INDEPENDENT AUDITOR'S REPORT

To the Pension Committee
of the 403(b) Retirement Plan of Pioneer Resources, Inc.
Muskegon, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the 403(b) Retirement Plan of Pioneer Resources, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 403(b) Retirement Plan of Pioneer Resources, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Pension Committee
of the 403(b) Retirement Plan of Pioneer Resources, Inc.
Page 2

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the 403(b) Retirement Plan of Pioneer Resources, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Retirement Plan of Pioneer Resources, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Pension Committee
of the 403(b) Retirement Plan of Pioneer Resources, Inc.
Page 3

Auditor's Responsibilities for the Audit of the Financial Statements—Continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 403(b) Retirement Plan of Pioneer Resources, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Retirement Plan of Pioneer Resources, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BRICKLEY DELONG

To the Pension Committee
of the 403(b) Retirement Plan of Pioneer Resources, Inc.

Supplemental Schedules Required by ERISA—Continued

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE A—DESCRIPTION OF PLAN

The following description of the 403(b) Retirement Plan of Pioneer Resources, Inc. (Plan) provides only general information. For a more complete description of the Plan's provisions, refer to the agreement governing the Plan (Plan Document).

General

The Plan was established in October 1, 1996, and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended. The Plan is a defined contribution plan that covers active employees of Pioneer Resources, Inc. (Organization). Certain employee groups are excluded from the Plan. Employees are eligible to make deferrals effective on their first day of employment and are eligible for discretionary matching contributions upon attainment of age 18 and 1 year (1,000 hours) of service.

The Plan is sponsored and administered by the Organization. The majority of assets of the Plan are held by Lincoln Financial Group (Trustee), however, Mutual of America Financial Group (Mutual of America) continues to hold some of the assets on older individual accounts. Refer to Note F for more information.

Tax Status

The Plan is required to operate in accordance with the Internal Revenue Code (IRC) to maintain the tax exempt status for Plan participants under Section 403(b). Plan management believes the Plan is currently designed and operating in accordance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in all contributions.

Contributions

Each year, participants may contribute an amount of pretax annual compensation as defined in the Plan. Participants may also make Roth 401(k) after-tax elective deferrals and have earnings distributed tax-free if certain requirements are met. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a variety of mutual funds and a stable value fund as investment options for participants. The Organization may make a discretionary matching contribution to participant accounts. Contributions are subject to certain limitations.

NOTE A—DESCRIPTION OF PLAN—Continued

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Organization's discretionary matching contributions, and (b) Plan earnings as well as an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their deferral contributions plus actual earnings thereon. Vesting in the Organization's discretionary matching portion of their account is based upon years of service. Participants are generally 100 percent vested after three years of credited service.

Notes Receivable from Participants

Participants may borrow from their accounts for any reason a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vest account balance. The loans are secured by the balance in the participant's account and bear interest commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through quarterly installments.

Payment of Benefits

On termination of service due to death, disability, retirement, or other separation of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or through an annuity distribution. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed by the participant may be withdrawn for a hardship purpose. Certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½.

Forfeited Accounts

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. Forfeitures may be used to reduce the employer matching contributions or pay Plan expenses. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$370 and \$3,616, respectively. During 2023 and 2022, Organization contributions were reduced by \$3,663 and \$0, respectively, from forfeited nonvested accounts.

NOTE B—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE B—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES—Continued

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determine the Plan's valuation policies utilizing information provided by the investment advisor/bank trustee. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes receivable are reclassified as distributions, based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value investments.

Subsequent Events

The Plan has evaluated subsequent events through August 12, 2024, which is the date the financial statements were available to be issued.

NOTE C—INVESTMENTS

Information Certified by the Plan's Trustees

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Lincoln Financial Group and Mutual of America, the Trustees of the Plan, have collectively certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the supplemental schedule of assets (held at end of year) as of December 31, 2023, and the related investment activity reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022.

403(b) Retirement Plan of Pioneer Resources, Inc.
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE D—FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 – Inputs to the valuation methodology are quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is value at the net asset value of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE D—FAIR VALUE MEASUREMENTS—Continued

The following table summarizes by level, within the fair value hierarchy, the financial assets of the Plan at fair value as of December 31, 2023 and 2022:

	Assets at Fair Value as of			
	December 31, 2023		December 31, 2022	
	Level 1	Total	Level 1	Total
Investments in the fair value hierarchy:				
Mutual funds	<u>\$ 1,870,838</u>	\$ 1,870,838	<u>\$ 1,497,269</u>	\$ 1,497,269
Investments measured at net asset value*				
Stable value fund		370		3,616
Investments at fair value		<u>\$ 1,871,208</u>		<u>\$ 1,500,885</u>

*In accordance with Subtopic 82-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investment	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable Value Fund				
Lincoln Stable Value Account, December 31, 2023	\$ 370	N/A	Daily	N/A
Lincoln Stable Value Account, December 31, 2022	\$ 3,616	N/A	Daily	N/A

NOTE E—PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan, including the Plan Sponsor. Certain Plan investments are shares of mutual funds and a stable value fund managed by Lincoln Financial Group and Mutual of America (trustees), and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. In addition, other Plan transactions such as participant loans also qualify as party-in-interest transactions.

NOTE F—OTHER

The Plan maintains accounts with Mutual of America that represent individual annuities under IRS Code Section 408(b). As of January 1, 2021, the effective date of the trustee transfer to Lincoln Financial Group, there were certain participants who elected to not move their annuities, but instead opted to leave their annuities with Mutual of America. The total Plan assets remaining at Mutual of America as of December 31, 2023 and 2022 totaled \$239,578 and \$261,394, respectively.
