Independent Auditors' Report

Plan Administrator
The Rawlings Group 401(k) Plan
LaGrange, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of The Rawlings Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the U. S. Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (a "qualified institution").

Management has obtained a certification from Fidelity Management Trust Company (the "Trustee"), a qualified institution, as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section—

- the amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

- the information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of The Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2023 financial statements.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2023 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the

certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Rawlings Group 401(k) Plan

December 31, 2023 and 2022

Note A--Description of Plan

The following description of The Rawlings Group 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General--The Plan is a defined contribution plan sponsored by The Rawlings Company LLC, Rawlings & Associates, PLLC, Rawlings Financial Services, LLC, The Rawlings Foundation, Inc., The Crab Orchard Animal Sanctuary, Inc., and Crab Orchard Farm (collectively referred to as the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). An employee becomes a participant in the Plan on the first entry date (first day of each month) coinciding with or immediately following attainment of age eighteen.

Contributions--A participant may agree to a deferral in salary as a percentage of his or her annual compensation, up to Internal Revenue Code ("IRC") limitations. If a participant elects to make salary deferral contributions to the Plan, the Company may make a discretionary employer matching contribution equal to 20% of the first 10% of compensation that a participant contributes to the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. The automatic deferral percentage is increased annually by 1% up to a maximum of 10% until changed by the participant. Contributions are automatically invested in a designated balanced fund until changed by the participant. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Participant Accounts--Each participant's account is credited with the participant's contribution, an allocation of the Company's contribution, Plan earnings, and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting--Participants are immediately vested in their voluntary contributions plus earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service.

Investment Options--Upon enrollment in the Plan, a participant may direct contributions to various investment options available as set forth in the Plan. Participants may change their investment options at any time during the year.

The Rawlings Group 401(k) Plan

December 31, 2023 and 2022

Note A--Description of Plan--Continued

Payment of Benefits--A participant who has become entitled to receive payment of benefits whether retired, disabled, deceased or terminated may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or receive monthly payments upon the purchase of a life annuity.

Notes Receivable from Participants--A participant may borrow a portion of such participant's vested accrued benefit under the Plan. Participants may borrow a minimum amount of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans must bear a reasonable interest rate and be repaid over a reasonable period of time not to exceed five years, except when the loan is secured by a home mortgage. Principal and interest are paid ratably through semi-monthly or bi-weekly payroll deductions. In response to the Coronavirus Disease pandemic, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") was enacted and includes provisions relating to participant loans.

Forfeitures--Forfeitures from nonvested accounts are used to reduce employer contributions. For the years ended December 31, 2023 and 2022, approximately \$38,000 and \$33,000, respectively, was utilized to reduce the employer contributions. There were no forfeitures remaining as of December 31, 2023 or 2022.

Note B--Summary of Accounting Policies

The Plan follows generally accepted accounting principles ("GAAP") as outlined in the Financial Accounting Standards Board ("FASB") *Accounting Standards Codification*. Significant accounting policies are as follows:

Basis of Accounting--The financial statements of the Plan are prepared using the accrual basis of accounting.

Investment Valuation and Income Recognition--The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

December 31, 2023 and 2022

Note B--Summary of Accounting Policies--Continued

Notes Receivable from Participants--Loans to participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded when received. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits--Benefits are recorded when paid.

Administrative Expenses--Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participants' accounts.

Estimates--The preparation of financial statements in accordance with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of asset and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Date of Management's Review--Subsequent events were evaluated through August 22, 2024, which is the date the financial statements were available to be issued.

Note C--Investments

Unaudited Information Certified by the Plan Trustee

The December 31, 2023 and 2022 statements of net assets available for plan benefits (excluding the employer's contributions receivable), the investment activities and the interest income on notes receivable from participants included on the statements of changes in net assets available for plan benefits for the years then ended, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Trustee in accordance with 29 CFR 2520.103-8 of the U.S. Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. The information certified includes total cash, investments, and notes receivable from participants of \$105,499,661 and \$83,496,915 for the years ended December 31, 2023 and 2022, respectively, and the related net investment income (loss) and interest income on notes receivable from participants of \$16,165,058 and (\$18,095,961) for the years then ended.

Note D--Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted market prices for identical assets (Level 1) and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair values of mutual funds are based on quoted net asset values of the shares held by the Plan at year end, and this is considered in Level 1 of the fair value tiers. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of mutual funds are based on the closing price reported on the active market where the individual securities are traded.

The self-directed brokerage accounts are invested primarily in mutual funds which are valued at the net asset value of shares held at year end in an active market.

Note D--Fair Value Measurements--Continued

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

		Fair Value Measurements Using:		
		Quoted Prices in Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>December 31, 2023</u>	<u>Fair Value</u>			
Mutual funds	\$ 102,528,792	\$ 102,528,792		
Self directed brokerage accounts	<u>1,441,003</u>	<u>1,441,003</u>		
Total Investments	<u>\$ 103,969,795</u>	<u>\$ 103,969,795</u>	<u>\$</u>	<u>\$</u>
 <u>December 31, 2022</u>				
Mutual funds	\$ 81,235,228	\$ 81,235,228		
Self directed brokerage accounts	<u>818,601</u>	<u>818,601</u>		
Total Investments	<u>\$ 82,053,829</u>	<u>\$ 82,053,829</u>	<u>\$</u>	<u>\$</u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022 are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2023, there were no transfers into or out of Levels 2 or 3.

Note E--Termination of the Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan and discontinue its contributions at any time subject to the provisions of ERISA. Upon termination of the Plan, participants become 100% vested in their account balances.

December 31, 2023 and 2022

Note F--Tax Status

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated June 30, 2020 that the Plan and related Trust, as then designed, were in accordance with applicable sections of the IRC. The Plan has been amended since receiving the determination letter. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt. As such, no provision for income taxes is included in these financial statements.

GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note G--Related Party Transactions

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the services amounted to \$15,525 and \$13,462 for the years ended December 31, 2023 and 2022, respectively. The Plan also holds notes receivable from participants, which also qualify as party-in-interest transactions.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

New Mountain is partnering with the Company's management team to support its next phase of growth, including investments in artificial intelligence, product development, and expansion into new markets and capabilities. As of this date, The Rawlings Company LLC and Rawlings Financial Services LLC are wholly owned by affiliates of New Mountain.

The transaction described above is not expected to have an effect on the status of and operation of the Plan.
