INDEPENDENT AUDITORS' REPORT

To the 401(k) Committee of Feldman Automotive 401(k) Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Feldman Automotive 401(k) Plan and Trust ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Very truly yours,

Certified Public Accountants

FELDMAN AUTOMOTIVE 401(k) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE A - Description of Plan:

The following brief description of the Feldman Automotive 401(k) Plan and Trust ("the Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

1. **General** - The Plan is a defined contribution plan covering substantially all employees of Liberty Chevrolet, Inc., Jay Chevrolet, Inc., Marty Feldman Chevrolet, Inc., Liberty Hyundai, Inc., Feldman Imports, LLC dba Feldman Kia, Liberty Hyundai of Waterford, Inc. dba Feldman Hyundai, Feldten, LLC dba Tennyson Chevrolet, Feldkouts, LLC dba Bud Kouts Chevrolet, WF Automotive of Columbus, LLC dba Mark Wahlberg Chevrolet, Feldman of Woodhaven, LLC dba Feldman Chrysler Dodge Jeep Ram, Feldhay LLC dba Mark Wahlberg Buick GMC of Columbus, Feldmax LLC dba Mark Wahlberg Chevrolet of Worthington, Feldman C2020 LLC, dba Feldman CDJR, WF Auto of Avon, LLC dba Mark Wahlberg Chevrolet of Avon, Feldman Ford, LLC and Feldhay II LLC dba Mark Wahlberg Airstream & RV of Cleveland ("Company") who are age twenty-one or older and have six months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is currently provided as a pre-approved plan by Milliman, Inc. ("Milliman")
2. **Contributions** - Eligible employee participants may authorize their employer to withhold from 1% to 100% of their compensation, as defined in the Plan, as a pre-tax elective deferral contribution or an after-tax (Roth) contribution. Eligible employees are automatically enrolled to defer 4% of their pay as of the date they become eligible to participate in the Plan, unless they choose a different percentage or choose not to participate in the Plan. Effective November 1, 2019, all participants with either no deferral election or a deferral election percentage less than 4% were subject to a one-time auto-enrollment at 4%, subject to an annual automatic escalation of 1% each year. Under an automatic escalation provision, a participant's contribution percentage is increased 1% each year, unless the participant elects to keep their contribution percentage the same, or the participant's contribution percentage reaches 20%. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from another retirement Plan. Segregated accounts are maintained for each participant. The participant directs the investment of those amounts among a selection of eight mutual funds and 14 common/collective trusts offered by Charles Schwab Trust Bank ("Schwab"). The Company annually determines the amount of discretionary employer matching contributions. For the year ended December 31, 2023, the Company provided discretionary employer matching contributions of 25% of the first 4% of a participant's annual deferrals. The Plan also allows for profit sharing contributions. For the year ended December 31, 2023, there were no profit sharing contributions. Additional discretionary amounts may be contributed at the option of the Company. Contributions are subject to certain limitations.
3. **Participant Accounts** - Each participant's account is credited with the participant's contribution and allocations of Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. **Vesting** - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the portion of their accounts funded by employer's matching and discretionary contributions plus earnings thereon is based on years of continuous service according to the following schedule:

Years of Service	Percentage Vested
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

5. **Notes Receivable from Participants** - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear an interest rate ranging between 4.25% to 9.50% for the year ended December 31, 2023, which is commensurate with local prevailing rates as determined by the Trustees. As of December 31, 2023 and 2022, the balances of outstanding loans were \$961,756 and \$717,726, respectively. Principal and interest is paid ratably through monthly payroll deductions.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE A - Description of Plan (continued):

6. **Forfeited Accounts** - At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$4,597 and \$24,964, respectively. Also, during the year ended December 31, 2023, employer contributions were reduced by \$81,503, from forfeited nonvested accounts. These accounts will be used to reduce future employer contributions.
7. **Payment of Benefits** - On termination of service due to any reason, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in partial withdrawals (only for distributions other than required minimum distributions). The Plan also allows in-service distributions for those who reach the age of 59 ½ or cite a financial hardship as defined by the Plan.

NOTE B - Summary of Significant Accounting Policies:

1. **Basis of Accounting** - The financial statements of the Plan are maintained on the accrual basis.
2. **Notes Receivable from Participants** - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

3. **Investment Valuation and Income Recognition** - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

A Trust Fund has been established to hold all Plan contributions. The Trust Fund is valued as of each Statement Date.

4. **Administrative Expenses** - Certain administrative expenses of the Plan are paid directly by the Company. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administration expenses.
5. **Uses of Estimates** - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.
6. **Payment of Benefits** - Benefits are recorded when paid.

7. **Subsequent Events** - Subsequent events were evaluated through July 31, 2024, which is the date the financial statements were available to be issued.

Effective January 31, 2024, the Plan was amended to recognize service with All American Chevrolet Cadillac earned prior to the date of acquisition.

Effective February 1, 2024, the Plan was amended to include Feldman Muncie, LLC as a participating employer. All employees of Feldman Muncie, LLC are eligible for participation on that date.

Subsequent to the plan year, it was discovered that certain employees were automatically enrolled into the Plan in error. This caused erroneous employee and employer matching contributions. This excess allocation was a recordkeeping system error, which was subsequently corrected in 2024.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE B - Summary of Significant Accounting Policies (continued):

The correction amount does not have a material impact on these financial statements. Therefore, the statements have not been adjusted.

NOTE C - Fair Value Measurements:

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 inputs for the periods presented.

Mutual Funds/Money Market: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trusts: Valued at the NAV of units of a common/collective trust. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

Life Insurance Policy: The fair value of the surrender value of the life insurance policy is based on current cash value. Current cash value includes the value of any dividend additions or accumulations and is net of any outstanding policy indebtedness. The policy held with Allianz Life Insurance Company is not actively traded and significant other observable inputs are not available. The fair value is determined by and based on amounts provided by Allianz Life Insurance Company. These amounts would be used by market participants in pricing the asset in a current transaction, including assumptions about risk.

The preceding methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022, respectively:

Fair Value Measurements at Reporting Date Using:			
	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Unobservable Inputs (Level 3)	Total

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Benefits.

Fair Value of Investments in Entities that use Net Asset Value Per Share Practical Expedient

Total	<u>\$ 18,949,502</u>	<u>\$ -</u>		

NOTE D - Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their account balances.

NOTE E - Tax Status:

The Internal Revenue Service has determined and informed the third party administrator, (Milliman), in an opinion letter dated June 30, 2020, that the pre-approved Plan document is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE F - Information Certified by Custodian:

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA for 2023 and 2022. Accordingly, Schwab, the custodian of the Plan, has certified to the completeness and accuracy of all money market, mutual fund, and common collective trust investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022, the Supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.

NOTE G - Party-In-Interest Transactions:

Certain Plan investments are managed by Schwab. Schwab and Milliman are the Plan custodian and third-party administrator/recordkeeper respectively and, therefore, these transactions qualify as party-in-interest transactions. Administrative fees were paid by the Plan to Schwab and Milliman for their respective services noted above, in the amount of \$73,469 for the year ended December 31, 2023. CapTrust Financial Advisors ("CapTrust") is the plan investment advisor. Administrative fees were paid by the Plan to CapTrust for investment advisory services in the amount of \$38,445 for the year ended December 31, 2023. Schwab, Milliman, and CapTrust are service providers to the Plan and, therefore, these transactions and the Plan's payment of fees to these service providers qualify as party-in-interest transactions.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE H - Risks and Uncertainties:

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I - Plan Amendments During Reporting Period:

Effective January 1, 2023, the Plan was amended for several new provisions. Among these changes, the Plan year was changed to a calendar year, effective for Plan years beginning on or after January 1, 2023. The 900 service hour requirement for eligibility was removed. Eligibility was changed to a 6 month elapsed time period. The date of automatic escalation of participant deferral percentages was changed to January 1st of each year.

Effective October 31, 2023, the Plan was amended to recognize prior service earned prior to the date of acquisition involving acquired employees of FH Collision, LLC dba Suburban Collision of Farmington Hills. Furthermore, the Plan was amended effective November 1, 2023, to provide for a one-time special Plan entry date for these employees.
