Independent Auditor's Report

Participants and Plan Administrator
Plumbers' Supply Company 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Plumbers' Supply Company 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i—schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Plumbers' Supply Company 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 1. Plan Description

The following description of Plumbers' Supply Company 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all eligible employees of Plumbers' Supply Company (the Company or the Plan Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was amended and restated effective January 1, 2023, to recognize prior service for new participants who were employed with predecessor employer Ellsworth Plumbing Heating & A/C Supply LLC (Ellsworth), as the Plan Sponsor acquired Ellsworth in 2023.

Eligibility: Employees of the Company become eligible to enter the Plan and to make elective deferrals when they have completed 60 days of service and are age 18 or older. Employees become eligible to receive employer contributions when they have completed one year of service and are age 18 or older. In addition to the previous requirements, employees must also work at least 1,000 hours of service during the plan year and be employed on the last day of the plan year to be eligible for a discretionary profit sharing employer contribution, unless requirements were not met due to retirement, disability or death. Under the terms of the Plan, the following employees are considered excluded and may not participate in the Plan: employees covered by a collective bargaining agreement and nonresident aliens who do not receive U.S. source income from the Plan Sponsor.

Contributions: Each year, participants may contribute up to 100% of their pretax annual compensation to the Plan subject to Internal Revenue Service (IRS) and ERISA limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from another qualified defined benefit or contribution plan (rollovers). The Plan provides for an employer safe harbor contribution to the Plan based upon 3% of participants' eligible compensation. Safe harbor contributions for the year ended December 31, 2023, amounted to \$654,384. The Plan Sponsor may also make discretionary profit sharing contributions to the Plan. Discretionary profit sharing contributions to the Plan for the year ended December 31, 2023, amounted to \$1,801,192. Participants may designate deferrals as Roth deferral contributions; and the Plan Sponsor may also make discretionary additional matching contributions limited to 4% of the participants' plan year compensation. The Plan Sponsor did not make any discretionary additional matching contributions to the Plan during the year ended December 31, 2023. Contributions are subject to certain limitations.

Participant accounts: Each participant's account is credited with the participant's contributions and allocations of the Plan Sponsor's safe harbor contributions, discretionary profit sharing contributions and discretionary additional matching contributions. Plan earnings are allocated to participant accounts daily based on account balances and the returns on investments elected by each participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plumbers' Supply Company 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 1. Plan Description (Continued)

Vesting: Participants are immediately vested in their contributions and the Plan Sponsor's safe harbor contributions plus actual earnings thereon. The Plan Sponsor's discretionary profit sharing contributions, discretionary additional matching contributions and related earnings thereon are subject to the years of service vesting schedule below:

Years of Vesting Service	Vesting Percentage
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Forfeitures: The forfeiture and unallocated asset holding account totaled \$12,919 and \$8,542 as of December 31, 2023 and 2022, respectively. Forfeitures may be used to pay plan expenses, reduce any nonelective contribution or to reduce any matching contribution. Forfeitures and earnings on forfeiture and unallocated asset balances generated during the year ended December 31, 2023, were \$26,053 and \$197, respectively. During the plan year ended December 31, 2023, forfeitures and unallocated assets of \$11,124 and \$10,749 were used to pay plan expenses and reduce employer contributions, respectively.

Investment options: All participant accounts are self-directed and investment options offered by the Plan include several mutual funds and a common/collective trust fund. Each participant may change his or her investment allocations at any time.

Payment of benefits: Upon termination due to death, disability or retirement, a participant may elect to receive the value of his or her account in a lump-sum amount, rollover to a qualified plan, or installments. Upon any other type of termination or upon normal retirement age, a participant shall be entitled to a lump-sum benefit equal to his or her vested interest in the Plan. If, after termination, no election is made and the participant's vested account balance is \$1,000 or less it will be distributed in a lump-sum payment. Unless otherwise elected, balances from \$1,001 to \$5,000 will be automatically distributed to a qualified individual retirement account. In-service distributions are permitted for certain financial hardships and upon attaining age 62.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The Plan's financial statements are prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) and are presented on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Plumbers' Supply Company 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Payment of benefits: Benefits are recorded when paid.

Expenses: As provided by the plan agreement, expenses incurred in the administration of the Plan may be paid by the Company or the Plan. Fees associated with distributions to participants and the use of other plan features may be charged directly to the participant's account and are included in expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Income taxes: U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any uncertain tax positions that more likely than not would not be sustained upon examination by a tax authority. Management evaluated the Plan's tax positions and concluded the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state or local tax authorities for years before 2020.

Note 3. Information Prepared and Certified by the Plan's Trustee

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Empower Trust Company, LLC (formerly known as Great-West Trust Company, LLC) (Empower), the trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that the information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets:

	2023	2022
Investments at fair value:		
Mutual funds	\$ 37,311,856	\$ 28,877,827
Common collective trust fund	376,664	547,978
	<u>\$ 37,688,520</u>	<u>\$ 29,425,805</u>

Empower also certified to the completeness and accuracy of \$4,199,448 of net appreciation in fair value of investments and \$1,055,466 of interest and dividends related to the aforementioned assets for the year ended December 31, 2023.

Plumbers' Supply Company 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 4. Fair Value Measurements

U.S. GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the current period.

Mutual funds: Mutual funds are valued at the quoted market price. (Level 1).

Common collective trust fund: The common collective trust fund is valued at net asset value (NAV) per share, as reported by the manager of the collective trust fund and as supported by the unit prices of actual purchase and sale transactions occurring as of or close to the financial statement date. The NAV is used as a practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Plumbers' Supply Company 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Description	Assets at Fair Value as of December 31, 2023			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 37,311,856	\$ 37,311,856	\$ -	\$ -
		<u>\$ 37,311,856</u>	<u>\$ -</u>	<u>\$ -</u>
Common collective trust fund (a)	376,664			
Investments at fair value	<u>\$ 37,688,520</u>			

Description	Assets at Fair Value as of December 31, 2022			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 28,877,827	\$ 28,877,827	\$ -	\$ -
		<u>\$ 28,877,827</u>	<u>\$ -</u>	<u>\$ -</u>
Common collective trust fund (a)	547,978			
Investments at fair value	<u>\$ 29,425,805</u>			

(a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the NAV per share practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following tables summarize investments measured at fair value based on NAV per share (or its equivalent) as a practical expedient as of December 31, 2023 and 2022:

Plumbers' Supply Company 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Note 6. Income Tax Status

The Plan has adopted a nonstandardized form of a preapproved plan. The preapproved plan provider, Empower Trust Company, LLC, has received on June 30, 2020, an opinion letter from the IRS as to the preapproved plan's qualified status. The preapproved plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Note 7. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Note 8. Party-in-Interest Transactions

Administrative expenses of the Plan were paid to the Plan's trustee and other service providers and therefore qualify as party-in-interest transactions.

Note 9. Reconciliation to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements at December 31, 2023 and 2022, to Form 5500:

	2023	2022
Net assets available for benefits per the financial statements	\$ 40,155,435	\$ 32,176,030
Less employer receivable not reported on Form 5500	(2,466,915)	(2,750,225)
Net assets per the Form 5500	<u>\$ 37,688,520</u>	<u>\$ 29,425,805</u>

The following is a reconciliation of net change in net assets available for benefits for the year ended December 31, 2023, per the financial statements to Form 5500:

Net increase in net assets available for benefits per the financial statements	\$ 7,979,405
Change in employer receivable not reported on Form 5500	283,310
Net income per Form 5500	<u>\$ 8,262,715</u>

Note 10. Subsequent Events

The Plan Administrator has evaluated subsequent events through August 16, 2024, the date the financial statements were available to be issued.
