INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
IG US Holdings, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of IG US Holdings, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule of Assets Held at End of Year as of December 31, 2022 and Schedules of Delinquent Participant Contributions for the years ended December 31, 2022 and 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

IG US HOLDINGS, INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the IG US Holdings, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General and Eligibility. The Plan is a defined contribution plan, established on January 1, 2011. On January 1, 2022, the Plan entered into a merger and transfer agreement with the IG US Holdings, Inc. 401(k) Plan. Assets of \$7,324,749 for related participants were transferred into the Plan. On January 1, 2022, the Plan was amended to change the name of the plan from Tastytrade 401(k) Profit Sharing Plan and Trust to IG US Holdings, Inc. 401(k) Plan.

The Plan covers all employees of IG US Holdings, Inc. (the “Employer”), excluding employees covered by a collective bargaining agreement and nonresident aliens, who are 21 years of age and have completed at least 1 month of service.

Effective January 1, 2022, eligible employees are automatically enrolled in the Plan at pretax deferrals of 5% of their total compensation unless they elect to enroll otherwise.

Empower Trust Company, LLC (the “Custodian”) acts as the custodian and as the record-keeper and service provider for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Custodian is a qualified institution pursuant to ERISA.

Contributions. Participants may voluntarily elect to contribute between 1% and 92% of their pre-tax compensation and/or between 1% and 92% of their post-tax compensation as defined in the Plan, subject to maximum amounts established by the Internal Revenue Code (“IRC”). Participants who reach age 50 by the end of the Plan year may make additional catch-up contributions.

The Plan allows for Employer safe-harbor matching contributions of 100% of participant contributions up to 3% of base compensation plus 50% of the amount of the participant’s contributions that exceed 3% of the participant’s compensation not to exceed 5% of the participant’s compensation, as determined each pay period. Employer profit-sharing contributions, if any, may be made annually at the discretion of the Company to eligible employees who accrued at least one year or 1,000 hours of service with the Company, at least 500 hours of service during the plan year and were employed as of the last day of the plan year. The Company did not elect any such contributions for the year ended December 31, 2022.

The Plan accepts rollovers and transfers in accordance with certain rules. Rollover contributions consist of transfers from other qualified plans which participants have elected to include with the Plan. In no event shall the contributions credited to a participant’s account for any Plan year, either separately or when combined with Employer contributions, exceed the allowable deductions for federal income tax purposes.

Participant Accounts. Each participant’s account is credited with the participant’s elective deferral, any Employer contributions, and the participant’s earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings (losses) or account balance as described in the Plan document. Employer contributions are allocated to participants’ accounts based on participants’ eligible compensation. Employer contributions to the Plan are invested among investment funds in the same proportion as the participant’s contribution.

Investment Options. Participants may direct the investment of their accounts into various investment funds provided by the Plan. Participants are allowed to change their investment options daily.

Vesting. Participants are immediately vested in their contributions and Employer safe-harbor contributions, plus actual earnings or losses thereon. Participants vest in discretionary Employer profit sharing contributions and earnings thereon ratable over four years.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN (Concluded)

Notes Receivable from Participants. Notes receivable to participants during employment are permitted and are outlined in the Plan document. A participant may borrow up to 50% (but not greater than \$50,000) of their vested interest in their account under a Plan loan provision. The notes are secured by the balance in the participant's account and bear interest based on the prime rate at issuance, established by commercial lending institutions, plus 1.00%. The notes are repaid ratably through payroll deductions over a period of five years or less except for the purchase of a principal residence which may be repaid over a reasonable period of time that may be longer than five years.

Payments of Benefits. Upon termination, retirement, or death, a participant or their beneficiary is eligible to receive a lump-sum equal to the value of the vested interest in their account. Normal retirement is defined as the attainment of age 65. The Plan does not provide for early retirement. Other withdrawals from participant's account balances may be made under certain circumstances, as defined in the Plan document.

Forfeitures. Forfeitures, if any, may be used to reduce Employer matching contributions or administrative fees. The forfeiture account balance was \$65,026 and \$7,439 as of December 31, 2022 and 2021, respectively. There were no forfeitures used to reduce Employer matching contributions or administrative fees for the year ended December 31, 2022.

Recent Legislation. The SECURE Act 2.0 was signed into law on December 23, 2022. The SECURE Act 2.0 allows more part-time workers to participate, increases the age for required minimum distributions and reduces the penalty for missed minimum distributions, permits plan participants to elect to receive vested employer contributions on an after-tax basis, and allows penalty free withdrawal for terminal illness, effective January 1, 2023. Additionally, it will allow for higher catch-up contributions, allow for matching contributions on student loan payments, permit plan sponsors to add an emergency savings account to their retirement plans, increase the availability of penalty-free withdrawals, and add automatic enrollment error relief provisions, effective January 1, 2024.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Concentration of Credit Risk. Substantially all of the Plan's assets are held by the Custodian who executes all investment transactions. The Custodian is a qualified institution pursuant to ERISA.

Basis of Accounting. The accompanying financial statements have been prepared on the accrual method of accounting.

Estimates and Assumptions. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan's administrator ("Plan Administrator") to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. Future events and their effects cannot be predicted with certainty; accordingly, accounting estimates require the exercise of judgment. Accounting estimates used in the preparation of these financial statements change as new events occur, as more experience is acquired, as additional information is obtained, and as the operating environment changes.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's valuation policies are determined utilizing information provided by the Custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Concluded)

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments. Benefits are recorded when paid.

Administrative Expenses. Certain administrative functions are performed by employees of the Employer. No such employee receives compensation from the Plan. Administrative expenses of the Plan are charged against earnings, except to the extent expense are paid by the Employer.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIAN

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedules that were prepared by the Custodian and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Custodian that such information is complete and accurate:

- Investments and notes receivables from participants as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment income (loss) and interest on notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2022.
- Note 4: All investment balances.
- The schedule of assets held for investment purposes at end of year as of December 31, 2022, as shown on Form 5500, Schedule H, Part IV, Line 4i.

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1.** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2.** Inputs to the valuation methodology include the following:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3.** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

(Continued)

IG US HOLDINGS, INC. 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Mutual Funds. Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes the valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

All of the Plan's assets at fair value were in Level 1 of the fair value hierarchy as of December 31, 2022 and 2021.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

NOTE 6 – INCOME TAX STATUS

The Internal Revenue Service issued an opinion letter dated June 30, 2020 indicating that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Service. Although the Plan has been amended from the original prototype document, Plan management believes that the Plan is currently being operated in accordance with the IRC.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the financial statements and supplemental schedules.

NOTE 8 – DELINQUENT PARTICIPANT CONTRIBUTIONS

The Employer inadvertently failed to deposit participant contributions totaling \$363,083 and \$110,818 to the Plan timely during the years ended December 31, 2022 and 2021, respectively. The Employer has stated they will use the self-correction program and remitted lost earnings to the Plan and filed Form 5330 with the IRS and paid applicable excise taxes, which will be paid from Employer funds and not Plan assets.
