We have performed audits of the accompanying financial statements of TCC Wireless, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the TCC Wireless, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Description and Eligibility

The Plan is a defined contribution plan available to all employees of the Company except for union employees covered by a collective bargaining agreement and nonresident aliens. The age requirement to participate in the Plan is 21 years and the employee will be entered into the Plan on the first day of the month coinciding with the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions

Employees who are eligible to participate in the Plan may elect to have up to 90% of their compensation deducted from payroll and contributed to the Plan on a pre-tax basis subject to limitations as defined by the Internal Revenue Code ("IRC"). Safe harbor matching contributions are 100% of participants' elective deferrals, up to a maximum of 3% of participants' eligible earnings plus 50% of participants' elective deferrals between 3% and 5%. Participants must complete 12 consecutive months of employment and complete 1,000 service hours to be eligible for employer matching contributions.

Vesting

Participants are always 100% vested for salary deferrals including Roth 401(k) deferrals and "catch-up" contributions, safe harbor contributions, and rollover contributions. Employer profit sharing contributions are determined under the following schedule. Participants employed on or after their Normal Retirement Age, or who have died or became disabled are 100% vested in their profit-sharing contributions.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

The allocation of a participant's contributions to the investment funds is selected by the participant and may be changed daily using an automated customer service system. Participants may also elect to have all or a portion of their prior contributions transferred between any of the available investment funds. Employer contributions are allocated to the same investment funds as elected for participant contributions.

Separate accounts are maintained for each participant representing his or her interest in the Plan. Each participant's account is re-valued daily. Plan earnings and other increases and decreases in value are allocated in direct proportion to the size of the participant's balance in a particular fund in relation to the balances of all participants in that fund.

Notes Receivable from Participants

The Plan allows participants to borrow from their fund accounts. Participants may borrow the lesser of 50% of the participant's vested account balance or \$50,000 reduced by the participant's highest outstanding note balance in the previous 12 months even if the amounts have been repaid. No loan less than \$1,000 will be made by the Plan and the maximum number of Plan loans a participant may have outstanding at one time is 1. Notes bear interest rates at prime rate plus 1%.

The repayments of principal and interest are credited to the participant's account balances within the respective funds. Principal and interest payments are made through payroll deductions according to each note's term per the promissory note.

Payment of Benefits

Participants whose employment terminates will be eligible for a distribution equal to the full amount of the separate accounts attributable to his or her participant contributions, plus any vested Company contributions.

Participants are entitled to receive a distribution of all or any portion of their deferral contributions account upon attainment of age 59½. In the event of financial hardship, participants may apply to receive a distribution from their deferral contribution accounts, subject to Internal Revenue Service ("IRS") mandated rules for hardship withdrawals. The minimum amount a participant can receive as an in-service distribution is \$500. If the participant's account balance is between \$1,000 and \$5,000, it will be rolled over to an Individual Retirement Account.

The liability of the Plan for benefits to participants is limited to the value of the participants' vested interest in their accounts.

TCC WIRELESS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

Forfeited Accounts

Forfeited amounts are first applied to the expenses of administering the Plan, and any excess forfeiture is used to offset future safe harbor matching contributions. There were no forfeitures utilized for the year ended December 31, 2023. As of December 31, 2023, there was no balance of unallocated forfeitures.

Plan Termination

Although the Plan is intended to be permanent, the Company reserves the right to terminate the Plan at any time. Upon termination of the Plan, all contributions become fully vested and non-forfeitable. If the Plan is terminated, all amounts credited to a participant's account will be paid to such participant.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America. The accounting records of the Plan are accrual basis.

Investment Valuation and Income Recognition

Investments are stated at fair value. See Note 4 for discussion of fair value measurements.

The Plan entered into a collective trust fund ("Fund") with the Trustee. The objective of the Fund is to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile, and liquidity for benefit-responsive payments. The Fund seeks to achieve this objective by investment in conventional, synthetic and separate account investment contracts issued by life insurance companies, banks and other financial institutions. The net asset value ("NAV") of the Fund represents fair value since this is the value at which the Plan transacts with the Fund. NAV of the Fund, as reported to the Plan by the Trustee, represents contributions made under the underlying investment contracts, plus earnings at guaranteed crediting rates, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment in the Fund at NAV.

Investment income consists of interest and dividend income. The net appreciation in the fair value of investments consists of realized gains or losses and the unrealized appreciation on those investments. Dividend income is accrued on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported based on historical cost.

Fair Value Measurements

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

TCC WIRELESS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

Notes Receivable from Participants

Notes receivable from participants represent participant loans and are measured at the unpaid principal balance plus any accrued unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Repayments of principal and interest are recognized in the period in which payroll deductions are processed.

Plan Expenses

Certain general and administrative expenses incurred in the administration of the Plan are paid by the Company. Expenses paid from Plan assets are reflected in the Statement of Changes in Net Assets Available for Benefits.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of the financial statements and footnote disclosures requires management to make estimates and assumptions that affect the reported amount of assets and liabilities at the date of the financial statements and reported amount of additions and deductions to net assets available for benefits during the period. Although management believes such estimates and assumptions are reasonable, actual results could differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through August 22, 2024, the date the financial statements were available to be issued and determined that there were no events or transactions which require recognition or disclosures in these financial statements.

TCC WIRELESS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 3 - INFORMATION CERTIFIED BY TRUSTEE

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and as instructed by the Plan administrator, no audit procedures have been performed on certain information certified by Reliance Trust Company, the Trustee of the Plan as of December 31, 2023 and 2022, except to compare such information to the information included in the accompanying financial statements and schedule. Information certified by the Trustee includes investments and notes receivable from participants included in the Statements of Net Assets Available for Benefits at December 31, 2023 and 2022, and investment income items and interest on notes receivable from participants included in the Statement of Changes in Net Assets Available for Benefits for the period ended December 31, 2023.

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Company uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 – Observable inputs such as quoted prices in active markets;
- Level 2 – Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- The fair value of mutual funds is based on prices in public exchanges of the securities held by the Plan at year-end.
- The fair value of the common collective trust investments is based on Net Asset Value ("NAV"), which represents fair value because NAV is the value at which the Plan transacts in this actively traded investment. NAV is used as a practical expedient to estimate fair value.

TCC WIRELESS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Total investments in the hierarchy	<u>\$ 3,399,721</u>	<u>\$ -</u>	<u>\$ -</u>	<u>3,399,721</u>

Investments measured using NAV as a practical expedient:

Total investments at fair value	<u>\$ 3,518,997</u>

	2022			
	Level 1	Level 2	Level 3	Totals

Investments measured using NAV as a practical expedient:

Collective trust fund	65,030
Total investments at fair value	<u>\$ 2,292,151</u>

The Plan's investment in the collective trust fund may be redeemed on a daily basis and has a daily redemption notice period. There are no unfunded commitments related to this collective trust fund.

NOTE 5 - TAX STATUS

The Plan has adopted a non-standardized pre-approved profit sharing plan document. The plan document received an opinion letter from the IRS dated October 6, 2020, as to the Plan's qualified status. The Plan Sponsor can rely on the qualified status to the extent the Plan Document does not deviate from the IRS pre-approved provisions. The Plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code and therefore, believes that the Plan is qualified and the related trust is tax-exempt.

NOTE 6 - PARTY-IN-INTEREST

Certain Plan investments are shares of a collective trust fund managed by the Trustee as defined by the Plan and, therefore, these transactions are party-in-interest transactions.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
