Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hodges University, Inc. 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of July 12, 2023, and December 31, 2022, and the related statements of changes in net assets available for benefits for the period ended July 12, 2023, and year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hodges University, Inc. 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of July 12, 2023, and December 31, 2022, and for the period ended July 12, 2023, and year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hodges University, Inc. 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis-of-Matter

As discussed in Note 1 to the financial statements, the Board of Trustees approved the merger of the plan into a multiple employer plan. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hodges University, Inc. 403(b) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hodges University, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hodges University, Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS
JULY 12, 2023 AND DECEMBER 31, 2022**

NOTE 1 DESCRIPTION OF PLAN

The following description of the Hodges University, Inc. 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan originally adopted by Hodges University (the University), effective January 1, 2000. The Plan has been amended throughout the years to comply with tax legislation and most recently amended effective January 1, 2020. The Plan excludes nonresident aliens. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Retirement Plan Committee is responsible for the oversight of the Plan, determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Plan Merger

On October 21, 2022, the Board of Trustees approved the merger of the Plan into the ICUF Multiple Employer Plan (the MEP). The merger did not impact the participant's vesting in University contributions as they will continue to vest under the MEP. Contributions into the plan discontinued in April 2023. The Plan assets transferred to the MEP on July 12, 2023, for Newport Trust Company (Newport) related assets, and on April 28, 2023, for Teachers Insurance and Annuity Association (TIAA) and College Retirement and Equities Fund (CREF) related assets. As such, the financial statements are prepared as of July 12, 2023, the date the final assets were transferred to the MEP.

Eligibility

Prior to the merger, all employees, not specifically excluded as noted above, were eligible to participate in the Plan on their date of hire.

Contributions

Prior to the merger, the Plan included a salary deferral arrangement allowed under Section 403(b) of the Internal Revenue Code (IRC). Eligible participants were permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax 403(b) or Roth contributions to the Plan. Participants who attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants who completed 15 years of service were eligible to make special catch-up contributions equal to the lesser of: a) \$3,000 or b) \$5,000 times the number of employee's years of service for the University minus total elective deferrals made for earlier years; either option was subject to a cumulative, life-time limit of \$15,000.

Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants directed the investment of contributions into various investment options offered by the Plan. Contributions were subject to certain Internal Revenue Service (IRS) limitations.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Prior to the merger, each participant's account was credited with the participant's contributions and an allocation of Plan earnings or losses. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant was entitled was the benefit that can be provided by the participant's vested account.

Vesting

Prior to the merger, participants were 100% vested in their account balances.

Notes Receivable from Participants

Prior to the merger, participants could borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes were secured by the balance in the participant's account and bore interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest was paid ratably through payroll deductions.

Benefit Payments

Prior to the merger, upon termination of service, death, disability, or retirement, a participant could elect to receive the value of the interest in his or her account in the form of a lump sum distribution. The Plan allowed for in-service distributions if a participant reached age 59½. If a participant terminated employment and the participant's account balance did not exceed \$5,000, the Plan administrator authorized the benefit payment without the participant's consent.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**HODGES UNIVERSITY, INC. 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
JULY 12, 2023 AND DECEMBER 31, 2022**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Benefit Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance companies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of July 12, 2023, or December 31, 2022. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the University and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through August 9, 2024, the date the financial statements were available to be issued.

On August 25, 2023, the Board of Trustees of Hodges University, Inc. approved a plan to close the University by September 1, 2024.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Certain information related to investments disclosed in the accompanying financial statements held at July 12, 2023, and December 31, 2022, and net appreciation (depreciation) in fair value of the investments and interest and dividends, for the period ended July 12, 2023, and year ended December 31, 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Teachers Insurance and Annuity Association (TIAA) and College Retirement and Equities Fund (CREF), the insurance companies, and Newport Trust Company (Newport), the custodian of the Plan.

(a) Investments held and certified by TIAA, CREF and Newport:	July 12, 2023	December 31, 2022
Insurance Company General Account	\$ -	\$ 1,134,960
Mutual Funds	-	3,543,831
Interest in Sub-Accounts of Variable Annuity Contracts	-	672,300
Pooled Separate Account	-	75,646
Total Investments Held and Certified	\$ -	\$ 5,426,737
(b) Investment income (loss) certified by TIAA, CREF and Newport:	July 12, 2023	December 31, 2022
Insurance Company General Account	\$ 12,951	\$ 39,329
Mutual Funds	291,523	(622,348)
Interest in Sub-Accounts of Variable Annuity Contracts	59,324	(189,272)
Pooled Separate Account	2,457	5,934
Total Investment Income (Loss) Certified	\$ 366,255	\$ (766,357)

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

HODGES UNIVERSITY, INC. 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
JULY 12, 2023 AND DECEMBER 31, 2022

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at July 12, 2023, and December 31, 2022.

Publicly Traded Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price.

Sub-Accounts of Variable Annuities – Valued at NAV of shares, which are valued by CREF at accumulation unit value based on the estimated value of the underlying investments, held by the Plan at year-end. NAV is a readily determinable fair value and is the basis for current transactions. In an effort to reduce market timing and excessive trading, shareholders will be locked out of a fund for 90 days if a purchase, sale, or repurchase with that fund is made within a 60-day period.

Pooled Separate Accounts – Valued at the NAV of units as determined by the insurance company, NAV is a readily determinable fair value and is the basis for current transactions.

Insurance Company General Account – Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer.

**HODGES UNIVERSITY, INC. 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
JULY 12, 2023 AND DECEMBER 31, 2022**

NOTE 5 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter dated March 31, 2017, received from the IRS on the prototype plan indicating that the Plan is qualified under Section 403(b) of the IRC and is therefore not subject to tax under current income tax law. The prototype Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by TIAA and CREF, the insurance companies, Newport, the custodian of the Plan, and American Funds. American Funds is also a custodian of assets for the Plan, though they are not certified. These transactions qualify as party-in-interest. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

NOTE 8 INVESTMENT CONTRACTS WITH INSURANCE COMPANIES

Each participant maintains an individual annuity contract with TIAA. As part of the contracts, TIAA may maintain a portion of the contributions in a "guaranteed account", which is called the TIAA Traditional Fixed Account. The account is credited with earnings on the underlying investments and charged for withdrawals and administrative expenses charged by TIAA.

The guaranteed minimum rate of interest is based on a formula established by the TIAA and is between 1% and 3%. Any additional interest is not guaranteed. The Traditional Fixed Account does not permit TIAA to terminate the agreement prior to the scheduled maturity date.

**HODGES UNIVERSITY, INC. 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
JULY 12, 2023 AND DECEMBER 31, 2022**

NOTE 8 INVESTMENT CONTRACTS WITH INSURANCE COMPANIES (CONTINUED)

Certain Traditional Fixed Account individual annuity contracts are considered to be nonbenefit-responsive. These contracts are included in the financial statements at fair value by discounting the related cash flows based on current yields of similar investments with comparable durations considering the credit worthiness of the issuer. The Traditional Fixed Account is subject to a 10-year withdrawal period. Upon termination of the contract, the amount of each transfer payout annuity payment will be determined as of the annuity starting date for the transfer payout annuity by the amount of the Traditional Fixed Account accumulation and the interest rates in the rate schedules under which any premiums, additional amounts, and internal transfers were applied to the account. There are no reserves against fair value for credit risk of the contract issuer or otherwise.

Certain Traditional Fixed Account individual annuity contracts meet the fully benefit-responsive criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Upon termination of the investment contract, the lump sum liquidation value of the guaranteed account portion of the participant's accumulation value shall be equal to the product of (a) the participant's guaranteed account accumulation value on the liquidation date, reduced by the liquidation charge applicable on the liquidation date and (b) a market value adjustment percentage. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The Plan administrator does not believe that the occurrence of any such value event which would limit the Plan's ability to transact at contract value with the participants is probable. The contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. Each of the contracts has a minimum guaranteed interest rate, which varies based upon the contract in question, and year of issue, but is no less than 1.5%, and no greater than 3.0%.

As part of the Plan's merger into the MEP (see Note 1), the assets were assigned to the MEP, though they were not liquidated from the qualified institutions. Therefore, there were no liquidation changes for nonfully benefit responsive group annuity contracts nor events that limited the ability of the Plan to transact at contract value for fully benefit responsive group annuity contracts.
