As of December 7, 2023 and December 31, 2022,  
and for the Period From January 1, 2023 to December 7, 2023

## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of  
First National Bank of South Miami 401(k) Savings Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of First National Bank of South Miami 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 7, 2023 and December 31, 2022, and the related statement of changes in net assets available for benefits for the period from January 1, 2023 to December 7, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of First National Bank of South Miami 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 7, 2023 and December 31, 2022, and for the period from January 1, 2023 to December 7, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of First National Bank of South Miami 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about First National Bank of South Miami 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of First National Bank of South Miami 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about First National Bank of South Miami 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Emphasis of Matter – Plan Merger**

As discussed in Note 1A to the financial statements, effective July 1, 2023, the Plan was formally amended and approved for merger into the United Community Banks, Inc. 401(k) Plan. As a result, all Plan assets were transferred out of the Plan on December 7, 2023. Our opinion is not modified with respect to that matter.

NOTE 1 – DESCRIPTION OF PLAN

The following description of the First National Bank of South Miami 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(A) GENERAL

The Plan was established on January 1, 1987 by First National Bank of South Miami (the "Bank") under the provisions of Section 401(a) of the Internal Revenue Code (the "Code"), as amended, for the benefit of eligible employees of the Bank. Bank employees will be eligible to make deferral contributions and receive safe harbor matching contributions when they have attained age 20.5 and have completed one month of eligible service, as defined. Eligible employees are allowed to make elective deferrals on the first day of the month following completion of the eligibility requirements.

Bank employees become a participant of the profit sharing contribution and eligible to receive discretionary profit sharing contributions, if any, when they have attained the age of 20.5 and complete one year of eligible service, as defined. The entry date is: (a) first day of the first month of the Plan year or (b) first day of the seventh month of the Plan year coinciding with or next following the date they become a participant.

The Plan is subject to and conforms with the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective July 1, 2023, plan management formally amended the Plan and approved the merger of the Plan with and into the United Community Banks, Inc. 401(k) Plan. As a result, all assets were transferred from the Plan into the United Community Banks, Inc. 401(k) Plan on December 7, 2023.

(B) CONTRIBUTIONS

Eligible employees can contribute up to the maximum percentage allowable, subject to certain limitations under the Code. Participants may contribute any combination of pre-tax elective deferrals and Roth elective deferrals from 1% to 100% of eligible compensation. The Bank matched 100% of a participant's contributions that were not in excess of 3% of a participant's eligible compensation plus 50% of the amount of a participant's contributions that exceeded 3% but had not exceeded 5% of a participant's eligible compensation through December 7, 2023. The Bank matched approximately \$183,000 for the period ended December 7, 2023. The total maximum allowable contribution per participant to the Plan directly from the participant was \$22,500 for 2023, not including the catch-up contributions of \$7,500 allowed for participants over the age of 50.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

(B) CONTRIBUTIONS (CONTINUED)

The Bank did not make any profit sharing contributions during the period ended December 7, 2023.

In order to satisfy the nondiscrimination rules of Section 401(k) of the Code, contributions are limited to the extent necessary to reduce the actual deferral percentage of the highly compensated group, as defined by the Code.

(C) VESTING

Participants are immediately vested in their elective deferral plus actual earnings thereon, rollover contributions, as well as the Bank's safe harbor contributions. Vesting in the Bank's discretionary profit sharing contributions plus actual earnings thereon is based on years of continuous service with the Bank as follows:

<u>Completed Years of Service</u>	<u>Vested Percent</u>
Less than 2 years	0%
At least 2 years, but less than 3	20%
At least 3 years, but less than 4	40%
At least 4 years, but less than 5	60%
At least 5 years, but less than 6	80%
At least 6 years or more	100%

Participants are 100% vested, regardless of years of service, when they become disabled, or death occurs.

(D) PAYMENT OF BENEFITS

The Plan provides for distribution of accumulated benefits upon death, disability, or retirement of participants. Upon termination of service, participants are entitled to the value of their accumulated balance, subject to the vesting limitations as described above. Payment options for distributions for other than death include lump-sum distributions, partial distributions, or installment distributions, as defined in the Plan documents.

The Plan also allows participants that qualify for financial hardship, as defined, to withdraw funds while still employed. In addition, corrective distributions are recorded as benefits paid to participants in the accompanying statement of changes in net assets available for benefits.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

(E) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, the Bank's matching contributions, and an allocation of the investment earnings, based upon each participant's election, and charged with an allocation of administrative expenses paid by the Plan. The benefit to which a participant is entitled upon withdrawal from the Plan, as defined above, is the vested balance in the participant's account.

(F) INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct employee contributions, employer matching contributions, as well as discretionary profit sharing contributions and any related earnings to the investment options offered by the Plan. Participants may change their investment elections at any time. Empower Retirement, LLC, a qualified institution, was the appointed custodian of the Plan's assets as of December 7, 2023 and December 31, 2022. As a result of the Plan merger, approximately, \$8,940,000 in notes receivable from participants were transferred to the United Community Banks, Inc. 401(k) Plan on December 7, 2023.

(G) NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of (a) \$50,000 minus the difference between the highest outstanding balance of loans in the past twelve months and the outstanding loans on the date the new loan is being requested or (b) 50% of their vested account balance. The notes bear a fixed interest rate at prime plus 1%. Participants are permitted to have one loan outstanding at any time.

The loans are secured by the balance in the participant's account. Principal and interest is repaid through payroll deductions over a period of no more than five years unless the loan is used to purchase a primary residence which then allows for the repayment over ten years. The loan becomes payable in full upon the employee's termination. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. As a result of the Plan merger, approximately, \$16,000 in notes receivable from participants were transferred to the United Community Banks, Inc. 401(k) Plan on December 7, 2023.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

(H) FORFEITED ACCOUNTS

Non-vested portions of matching contributions are forfeited as of an employee's termination date. Pursuant to the Plan, forfeitures may be used to pay administrative expenses and to reduce matching and non-elective contributions. During the period ended December 7, 2023, no forfeitures were used to pay plan expenses or fund matching contributions. At December 31, 2022, there was a remaining forfeiture balance of approximately \$1,000. As a result of the Plan merger, the remaining forfeiture balance of approximately \$1,000 were returned to the plan sponsor, First National Bank of South Miami.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

(A) BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting for defined contribution plans in accordance with accounting principles generally accepted in the United States of America.

(B) INVESTMENT VALUATION AND INCOME RECOGNITION

Investments of the Plan are reported at fair value (except for the fully benefit responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Note 3 further details the fair value measurements of the Plan.

Purchases and sales of securities are recorded on a trade date basis. Dividends and interest income are recorded by the custodians in the period earned. Net realized and unrealized appreciation or depreciation in the fair value of investments consists of the change in unrealized appreciation or depreciation and the realized gain or loss on the sale of investments during the year. Acquisition costs are included in the cost of investments purchased and sales are recorded net of selling expenses. Investments are self-directed by the individual Plan participants.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(C) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 7, 2023 December 31, 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. There were no participant loans recorded as benefit payments during the period ended December 7, 2023.

(D) USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. Accordingly, actual results may differ from those estimates.

(E) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(F) PAYMENT OF BENEFITS

Benefits are recorded when paid.

(G) PLAN ADMINISTRATION EXPENSES

Certain expenses of maintaining the Plan are paid by the Bank and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation or depreciation in fair value of investments. During the period ended December 7, 2023, approximately \$19,000 in administrative expenses were incurred by the Plan.

(H) MANAGEMENT REVIEW OF SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 20, 2024, the date on which the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

Plan investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for similar assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds – The fair value of mutual funds is based on quoted net asset values (“NAV”) of the shares held by the Plan at year-end.

Variable Annuities - The fair value of variable annuities are based on the accounting unit value similar to a mutual fund NAV calculation. The unit values are calculated daily by the annuity provider according to the methods described in the annuity contract.

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

Due to the Plan merger, there were no investments held as of December 7, 2023. The following table sets forth, by level within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2022:

December 31, 2022	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 3,557,878	\$ -	\$ -	\$ 3,557,878
Variable annuities	<u>-</u>	<u>3,154,425</u>	<u>-</u>	<u>3,154,425</u>
Total assets in the fair value hierarchy	<u>\$ 3,557,878</u>	<u>\$ 3,154,425</u>	<u>\$ -</u>	6,712,303
Investments measured at NAV*				<u>2,642,137</u>
Total investments				<u>\$ 9,354,440</u>

\*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

All of these investments valued at NAV have no unfunded commitments or redemption restrictions and can be redeemed daily.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the period ended December 7, 2023 are reported as net appreciation in fair value of investments.

NOTE 4 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan entered into a traditional fully benefit-responsive investment contract with MassMutual. The investment has a balance of \$3,142,007 as of December 31, 2022. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and specified interest rate.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported by MassMutual, represents contributions plus credited interest less participant withdrawals and fees. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan’s ability to receive amounts due is dependent upon the issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE 4 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (CONTINUED)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include but may not be limited to the following: (1) the complete or partial termination of the Plan, (2) the establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or change in the administration or operation of the Plan, including the removal of a group of employees from the Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants. As a result of the Plan merger, all plan assets invested in the contract were transferred to the United Community Banks, Inc. 401(k) Plan on December 7, 2023.

NOTE 5 – PLAN TERMINATION AND MERGER

Although it has not expressed any intent to do so, the Bank has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balance, including employer contributions.

Effective July 1, 2023, plan management formally amended the Plan and approved the merger of the Plan with and into the United Community Banks, Inc. 401(k) Plan. As a result, all assets were transferred from the Plan into the United Community Banks, Inc. 401(k) Plan on December 7, 2023 and the Plan was terminated.

NOTE 6 – TAX STATUS

The Plan has adopted a standardized plan, which has obtained an opinion letter from the Internal Revenue Service ("IRS") dated November 14, 2022, in which the IRS stated that the form of the Plan was acceptable under section 401 of the Internal Revenue Code. Although the Plan has been amended from that prototype since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been made.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Empower. Therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants are also considered party-in-interest transactions.

NOTE 9 – FIDELITY BONDING

The Bank maintains a fidelity bond of \$500,000 for Plan fiduciaries and individuals who handle the funds of the Plan, pursuant to the requirements of ERISA.
