Report of Independent Certified Public Accountants

To the Participants and Plan Administrator,
Atlantis Submarines Hawai'i 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Atlantis Submarines Hawai'i 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the Statements of Net Assets Available for Benefits (Modified Cash Basis) as of December 31, 2023 and 2022, and the related Statement of Changes in Net Assets Available for Benefits (Modified Cash Basis) for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from Great-West Life & Annuity Insurance Company ("Empower"), the Trustee of the Plan, as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Notes 3, 4, and 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- The information in the accompanying financial statements related to assets held by and certified to by Empower agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Other Matter - Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for twelve months from the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of *Schedule H, Line 4i – Schedule of Assets (Held at end of Year)* as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter - Supplemental Schedule Required by ERISA (continued)

In forming our opinion on the supplemental schedule, we evaluate whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with DOL Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by Empower agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Atlantis Submarines Hawai'i 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS
(Modified Cash Basis)

December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF THE PLAN

Atlantis Submarines Hawai'i, LLC (the "Company") established the Atlantis Submarines Hawai'i 401(k) Plan (the "Plan") on January 1, 1995, for the exclusive benefit of all eligible employees and their beneficiaries. The following is a description of the Plan that provides only general information. Participants should refer to the Summary Plan Description for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all full-time employees of Atlantis Submarines Hawai'i, LLC, ASH Holding, LLC, and its subsidiaries, and Atlantis Cruises, LLC, (collectively, the "Company") who are not covered by a collective bargaining agreement and who have the required amounts of continuous service. An employee will become a participant on January 1st or July 1st following the completion of one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

The Company may make discretionary contributions to the Plan as determined by its Board of Directors each year to all eligible employees (up to the maximum amount deductible under Section 404(a) of the Internal Revenue Code ("IRC")). The Company may elect, on an annual basis, to match in whole or in part each employee's salary deferral contribution. Contributions are funded as accrued. The Company provides discretionary employer match of up to 4% of a participant's eligible pay. The matching contributions were \$212,247 during the year ended December 31, 2023.

Participants may make employee salary deferral contributions to the Plan up to the lesser of 100% of their eligible compensation or \$22,500 and \$20,500 for the calendar years ended December 31, 2023 and 2022, respectively, adjusted annually for the cost of living, plus an additional \$7,500 and \$6,500 for employees age 50 and over for the calendar years ended December 31, 2023 and 2022, respectively. Such contributions are non-forfeitable and are credited to the individual account of the participant. Excess contributions are refunded in accordance with provisions of the IRC.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. The Company's contributions are determined annually at the discretion of the Company's Board of Directors.

Participant accounts

Each participant's account is credited with the participant's contributions and the Company's matching or discretionary contributions; plus an allocation based on each participant's compensation and account balance of the Company's forfeitures of terminated participants' nonvested benefits, and the Plan's net earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Employer matching and discretionary contributions vest 20% for each year of service and are 100% vested after five years of service. The employees' salary deferral and rollover accounts are always 100% vested.

NOTES TO THE FINANCIAL STATEMENTS
(Modified Cash Basis) (continued)

December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF THE PLAN (continued)

Participant loans

Participants may borrow from their fund accounts, upon the approval of the Plan's administrative committee, up to a maximum equal to the lesser of \$50,000 or 50% of their vested balance or the amount limited under the IRC. Loans bear interest at 1.5% above the prime rate and carry a maximum maturity of five years. In cases where loans are used to acquire principal residences, the maturity may exceed five years. The full amount in each participant's account is payable upon severance, normal retirement, disability, death, or termination of the Plan by the Company.

Payment of benefits

Upon termination of service, a participant will receive a lump-sum distribution equal to the value of their vested account balance if the total vested account balance has not exceeded \$5,000. Vested benefits greater than \$5,000 is payable upon severance, normal retirement, disability, death, or termination of the Plan by the Company. Participants may elect to receive the entire value of their accounts in a lump sum or installment payments. Participants may withdraw all or a portion of their contributions upon a showing of financial hardship and compliance with other restrictions in the Plan.

Forfeitures

Termination of employment for reasons other than retirement, disability, or death results in a forfeiture of the non-vested portion of the participant's account balance. Forfeitures are used to restore forfeiture accounts, pay plan administrative expenses, and reduce Company contributions. As of December 31, 2023 and 2022, there were \$0 and \$1, respectively in forfeitures. During the year ended December 31, 2023, forfeitures in the amount of \$8,236 were used to reduce Company contributions and pay plan expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Plan's significant accounting policies, consistently applied in the preparation of the accompanying financial statements follows.

Basis of accounting

The financial statements of the Plan have been prepared on the cash-basis of accounting, modified to record assets or liabilities with respect to cash transactions and events that provide a benefit or result in an obligation that covers a period greater than the period in which the cash transaction or event occurred. The modifications result in the recording of investments and related short-term term obligations on the Statements of Net Assets Available for Benefits (Modified Cash Basis).

This method of accounting represents a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America ("U.S. GAAP"). The modified cash basis of accounting differs from U.S. GAAP primarily because certain income and related assets (such as contributions receivable and contribution income not yet collected, and other accrued income and receivables) are recognized when received rather than when earned and certain expenses and related liabilities (such as accounts payable and expenses for goods or services received but not yet paid, and other accrued liabilities and expenses) are recognized when paid rather than when the obligations were incurred.

NOTES TO THE FINANCIAL STATEMENTS
(Modified Cash Basis) (continued)

December 31, 2023 and 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, it is reasonably possible that such estimates may change within the near term, and such differences could be material to the financial statements.

Investment valuation and income recognition

Investments in registered investment companies are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Investments in stable value fund is valued based upon the redemption price of the units held by the Plan, which is based on the current fair value of the stable value fund's underlying assets. Unit values are determined by the financial institution sponsoring such fund by dividing the fund's net assets at fair value by its units outstanding at the valuation dates.

The Plan holds the right to liquidate its positions in this stable value fund at any time, subject to a reasonable notification period. No unfunded commitments existed with respect to this stable value fund at December 31, 2023 and 2022.

Participant loans

Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the cash basis. Related fees are recorded as administrative expenses and expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of benefits

Benefits are recorded when paid.

Administration expenses

The Plan is sponsored and administered by the Company. Certain administrative functions are performed by officers or employees of the Company, who receive no compensation from the Plan. All administrative expenses are the responsibility of the Plan; however, the Company at its discretion may pay such expenses. Investments are in the custody of Great-West Life & Annuity Insurance Company ("Empower"), which also provides recordkeeping services to the Plan, as agent for First Hawaiian Bank, trustee of the Plan.

NOTES TO THE FINANCIAL STATEMENTS
(Modified Cash Basis) (continued)

December 31, 2023 and 2022

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEES

The Company has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee of the Plan, has certified the completeness and accuracy of all investments reflected in the accompanying Statements of Net Assets Available for Plan Benefits (Modified Cash Basis) as of December 31, 2023 and 2022, and the related investment activity reflected in the accompanying Statement of Changes in Net Assets Available for Plan Benefits (Modified Cash Basis) for the year ended December 31, 2023.

NOTE 4 – FAIR VALUE MEASUREMENTS (unaudited)

U.S. GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Cash, interest bearing: Money market funds are at stated value.

Registered investment companies: Registered investment companies consist of mutual funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. These securities are classified as Level 1.

Atlantis Submarines Hawai'i 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS
(Modified Cash Basis) (continued)

December 31, 2023 and 2022

NOTE 4 – FAIR VALUE MEASUREMENTS (unaudited, continued)

Stable value fund: The stable value fund is composed primarily of fully benefit-responsive investment contracts and is valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

There have been no changes in the methodologies used as of December 31, 2023 and 2022.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Measured at NAV	Total
Registered investment companies	\$ 13,966,035	\$ -	\$ -	\$ -	\$ 13,966,035
Total investments in fair value hierarchy	13,966,035	-	-	-	13,966,035
Stable value fund	-	-	-	1,057,269	1,057,269
Total investments at fair value	<u>\$ 13,966,035</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,057,269</u>	<u>\$ 15,023,304</u>

The following sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Measured at NAV	Total
Registered investment companies	\$ 13,440,558	\$ -	\$ -	\$ -	\$ 13,440,558
Total investments in fair value hierarchy	13,440,558	-	-	-	13,440,558
Stable value fund	-	-	-	1,876,716	1,876,716
Total investments at fair value	<u>\$ 13,440,558</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,876,716</u>	<u>\$ 15,317,274</u>

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Empower is the recordkeeper as defined by the Plan and, therefore, qualifies as a party-in-interest. Fees paid by the Plan for services amounted to \$5,446 for the year ended December 31, 2023.

Atlantis Submarines Hawai'i 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS
(Modified Cash Basis) (continued)

December 31, 2023 and 2022

NOTE 6 – PLAN TERMINATION

Although the Company expects to continue the Plan indefinitely, the Company has the right under the Plan document to discontinue its contributions at any time and to terminate the Plan ("full termination") subject to the provisions of ERISA. In the event of full termination, termination with respect to a group or class of participants ("partial plan termination") or a partial discontinuance of contributions, the unvested portion of Company contributions for participants subject to such full termination, partial termination or partial discontinuance will become fully vested and nonforfeitable.

NOTE 7 – TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated December 28, 2016, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The modified cash basis of accounting requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. It is the Plan's policy to recognize interest accrued related to underpayment of income taxes in interest expense and penalties in administrative expenses. The Plan has no uncertain tax positions as of December 31, 2023 and 2022.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits (Modified Cash Basis).

NOTE 9 – SUBSEQUENT EVENTS

The Plan evaluated its December 31, 2023, financial statements for subsequent events through August 15, 2024, the date the financial statements were available to be issued. The Plan is not aware of any subsequent events that would require additional recognition or disclosure in the financial statements.
