Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the financial statements of R and A Alexander Investments 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP);
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of R and A Alexander Investments 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about R and A Alexander Investments 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the R and A Alexander Investments 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about R and A Alexander Investments 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter — Supplementary Schedule Required by ERISA

The supplementary schedule of assets held at end of year as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplementary schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF PLAN

The following description of R and A Alexander Investments 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Effective February 1, 2017, R and A Alexander Investments (the Company) restated the 401(k) Plan. The Plan is a defined contribution plan covering all full-time employees of the Company and Alexander Buick GMC of Simi Valley who have one year of service, with no less than 1,000 hours, and are age twenty-one or older. The effective date of participation for an eligible employee is the first day of the quarter following the date the employee successfully met the participation requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Each year, participants may contribute up to a dollar amount set by law of pretax annual eligible compensation, as defined by the Plan. The Plan includes an automatic enrollment feature that automatically withholds 3% of participant compensation, unless the participant elects an alternative deferral amount or elects not to defer to the Plan. Participants may also make Roth 401(k) deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions). The Company may make a discretionary profit sharing contribution. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution, rollover contributions, and allocations of (a) the Company's discretionary profit-sharing contribution, if applicable, and (b) Plan earnings less expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Administrative fees, except loan fees and certain investment fees, are absorbed by the plan sponsor.

Investment Options

Investments are held by Mid Atlantic Trust Company (MATC). Upon enrollment in the Plan, a participant may direct employee contributions to any of the available mutual funds managed by MATC. Participants may change their investment options at any time.

(Continued)

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary profit-sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service as follows:

Years of service	Percent vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 47.5% of their vested account balances. Terms shall not exceed 4.5 years except for the purchase of a primary residence. The maximum number of loans that a participant may have outstanding at any one time is two. The loans are secured by the balances in the participants' accounts and bear interest at prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant, or the beneficiary, may elect to receive either a lump-sum, partial payment, or recurring installment payments up to the amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Hardship withdrawals are not allowed as defined in the Plan agreement, unless they are for a hardship incurred by the primary beneficiary of a participant. Additionally, the Plan allows for in-service distributions at age 59 ½ if fully vested without being required to terminate employment.

Forfeited Accounts

Forfeited non-vested amounts totaled $0 and $0 as of December 31, 2023 and 2022, respectively. Non-vested forfeiture accounts may first be used to pay any plan administrative expense and then may restore participant's individual accounts. During the year ended December 31, 2023, no forfeitures were used to reduce plan expenses.

(Continued)

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Administrative Expenses

The Plan permits the payment of the Plan expenses to be made from the Plan assets. If the Company does not pay these expenses, then the expenses paid using the Plan assets will be allocated among the participant accounts. Expenses relative to loan fees and certain fees were allocated to participants accordingly and totaled $5,949 for the year ended December 31, 2023.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Plan assets must be used for the exclusive benefit of participants. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared using the accrual method of accounting, based on accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standard Codification (ASC) as the sole source of authoritative GAAP. The FASB will issue Accounting Standards Updates (ASU) from time to time to make adjustments to GAAP.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. The Plan's investments are valued daily.

Net appreciation or depreciation of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments. Net unrealized appreciation or depreciation in the fair value of investments represents the net change in the fair value of the investments held during the year. The net realized gains or losses on the sale of investments represent the difference between the sale proceeds and the fair value of the investment as of the beginning of the year or the cost of the investment if purchased during the year.

(Continued)

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual method. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are recorded at amortized cost plus accrued, but unpaid, interest.

Management considers all receivables to be fully collectible. Accordingly, no allowance for credit losses has been established.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED)

The following information included in the accompanying financial statements and supplementary schedule of assets held at end of year was obtained from data that has been prepared and certified to as being complete and accurate by the trustee.

	2023	2022
Investment at fair value	$ 1,866,602	$ 1,276,279
Investment income:		
Net appreciation in fair value investments	234,240	
Interest and dividends	44,887	

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date.

(Continued)

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The Plan used appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 consists of unadjusted quoted prices in active markets for identical assets or liabilities and has the highest priority.
- Level 2 consists of inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 consists of significant unobservable inputs for the asset or liability and has the lowest priority.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan's investments were classified as follows at December 31, 2023 and 2022:

	Fair Value Measurements Using:	
December 31, 2023	**Level 1**	**Fair Value**
Cash - interest bearing	$ 33,246	$ 33,246
Mutual funds	1,833,354	1,833,354
Total	$ 1,866,600	$ 1,866,600

December 31, 2022	**Level 1**	**Fair Value**
Cash - interest bearing	$ 35,940	$ 35,940
Mutual funds	1,240,339	1,240,339
Total	$ 1,276,279	$ 1,276,279

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Paychex Retirement Services is the recordkeeper and third-party administrator and certain Plan investments are shares of mutual funds managed by Mid Atlantic Trust Company, the trustee as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rule under ERISA. Fees paid by the Plan for the investment management services are netted against appreciation in fair value of investments. The Company provides certain administrative services at no cost to the Plan.

NOTE 6 – TAX STATUS

The Plan has adopted a non-standardized profit sharing form of a prototype plan sponsored by PayChex, Inc. The non-standardized profit-sharing plan obtained its latest determination letter on August 31, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the plan administrator is not aware of any events that have occurred that might adversely affect the Plan's qualified status.

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of FASB ASC Topic 740, *Income Taxes*. The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for tax years ended December 31, 2021 through December 31, 2023, the years that remain subject to examination by major tax jurisdictions as of December 31, 2023.

NOTE 7 – AMOUNTS OWED TO WITHDRAWN PARTICIPANTS

Net assets available for benefits held in accounts of participants that are no longer employees of the plan sponsor totaled $219,787 as of December 31, 2023. Of those balances, no amounts had been requested to be paid to the participants but were not paid until subsequent to the Plan's year end.

NOTE 8 – SUBSEQUENT EVENTS

The plan administrator evaluated events and transactions subsequent to December 31, 2023, through August 18, 2024, the date the financial statements were available to be issued, for potential recognition or disclosure in the financial statements. Management has not identified any items that require disclosure.

R and A Alexander Investments 401(k)
Profit Sharing Plan and Trust
Oxnard, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the financial statements of R and A Alexander Investments 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP);
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of R and A Alexander Investments 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about R and A Alexander Investments 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the R and A Alexander Investments 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about R and A Alexander Investments 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter — Supplementary Schedule Required by ERISA

The supplementary schedule of assets held at end of year as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplementary schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF PLAN

The following description of R and A Alexander Investments 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Effective February 1, 2017, R and A Alexander Investments (the Company) restated the 401(k) Plan. The Plan is a defined contribution plan covering all full-time employees of the Company and Alexander Buick GMC of Simi Valley who have one year of service, with no less than 1,000 hours, and are age twenty-one or older. The effective date of participation for an eligible employee is the first day of the quarter following the date the employee successfully met the participation requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Each year, participants may contribute up to a dollar amount set by law of pretax annual eligible compensation, as defined by the Plan. The Plan includes an automatic enrollment feature that automatically withholds 3% of participant compensation, unless the participant elects an alternative deferral amount or elects not to defer to the Plan. Participants may also make Roth 401(k) deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions). The Company may make a discretionary profit sharing contribution. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution, rollover contributions, and allocations of (a) the Company's discretionary profit-sharing contribution, if applicable, and (b) Plan earnings less expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Administrative fees, except loan fees and certain investment fees, are absorbed by the plan sponsor.

Investment Options

Investments are held by Mid Atlantic Trust Company (MATC). Upon enrollment in the Plan, a participant may direct employee contributions to any of the available mutual funds managed by MATC. Participants may change their investment options at any time.

(Continued)

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary profit-sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service as follows:

Years of service	Percent vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 47.5% of their vested account balances. Terms shall not exceed 4.5 years except for the purchase of a primary residence. The maximum number of loans that a participant may have outstanding at any one time is two. The loans are secured by the balances in the participants' accounts and bear interest at prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant, or the beneficiary, may elect to receive either a lump-sum, partial payment, or recurring installment payments up to the amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Hardship withdrawals are not allowed as defined in the Plan agreement, unless they are for a hardship incurred by the primary beneficiary of a participant. Additionally, the Plan allows for in-service distributions at age 59 ½ if fully vested without being required to terminate employment.

Forfeited Accounts

Forfeited non-vested amounts totaled $0 and $0 as of December 31, 2023 and 2022, respectively. Non-vested forfeiture accounts may first be used to pay any plan administrative expense and then may restore participant's individual accounts. During the year ended December 31, 2023, no forfeitures were used to reduce plan expenses.

(Continued)

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Administrative Expenses

The Plan permits the payment of the Plan expenses to be made from the Plan assets. If the Company does not pay these expenses, then the expenses paid using the Plan assets will be allocated among the participant accounts. Expenses relative to loan fees and certain fees were allocated to participants accordingly and totaled $5,949 for the year ended December 31, 2023.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Plan assets must be used for the exclusive benefit of participants. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared using the accrual method of accounting, based on accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standard Codification (ASC) as the sole source of authoritative GAAP. The FASB will issue Accounting Standards Updates (ASU) from time to time to make adjustments to GAAP.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. The Plan's investments are valued daily.

Net appreciation or depreciation of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments. Net unrealized appreciation or depreciation in the fair value of investments represents the net change in the fair value of the investments held during the year. The net realized gains or losses on the sale of investments represent the difference between the sale proceeds and the fair value of the investment as of the beginning of the year or the cost of the investment if purchased during the year.

(Continued)

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual method. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are recorded at amortized cost plus accrued, but unpaid, interest.

Management considers all receivables to be fully collectible. Accordingly, no allowance for credit losses has been established.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED)

The following information included in the accompanying financial statements and supplementary schedule of assets held at end of year was obtained from data that has been prepared and certified to as being complete and accurate by the trustee.

	2023	2022
Investment at fair value	$ 1,866,602	$ 1,276,279
Investment income:		
Net appreciation in fair value investments	234,240	
Interest and dividends	44,887	

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date.

(Continued)

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The Plan used appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 consists of unadjusted quoted prices in active markets for identical assets or liabilities and has the highest priority.
- Level 2 consists of inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 consists of significant unobservable inputs for the asset or liability and has the lowest priority.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan's investments were classified as follows at December 31, 2023 and 2022:

	Fair Value Measurements Using:	
December 31, 2023	**Level 1**	**Fair Value**
Cash - interest bearing	$ 33,246	$ 33,246
Mutual funds	1,833,354	1,833,354

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Paychex Retirement Services is the recordkeeper and third-party administrator and certain Plan investments are shares of mutual funds managed by Mid Atlantic Trust Company, the trustee as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rule under ERISA. Fees paid by the Plan for the investment management services are netted against appreciation in fair value of investments. The Company provides certain administrative services at no cost to the Plan.

NOTE 6 – TAX STATUS

The Plan has adopted a non-standardized profit sharing form of a prototype plan sponsored by PayChex, Inc. The non-standardized profit-sharing plan obtained its latest determination letter on August 31, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the plan administrator is not aware of any events that have occurred that might adversely affect the Plan's qualified status.

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of FASB ASC Topic 740, *Income Taxes*. The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for tax years ended December 31, 2021 through December 31, 2023, the years that remain subject to examination by major tax jurisdictions as of December 31, 2023.

NOTE 7 – AMOUNTS OWED TO WITHDRAWN PARTICIPANTS

Net assets available for benefits held in accounts of participants that are no longer employees of the plan sponsor totaled $219,787 as of December 31, 2023. Of those balances, no amounts had been requested to be paid to the participants but were not paid until subsequent to the Plan's year end.

NOTE 8 – SUBSEQUENT EVENTS

The plan administrator evaluated events and transactions subsequent to December 31, 2023, through August 18, 2024, the date the financial statements were available to be issued, for potential recognition or disclosure in the financial statements. Management has not identified any items that require disclosure.
