Independent Auditor's Report

Retirement Committee
Veterans United Home Loans 401(k) Plan
Columbia, Missouri

Opinion

We have audited the financial statements of Veterans United Home Loans 401(k) Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance

and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1. Description of the Plan

General

The following description of Veterans United Home Loans 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

The Plan is a defined contribution plan sponsored by Mortgage Research Center, LLC for the benefit of its employees who are age 18 or older. Related employers who also participate in the Plan include Clarence State Bank, Columbia Bancshares Inc., Whitney & Associates, August Parker Investments LLC, 8th and Walnut Land Holdings, LLC, Military United Insurance, LLC, and Military Homes Realty LLC (collectively referred to as the “Company”). The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (“ERISA”). Charles Schwab Trust Bank is the trustee and custodian of the Plan. Milliman, Inc. serves as the recordkeeper of the Plan.

Contributions

The Plan permits eligible employees through a salary deferral election to have the Company make annual contributions of up to 100% of eligible compensation. Employee rollover contributions are also permitted. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company makes a discretionary matching contribution. In 2023, the Company made employer matching contributions at an amount equal to 100% of the first \$1,500 and 50% of the next \$1,500 in participant elective deferrals. Company profit-sharing contributions are discretionary as determined by the Company’s Board of Directors. There were no profit-sharing contributions for 2023. Contributions are subject to certain limitations.

The Plan Document also includes an automatic deferral feature whereby a participant is treated as electing to defer 5% eligible compensation unless the participant makes an affirmative election otherwise. The Plan provides for an annual increase (1%) in the percentage deferred and is ultimately capped at 10%. The Plan also allows for after-tax contributions and distributions, in-plan Roth contributions and transfers, partial distributions for terminated participants and beneficiaries and excludes net bonuses from the definition of Plan compensation.

Participant Investment Account Options

Each participant has the option of directing their contributions into any of the various investment options offered by the Plan and may change the allocation daily. The Plan has an Individual Directed Account (IDA) investment option. The IDA consists of various mutual funds and cash.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the Company’s contribution and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled is the benefit that could be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. Vesting in the Company’s contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant is fully vested after four years of continuous service. The nonvested balance is forfeited upon termination of service. Forfeitures may be used to reinstate previously forfeited account balances of participants, pay administrative expenses or reduce employer contributions.

Notes to Financial Statements
December 31, 2023 and 2022

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings unless the participant is paying the loan in full. The loans bear interest at prime rate per the Wall Street Journal plus 1% at time of origination.

Payment of Benefits

On termination of service due to death, disability, retirement, or termination of services for other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or monthly, quarterly, semiannual, or annual installments over a specified period of time. The Plan allows for in-service distributions once a participant reaches the age of 59 ½ and hardship distributions, subject to Plan provisions.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$693,716 and \$885,030, respectively. These accounts will be used to pay administrative expenses or reduce future employer contributions. Forfeitures used to pay administrative expenses and reduce employer contributions were \$492,406 and \$1,618,956, respectively, in 2023.

Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Money market and mutual funds (including those held within the IDA) are valued at the net asset value (NAV) of shares held by the Plan at year-end.

The Plan also holds interests in common collective trust funds, which invest in investment that pursue multiple strategies to exceed the performance of certain industrial averages. The funds may invest in securities or a combination of other collective funds. The NAV of the funds are determined as of the end of each month utilizing the values of the underlying assets.

Notes to Financial Statements
December 31, 2023 and 2022

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits

Benefit payments to participants were recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

Note 3. Disclosures About Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying Statements of Net Assets Available for Benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2023 and 2022.

	<u>\$ 307,114,841</u>	<u>\$ 275,492,195</u>	<u>\$ 31,622,646</u>	<u>\$ -</u>

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying Statements of Net Assets Available for Benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2023 and 2022. The Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, investments are classified within Level 1 of the valuation hierarchy. Level 1 investments include a money market fund and mutual funds, including those held within the IDA. If quoted market prices are not available, then fair values are estimated by using quoted prices of investments with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters. Such investments are classified in Level 2 of the valuation hierarchy and include common collective trust funds. In certain cases where Level 1 or Level 2 inputs are not available, investments are classified within Level 3 of the hierarchy. The Plan has no Level 3 investments.

Note 4. Related Party and Party-in-Interest Transactions

Party-in-interest transactions included those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, a person who owns 50% or more of such an employer or relatives of such persons.

The Plan incurs and pays expenses related to general administration and record keeping. The Company also provides certain administrative services at no cost to the Plan.

The Plan paid \$542,340 of recordkeeping fees to the recordkeeper during 2023.

The following is a reconciliation of net increase in net assets available for benefits per the financial statement for the year ended December 31, 2023, to Form 5500:

Net increase in net assets available for benefits per the financial statements	\$ 81,688,205
Prior year excess contributions payable	(2,838)
Current year excess contributions payable	<u>3,634</u>
Net increase in net assets available for benefits per Form 5500	<u>\$ 81,689,001</u>

Note 6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7. Plan Tax Status

The Plan operates under a nonstandardized adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored by Verisight, Inc. This prototype plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Note 8. Subsequent Events

Subsequent events have been evaluated through August 27, 2024, which is the date the financial statements were available to be issued.
