INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Huvepharma Inc. 401(k) Profit Sharing Plan and Trust
Peachtree City, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Huvepharma Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Huvepharma Inc. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by a bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements related to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Huvepharma Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statement are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if

there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Huvepharma Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Huvepharma Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental information in the accompanying Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of

the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Participants are vested immediately in their contributions, safe harbor matching, discretionary matching and any discretionary nonelective contributions from the **Company**, and actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and generally bear interest at prime plus 1%. The maximum term for all loans is five years, except for loans used to acquire a principal residence for which the **Plan** administrator may permit a longer repayment term not to exceed thirty years. Principal and interest are paid ratably through bi-weekly payroll deductions. A participant can have up to two active loans at one time, only one of which may be a principal residence loan.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, the participant or beneficiary will receive a lump-sum amount equal to the value of the participant's vested interest in their account if their vested interest does not exceed \$1,000. If the vested interest exceeds \$1,000 but is less than \$5,000, the participant or beneficiary can elect to receive a lump-sum amount, or the vested interest will be automatically rolled over to an IRA account for the benefit of the participant or beneficiary at a provider selected by the **Plan** administrator. If the vested interest exceeds \$5,000, the participant or beneficiary can elect to receive a lump-sum or partial amount, or an amount in installments with the option to defer until retirement age.

NOTE A – DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits (Continued)

Distributions may also be taken by participants prior to termination of service in the event of financial hardship, as defined in the **Plan** document.

Participants who are age fifty-nine and a half or older may also withdraw from their vested account balance prior to termination of service. Certain of these withdrawals may be subject to penalty, in accordance with the Internal Revenue Code (IRC).

If a qualified domestic relations order is received by the **Plan** administrator, all or a portion of the participant's account balance may be used to satisfy the obligation.

Forfeited Accounts

During the years ended December 31, 2023 and 2022, additions to forfeited nonvested accounts including earnings totaled \$1,766 and \$195, respectively. These accounts may be used to reduce employer contributions or to pay **Plan** administrative expenses. During the years ended December 31, 2023 and 2022, employer contributions were reduced by \$0 and \$180, respectively. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$2,745 and \$979, respectively .

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the **Plan** have been prepared on the modified cash basis of accounting, which is a basis of accounting other than generally accepted accounting principles. Accordingly, investment income is recognized when received, disbursements are recognized when made, and employer and participant contributions, if any, are accrued at year end.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the **Plan** administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Accounting for Uncertainty in Income Taxes

The **Plan** recognizes material amounts of uncertain tax positions as income tax expense. The **Plan** recognizes accrued interest and penalties associated with uncertain tax positions as part of deductions from net assets.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in a timely transaction with an independent buyer in the principal market, or in the absence of a principal market, the most advantageous market for the asset or liability. See Note D.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as fees and are expensed when incurred. The **Plan** administrator reviews the collectability of all notes receivable and any delinquent notes receivable are recorded as distributions based on the terms of the **Plan** document.

Payment of Benefits

Benefits payments are recorded when paid by the **Plan**.

Administrative Expenses and Fees

Pursuant to provisions of the **Plan**, administrative expenses incurred in the administration of the **Plan** may be paid by the **Plan** or by the **Company**. The administrative expenses paid from **Plan** assets are allocated to all participants. Investment advisor expenses are currently being paid by the **Plan**. All other direct administrative expenses are currently being paid by the **Company**.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses and Fees (Continued)

Pursuant to the provisions of the **Plan**, fees paid from the **Plan** are charged directly to the account of the participant on whose sole behalf the fee was incurred.

Subsequent Events

The **Plan** administrator has evaluated subsequent events that have occurred up through August 7, 2024, the date the financial statements were available to be issued. No material subsequent events have occurred since December 31, 2023, that required recognition or disclosure in the current period financial statements.

NOTE C – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The **Plan** administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the **Plan's** independent auditors did not perform any auditing procedures with respect to the following information certified by **Reliance Trust Company** as complete and accurate, except for comparing such information with information included in the **Plan's** financial statements and supplemental schedule:

- Investments at fair value as shown in the accompanying statement of net assets available for benefits (modified cash basis) as of December 31, 2023 and 2022.
- Net appreciation (depreciation) in fair value of investments and dividends as shown in the accompanying statement of changes in net assets available for benefits (modified cash basis) for the years ended December 31, 2023 and 2022.
- All investment-related information in the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2023.

NOTE D – FAIR VALUE MEASUREMENTS

FASB ASC 820, Fair Value Measurement, provides the framework for measuring fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Basis of Fair Value Measurement

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

Following is a description of the valuation methodology used for investment assets measured at fair value.

Mutual Funds: The daily closing price as reported by the fund is used to estimate fair value. Mutual funds held by the **Plan** are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. Certain mutual funds offered by the **Plan** are subject to redemption fees, up to a maximum of 2%, for shares held less than ninety days, depending on the mutual fund. In addition, certain mutual funds only allow shares to be bought and sold one to two times within a specified time frame that ranges from thirty to ninety days, depending on the mutual fund.

As of December 31, 2023 and 2022, all of the **Plan's** investments at fair value are mutual funds and are classified within the fair value hierarchy in Level 1.

NOTE E – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

All three administrative committee members participate in the **Plan** and one of them is also an officer of the **Company**. The **Company** is the **Plan** administrator.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the **Company** has the right under the **Plan** to discontinue its contributions at any time and to terminate the **Plan** subject to the provisions of ERISA. In the event of **Plan** termination, participants will become 100% vested in their accounts.

NOTE G – TAX STATUS

The Internal Revenue Service (IRS) has determined and informed ADP, LLC (ADP), the recordkeeper as defined in the **Plan** document, by letter dated July 8, 2014, that the **Plan** and related trust are designed in accordance with applicable sections of the IRC. There have been no amendments to the **Plan** since receiving the determination letter. The **Plan** administrator and the **Plan's** tax counsel believe that the **Plan** is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the **Plan** is qualified, and that the related trust is tax-exempt. Accordingly, no provision for income taxes has been included in the **Plan's** financial statements.

For the years ended December 31, 2023 and 2022, the **Plan** administrator believes there were no material amounts of uncertain tax positions. Additionally, there were no amounts of interest or penalties recognized in the statements of net assets available for benefits (modified cash basis) as of December 31, 2023 and 2022 or the statements of changes in net assets available for benefits (modified cash basis) for the years then ended. Further, the year ended December 31, 2020, and all years subsequent remain subject to examination.

NOTE H – RISKS AND UNCERTAINTIES

The **Plan** invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits (modified cash basis).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE I – ADMINISTRATIVE ERRORS

During 2022, the **Company's** payroll provider miscalculated discretionary matching contributions as it used incorrect participant compensation amounts. In addition, in March 2022, the discretionary matching contribution was not made on bonuses paid to participants by the **Company**. For the year ended December 31, 2022, the employer discretionary compensation amounts were underfunded by \$55,665. On August 31, 2023, the **Company** remitted missed contributions of \$55,665, along with missed earnings of \$1,259 calculated through August 31, 2023, to the **Plan**. In accordance with the modified cash basis of accounting, the **Plan** recognized the employer contribution income in the year ended December 31, 2023.
