INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Seattle Police Relief Association
Seattle, Washington

Opinion

We have audited the accompanying financial statements of Seattle Police Relief Association Benefit Plan ("the Plan" or "Seattle Police Relief Association"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and of benefit obligations of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits and changes in benefit obligations for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material

misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplement schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SEATTLE POLICE RELIEF ASSOCIATION

Notes to Financial Statements

December 31, 2023 and 2022

Note 1 – Description of Plan

The following brief description of the Seattle Police Relief Association ("SPRA" or "the Plan") provides only general information about the benefits associated with membership. Participants should refer to the Plan documents for a complete description of the Plan provisions.

General

The Seattle Police Relief Association was formed in 1893 for the benefit of active and retired members of the Seattle Police Department. SPRA established this Plan effective November 11, 1911, for the purpose of promoting the welfare of all covered persons through vacation benefits, emergency loans and grants, scholarship and education programs, athletic benefits, and death benefits. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Death Benefits

Active Members: The beneficiary or estate of any active member in good standing and a sworn officer of the Seattle Police Department will receive a death benefit of \$5,000. The active member is eligible for a \$1,500 spousal death benefit.

Vested Members, Non-active: The beneficiary or estate of a sworn officer with 15 years of active duty who has left the employment of the Seattle Police Department and who has retained dues-paying membership in the SPRA will receive a death benefit of \$2,500 and will receive a spousal death benefit of \$1,500. Upon reaching 25 years of active membership in SPRA, members in this category will then be eligible for death benefits in the retired members section described below.

Retired Members:

- Option 1. The beneficiary or estate of a member who has retired from the Seattle Police Department and was an active member of the SPRA for at least 25 years and retains membership at 50% dues will receive a \$2,500 death benefit. In addition, retired members who select Option 1 are eligible for the \$1,500 spousal death benefit.
- Option 2. The retired member may, with the consent of his or her spouse, request reduction of the death benefit to \$1,500 and retain membership in the SPRA for life without further dues payment. Under Option 2, the member is not eligible for the spousal death benefit.
- Option 3. The retired member may, with the consent of his or her spouse, elect to cash out his or her death benefit for \$1,000 at any time, and retain membership in the SPRA for life without further dues payment. Under Option 3, the member is not eligible for the spousal death benefit.

Retired members who select to reduce their death benefit to \$1,500 or \$1,000 may still participate in the Seattle Police Relief Association Hospital Plan ("the Hospital Plan") by paying the premiums or holding fees to that plan. Additionally, retired members of SPRA may still participate in the condominium program.

SEATTLE POLICE RELIEF ASSOCIATION

Notes to Financial Statements

December 31, 2023 and 2022

Other Benefits

Vacation Condominium Program: SPRA has established the condominium program for the benefit of active and retired members. SPRA owns condominiums in Chelan, Washington; Phoenix, Arizona; Sunriver, Oregon; Whistler, B.C.; and Maui, Hawaii. SPRA offers members the opportunity to use the condominiums at rates significantly below fair market rental rates. Rental rates in 2023 were \$125 to \$175 per night.

Education and Training Benefits: SPRA maintains a fund to help active duty members meet the cost of work-related education and training. The SPRA Education and Training Program will reimburse tuition expenses of up to \$300 per member per year. Benefits are payable for courses for which the members pay full tuition.

Loan Program: Active-duty members with a year or more of membership in SPRA may apply for loans of a minimum of \$500 to a maximum of \$1,000. Members with less than one-year membership in SPRA may apply for loans only in the amount of \$500. Loans are only allowed to be made for certain reasons, such as emergencies and times of distress. The loans bear interest at a rate of 7.2% and must be repaid over eighteen months (unless the member ends his or her membership in SPRA or leaves employment of the Seattle Police Department at which time the loan is due in full). Loan repayments are required to be made through payroll deductions.

Emergency Relief Program: SPRA has a special emergency fund for the purpose of aiding members and their dependents in times of unusual emergency or crisis. Funds given from this program are considered a gift, rather than a loan. There is no repayment required and no interest charged. Grants are given for no more than \$5,000 per emergency to any one member or family. Active-duty and retired members of SPRA are eligible for the benefit.

Contributions

Participants pay dues determined by the Board of Trustees through payroll deductions. Retired Seattle Police Officers are billed for the appropriate costs on a quarterly basis.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect amounts reported in the statements of net assets available for benefits.

Plan Termination

Although it has not expressed any intent to do so, SPRA has the right under the Plan to modify the benefits provided to participants and their covered dependents and to terminate the Plan subject to the provisions of ERISA. Any liability to the Plan is limited to claims arising prior to such termination.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of SPRA are prepared using the accrual method of accounting in accordance with generally accepted accounting principles in the United States of America.

SEATTLE POLICE RELIEF ASSOCIATION

Notes to Financial Statements

December 31, 2023 and 2022

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires SPRA's management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Material estimates that are particularly susceptible to significant change in the near term relate to the determination of obligations for current benefit coverage.

Cash and Cash Equivalents

Cash equivalents consist of highly liquid, non-interest bearing, deposits with original maturities of three months or less.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisor. See Note 3 for disclosure of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Loans to Members

Loans to members are stated at cost plus accrued interest, less any allowance for doubtful accounts, which approximates fair value. No allowance was necessary at December 31, 2023 and 2022. The Plan recognized \$327 of interest income related to the loans to members for the year ended December 31, 2023.

Rental Property and Other Operating Equipment

Rental property and other operating equipment are stated at cost. Assets purchased that cost over \$1,000 are typically capitalized.

Depreciation is calculated on the straight-line method over the estimated useful lives of the assets using the following lives:

Rental Property:

Condominium and related improvements	5 - 15 years
Condominium furniture and fixtures	5 - 10 years

Other Operating Equipment:

Office furniture and equipment	3 - 10 years
--------------------------------	--------------

Repairs and maintenance, which do not appreciably extend the useful lives of the related assets, are expensed when incurred.

SEATTLE POLICE RELIEF ASSOCIATION

Notes to Financial Statements

December 31, 2023 and 2022

Revenue Recognition

Contributions from participants are recognized as contribution revenue over the period to which the related benefits are available.

SPRA owns five condominiums which are held for rent to members. Cash received in a given year for reservations for that year is recorded as revenue. Cash received in a given year for reservations the following year is recorded as a deposit and recognized as revenue when the rental process is complete.

Payroll Expenses

Payroll and related expenses for two full-time employees are allocated to SPRA and the Seattle Police Relief Association Hospital Plan ("HP") on the basis of effort expended on behalf of each plan. In 2023, \$53,191 was allocated to HP under this cost sharing arrangement.

Payment of Benefits

Benefit payments are recorded when paid.

Benefit Obligations

The obligation for current benefit coverage at present value of estimated amounts due was calculated by management based on the age and life expectancy of current members. At December 31, 2023 and 2022, management estimated that 90% of eligible participants elect the option of \$1,000 lump sum payment at retirement. The average age of retirement used was 55 for both 2023 and 2022. For measurement purposes at December 31, 2023 and 2022, a 6% rate per year was used in calculating present value amounts. The assumptions are based on the presumption that the Plan will continue until all current members receive death benefits under the Plan.

Fair Values

Pursuant to the Fair Value Measurements and Disclosure Topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value based on the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market in an orderly transaction between market participants. In addition, this ASC Topic 820 specifies a hierarchy of valuation techniques based on whether the inputs used for the valuation purposes are observable or unobservable. See Note 3 for additional information on the fair value of the Plan investments.

Concentrations

The Plan transacts its business with two financial institutions. At times throughout the year the Plan may maintain cash and cash equivalents that are in excess of federally insured limits. Plan management believes it is not exposed to any significant credit risk on cash equivalents.

SEATTLE POLICE RELIEF ASSOCIATION

Notes to Financial Statements

December 31, 2023 and 2022

Note 3 – Fair Value Measurements

FASB ASC Topic 820 establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1: Unadjusted quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: Observable market inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3: Unobservable inputs where there is little or no market data which require the reporting entity to develop its own assumptions.

The asset or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for the Plan assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- Money Market Funds: Money market funds are valued at cost, which approximates fair value.
- Registered Investment Companies: Shares of the registered investment company funds (or mutual funds) are valued at the net asset value (NAV) of shares held by the Plan and are valued at the closing price reported on the active market on which the individual securities are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 6 – Long-Term Debt

The Plan maintains a note payable due to the Small Business Administration. The note payable is due in monthly principal and interest installments of \$641 beginning September 2021 until June 2050 at which time all accrued interest and principal are due. Interest accrues at 2.75% and is classified as other administrative expense. The accompanying financial statements include \$3,855 of interest expense for the year ended December 31, 2023, relating to this note. At December 31, 2023 and 2022, the outstanding balance was \$146,440 and \$150,716, respectively.

The Plan also maintains a note payable due to Fairway Village condominium association group relating to the Plan's Sunriver condominium. The note payable relates to a special assessment of \$13,000 for renovations to the common areas. The note payable is due in quarterly principal and interest installments of \$542 until January 1, 2023 at which time all accrued interest and principal are due. Interest accrues at 4.63% and is classified as an expense of the condominium rental operations. The accompanying financial statements include \$-0- of interest expense for the year ended December 31, 2023, relating to this note. At December 31, 2023 and 2022, the outstanding balance was \$-0- and \$716, respectively.

Note 7 – Tax Status

SPRA was granted exemption from federal income tax under Internal Revenue Code ("IRC") Section 501(c)(9) on March 4, 1981 with an effective date of January 1, 1979. IRC Section 512(a)(3) provides special rules for determining the unrelated business taxable income of organizations exempt under Section 501(c)(9). The Board of Trustees believe that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC and therefore, they believe that the Plan is tax exempt as of the financial statement date. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require that Plan management evaluate tax positions taken by the Plan and recognize a tax liability or asset if it has taken an uncertain position that more likely than not would not be sustained upon examination. The plan administrator has analyzed the tax positions taken by the Plan and does not believe it has any unrecorded exposure related to tax positions taken. Therefore, no estimated income tax liability has been recorded at December 31, 2023.

During September 2015, the Plan received an audit notification from the U.S. Department of Labor (DOL). The DOL has issued requests related to the Plan years 2011 through 2014. The Plan has not had any further communications with the DOL, since responding to their initial requests. Plan management is not aware of any specific violations of ERISA that will result in a penalty. As a result, no audit liabilities were recorded at December 31, 2023 or 2022.

The Plan is subject to routine audits by multiple taxing jurisdictions. The plan administrator believes it is no longer subject to U.S. federal income tax examinations for years prior to 2020.

Note 8 – Pension Plan

SPRA established a 403(b)(7) salary reduction plan in 1995, covering substantially all of its full and part-time employees. SPRA may make discretionary contributions at the election of the Board of Trustees. Discretionary contributions approved by the Plan were \$3,300 for the year ended December 31, 2023.

Note 12 – Market Contingencies

The Plan invests in registered investment companies with underlying assets consisting of any combination of stocks, bonds, fixed income securities and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Note 13 – Subsequent Event

The Plan has evaluated subsequent events through August 22, 2024, the date the financial statements were available to be issued.
