Board of Trustees
Baldwin & Shell Construction Co. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Baldwin & Shell Construction Co. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end), as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BALDWIN & SHELL CONSTRUCTION CO. 401(K) PLAN
Notes to Financial Statements
December 31, 2023 and 2022

(1) Description of Plan

The following description of Baldwin & Shell Construction Co. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General: The Plan is a defined contribution plan intended to qualify under section 401(a) of the Internal Revenue Code, covering all employees of the Company who have been employed for thirty days, with no minimum age as a condition for eligibility. Investments are directed by the individual participants within limits established by the plan sponsor, Baldwin & Shell Construction Co. (The “Company”).

Contributions: Eligible employees may make pre-tax or Roth elective deferrals of their compensation up to the IRS allowed limits. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans. Participants direct the investment of all contributions into various investment options offered by the Plan. The Company may make matching contributions and profit-sharing contributions at its discretion. The Company currently makes matching contributions equal to 50% of participant contributions up to 6% of eligible compensation. Participant voluntary contributions are not permitted.

Participant Accounts: Each participant’s account, in addition to a salary deferral contribution, is credited with an allocation of (a) the Company’s contribution, (if employed on the last day of the Plan year with 30 or more days of employment), (b) the account’s earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investment Options: Participants are permitted to direct the custodian as to the investment of the assets in their individual account balances into specific assets allowed under the Plan. Upon request, participants may obtain a complete listing of all investment options available under the Plan from the custodian. Participants can change their investment allocation elections at any time which take effect daily.

Vesting: The balance in each participant's elective deferral contribution account and rollover account is 100% vested when made. Vesting in the company contributions portion of a participant’s account plus earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service in the employer’s discretionary contribution and in the employer’s matching contribution. Upon death or disability while an employee, the participant’s account is immediately 100% vested.

Excess Contributions Payable: The Plan is required to return contributions received during the plan year in excess of the limits imposed by federal income tax rules.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant’s account and bear interest at rates ranging from 5.25% to 10.50% for loans outstanding as of December 31, 2023 and 2022. Principal and interest are paid ratably through monthly payroll deductions.

Payment of Benefits: Upon termination of service due to death, disability or normal retirement, a participant may elect to receive an amount equal to the value of the participant’s vested interest in his or her account in either a lump-sum amount or elect to rollover to another qualified plan or IRA if the amount

is \$5,000 or less. If the account exceeds \$5,000, the account balance may remain with the Plan, be distributed in lump sum, or rolled over to another qualified plan or IRA. Participant balances remaining in the Plan are subject to minimum distributions as required by the Internal Revenue Code's required minimum distribution rules.

Forfeitures: The Plan may, at its discretion, use available forfeitures to pay administrative expenses or reduce future employer contributions.

(2) Summary of Significant Accounting Policies

The following is a summary of the significant accounting policies used by the Plan in the preparation of the accompanying financial statements. Such policies are in accordance with accounting principles generally accepted in the United States of America.

Basis of Accounting: The Plan prepares financial statements using the accrual method of accounting whereby additions and deductions to net assets available for benefits, other than benefit payments, are recognized when earned or incurred, respectively. Benefit payments are recorded when paid.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America, requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Valuation of Investments: The Plan's investments are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. If available, quoted market prices are used to value investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

(3) Tax Status

The Plan is exempt from Federal income taxes under Internal Revenue Code Section 501(a). The Plan has been approved by the Internal Revenue Service under its volume submitter program by letter dated June 30, 2020. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan's information returns are subject to examination by Internal Revenue Service and the Department of Labor, generally, for three years after they were filed.

(4) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(5) Forfeiture and Administrative Fee Credit Accounts

Forfeited balances were used to pay administrative expenses in the amount of \$26,074 for the year ended December 31, 2023. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$-0- and \$2,243 respectively.

Certain revenues from the Plan's investment options are credited to a revenue sharing account, which may be used to pay plan expenses. Revenues credited to the account totaled \$646 for the year ended December 31, 2023. Credited amounts were used to pay administrative expenses in the amount of \$793 for the year ended December 31, 2023. At December 31, 2023 and 2022, the balance of the administrative fee credit account was \$-0- and \$147, respectively.

(6) Administrative Expenses and Party-In-Interest Transactions

During the year, the Plan incurred and paid expenses totaling \$70,394 to outside service providers for general administration, investment advisory, and record keeping services. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expense. Certain investment fund options are subject to investment-related fees based on a percentage of invested assets, as disclosed in the applicable fund's prospectus and disclosed to participants through a participant disclosure notice. Such fees are charged directly against the fund's investment income and are not separately disclosed in the accompanying financial statements.

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employer association, or relatives of such persons.

(7) Information Certified by Custodian

The following is a summary of the unaudited information included in the Plan's financial statements and supplemental schedule that was prepared by INTRUST Bank, N.A., the custodian, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the custodian that such information is complete and accurate.

- Investments, at fair value
- Notes receivable from participants
- Investment income
- Interest income on notes receivable from participants
- Schedule of assets (held at year end)

(8) Fair Value Measurement

Under FASB ASC 820-10, three prioritized valuation inputs may be used to determine fair value at the measurement date: Level 1 – quoted prices (unadjusted) in active markets for identical assets or liabilities; Level 2 – observable inputs other than the quoted prices included in Level 1; Level 3 – unobservable inputs. There have been no changes in valuation methodologies during the periods under audit, therefore no recognition of gain or loss is required for these financial statements.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets held for investment purposes at fair value as of December 31, 2023 and 2022:

		Fair Value Measurements at Reporting Date			
December 31, 2023		Level 1	Level 2	Level 3	Total
Mutual funds	\$	11,364,071	-	-	11,364,071
Total	\$	11,364,071	-	-	11,364,071

		Fair Value Measurements at Reporting Date			
December 31, 2022		Level 1	Level 2	Level 3	Total
Mutual funds	\$	10,318,688	-	-	10,318,688
Total	\$	10,318,688	-	-	10,318,688

(9) Plan Termination

Although it has not indicated any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(10) Reconciliation of Financial Statements to Schedule H of Form 5500

There were no significant reconciling differences between the financial statements and Form 5500.

(11) Subsequent Events

The Plan has evaluated subsequent events through August 13, 2024, the date the financial statements were available to be issued.

Effective January 1, 2024, the Plan changed record keeper to Milliman, Inc. with Charles Schwab Trust Bank as custodian. The Plan has elected a safe harbor match effective January 1, 2024 and all active participants as of January 1, 2024 have fully vested balances.
