Independent Auditors' Report

To the Plan Sponsor and Participants of
The Electric Motor Repair Co. 401(k) Retirement Savings Plan
Rosedale, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Electric Motor Repair Co. 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Independent Auditors' Report (continued)

Opinion (continued)

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Electric Motor Repair Co. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Electric Motor Repair Co. 401(k) Retirement Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditors' Report (continued)

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Electric Motor Repair Co. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Electric Motor Repair Co. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditors' Report (continued)

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE ELECTRIC MOTOR REPAIR CO. 401(K) RETIREMENT SAVINGS PLAN

Notes to Financial Statements
December 31, 2023 and 2022

1. Description of the Plan

The following description of The Electric Motor Repair Co. 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions. Electric Motor Repair (the Company) is the plan sponsor.

- A. General - The Plan is a defined contribution plan covering substantially all employees of the Company who are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan became effective December 31, 1969. The plan sponsor oversees governance of the Plan, the appropriateness of the Plan's investment offerings, and monitors investment performance.
- B. Contributions - Each year, participants may contribute up to 90% of their eligible annual compensation, as defined by the Plan. Participants are automatically enrolled in the Plan at a rate of 3%. Roth elective deferrals and rollover contributions are permitted under the Plan. Participants who have obtained age 50 before the end of the year can make additional catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may make discretionary matching contributions to the Plan equal to 20% of employee elected deferrals, including catch-ups, if applicable, up to 5% of compensation. For the year ended December 31, 2023, the Company's discretionary match totaled \$89,832. The Company may make an additional non-elective discretionary contribution to the Plan. There were no non-elective discretionary contributions made for the year ended December 31, 2023. Contributions are subject to certain statutory limitations.
- C. Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) plan earnings (losses) and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- D. Vesting - Participants are immediately vested in their elected deferral contributions and rollover contributions, plus actual earnings thereon. Additionally, participants are vested 100% in company contributions after six years of service.

1. Description of the Plan (continued)

- E. Notes Receivables from Participants - Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, without regard to the intended use of the funds. Notes receivable are collateralized by the participant's vested account balance and are accounted for as a specific investment of the borrowing participant's account. The principal of the notes, along with interest, is repaid through payroll deductions. Notes receivable bear interest at the prime rate plus 1%. Notes receivable for reasons other than the purchase of a primary residence are to be repaid within five years.
- F. Payment of Benefits - Upon termination of service, retirement (age 65), death, disability, or attainment of age 59 ½, a participant or their beneficiary, in the event of death, is entitled to a distribution of their vested account balance, as defined by the plan agreement. Distributions from the Plan are payable in the form of a lump sum payment or installments as defined by the Plan. Upon proof, to the satisfaction of the plan administrator, of an immediate and heavy financial need, contributed deferral amounts may be withdrawn for hardship purposes. Distributions are subject to the applicable provisions of the plan agreement. In all cases, certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½. As of December 31, 2023, no amounts were payable to participants who had elected to withdraw from the Plan but had not received such distributions prior to year-end.
- G. Forfeited Accounts - Upon a participant terminating from the Plan, non-vested employer contributions can be used to reduce future company contributions to the Plan and to pay for administrative expenses of the Plan. As of December 31, 2023 and 2022, the Plan's forfeited nonvested accounts totaled \$7,349 and \$5,482, respectively.

2. Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan sponsor determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Notes to Financial Statements
December 31, 2023 and 2022

2. Significant Accounting Policies (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Excess Contributions Payable – For the year ended December 31, 2023 and 2022, amounts payable to participants totaling \$7,769 and \$3,489, respectfully, for contributions in excess of amounts allowed by the IRS are recorded in excess contributions payable with a corresponding reduction to contributions. In each case, the Plan distributed the 2023 excess contributions prior to March 15 of the following year.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

3. Information Prepared and Certified by Reliance Trust Company

4. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

		Fair Value Measurements at the End of the Reporting Period Using: Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>December 31, 2023:</u>	<u>Fair Value</u>

THE ELECTRIC MOTOR REPAIR CO. 401(K) RETIREMENT SAVINGS PLAN

Notes to Financial Statements
December 31, 2023 and 2022

4. Fair Value Measurements (continued)

Level 1 Fair Value Measurements

The fair value of registered investment companies (mutual funds) is based on quoted net asset values of the shares as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2023 are reported in net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 at the end of the reporting period. For the year ended December 31, 2023, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

5. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its participation at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

6. Tax Status

The prototype for this plan obtained its latest opinion letter on October 6, 2020 in which the Internal Revenue Service stated that the prototype plan was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since the prototype received its opinion letter. However, the plan administrator and the Company believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

7. Related Party Transactions

As described in Note 2, the Company pays certain expenses related to plan operations. The Plan has a number of service providers. Such parties are parties-in-interest under ERISA. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

In addition, administrative fees were paid indirectly through revenue sharing and are included in the net appreciation in fair value of investments.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, and the level of uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Reconciliation of Financial Statements to Schedule H of Form 5500

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)

c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)

d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)

e Was this plan covered by a fidelity bond?

f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?

g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?

h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?

i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)

j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)

k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?

l Has the plan failed to provide any benefit when due under the plan?

m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)

n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year
