INDEPENDENT AUDITOR'S REPORT

To the U.S. Benefits Administrative Committee and
Participants of the SWM Retirement Savings Plan II
Alpharetta, Georgia

Opinion

We have audited the accompanying financial statements of SWM Retirement Savings Plan II (the "Plan"), an employee benefit plan subject to the Employment Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of SWM Retirement Savings Plan II as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SWM Retirement Savings Plan II and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SWM Retirement Savings Plan II's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SWM Retirement Savings Plan II's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SWM Retirement Savings Plan II's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplemental Schedules

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2023 and supplemental schedule of delinquent participant contributions for the year ended December 31, 2023, referred to as the supplemental schedules, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental schedules required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SWM RETIREMENT SAVINGS PLAN II
NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2023 AND 2022
AND FOR THE YEAR ENDED DECEMBER 31, 2023

1. PLAN DESCRIPTION AND FUNDING POLICY

The following brief description of the SWM Retirement Savings Plan II (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General – On July 6, 2022, Schweitzer-Mauduit International, Inc. (SWM) consummated its previously announced merger transaction involving Neenah, Inc. (Neenah). A wholly-owned subsidiary of SWM merged with and into Neenah (the "Merger"), with Neenah surviving the Merger as a direct and wholly-owned subsidiary of SWM. Effective as of the closing date of the Merger, SWM changed its name to Mativ Holdings, Inc. (Mativ). The name of the Plan did not change as a result of the Merger. SWM will subsequently be referred to as Mativ and the SWM Stock Fund will subsequently be referred to as the Mativ Holdings, Inc. Common Stock Fund (Mativ Stock Fund).

The Plan is a defined contribution plan covering substantially all employees of SWM AMS, LLC (the "Company"), a subsidiary of Mativ, excluding certain non-resident aliens, leased employees and employees covered by a collective bargaining agreement (CBA) unless the CBA requires participation. The majority of employees are eligible to participate following one month of continuous service.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company's Human Resources Committee oversees governance of the Plan, determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Directors. Effective January 1, 2023, the committees were restructured and Mativ's Board of Directors appointed the U.S. Benefits Administrative Committee with oversight and governance of the Plan and appointed the U.S. Benefits Investment Committee (BIC) with oversight of the Plan's investments. John Hancock Trust Company LLC (the "Trustee") is the Plan's Trustee and is responsible for managing and maintaining the Plan. John Hancock served as the custodian and held the Plan's investment assets and executed investment transactions through December 29, 2023 until the assets partially transferred, at which time Vanguard Fiduciary Trust Company served as the custodian over the transferred investments.

The Plan elected a Safe Harbor plan design, as permitted by the Internal Revenue Service (IRS), which exempts the Plan from certain compliance issues, primarily associated with non-discrimination testing.

Effective December 31, 2023, the Schweitzer-Maudit International, Inc. Retirement Savings Plan (SWM Plan I) and the Neenah 401(k) Retirement Plan (Neenah Plan) merged with the SWM Retirement Savings Plan II constituting the only surviving plan. Accordingly, the Neenah Plan transferred \$307,876,890 and the SWM Plan I transferred \$97,612,998 into the Plan. In December 2023, the Plan received assets amounting to \$367,566,678 in connection with the Neenah and SWM Plan I merger. The remaining assets of \$37,923,210 are presented as a receivable from the plan merger in the Statements of Net Assets Available for Benefits.

SWM RETIREMENT SAVINGS PLAN II
NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2023 AND 2022
AND FOR THE YEAR ENDED DECEMBER 31, 2023

1. PLAN DESCRIPTION AND FUNDING POLICY (Continued)

Contributions - Participants may elect to defer from 1% to 75% of their annual compensation as defined in the Plan. The participants may elect to have the 401(k) portion as pretax elective deferrals and/or Roth elective deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan, including the Mativ Stock Fund that invests in shares of Mativ.

The Company's matching contribution, as well as any discretionary or profit sharing contributions to the Plan, is determined by the Board of Directors. The safe harbor employer matching contribution is 100% of the first 3% of compensation, 50% of the next 4 - 8% of compensation, and 25% of the next 2% of compensation. Union participants are excluded from the safe harbor match formula and receive a discretionary match of 100% of the first 6% of compensation. Non-union participants are excluded from the discretionary match. Contributions are subject to certain statutory limitations.

Participants transferred into the Plan during 2022 from the Scapa North America, Inc. 401(k) Plan were subject to an automatic enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 6% of eligible compensation. This feature only applies to participants who were automatically enrolled prior to the transfer in the SWM Retirement Savings Plan II.

Participant Accounts - Each participant's account is credited with the participant's contribution, Company matching contributions, any discretionary or profit sharing contributions, and Plan earnings. Participant accounts are charged with withdrawals, losses, and an allocation of administrative expenses. Allocations are based on participant earnings account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Withdrawals - Any participant may withdraw, during employment, the value of the participant's unrestricted after-tax and rollover accounts. Subject to certain conditions, a participant may withdraw the value of 401(k) contributions, in the case of hardship or after attaining age 59-1/2.

Payment of Benefits and Forfeitures - On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, partial payments, or installments over a period of not more than assumed life expectancy. If the vested amount in a participant's account does not exceed \$5,000, the payment must be a lump-sum distribution.

The balance in the forfeiture account will be used to reduce employer contributions and/or administrative expenses. As of December 31, 2023 and 2022, total forfeitures available to reduce employer contributions and/or administrative expenses totaled \$290,851 and \$155,199, respectively. For the year ended December 31, 2023, administrative expenses, and/or employer contributions were reduced by \$46,036 from forfeited amounts.

SWM RETIREMENT SAVINGS PLAN II
NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2023 AND 2022
AND FOR THE YEAR ENDED DECEMBER 31, 2023

1. PLAN DESCRIPTION AND FUNDING POLICY (Continued)

Notes Receivable from Participants - Participants may borrow up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the vested balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the Plan administrator. Loans are repayable over periods up to five years with the exception of loans used to purchase a primary residence of the participant. Loans are repayable immediately upon death, disability, or termination of employment. Loan transactions are treated as a transfer to (from) the investment funds and from (to) the participant loan fund.

Other - A participant has the right to direct the Trustee as to the manner in which to vote at each annual meeting and special meeting of the stockholders of the Company the number of shares of the Company's common stock held by the Trustee and attributable to the participant's Mativ Stock Fund accounts as of the record date for the meeting. In addition, the participant has the right to determine whether shares of the Company's common stock held by the Trustee and attributable to the participant's Mativ Stock Fund accounts should be tendered in response to offers therefore.

Vesting - Participants are immediately vested in their safe harbor matching contributions, discretionary contributions and voluntary contributions plus actual earnings thereon.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Investment Valuation and Income Recognition - As of December 31, 2023 and 2022, all investments, except for the guaranteed investment contract, are stated at fair value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). The Plan's Human Resources Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. Effective January 1, 2023 the BIC has oversight of the Plan's investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

SWM RETIREMENT SAVINGS PLAN II
NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2023 AND 2022
AND FOR THE YEAR ENDED DECEMBER 31, 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Expenses - Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included as a reduction in net appreciation (depreciation) in fair value of investments.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits - Benefits are recorded when paid.

Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles (U.S. GAAP) requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent Event – Effective January 1, 2024, the plan was amended and restated to change the name of the plan to Mativ Holdings, Inc. 401(k) Retirement Plan and named Mativ the Plan Sponsor. Vanguard Fiduciary Trust Company was named the Trustee of the Plan.

Subsequent events have been evaluated through August 19, 2024, which is the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

SWM RETIREMENT SAVINGS PLAN II
NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2023 AND 2022
AND FOR THE YEAR ENDED DECEMBER 31, 2023

3. FAIR VALUE MEASUREMENTS (Continued)

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
------------	---

Level 2	Inputs to the valuation methodology include: - quoted prices for similar assets or liabilities in active markets; - quoted prices for identical or similar assets or liabilities in inactive markets; - inputs other than quoted prices that are observable for the asset or liability; - inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
------------	--

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
------------	---

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. As of December 31, 2023 and 2022, there have been no changes in the methodologies used.

Mativ Stock Fund: The Mativ Stock Fund is a unitized fund which includes Mativ common stock and an investment in an interest-bearing cash account for liquidity purposes. The total value of the Fund at any point in time is equal to the total market value of the common stock in the Mativ Stock Fund plus the amount of cash. As of December 31, 2023 and 2022, the amount of cash totaled \$0 and \$18,686, respectively. Each unit represents the ownership of both common shares and cash. The Company's common stock is traded on the New York Stock Exchange (NYSE). The valuation of the units closely tracks the quoted market price listed on the NYSE.

Interest-bearing cash: Valued at historical cost, which approximates fair value.

Registered investment companies: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Valued at fair value based upon the closing price reported on the active market on which the individual securities are traded.

SWM RETIREMENT SAVINGS PLAN II
NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2023 AND 2022
AND FOR THE YEAR ENDED DECEMBER 31, 2023

3. FAIR VALUE MEASUREMENTS (Continued)

Vanguard Retirement Savings Trust III/Stable Value Fund: Valued at NAV as a practical expedient, inclusive of the adjustment to contract value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. The use of NAV is deemed appropriate as these investments do not have finite lives, unfunded commitments, or significant restrictions on redemptions.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

AND FOR THE YEAR ENDED DECEMBER 31, 2023

4. GUARANTEED INVESTMENT CONTRACT

In 2022, the Plan entered into a benefit-responsive group annuity contract with the Standard Insurance Company (Standard Insurance). Standard Insurance maintains the deposits in an unallocated general fund to which it adds interest at the contract rate and charges participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Standard Insurance, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuers or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer on an annual basis, but it may not be less than 1%. A market value adjustment may apply to amounts withdrawn at the request of the contract holder. Such interest rates are reviewed semi-annually for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuers. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes in the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (1) an uncured breach of the Plan's investment guidelines, (2) a material amendment to the contract without the issuer's consent, (3) a violation of a material obligation under the contract, or (4) a material misrepresentation. The Plan Administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

Neither the Standard Insurance nor the Plan may terminate the group annuity contract without 30 days advance written notice to the other party. This guaranteed investment contract is frozen for new investment but is available for loans, withdrawals and distributions.

5. PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

As of December 31, 2023 and 2022, the Plan's Mativ Stock Fund held shares of the Company's common stock. For the year ended December 31, 2023, the Plan purchased shares for \$53,560, sold shares for \$37,124, had net depreciation of \$86,781, had dividends of \$16,588, and had transfers in from other Plans of \$3,971,086 related to the Mativ Stock Fund. As of December 31, 2023 and 2022, the balance of Mativ Stock Fund was \$4,243,358 and \$326,229, respectively.

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2023 AND 2022
AND FOR THE YEAR ENDED DECEMBER 31, 2023

5. PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS (Continued)

Certain plan investments are shares of various investments managed by the Trustee as defined by the Plan and therefore these transactions qualify as party-in-interest transactions. The primary fees paid by the Plan relate to investment management fees charged on a daily basis to the various investments held. The Plan has a revenue credit account with the Trustee which is funded through a revenue sharing agreement. For the year ended December 31, 2023, administrative expenses were reduced by \$14,387 from the revenue credit account. Party-in-interest transactions also include loans made to participants.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

6. PRIORITIES UPON TERMINATION OF THE PLAN

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, all Plan participants will become fully vested in their accounts. Management of the Company has indicated it has no current intentions to terminate the Plan.

7. TAX STATUS

The Plan uses a Prototype Plan document sponsored by John Hancock Retirement Plan Services LLC. John Hancock Retirement Plan Services LLC received an opinion letter from the IRS, dated June 30, 2020 which stated that the prototype plan satisfies the applicable provisions of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and therefore believe that the Plan is qualified and the related trust is tax exempt. The Plan is subject to routine audits by taxing jurisdictions. There is currently a Department of Labor audit in process and the results have yet to be determined as of July 2, 2024.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
