INDEPENDENT AUDITOR'S REPORT

To the 401(k) Committee
WDI, LLC 401(k) Plan
Sun Prairie, WI

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of WDI, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of WDI, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note B to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of WDI, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about WDI, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of WDI, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about WDI, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WDI, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023

NOTE A -- Description of plan and significant accounting policies

The following brief description of the WDI, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. WDI, LLC ("the company", also referred to as "the employer") adopted the Associated Trust Company, N.A. Pre-Approved Defined Contribution Plan originally effective on January 14, 2000. The plan has been subsequently amended and restated with the most recent restatement effective January 1, 2022.

General

The Plan is a defined contribution plan covering all employees (with the exception of collectively bargained and leased employees) of the company who have completed one year of service (1,000 hours) and have attained age 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The 401(k) Committee oversees governance of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance, and report to the company's owners.

Effective March 10, 2023, the plan was amended to include Wisconsin Distributors Appleton, LLC as participating employer.

The Plan's federal identification number is 20-4213074 and the Plan's number is 001.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation.

The company may make a discretionary matching contribution equal to uniform percentage and dollar amount of participant elective deferrals. The company made a discretionary matching contribution of 100% of the participant elective deferrals up to a 3% participant contribution for the year ended December 31, 2023. Annual contributions from all sources are subject to certain limitations defined by the Internal Revenue Service (IRS).

Participant accounts and "rollovers"

Each participant's account is credited with the participant's contribution and allocations of (a) the employer's discretionary matching contributions, (b) Plan earnings and (c) charged with an allocation of administrative expenses. Allocations of Plan earnings are based on participant account balances, as defined, and allocation of company contributions are based on participant compensation, as provided in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Plan permits the transfer of funds from other qualified plans to a separate participant's rollover account.

NOTE A -- Description of plan and significant accounting policies (Continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested ratably after three years of credited service. Participants who leave the Plan because of death or disability, as defined in the Plan, are considered 100% vested in all amounts.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a fixed rate that is determined as 2% over the prime rate (8.50% at December 31, 2023). Principal and interest is paid ratably through payroll deductions.

Benefits

On termination of service due to death, disability, or retirement (age 65), a participant may elect to receive a lump-sum amount equal to the entire or partial value of the participant's vested interest in his or her account, annual installments over a set number of years or roll over the distribution to another qualified plan. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan permits hardship distributions if certain criteria are met. The Plan permits in-service distributions at age 59 ½ or any age or at normal retirement age. A participant with an account valued at less than \$5,000 shall receive a lump sum distribution. For accounts exceeding \$5,000 the participant may elect a lump sum distribution, annual installments over a set number of year or the participant may elect to roll over the distribution to another qualified plan.

Forfeited accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$0. It is at the discretion of the company to determine the use of forfeitures each year. In 2023, company contributions were reduced by \$4,958 from forfeited nonvested accounts.

A summary of significant accounting policies follows:

Basis of accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) under the accrual method of accounting.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE A -- Description of plan and significant accounting policies (Continued)

Investment valuation and income recognition

The Plan's investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(K) Committee determine the Plan's valuation policies utilizing information provided by the investment advisers and asset custodian. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

The plan sponsor and employer, pays most of the administrative expenses of the Plan, which are excluded from these financial statements. The major administrative expenses are recordkeeping fees.

Notes receivable from participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions and adjustment to net appreciation/depreciation in fair value of investments. The plan distributed the 2022 excess contributions to the applicable participants prior to March 15, 2023.

Subsequent events

These financial statements have not been updated for subsequent events occurring after August 14, 2024, which is the date these financial statements were available to be issued. The Plan has no responsibility to update these financial statements for events and circumstances occurring after that date.

NOTE B -- Information certified by the trustee and asset custodian

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and dividends, net appreciation and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Associated Trust Company, N.A. (Associated), the trustee and asset custodian of the Plan.

NOTE C -- Fair value measurements

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits.

¹ In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

U.S. GAAP, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- Registered investment companies. Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

WDI, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE C -- Fair value measurements (Continued)

- Collective trust funds. Composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported net asset value.

Gains and losses (realized and unrealized) included in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023, are reported in net appreciation in fair value of investments.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective trust funds	\$15,395,491	n/a	Daily	n/a

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective trust funds	\$12,771,687	n/a	Daily	n/a

NOTE D -- Party-in-interest transactions

Certain Plan investments are managed by Associated and Associated is the trustee and asset custodian for the Plan, and therefore, these transactions qualify as party in interest transactions.

Associated provides certain administrative services to the Plan pursuant to a Retirement Plan Service Agreement with the company. Associated receives revenue from mutual fund service providers for services Associated provides to the funds. This revenue is used to offset certain amounts owed to Associated for its administrative services to the Plan.

If the revenue received by Associated from such mutual fund service providers exceeds the amount owed, Associated remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2023, there were no excess amounts. The Plan or Plan Sponsor may make a payment to Associated for administrative expenses not covered by revenue sharing.

Fees were also paid by the Plan during the year for accounting services rendered by SVA Certified Public Accountants, S.C. These transactions also qualify as party-in-interest transactions.

WDI, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023

NOTE E -- Plan termination

Although it has not expressed any intent to do so, the company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their allocated company contributions.

NOTE F -- Tax status

The Associated Trust Company, N.A. Pre-Approved Defined Contribution Plan that the Plan has adopted effective January 1, 2022, obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the volume submitter plan, as then designed, was acceptable under Section 401 of the Internal Revenue Code (IRC) for use by the employers for the benefit of their employees. The Plan has been amended since the date of the opinion letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

NOTE G -- Concentration of market risk

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE H -- Excess contributions payable

The Plan failed the discrimination test for the year ended December 31, 2022. Excess contributions amounting to \$7,213 are recorded as a liability in the accompanying Statements of Net Assets Available for Benefits and as a reduction of participant-directed contributions and adjustment to net appreciation/depreciation in fair value of investments for the related year. The Plan has reimbursed these excess contributions to its participants during March 2023. For purposes of the Form 5500, these excess contributions are not recorded until the year paid.

NOTE J -- Plan amendments

Effective January 1, 2022, the plan was restated to comply with the requirements for Cycle 3 Pre-Approved Plans, pursuant to Rev. Proc. 2017-41. During 2023, the Cycle 3 Pre-Approved Plan that the Plan has adopted, was amended to document the Pre-Approved Plan's compliance with the CARES/SECURE Acts. The amendment included elections related to, among others, required minimum distributions and eligibility requirements for long-term part-time employees.
