The Plan Administrator
Metropolitan Cabinet Distributors, Inc. 401(k) Plan
Norwood, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of the Metropolitan Cabinet Distributors, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

Note 1 - Description of Plan

The following description of the Metropolitan Cabinet Distributors, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution profit sharing plan with a cash deferral arrangement, established on July 1, 1997 by Metropolitan Cabinet Distributors, Inc. (the “Employer”), covering all employees of the Employer, who are age 21 or older (“Participants”) that have worked one year (defined as 1,000 hours) except those covered under a collective bargaining agreement, leased employees and non-resident aliens. Newly eligible Participants may enter the Plan on the first day of each plan year or the first day of the next quarter after meeting the eligibility requirements. For the period January 1, 2022 to April 30, 2022, Fidelity Management Trust Company (“Fidelity”) provided recordkeeping services for the Plan, and also serves as trustee and custodian for the Plan’s investments. Effective May 1, 2022, Ascensus Trust Company (“Ascensus”) provides recordkeeping services for the Plan, and also served as trustee and custodian for the Plan’s investments. The Employer is the Plan’s administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). All investments, other than any balances in forfeiture accounts, are participant directed.

Participant Contributions

Participants may defer up to 100% of their eligible annual compensation, as defined by the Plan, subject to dollar limits set by Federal law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (“Participant Rollovers”).

Employer Contributions

Safe Harbor Matching Contributions

The Employer matches 100% of the first 3% of the eligible Participant’s compensation contributed to the Plan and 50% of the next 2% of the eligible Participant’s compensation contributed to the Plan. All active Participants making eligible contributions are eligible to receive Employer matching contributions.

Discretionary Contributions

The Employer may decide to make a discretionary non-elective contribution on behalf of eligible Participants each year. In order to receive a discretionary non-elective contribution, a participant must be employed on the last day of the contribution period unless separated due to death or disability or retirement. For the year ended December 31, 2022, no such discretionary contribution was made.

METROPOLITAN CABINET DISTRIBUTORS, INC.
401(k) PLAN

Notes to Financial Statements

Note 1 - Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, Employer contributions and actual investment earnings thereon, and reduced by direct loan fees, if applicable. Allocations are based on participant earnings, account balances or specific participant transactions, as defined.

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are always fully vested in their deferral and rollover contributions. Vesting in the Employer's contribution is based on years of continuous service. A participant begins vesting in the Employer matching and discretionary profit sharing contributions after one year of service and is fully vested after six years of service. A year of service is defined as 1,000 hours of service within the Plan year. Upon death, disability or attainment of normal retirement age, a participant is fully vested in all of their accounts.

Forfeitures

A participant who leaves the Employer forfeits any non-vested balance upon the earlier of five consecutive one-year breaks in service or the distribution of the entire vested portion of the participant's account. The Plan uses forfeitures to reduce future Employer contributions. At December 31, 2022 and 2021, \$18,397 and \$25,785 of forfeitures were available to reduce future Employer contributions, respectively.

Payment of Benefits

In-service withdrawals from any of the participant's vested balances are permitted only upon reaching age 59½. Employer contributions have been maintained in a participant's account for at least 24 months or after the participant has at least 60 months of participation. Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her account, or installment payments of such amounts, frequency, and duration as the participant or beneficiary may elect. Upon termination, if a participant's vested account is less than \$1,000, and the participant does not elect to receive the distribution, the Plan administrator may distribute the participant's vested account balance directly to the participant without consent. Participants must exhaust all other assets before financial hardship withdrawals are allowed and the amount cannot exceed the amount needed to meet the immediate financial hardship.

Notes Receivable from Participants

Subject to approval by the Plan administrator, Participants may borrow a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years (or up to ten years for the purchase of a primary residence). The loans are secured by the balance in a participant's account and interest is charged at a rate commensurate with local prevailing rates as determined by the Employer. Principal and interest are paid ratably through payroll deductions.

401(k) PLAN

Notes to Financial Statements

Note 1 - Description of Plan (Continued)

Administrative Expenses

Individual participant accounts are charged directly for loan recordkeeping and benefit disbursement processing fees, if applicable. All other operating expenses incurred in the administration of the Plan are paid by the Employer.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments, Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year. See Note 4 for discussions of fair value measurements.

Benefits Paid

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could vary from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Subsequent Events

The Plan has evaluated subsequent events through August 13, 2024, the date that the financial statements were available to be issued.

METROPOLITAN CABINET DISTRIBUTORS, INC.
401(k) PLAN

Notes to Financial Statements

Note 3 - Investments Certified by Trustee and Custodian

Plan investments are held by the Plan's trustee and custodian, Fidelity for the period of January 1, 2022 through April 30, 2022 and Ascensus from May 1, 2022 through December 31, 2022. Ascensus has certified to the fair value of investments at December 31, 2022 and Fidelity has certified to the fair value of investments at December 31, 2021. All investment transactions during the year ended December 31, 2022 have been certified by Fidelity and Ascensus. Investment transactions include interest and dividend income and net depreciation in fair value of investments. Information included in the supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) has also been derived from information certified by Ascensus.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I) and the lowest priority to unobservable inputs (Level III). Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level I – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level II – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

Level III – Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note 4 - Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

<i>Description</i>	<i>Assets at Fair Value as of December 31, 2022</i>			
	<i>Level I</i>	<i>Level II</i>	<i>Level III</i>	<i>Total</i>
Mutual funds	\$ 7,068,750	\$ -	\$ -	\$ 7,068,750
Cash equivalents	41,046	-	-	41,046
Total assets in the fair value hierarchy	\$ 7,109,796	\$ -	\$ -	\$ 7,109,796

<i>Description</i>	<i>Assets at Fair Value as of December 31, 2021</i>			
	<i>Level I</i>	<i>Level II</i>	<i>Level III</i>	<i>Total</i>
Mutual funds	\$ 7,831,568	\$ -	\$ -	\$ 7,831,568
Total assets in the fair value hierarchy	\$ 7,831,568	\$ -	\$ -	\$ 7,831,568

Note 5 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Participants will become fully vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Employer may determine.

Notes to Financial Statements

Note 7 - Tax Status

The Plan has adopted the Ascensus Profit Sharing Plan with CODA that received a favorable opinion letter on June 30, 2020. The Plan has been amended since that date; however, the Employer believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, the Plan continues to qualify under Section 401(a) and the related trust continues to be tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - Related Party and Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Fidelity and Ascensus. Fidelity and Ascensus was/is the trustee and custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest. Fees paid to Fidelity and Ascensus were \$18,496 and \$15,643, respectively, for the year ended December 31, 2022. In addition, notes receivable from participants are considered to be party-in-interest transactions.
