)

Payment of Benefits

Upon termination of service due to death, disability, retirement or other reason, a participant is entitled to receive a distribution in the amount equal to the value of the participant's vested interest in his or her account.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the net asset value ("NAV") per share as a practical expedient is not categorized within the fair value hierarchy.

Investment Valuation and Income Recognition

All investments are stated at fair value. Mutual funds are valued at the daily closing price as reported by the fund. The funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. These funds are deemed to be actively traded. The common/collective trust is valued at the NAV of units held by the Plan. The NAV, as provided by the trustee of the fund, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. Summary of Significant Accounting Policies (continued)

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from the financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is July 26, 2024.

3. Information Certified (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year), including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments, and interest and dividends for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Mid Atlantic Trust Company, a qualified institution.

4. Investments

The following are the major categories of investments measured at fair value on a recurring basis at December 31, grouped by the fair value hierarchy:

	2023		
	Level 1	Other Investments Measured at NAV *	Total
Mutual funds	\$ 11,292,740	\$ -	\$ 11,292,740
Common/collective trust	-	186,319	186,319

**SWK Technologies 401(k)
Profit Sharing Plan and Trust**

Notes to Financial Statements

4. Investments (continued)

	2022		
	Level 1	Other Investments Measured at NAV *	Total
Mutual funds	\$ 8,247,977	\$ -	\$ 8,247,977
Common/collective trust	-	151,754	151,754
	<u>\$ 8,247,977</u>	<u>\$ 151,754</u>	<u>\$ 8,399,731</u>

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

Common/Collective Trust

Participants of the Plan can invest in the MetLife Stable Value Fund (the “Fund”), which is a collective investment trust that was formed for the purpose of allowing plan sponsors of defined contribution plans qualified under Sections 401(a) and 501(a) of the IRC to invest in the MetLife Group Annuity Contract 25053 and MetLife Group Annuity Contract 37000. The contracts were issued by Metropolitan Life Insurance Company to Reliance Trust Company, who was the trustee of the Fund.

Units of the Fund are valued daily. Unit purchases and redemptions are transacted at the NAV determined as of the close of business each day. The NAV per unit is computed by dividing the total assets of the Fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the Fund and included in the determination of unit values.

5. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants would become 100% vested in their Employer contributions.

6. Tax Status

The Plan’s prototype plan document preparer has obtained an opinion letter dated August 31, 2020 from the Internal Revenue Service (“IRS”) stating that the Plan is designed in accordance with applicable sections of the IRC. The plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

7. Party-in-Interest Transactions

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

Certain employees of the Employer perform administrative services related to the Plan; the Employer pays the salaries of these individuals and no costs are charged to the Plan.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2023 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.
