INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Ronnoco Coffee, LLC Retirement Savings Plan
St. Louis, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Ronnoco Coffee, LLC Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Ronnoco Coffee, LLC Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Ronnoco Coffee, LLC Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ronnoco Coffee, LLC Retirement Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ronnoco Coffee, LLC Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ronnoco Coffee, LLC Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN

The following description of the Ronnoco Coffee, LLC Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

Ronnoco Coffee, LLC (the "Company") is the Plan Sponsor. The Plan, which became effective August 31, 1960, and most recently amended and restated effective January 1, 2023, is a defined contribution plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Eligibility

Employees must be at least 21 years of age and not part of a collective bargaining agreement. Employees are eligible on the first of the month following 60 days of employment.

The Plan provides for automatic enrollment of employees who have met the Plan's eligibility requirements. The Plan's automatic enrollment feature provides for default salary deferral contributions of 3%. The participant has the option to change their salary deferral percentage at any time. Automatic deferrals increase annually by 1% up to a maximum of 6%.

Contributions

Participants may elect to defer up to the annual limits as defined by the Internal Revenue Code (the "Code"). Additionally, participants age 50 and older may make "catch-up" contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

During the plan years ended December 31, 2023 and 2022, the Company's matching Safe Harbor contributions were equal to 100% of Plan participants' first 1% of eligible wages contributed to the Plan. Participant deferrals over 1% and up to 6% of eligible wages were matched at a rate of 50%.

Plan administration

The Plan is administered by the Company. Under the terms of the Trust Agreement, Empower Annuity Insurance Company of America and Empower Trust Company, LLC (the "Trustees"), manage trust funds on behalf of the Plan and maintain the individual account records.

1. DESCRIPTION OF THE PLAN (continued)

Participant accounts

Each participant's account is credited with the participant's contributions, the Company's contributions and allocations of the Plan's earnings and administrative expenses. The allocation of earnings and losses are determined by the earnings of the participant's investment selection based on each participant's account balance, as defined in the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their deferral and rollover contributions plus actual earnings thereon. Vesting in Company Safe Harbor contributions is based on a two-year cliff schedule. Vesting in any additional nonelective Company contributions is based on years of service with 20% vesting after each year of service, with full vesting after five years. Participants are also fully vested upon reaching normal retirement age (age 65), death, or disability. Nonvested amounts are forfeited if an employee terminates prior to fully vesting.

Forfeitures

Forfeitures may be used to reduce employer contributions, in accordance with the Plan Document. Forfeitures available for future use amounted to \$1,114 and \$1,095 as of December 31, 2023 and 2022, respectively. Forfeitures used to reduce employer contributions for the years ended December 31, 2023 and 2022, totaled \$12,710 and \$24,168, respectively.

Payment of benefits

The vested portion of a participant's account is distributable upon termination of employment, death, disability, or at normal retirement age, in a lump sum.

In-service withdrawals

Active participants may withdraw rollover contributions at any time. Active participants who reach age 59-1/2 may withdraw all or part of their vested accounts.

Active participants who experience a qualifying financial hardship may withdraw from the Plan a portion of their vested account resulting from elective deferral contributions. Hardship withdrawals will be approved only if they conform to Plan provisions and established safe harbors under the Code.

1. DESCRIPTION OF THE PLAN (continued)

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

Estimates and assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments, other than the fully benefit-responsive investment contracts, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.

Interest income is recorded as earned on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments represents the difference between the aggregate fair value of investments at year end and the values at the beginning of the year and includes any realized gains and losses in shares that were bought and sold during the year.

Investment contracts held by a defined contribution plan that are fully benefit-responsive are reported at contract value, rather than fair value, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan's investment in the fixed annuity account is a fully benefit-responsive investment contract and is reported at contract value in the statements of net assets available for benefits.

Payment of benefits

Benefits are recorded when paid.

December 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent events

The Plan Administrator has evaluated subsequent events through August 27, 2024, the date which the financial statements were available to be issued.

3. INVESTMENTS CERTIFIED BY THE TRUSTEES

Financial information relating to the investments and earnings thereon is included in the financial statements and is based on information provided by the Trustees. This information, which has not been audited by the Plan's independent auditors, has been certified that such information is complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC.

4. INVESTMENT CONTRACT WITH INSURANCE COMPANY

Plan investments include a fully benefit-responsive investment contract with Empower Annuity Insurance Company of America. The contract value of this investment as of December 31, 2023 and 2022 was \$1,757,969 and \$2,031,996, respectively. Empower Annuity Insurance Company of America maintains the contributions in a general account. The investment account issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 2, because the guaranteed interest account is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the account. Contract value, as reported to the Plan by Empower Annuity Insurance Company of America, represents contributions plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on an agreed-upon schedule with the issuer and is reset on a semi-annual basis.

Certain events may limit the ability of the Plan to transact at contract value. Such events include, but may not be limited to the following: (1) temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the Plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the employer; (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Plan sponsor's business; (5) removal from the Plan of one or more groups or classifications of participants; (6) partial or complete Plan termination; or (7) Plan disqualification.

The guaranteed investment contract does not have a scheduled maturity date. The guaranteed investment contract can be terminated by either party, 60 days after communication is received by either party.

5. FAIR VALUE MEASUREMENTS

Generally accepted accounting principles provide a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds – Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustees, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

December 31, 2023 and 2022

5. FAIR VALUE MEASUREMENTS (continued)

The preceding methods used to arrive at a fair value calculation may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 4,408,145</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,408,145</u>
Investments measured at net asset value (a)				<u>9,467,809</u>
				<u><u>\$ 13,875,954</u></u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 4,005,352</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,005,352</u>
Investments measured at net asset value (a)				<u>8,736,530</u>
				<u><u>\$ 12,741,882</u></u>

(a) Collective trust funds are investments that were measured at net asset value per share (or its equivalent) and have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

6. INVESTMENT MEASURED USING THE NAV PER SHARE PRACTICAL EXPEDIENT

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022, respectively.

December 31, 2023

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Periods</u>
Collective trust funds	\$ 9,467,809	\$ -	Immediate	None

December 31, 2022

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Periods</u>
Collective trust funds	\$ 8,736,530	\$ -	Immediate	None

7. INCOME TAX STATUS

The Plan adopted the Empower volume submitter profit-sharing plan as its Plan Agreement. The Plan received a favorable determination letter dated November 14, 2022, indicating that the volume submitter plan meets the requirements of section 401 of the IRC and is, therefore, exempt from taxation. Although the Plan has been amended since receiving the advisory opinion, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their employer contributions. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

Ronnoco Coffee, LLC Retirement Savings Plan
Notes to Financial Statements
December 31, 2023 and 2022

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Trustees as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the recordkeeper, Empower Annuity Insurance Company, during 2023 and 2022 were \$29,821 and \$27,991, respectively.

In addition, certain plan investments are managed by Cota Street Investment Management ("COTA"). The Plan also uses Pensionmark Securities, LLC ("Pensionmark") as an investment advisor. COTA and Pensionmark are affiliates through common ownership; therefore these transactions also qualify as party-in-interest transactions. Fees paid by the plan to COTA and Pensionmark during 2023 and 2022 were \$28,733 and \$20,433, respectively.
