INDEPENDENT AUDITOR'S REPORT

The Trustees and Administrator
J.W. Cheatham, LLC 401(K) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of J.W. Cheatham, LLC 401(K) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of J.W. Cheatham, LLC 401(K) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of J.W. Cheatham, LLC 401(K) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about J.W. Cheatham, LLC 401(K) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of J.W. Cheatham, LLC 401(K) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about J.W. Cheatham, LLC 401(K) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

1 DESCRIPTION OF PLAN

The following description of the J.W. Cheatham, LLC 401(k) Profit Sharing Plan (the “Plan”) is provided for informational purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan was established on January 1, 1979 under the provisions of Section 401(a) of the Internal Revenue Code. The amended and restated provisions of the Plan became effective January 1, 2022 to conform the Plan to new tax laws. The Plan is a defined-contribution plan, which is comprised of a profit sharing plan with a 401(k) option. Employees will become a participant of the profit sharing plan once they attain the age of 20½ and have completed a twelve-month period of eligible service, as defined. The plan covers eligible employees of J.W. Cheatham, LLC. and J.W.C. Farms Incorporated (collectively “the Plan Sponsor”).

An eligible employee shall become a participant effective as of the first day of the month coinciding with or next following the date on which such employee met the eligibility requirements to become a participant. Employees will be eligible to make deferral contributions and receive safe harbor match contributions when they have attained the age of 20 ½ and have completed a twelve-month period of service.

Newport Trust Company (“NTC”) was the appointed custodian and recordkeeper (“Custodian and Recordkeeper”) of the Plan’s assets as of December 31, 2023 and 2022, and for the year ended December 31, 2023. Effective January 1, 2024, American Funds Service Company (“American”) was appointed as the custodian and recordkeeper of the Plan’s assets.

The Plan is subject to and conforms with the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

1 DESCRIPTION OF PLAN (CONTINUED)

General (continued)

The Plan implemented certain provisions allowed by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which change the Plan to allow, among others, certain eligible individuals to receive coronavirus-related distributions of up to \$100,000, allow loan repayments be deferred up to one year and increase the maximum loan amount, suspend required minimum distributions, and delay the commencement date for required minimum distributions. These written amendments to the Plan reflecting these operational changes were incorporated into the plan document through amendment effective March 27, 2020.

Contributions

Every year participants may elect to reduce their compensation by a specific percentage or dollar amount and have the amount contributed to the Plan as a pre-tax salary deferral. Additionally, the Plan allows for employer prevailing wage, employer matching, and profit sharing contributions to be made at the discretion of the Plan Sponsor.

The employer did not authorize any profit sharing contributions or safe harbor contributions for the year ended December 31, 2023.

The Plan Sponsor authorized and funded prevailing wage contributions of \$180 for the year ended December 31, 2023.

Participant accounts

Each account is credited with the participant's allocation of the participant's contribution, the Plan Sponsor's contribution, an allocation of the investment earnings, based upon each participant's election, and charged with an allocation of administrative expenses paid by the Plan. The benefits to which a participant is entitled are those that can be provided from the participant's vested account.

1 DESCRIPTION OF PLAN (CONTINUED)

Forfeited accounts

Forfeited non-vested accounts are used to pay any plan administrative expenses, and the balance, if any, is then used to reduce any Employer contribution. The Plan Sponsor had a forfeiture balance of \$0 and \$937 as of December 31, 2023 and 2022, respectively. During the year ended December 31, 2023, \$937 was used to pay administrative fees.

Distribution of benefits

After age 59 ½, upon termination of service due to death, as a qualified reservist, disability or retirement, a participant is entitled to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount or partial withdrawals of at least \$500. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account in a lump-sum amount or partial withdrawals of at least \$500.

Vesting

Participants are immediately vested in their elective deferral plus actual earnings thereon, rollover contributions, after-tax voluntary contributions, prevailing wage contributions and the employer's discretionary safe harbor contribution.

Vesting in the Plan Sponsor's matching and discretionary contribution portion of their accounts, plus earnings thereon, is based on years of continuous service as follows:

<u>Completed Years of Service</u>	<u>Vested Percent</u>
Less than 2 years	0%
2	20%
3	40%
4	60%
5	80%
6	100%

1 DESCRIPTION OF PLAN (CONTINUED)

Vesting (continued)

Participants are 100% vested, regardless of years of service, if while an employee they reach normal retirement age, become disabled, attain early retirement age, or death.

Notes receivable from participants

Participants may borrow from their fund's accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 minus the difference between the highest outstanding balance of loans in the past twelve months and the outstanding loans on the date the new loan is being requested or half of their vested interest in the Plan.

The plan administrator will determine a reasonable rate of interest by reviewing the interest rates charged for similar types of loans by other lenders. The interest rate will be fixed for the duration of the loan. The loans are secured by the participant's vested interest in the Plan, provided that the loan does not exceed 50% of the participant's vested interest.

Principal and interest are repaid through payroll deductions over a period of no more than five years unless the loan is used to purchase a primary residence, which then the Administrator may allow for a longer repayment term. The interest rates on notes outstanding as of December 31, 2023 and 2022 ranged from 4.25% to 9.50% and 4.25% to 6.50%, respectively. As of December 31, 2023 and 2022, the Plan did not have any delinquent loans.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting for defined contribution plans in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred.

As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment options

Upon enrollment in the Plan, a participant may direct employee contributions, as well as employer matching contributions and any related earnings to the investment options offered by the Plan. Participants may change their investment elections at any time.

Investment valuation and income recognition

Net appreciation in fair value of investments includes both realized gains and losses and unrealized appreciation and depreciation in the market value of investments. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recognized when earned. Dividends are recorded on the ex-dividend date.

Tax status

The Plan obtained its latest favorable determination letter on June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the Plan, and the Trust established under the Plan, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan's administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Tax status (continued)

Therefore, no provision for income taxes has been included in the Plan's financial statements. U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the accompanying financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Use of estimates

The preparation of financial statements, in accordance with U.S. GAAP, requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Plan termination

Although the Plan Sponsor has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Payment of benefits

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Risks & uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk.

Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in risk in the near term could materially affect participant's account balances and the amounts reported in the statement in net assets available for benefits.

New accounting pronouncements

The Plan evaluates new accounting pronouncements for relevance and impact on its financial statements. Management does not expect that timely adoption of any other new pronouncements will have a material impact on the Plan's financial position, results of operations, or cash flows.

Management review of subsequent events

Management has evaluated subsequent events through August 13, 2024, the date the financial statements were available to be issued.

3 FAIR VALUE OF FINANCIAL INSTRUMENTS

Plan investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values.

Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

J.W. CHEATHAM, LLC
401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

3 FAIR VALUE OF FINANCIAL INSTRUMENTS (CONTINUED)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for similar assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at quoted market prices, which represent the net asset value of securities held in such funds at year-end.

Stable value collective trust fund: The Plan invests indirectly in fully benefit-responsive investment contracts through its participation in the T. Rowe Price Stable Value Fund A ("Stable Value Fund"). The Stable Value Fund participates in the T. Rowe Price Stable Value Fund A, a bank's collective trust, which is invested in contracts issued by insurance companies and other financial institutions. A stable value fund that is composed primarily of fully benefit-responsive investment contracts is valued at the net asset value of units of the bank's collective trust.

The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.
