INDEPENDENT AUDITORS' REPORT

Plan Management
Bob Loquercio Auto Group 401(k) Plan
Streamwood, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Bob Loquercio Auto Group 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Bob Loquercio Auto Group 401(k) Plan (the Plan) provides only general information. Interested parties should refer to the plan document for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution profit sharing and 401(k) plan covering eligible employees of Robert Loquercio Enterprises, Inc. (d/b/a Elgin Toyota), BL Management One, LLC, Michael Robert Enterprises, Inc. (d/b/a Chicago Northside Toyota), Loquercio Automotive, Inc. (d/b/a Elgin Hyundai), Loquercio Automotive South, Inc. (d/b/a Honda City), Loquercio Automotive West, LLC (d/b/a Elgin Chrysler Dodge Jeep Ram), Loquercio Automotive North, LLC (d/b/a Dundee Ford), Loquercio Automotive Northside, LLC (d/b/a Toyota of Fox Lake), Loquercio Automotive MCH, LLC (d/b/a Michigan City Hyundai), Loquercio Automotive UC, LLC (d/b/a Elgin Auto Sales), effective May 2022, Loquercio Automotive Goshen, LLC (d/b/a Hyundai of Goshen and Buick of Goshen), effective August 2022, Loquercio Automotive MCK, LLC (d/b/a Michigan City Kia), and effective April 2023, AML Automotive Peoria, LLC (d/b/a Ford of Peoria), RPL Automotive Peoria, LLC (d/b/a Lexus of Peoria), and RPL Automotive Peoria 2, LLC (d/b/a Peoria Toyota) (collectively, the Company). Effective July 2023, Loquercio Automotive North, LLC (d/b/a Dundee Ford) ceased operations.

Effective January 1, 2023, employees are eligible to participate and receive discretionary employer matching contributions upon completion of two months of service and attaining age 18 (Note K). Prior to January 1, 2023, employees were eligible to participate and receive discretionary employer matching contributions upon completion of six months of service and attaining age 18. Employees must also be employed on the last day of the year to be eligible to receive discretionary profit contributions. Employees covered by a collective bargaining agreement are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

NOTE A - DESCRIPTION OF THE PLAN (Continued)

2. Contributions

The Plan is funded by voluntary traditional and Roth contributions of participants and discretionary matching and profit sharing contributions of the Company. Participants may contribute to the Plan, through regular payroll deductions, and participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions. Participants may also roll over amounts representing distributions from other qualified employee benefit plans. The Company provided discretionary matching contributions to the Plan amounting to \$256,146 for the year ended December 31, 2023. The Company made no discretionary profit sharing contributions to the Plan for the year ended December 31, 2023. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. A participant may also elect a different deferral percentage. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

3. Investment Options

Participants must direct their salary deferral contributions and the Company's contributions into a variety of investment funds made available and determined by Plan Management. Participants may change their investment options at any time.

4. Participant Accounts

Each participant's account is credited with the participant's contributions, an allocation of the Company's discretionary matching and profit sharing contributions, and an allocation of plan earnings. The Company's discretionary matching contribution is allocated based on a percentage of the participant's contributions. The Company's discretionary profit sharing contribution is allocated as of the last day of the plan year and is based on a ratio of each eligible participant's compensation to total compensation for all eligible participants. Plan earnings are allocated to participants' accounts in direct proportion to their respective account balances, based on the performance of participants' investment selections. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

5. Vesting

Participants are immediately fully vested in participant and rollover contributions plus the actual earnings thereon. The portion of the participants' accounts attributable to the Company's contributions becomes 20% vested after two years of service and continues to vest at the rate of 20% for each successive year until 100% vested after six years of service. In the event of death, disability, or retirement at designated ages, participants become fully vested.

6. Payment of Benefits

On termination of service, a participant may elect to receive a single, lump-sum payment equal to the value of his or her vested account balance, installments over a specified period of time, or a direct rollover distribution. In-service withdrawals starting at age 59 1/2 and hardship withdrawals are also permitted by the Plan.

Under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), participants who self-certified that they met certain criteria of the CARES Act were eligible for in-service distributions up to \$100,000 without penalty through December 31, 2020. These distributions are taxed ratably over a three year period, but may be repaid by the participant over the same three year period to avoid such taxes. Under the CARES Act, provisions may be implemented prior to a formal amendment being executed. Effective July 2022, the Plan has been amended and restated for benefit payment provisions of the CARES Act (Note K).

7. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Participants are permitted to take loans from the Plan up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. The loans are collateralized by the borrowers' respective vested account balances and bear interest at 5.25% to 10.50%. Principal and interest are paid through payroll deductions over a period not to exceed five years, unless for the purchase of a primary residence.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

7. Notes Receivable from Participants (continued)

Under the CARES Act (Note A-6), participants who self-certified that they met certain criteria of the CARES Act were permitted to take loans up to a maximum equal to the lesser of \$100,000 or 100% of their vested account through December 31, 2020. Self-certifying individuals were also able to defer payments on outstanding loans until January 1, 2021. Effective July 2022, the Plan has been amended and restated for participant loan provisions of the CARES Act (Note K).

8. Administrative Expenses

Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation in value of investments.

9. Forfeitures

At December 31, 2023 and 2022, unallocated plan assets resulting from forfeited nonvested accounts totaled \$103,346 and \$77,380, respectively. These accounts will be used to reduce future discretionary Company contributions, used for forfeiture reallocations, or pay the Plan's administrative expenses. Forfeitures used to reduce 2023 discretionary Company contributions were insignificant. There were no forfeitures reallocated to participants, and no forfeitures used to reduce Plan administrative expenses for the year ended December 31, 2023.

10. Revenue Sharing Account

At December 31, 2023 and 2022, unallocated Plan assets resulting from revenue sharing income received from the Plan's investment manager approximated \$61,000 and \$37,000, respectively. This account is used to reduce Plan administrative expenses or used for allocation to eligible participants. Revenue sharing income approximated \$78,500 for the year ended December 31, 2023. Revenue sharing income is recorded as other income in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023. Revenue sharing income approximating \$49,000 was used to fund Plan administrative expenses for the year ended December 31, 2023.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

11. Securing a Strong Retirement Act

The Securing a Strong Retirement Act (SECURE 2.0 Act) was signed into law on December 29, 2022, and includes mandatory and optional provisions with varying effective dates in 2023 and later. No optional provisions have been adopted through the report date.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting. The Plan recognizes employee contributions and the related discretionary employer matching contributions in the period in which the related employee contribution is withheld.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Bob Loquercio
Auto Group 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

2. Fair Value Measurements

Current accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include the following:

- * Quoted prices for similar assets or liabilities in active markets;
- * Quoted prices for identical or similar assets or liabilities in inactive markets;
- * Inputs other than quoted prices that are observable for the asset or liability;
- * Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the methodology used for the Plan's investments measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

2. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022.

Plan Investments at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 10,696,865	\$ -	\$ -	\$ 10,696,865
Total assets in the fair value hierarchy	\$ 10,696,865	\$ -	\$ -	\$ 10,696,865

Plan Investments at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 8,205,346	\$ -	\$ -	\$ 8,205,346
Total assets in the fair value hierarchy	\$ 8,205,346	\$ -	\$ -	\$ 8,205,346

3. Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan Management determines the Plan's valuation policies utilizing information provided by the investment advisers. See Note B-2 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

4. Use of Estimates

In preparing the Plan's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

5. Payment of Benefits

Benefits are recorded when paid.

NOTE C - INFORMATION CERTIFIED BY EMPOWER TRUST COMPANY, LLC
AND EMPOWER ANNUITY INSURANCE COMPANY OF AMERICA

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in value of investments, interest and dividends, interest income on notes receivable from participants and revenue sharing for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC (ETC) and Empower Annuity Insurance Company of America (EAIC).

NOTE D - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT WITH AN
INSURANCE COMPANY

The Plan holds a fully benefit-responsive investment contract with EAIC (Note C) through the Key Guaranteed Portfolio Fund, which is reported at contract value. Contract value represents contributions made to the contract, plus earnings, less participant withdrawals and administrative expenses.

EAIC maintains the contributions in its general account. EAIC guarantees the Plan a return of principal and interest under the terms of the contract. The interest crediting rating is updated quarterly based upon contract provisions, and it may not be less than 1.23%. EAIC's general account is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

Bob Loquercio

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE D - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT WITH AN INSURANCE COMPANY (Continued)

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following: (1) the Plan's failure to qualify under Section 401(a) of the Internal Revenue Code (IRC) or the failure of the trust to be tax-exempt under Section 501(a) of the IRC, (2) premature termination of the contracts, (3) Plan termination or merger, (4) changes to the Plan's prohibition on competing investment options, or (5) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following: (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreements without the consent of the issuer.

NOTE E - TAX STATUS

Prior to July 2022, the Plan had adopted a non-standardized form of a pre-approved Plan sponsored by ETC (Note C). Effective July 2022, the Plan has adopted a new non-standardized form of a pre-approved plan sponsored by ETC in connection with the amendment and restatement of the Plan (Note K). The pre-approved plan has received an opinion letter from the IRS as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable provisions of the IRC.

Bob Loquercio
Auto Group 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE E - TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants become fully vested in their respective account balances.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by Empower Advisory Group LLC. ETC and EAIC are the custodians, and Blue Chip Retirement Plans, Inc. is the third party administrator, as defined by the Plan. Therefore, transactions with these entities qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included as a reduction of the return earned on each investment. Fees paid by the Plan for administrative services are charged directly to the Plan and expensed accordingly.

The Plan issues loans to participants, which are secured by the vested balance in the participant's accounts and certain administrative fees related to the administration of the Plan were paid by the Plan or by the Company. These transactions qualify as party-in-interest. Employees of the Company provide administrative services to the Plan for which no fees are charged.

Bob Loquercio
Auto Group 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE I - PROHIBITED TRANSACTIONS

The Plan Sponsor failed to deposit employee contributions and loan repayments within the required time frame as stated by the DOL. The DOL considers late deposits to be prohibited transactions as disclosed in the accompanying supplemental schedule. Late deposits in 2019, 2020, 2021 and 2022 were corrected by the Plan Sponsor in November 2022 pursuant to the DOL's Voluntary Fiduciary Correction Program (VFCP) and formally approved by the DOL in October 2023.

NOTE J - EXCESS CONTRIBUTIONS PAYABLE

Excess contributions payable represents amounts withheld from participants in excess of IRS limitations that are to be refunded at year end. As of December 31, 2023, there were no excess contributions. As of December 31, 2022, \$3,873 of excess contributions were refunded in 2023.

NOTE K - AMENDMENT AND RESTATEMENT

The Bipartisan Budget Act (BB Act) has been formally enacted. Certain provisions of the BB Act would have had impact on the Plan for certain eligible participants. The BB Act will allow for the availability of immediate participant contributions to the Plan following a hardship distribution. Interested parties should refer to the BB Act for a more complete description of the provisions.

Effective July 2022, the Plan was amended and restated to be in compliance with the most recent IRS cycle requirement. As a part of this amendment and restatement, changes were made to comply with the provisions of the CARES (Note A-6 and A-7) and BB Acts.

Additionally as a part of this amendment and restatement, employees are now eligible to participate upon completion of two months (instead of six months) of service starting January 2023 (Note A-1).

Significant provisions of the amended and restated plan document are consistent with those of the current plan document, other than previously disclosed. Interested parties should refer to the plan document for a more complete description of the Plan's provisions.

NOTE L - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through August 20, 2024, the date that these financial statements were available to be issued. Plan management has determined that no events or transactions have occurred subsequent to the statement of net assets available for benefits date that require disclosure in the financial statements.
