INDEPENDENT AUDITORS' REPORT

To the Retirement Committee
Living Well Home Care 401(k) Plan
Los Alamitos, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Living Well Home Care 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Living Well Home Care 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Living Well Home Care 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Living Well Home Care 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (CONTINUED)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Living Well Home Care 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Living Well Home Care 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets held as of December 21, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are suppletory information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled 2021 Financial Statement

Plan management is responsible for the accompanying financial statements of the Living Well Home Care 401(k) Plan, which comprise the statement of net assets available for benefits as of December 31, 2021, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any assurance on this financial statement.

Plan management has elected to omit the statement of changes in net assets available for plan benefits and substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted statement and disclosures were included in the financial statements, they might influence the user's conclusions about the Plan's net assets available for benefits and changes in its net assets available for benefits. Accordingly, the financial statements are not designed for those who are not informed about such matters.

LIVING WELL HOME CARE
401(k) PLAN
Notes to Financial Statements

1. THE PLAN

The following brief description of the Living Well Home Care 401(k) Plan (the "Plan") is provided for general information purposes only. The Plan's effective date is June 1, 2020. The Plan was amended and restated effective September 5, 2022. Participants should refer to the plan agreement for more complete information.

General

The Plan is a qualified retirement savings plan that contains a deferred arrangement and is maintained and administered for the exclusive benefits of participants and their beneficiaries. It is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and all subsequent laws and modifications.

Eligibility

All non-excluded employees of Living Well Home Care (the "Company"), as defined by the Plan Adoption Agreement shall become eligible to participate in the Plan if they are at least 21 years of age and have completed 1,000 hours of service within a 12 month period.

Contributions

Each year, participants may contribute part of their pretax annual compensation as defined by the Plan, up to the maximum allowed by law. The contract currently offers various mutual funds as investment options for participants.

Based on Plan provisions, the employer makes Safe Harbor matching contributions equal to 100% of each participant's deferred compensation up to 4% of their total pay. The Company also has the option to make non-elective discretionary contributions.

1. THE PLAN (CONTINUED)

Participant accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, an allocation of the Company's discretionary contributions, if any, and an allocation of Plan earnings within the designated specified investment funds. Each participant's account is charged with an allocation of management fees. Allocations are based on participant earnings or account balances, as defined. The Company pays administrative expenses incurred on behalf of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their own contributions, along with employer Safe Harbor matching contributions, plus actual earnings thereon. The Company can make additional non-elective discretionary contributions which are subject to a vesting percentage scale as defined in the Plan agreement. Participants who become totally disabled or die before normal retirement age become fully vested in their accrued benefits.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or one-half of their vested account balance. Loan terms range from one to 10 years or a repayment period consistent with commercial home loan practices. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are paid ratably through payroll deductions. The Plan did not have any notes receivable from participants as of December 31, 2022.

1. THE PLAN (CONTINUED)

Payment of benefits

On termination of service due to reasons other than death, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or as partial payments as outlined in the Plan adoption agreement. For termination of service due to death, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or as otherwised outlined in the Plan adoption agreement.

Forfeitures

Forfeited non-vested accounts can be used to reduce future employer contributions or reduce the Plan's administration fees. As of December 31, 2022 and 2021, forfeited nonvested accounts totaled $0, for both years. For the year ended December 31, 2022, $0 of forfeitures were used to fund employer contributions.

Hardship withdrawal

A participant may be permitted to withdraw a portion or all of the balance of their individual account that is attributable to their tax-deferred contributions (without earnings) for the reasons specified by and to the extent permitted under regulations issued by the Internal Revenue Service.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of accounting (continued)

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Notes receivable from participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of benefits

Benefits are recorded when paid.

Operating expenses

All expenses of maintaining the Plan are paid by the Company.

3. FAIR VALUE MEASUREMENTS

The investments are reported at fair value in the accompanying statement of net assets available for benefits as follows:

	Fair value	Fair value measurements using: Quoted Prices In Active Markets for Identical Asset (Level 1)
December 31, 2022:		
Mutual funds:		
Growth funds	$ 50,483	$ 50,483
Income funds	87,702	87,702
Blended funds	76,260	76,260
Total	$ 214,445	$ 214,445

	Fair value	Fair value measurements using: Quoted Prices In Active Markets for Identical Asset (Level 1)
December 31, 2021:		
Mutual funds:		
Growth funds	6,961	6,961
Income funds	28,241	28,241
Blended funds	110,728	110,728
Total	$ 145,930	$ 145,930

3. FAIR VALUE MEASUREMENTS (CONTINUED)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs are those that are observable, either directly or indirectly, for the asset or liability other than quoted prices included in Level 1; and Level 3 inputs, which are unobservable, are used when level 1 and 2 inputs are not available. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs were used to measure investments where the underlying assets are directly observable to unadjusted quoted prices in active markets. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 fair value measurements

The fair value of money market portfolio and mutual funds are based on quoted net asset values of the shares held by the Plan at year-end. The fair values of common stocks, corporate bonds, and U.S. Government securities are based on quoted market prices.

4. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the trustee:

	2022
Investments, at fair value:	
Mutual funds	$ 214,445

5. INVESTMENTS

During the year ended December 31, 2022, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by ($34,414).

See supplemental schedule for detail of investments held as of December 31, 2022.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their matching contribution at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100 percent vested in their accounts.

7. RELATED PARTY TRANSACTIONS

A party-in-interest to the Plan is responsible for the day-to-day administration and operation of the Plan. For the year ended December 31, 2022, total administrative fees paid by the Plan totaled $52.

8. TAX STATUS

The Plan is placing reliance on an opinion letter dated June 30, 2020, received from the Internal Revenue Service indicating that the Plan is qualified under Section 401 of the Internal Revenue Code (IRC) and is therefore not subject to tax under current income tax law. The Plan has been amended since the date of the opinion letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

9. FINANCIAL STATEMENT DIFFERENCES FROM FORM 5500

The net assets available for benefits as of and for the years ended December 31, 2022 and 2021, vary from the Plan's Form 5500 in the amount of $6,466 and $0, respectively, in connection with employer and employee contributions accrued on the financial statements in the years ended December 31, 2022 and 2021, but not on the Form 5500.

10. RISKS AND UNCERTAINTIES

The Plan's investments are subject to certain conditions contained in the market place such as the volatility in share prices, consumer confidence, and the overall health of the economy. These conditions, as well as other conditions not in the direct control of the Plan, could have a material effect on the value of the Plan's investments.

11. SUBSEQUENT EVENTS

Subsequent events were evaluated through July 9, 2024, which is the date the financial statements were available to be issued.
