## Independent Auditor's Report

To the Board of Trustees  
**Sundance Institute 401(k) Retirement Plan**

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the financial statements of **Sundance Institute 401(k) Retirement Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of **Sundance Institute 401(k) Retirement Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Sundance Institute 401(k) Retirement Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Sundance Institute 401(k) Retirement Plan's** ability to continue as a going concern for one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Sundance Institute 401(k) Retirement Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Sundance Institute 401(k) Retirement Plan's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matter***

#### ***Supplemental Schedule Required by ERISA***

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# **SUNDANCE INSTITUTE 401(K) RETIREMENT PLAN**

Notes to Financial Statements  
For the Years Ended December 31, 2023 and 2022

## **1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### **Basis of Accounting**

The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP) using the accrual basis of accounting.

### **Use of Estimates**

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

### **Investment Valuation and Revenue Recognition**

The Plan's investments are stated at fair value. Shares of mutual funds are valued at net asset value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividend income is accrued on the ex-dividend date. Net appreciation includes the Plan's realized and unrealized gains and losses on investments bought and sold as well as held during the year.

In general, these securities are exposed to various risks and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying statements of net assets available for benefits.

The plan holds fully benefit responsive guaranteed investment contracts. The statement of net assets available for benefits presents the contract value basis for fully benefit responsive investment contracts because that is the amount participants would receive in a transaction. For these contracts, the plan believes contract value equivocates fair value.

### **Notes Receivable from Participants**

The notes receivable from participants are valued at their outstanding balances plus any accrued but unpaid interest, which approximate fair value. Interest income is recorded on the accrual basis. Related fees are charged to the participant's account as administrative expenses and are expensed when they are incurred. Delinquent notes receivable are reclassified as distributions based upon terms of the Plan document.

### **Contributions Receivable and Allowance for Credit Losses**

Employee contributions which are withheld through payroll deductions and have not been credited to the participant accounts as of the end of the fiscal year are recorded as contributions receivable. An allowance for credit losses is not considered necessary. There were no amounts receivable as of December 31, 2023 and 2022, respectively.

## **1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

### **Operating Expenses**

The Plan and Plan Sponsor pay a portion of the costs of administering the plan.

## **2. DESCRIPTION OF THE PLAN**

The following description of the Sundance Institute (the Company or the Employer) 401(k) Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

### **General**

The Plan is a defined contribution plan covering employees classified as Institute Staff who are age twenty-one or older, with dual eligibility criteria for deferrals and employer contributions. Eligible employees must have completed at least one hour of service during their first three months of employment to participate in the plan via elective deferral. Eligible employees must work 1,000 hours and complete one year of service to participate in the plan via employer contribution. Employees are able to participate in the plan on the first day of the month following the date the employee meets the eligibility requirements. For Program Staff that are rehired as Institute Staff who did not previously meet the 1,000 hours of service requirement, eligibility is determined based upon hours of service in a plan year. Upon meeting the hours requirement, the employees are eligible to enter the plan at the beginning of the next plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

### **Contributions**

Each year, plan participants may contribute any amount up to IRS limits of pretax annual compensation, as defined in the Plan. In addition, participants over age 50 may contribute an additional amount as specified by IRS guidelines. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans. Annually, the Company may elect to satisfy safe harbor rules. If elected, related contributions will be at least 3% of every participant's salary independent of the participant's contribution. Additional discretionary contributions may be contributed at the option of the Company's Board.

### **Vesting**

Participants are vested immediately in their contributions, rollovers from other plans, and safe harbor contributions. Participants are vested in the employer contribution portion of their accounts based on years of continuing service. A participant is 100% vested after three years of credited service. A year of credited service is any year in which an employee has at least 1,000 hours of service. The account vests equally over the three years.

## **2. DESCRIPTION OF THE PLAN (Continued)**

### **Participant Accounts**

Each participant's account is credited with the (a) participant's contribution and (b) allocations of the Company's contribution. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

### **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

### **Notes Receivable From Participants**

Participants may borrow from their accounts the lesser of (a) \$50,000 reduced by the highest outstanding loan balance of loans during the one-year period ending on the day before the new loan is made or (b) the greater of (1) or (2), reduced by (3) below: (1) One-half of the Member's Vested Account, (2) \$10,000, (3) Any outstanding loan balance on the date the new loan is made. The amount of such loan cannot exceed 50% of the amount of the Member's Vested Account reduced by any outstanding loan balance on the date the new loan is made. The minimum amount of any loan is \$1,000.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Notes receivable from participants are exempt party-in-interest transactions.

### **Benefit Payments**

On termination of service, disability, retirement, or death, a participant will receive a lump-sum amount equal to the vested value of his or her account on the distribution date. This amount can be paid directly to an account of the participant's choice or rolled over to an eligible retirement plan. Under certain circumstances, including financial hardship, participants may withdraw their contributions prior to occurrence of the events. The plan administrator determines financial hardship.

### **Forfeitures**

During the plan periods ended December 31, 2023 and 2022, the value of forfeited non-vested accounts was **\$5,700** and \$11,347, respectively. These accounts were used to reduce employer contributions and pay plan expenses. The respective use was in accordance with the terms of the Plan.

### **3. TAX STATUS**

The Plan is set up as a prototype plan, which the Internal Revenue Service has advised qualifies under Section 401(k) of the Internal Revenue Code and is, therefore, exempt from federal income taxes.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income examination for years prior to 2019.

### Fair Value Measurements

FASB Accounting Standards Codification (ASC 820) *Fair Value Measurements* and Disclosures establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value of a financial instrument is the amount that would be received to see an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). Accordingly, when market observable data is not readily available, the Plan's own assumptions are set to reflect those that market participants would be presumed to use in pricing the asset or liability at the measurement date. Financial assets and financial liabilities recorded in the statement of net assets at fair value are categorized based on the reliability of inputs to the valuation techniques as follows:

**Level 1** – Financial assets and financial liabilities whose values are based on unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access. Examples include prices derived from NYSE, NASDAQ, Chicago Board of Trade, and Pink Sheets.

**Level 2** – Financial assets and financial liabilities whose values are based on (a) quoted prices for similar assets or liabilities in active markets, (b) quoted prices for identical or similar assets or liabilities in non-active markets, or (c) valuation models whose inputs are observable, directly or indirectly, for substantially the full term of the asset or liability. Examples include matrix pricing, market corroborated pricing, and inputs such as yield curves and indices.

**Level 3** – Financial assets and financial liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. These inputs reflect the Plan's estimates of the assumptions that market participants would use in valuing the financial asset and financial liabilities. Examples include investment manager pricing for price placements, private equities, hedge funds, etc.

The Plan uses prices and inputs that are current as of the measurement date, including during periods of market disruption. In period of market disruption, the ability to observe prices and inputs may be reduced for many instruments. This condition could cause an instrument to be reclassified from Level 1 to Level 2 or from Level 2 to Level 3.

## 7. **GUARANTEED INVESTMENT CONTRACT WITH STANDARD INSURANCE COMPANY**

In 2017, the Plan entered into a fully benefit-responsive guaranteed investment contract with Standard Life Insurance Company (Standard). Standard maintains the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract.

Contract value, as reported to the Plan by Standard, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include complete or partial Plan termination.

The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring. The guaranteed investment contract does not have a maturity date. The provisions do not provide for a distribution at book value at some specified future date. A contract holder can request a lump sum distribution with a market value adjustment, or an installment payout, at book value, over a period of years. The contract continues in force until all assets have been distributed, or no further payments are due. The balance as of December 31, 2023 and 2022 is **\$459,609** and \$684,219, respectively.

## 8. **DATE OF MANAGEMENT'S REVIEW**

Management has evaluated subsequent events through the date of the independent auditor's report, which is the date the financial statements were available to be issued. No events have occurred subsequent to December 31, 2023 requiring recording or disclosure in these financial statements.

# SUNDANCE INSTITUTE 401(K) RETIREMENT PLAN

## **REQUIRED COMMUNICATIONS WITH MANAGEMENT AND GOVERNANCE**

*For the Year Ended December 31, 2023*

July 30, 2024

To Management and Governance  
Sundance Institute 401(k) Retirement Plan:

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of Sundance Institute 401(k) Retirement Plan (the Plan) as of and for the year ended December 31, 2023, and have issued our report thereon dated July 30, 2024. Professional standards require that we advise you of the following matters relating to our audit.

### **Our Responsibility in Relation to the Financial Statement Audit**

As communicated in our engagement letter dated May 5, 2024, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

### **Compliance with All Ethics Requirements Regarding Independence**

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

### **Significant Risks Identified**

We have identified the following significant risks:

1. Compliance with Internal Revenue Service and Department of Labor Regulations
2. Compliance with Plan Document

### **Qualitative Aspects of the Plan's Significant Accounting Practices**

#### *Significant Accounting Policies*

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 1 to the financial statements. During the year ended December 31, 2023, the Company adopted ASU 2016-13, *Financial Instruments – Credit Losses*. Accordingly, the accounting, presentation, and disclosures with the financial statements have been updated to align with the requirements of this standard. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

#### *Significant Accounting Estimates*

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

Significant accounting estimates reflected in the Plan's financial statements include the determination of the fair value of investments, which are not audited by us as part of an ERISA Section 103(a)(3)(C) audit.

#### *Financial Statement Disclosures*

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the Plan's financial statements relate to: the fair value estimates for investments.

### **Significant Unusual Transactions**

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. We did not identify any significant unusual transactions as a result of our audit procedures.

### **Form 5500 Procedures**

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

### **Significant Difficulties Encountered During the Audit**

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

### **Uncorrected and Corrected Misstatements**

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. No uncorrected misstatements were identified as a result of our audit.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. No material misstatements were identified as a result of our audit.

### **Disagreements with Management**

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

### **Management Representations**

We have requested certain representations from management that are included in the management representation letter dated July 30, 2024.

### **Management's Consultations with Other Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

### **Other Significant Matters, Findings, or Issues**

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

### ***Internal Control Findings***

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the Plan as of and for the year ended December 31, 2023 in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Management has determined it is permissible in the circumstances and has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to

any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the plan's financial statements will not be prevented, or detected and corrected on a timely basis. A reasonable possibility exists when the likelihood of an event occurring is either reasonably possible or probable as defined as follows:

- Reasonably possible. The chance of the future event or events occurring is more than remote but less than likely.
- Probable. The future event or events are likely to occur.

Our consideration of internal control was for the limited purpose described above and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Other Matters**

The ERISA-required supplemental schedule was subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This communication is intended solely for the information and use of management, governance and others within the organization, and is not intended to be, and should not be, used by anyone other than these specified parties.

Sincerely,
