INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Biscomerica 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Biscomerica 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Biscomerica 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Biscomerica 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Biscomerica 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Biscomerica 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Biscomerica 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is the supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BISCOMERICA 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The Biscomerica 401(k) Savings Plan ("the Plan") is a defined contribution plan providing retirement income to eligible employees. The Plan was established January 1, 2001 and was subsequently amended and restated March 1, 2016. The Plan is administered by Biscomerica Corporation (the Company). Reliance Trust Company, the trustee and asset custodian of the Plan, is responsible for investing and managing the Plan's assets. The Plan consists of a tax deferred savings program under Internal Revenue Code (IRC) Section 401(k) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In December 2023, the Plan was amended to allow for automatic enrollment upon completion of eligibility requirements.

The following description of the Plan provides only general information. Participants and other interested parties should refer to the plan document for a more complete description of the Plan's provisions.

Eligibility and Participation

The Plan is a defined contribution plan covering all employees of the Company who have completed one year of service and are age 21 or older. The Plan is subject to the provision of ERISA. Employees are eligible to participate in the Plan on the first day of the month coinciding with or next to their meeting the eligibility requirements. Employees are able to commence salary deferrals on the effective date of participation and on the first day of any payroll period after eligibility.

Contributions

Each year, subject to the provisions of the Plan and limitations of the IRC provisions, participants may contribute up to 86% of pretax annual compensation; as defined in the plan document. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollover). Participants direct the investments of their contributions into various investments options offered by the Plan.

The Plan is a safe harbor plan and has employer matching contributions of up to 4% of a participant's eligible compensation. The Company may decide to make additional contributions although is not required to do so. This non-elective contribution shall be allocated to all employees eligible to participate in the Plan.

BISCOMERICA 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions (including those rolled over from another qualifying plan), the Company's matching contributions, and are charged with benefit payments and allocation of plan losses and expenses. Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are always 100% vested in amounts attributable to their salary deferrals. For participants who meet eligibility conditions during any plan year, employer discretionary contributions shall vest at a rate of 20% per year after two years of service, and are 100% vested after six years of service. A year of service is credited upon the completion of at least 1,000 hours of service during the plan year. The amount credited to a participant's account shall be fully vested upon attaining normal retirement age, death, or by reason of permanent disability.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan terms range from 1 to 5 years. Loans are available with terms greater than five years only for the purpose to purchase a primary residence. The notes are secured by the balance in the participant's account and bear a reasonable fixed rate of interest (as determined by the Trustee) based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. Principal and interest are paid through payroll deductions.

Payment of Benefits

The Plan provides for the payment of benefits to the participant or beneficiary at retirement, death, disability, or termination of employment. Participants terminating their employment with the Company or attaining age 59 1/2 are entitled to withdraw all or a portion of their vested account balance. "Hardship" distributions, as outlined in the plan document, are permitted subject to the approval of the Company. Participants who qualify for retirement benefits and withdrawals will receive their benefits in the form of a lump sum cash distribution. Benefits under the Plan shall be distributed solely from the assets of the Trust. The benefit to which a participant is entitled is the benefit that can be provided directly from the participant's vested account balance.

In addition, participants who separate from service and have vested account balances greater than \$1,000, but less than \$5,000, may have their account balances automatically distributed to an Individual Retirement Account (IRA). Participants with balances less than \$1,000 may have their account balances automatically distributed to them. In either case, however, the individual has the right to direct payment to another qualified plan or IRA.

BISCOMERICA 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Forfeitures

Forfeitures of employer matching contributions are used to offset plan administrative expenses and reduce the Company's matching contributions. Forfeitures were not used to offset plan administrative expenses or to reduce the Company's matching contributions during the plan years ended December 31, 2023 and 2022. At December 31, 2023 and 2022, there was a zero balance in the forfeited non-vested accounts, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at the unpaid principal balance plus any accrued, but unpaid, interest. Interest income is recorded on the accrual basis. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan Document. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the fully benefit responsive investment contract, which is reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors and the asset custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded when paid.

BISCOMERICA 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through August 26, 2024, the date the financial statements were available to be issued, and concluded that there were no events or transactions that require recognition or disclosure in the financial statements as of December 31, 2023.

NOTE 3 - SUMMARY OF FINANCIAL DATA CERTIFIED BY THE TRUSTEE

Management, for the years ended December 31, 2023 and 2022, has elected to have the audits of the Plan performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for reporting and Disclosure under ERISA. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (the asset custodian of the Plan).

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets, (2) quoted prices for identical or similar assets or liabilities in inactive markets, (3) inputs other than quoted prices that are observable for the asset or liability, and (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

BISCOMERICA 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2023 and 2022:

Registered investment companies: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. The investment is classified within Level 1 of the valuation hierarchy.

Common collective investment trusts: Investments in common collective investment trusts comprise stock funds that seek to replicate, as practical, the Standard & Poor's 500 Index ("S&P 500 Index"), an index made up of 500 common stocks of U.S. companies that is generally considered to be representative of the overall U.S. stock market. The fund also seeks to achieve its objective by investing directly into a commingled fund with similar objectives and like investment strategies. These investment trusts are valued at the net asset value of shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 4,828,007	\$ -	\$ -	\$ 4,828,007
Investments measured at NAV (a)	-	-	-	4,152,044
Total assets at fair value	<u>\$ 4,828,007</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,980,051</u>

BISCOMERICA 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 3,877,274	\$ -	\$ -	\$ 3,877,274
Investments measured at NAV (a)	-	-	-	3,524,113
Total assets at fair value	<u>\$ 3,877,274</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,401,387</u>

(a) In accordance with Subtopic 820-10, investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV per share as of:

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
December 31, 2023				
Common/collective trust	\$ 4,152,044	N/A	Daily	12 months
December 31, 2022				
Common/collective trust	\$ 3,524,113	N/A	Daily	12 months

NOTE 5 - INVESTMENT CONTRACT

The Plan entered into a benefit-responsive investment contract with Invesco, A Bank Collective Trust, through the Trustee for the Plan. The Trustees maintain the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The investment contract is fully benefit-responsive with the contract value being the relevant measurement attribute for that portion of the net assets available for benefits attributable to this investment contract. Contract value, as reported to the Trustees, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

BISCOMERICA 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract at December 31, 2023 and 2022 was \$243,263 and \$258,468, respectively. The crediting interest rate is based on a formula agreed with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including partial or total plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, and (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

NOTE 6 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. The Plan issues loans to participants which are secured by the balances in participants' accounts. The Plan paid certain administrative fees in 2023 and 2022. The Company paid certain administrative expenses of the Plan, including recordkeeping and audit fees. These transactions qualify as party in interest transactions for which a statutory exception exemption exists.

NOTE 7 - PLAN TERMINATION

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan is terminated, participants will become 100% vested in all Company contributions.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

NOTE 8 - TAX STATUS

The Company adopted the ADP Prototype 401(k) Plan, which obtained its latest Opinion Letter on July 8, 2014. In this letter, the Internal Revenue Service states that the Plan is acceptable under Section 401 of the Internal Revenue Code (Code) for use by the employers for the benefit of their employees. The Plan has been amended since receiving this determination letter, however, the Company believes that the plan is currently designed and being operated in compliance with applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500
