Retirement Committee
Renaissance Learning, Inc. 401(k) Savings Plan
Wisconsin Rapids, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Renaissance Learning, Inc. 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The ERISA-Required supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the ERISA-Required supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional

procedures in accordance with GAAS. For information included in the ERISA-Required supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the ERISA-Required supplemental schedule, we evaluated whether the ERISA-Required supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the ERISA-Required supplemental schedule, other than the information in the ERISA-Required supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the ERISA-Required supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Renaissance Learning, Inc. 401(k) Savings Plan

Notes to Financial Statements

1. Description of Plan

The following description of Renaissance Learning, Inc. 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 1992. It is a defined contribution plan covering all eligible employees of Renaissance Learning, Inc. (the Employer and Plan Sponsor). On April 1, 2023, the Plan was amended to include predecessor service for employees of BK Interactive, LLC, which was acquired by the Plan Sponsor in March 2023. The Plan has been amended throughout the years to comply with tax legislation and was most recently restated effective September 28, 2023. The Plan is designed to comply with Section 401(k) and the regulations thereunder of the Internal Revenue Code (IRC) as amended and is subject to the provisions of the Employee Retirement Income Security Act of 1974 as amended (ERISA). WoodTrust Bank is the trustee of the Plan.

Eligibility

Employees become eligible to participate in the Plan on the first day of every month provided they have reached the age of 18.

Contributions

The Plan includes an auto-enrollment provision, whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation, and their contributions invested in the designated default fund until changed by the participant.

Participants are allowed to contribute up to 85% of pretax annual compensation, as defined by the Plan. Participants are permitted to designate all or part of salary deferrals as a Roth after-tax contribution. The Plan allows participants to rollover distributions from other permissible retirement plans. Participants direct the investment of contributions into various investment options offered by the Plan.

During the year ended December 31, 2023, the Employer match was \$0.75 for each \$1.00 contributed by a participant. The maximum Employer matching contribution is limited to 4.5% of a participant's annual base compensation. The Employer has the option to make additional discretionary contributions to the Plan. The Employer made no discretionary contributions in 2023.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Employer's matching contribution, and allocations of (a) the Employer's discretionary contribution, if any; (b) Plan earnings; and (c) gain or losses on investments. Participant accounts are charged with distributions requested from their account and an allocation of administration expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant

Renaissance Learning, Inc. 401(k) Savings Plan

Notes to Financial Statements

transactions, as defined. The benefit to which a participant is entitled to at any point in time is the vested value of the participant's account.

Participants may direct their contributions among one or more funds. Changes in allocation of future contributions and transfers among funds of presently invested contributions are permitted pursuant to the Plan's provisions.

Vesting

Participants are fully vested in their salary deferral and rollover contributions plus actual earnings/losses thereon. Vesting in the Employer's matching and discretionary contributions, plus actual earnings/losses thereon is based on years of service. Participants who leave the Plan because of death, disability retirement, or those that reach early retirement age, as defined in the Plan Agreement, are considered 100% vested.

Employer matching and discretionary contributions vest in accordance with provisions of the Plan as follows:

Years of Service	Vesting (%)
-	-
1	33
2	66
3	100

Notes Receivable from Participants

The maximum amount that a participant may borrow is the lesser of \$50,000 or 50% of their vested balance. Participants may request general loans for any reason. Loan transactions are treated as a transfer between the investment fund and the participant loan account. Loan terms range from one to five years, or up to 15 years for the purchase of a primary residence. Loans are secured by the balance in the participant's account. Participant loans have a fixed rate of interest based on the prime rate of loan origination plus 2%. As of December 31, 2023, interest rates on existing loans ranged from 3.25% to 10.50% with maturities ranging between 2024 and 2046. Principal and interest is paid ratably through payroll deductions. Each participant may not have more than one loan outstanding at any time.

Payment of Benefits

Upon termination of service, retirement, death, or disability, a participant or their beneficiaries may receive a lump-sum amount equal to the vested value of the participant's account. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions. If a terminating participant's vested account balance does not exceed \$1,000, the Plan will distribute the benefit in a lump-sum as soon as administratively practicable.

Forfeitures

Plan forfeitures arise as a result of participants who terminate service with the Employer before becoming fully vested in the Employer's matching contribution. Forfeitures are retained by the Plan and applied to Employer matching contributions or to reduce Plan expenses. As of

Renaissance Learning, Inc. 401(k) Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022, forfeitures totaling \$18,849 and \$14,429, respectively, were held by the Plan. Forfeitures totaling \$328,167 were used to reduce Employer contributions during the year ended December 31, 2023.

Plan Expenses

The Plan absorbs various expenses including third-party administration fees. Fees are allocated proportionately to participants based on their respective account balances. Audit fees are paid by the Employer. Management fees and operating expenses charged to Plan participants for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected in the financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account.

Plan Termination

The Employer intends to continue the Plan indefinitely but reserves the right to terminate the Plan at any time. In the event of termination, participants will become 100% vested in the Employer's matching and discretionary contributions, and the participants' accounts will remain with the Plan trustee, continue to accrue investment earnings, and provide benefits according to the terms of the Plan.

2. Summary of Accounting Policies

Basis of Presentation

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, except for benefit payments, which are recorded as paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the variability of the fair values of certain investment securities held by the Plan, it is likely that changes in the values of the Plan's investments will occur in the near term, and reasonably possible that such changes in the value of these securities will materially affect participants' account balances and the amounts reported in the Plan financial statements. At December 31, 2023 and 2022, the Plan held investments in the Vanguard Lifestrategy Moderate Growth and Vanguard 500 Index Fund, which individually represented 10% or more of the Plan's total investments.

Notes to Financial Statements

Investment Valuation

The Plan's investments are stated at fair value. Fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussions of fair value measurements.

Purchases and sales of the investments within the Plan are accounted for on the trade-date basis. Interest income is recognized on the accrual method, and dividend income is recorded on the ex-dividend date.

Net appreciation in the fair value of investments includes unrealized appreciation or depreciation and realized gains or losses for investments bought, sold, and held during the year. Interest income and dividends are identified separately.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. If the loan is in default, the Plan administrator will offset the participant's vested account balances by the outstanding balance of the loan to the extent permitted by law. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated all subsequent events that have occurred through August 16, 2024, the date the Plan's financial statements were available to be issued.

3. Information Certified by Plan Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA as of December 31, 2023 and 2022, and for the year ended December 31, 2023. Accordingly, the Plan's trustee, WoodTrust Bank, a qualified institution, has certified that the following data included in the accompanying financial statements and ERISA-Required supplemental schedule is complete and accurate.

- a. Investments, noninterest-bearing cash, and notes receivable from participants as shown in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022.
- b. Investment income and interest income from notes receivable from participants as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2023.
- c. Investment information included in the Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, as shown in the ERISA-Required supplemental schedule.

Notes to Financial Statements

At the request of the Plan administrator, the Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information provided by the trustee to the related information included in the financial statements and ERISA-Required supplemental schedule.

4. Tax-Exempt Status of the Plan

The IRS has determined and informed the Employer, by an opinion letter dated June 30, 2020, that the Prototype Plan is qualified and the trust established under the Prototype Plan is tax-exempt, under the appropriate sections of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions. There are currently no audits for any tax periods in progress.

5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in active markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the assets or liabilities have specified (contractual) terms, the Level 2 inputs must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any inputs that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Notes to Financial Statements

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Money Market Fund - The money market fund is valued at the fund's quoted market price which uses the amortized cost or penny rounding method permitted by Rule 2a-7 under the Investment Company Act of 1940, which approximates fair value.

Mutual Funds - Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

December 31, 2023

	Level 1	Total
Money market fund	\$ 6,405,366	\$ 6,405,366
Mutual funds	181,251,894	181,251,894
Investments, at fair value	\$ 187,657,260	\$ 187,657,260

December 31, 2022

	Level 1	Total
Money market fund	\$ 5,882,097	\$ 5,882,097
Mutual funds	140,496,206	140,496,206
Investments, at fair value	\$ 146,378,303	\$ 146,378,303

6. Related Party and Party-in-Interest Transactions

Plan investments are managed by WoodTrust Bank. WoodTrust Bank is the trustee for the Plan; and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to WoodTrust Bank for administrative services amounted to \$490,984 for the year ended December 31, 2023.

Certain employees of the Employer provide administrative services to the Plan. These employees are not paid by the Plan for their services.

The Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party-in-interest transactions.
