INDEPENDENT AUDITORS' REPORT

To the 401(k) Committee of The Oscar W. Larson Company 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Oscar W. Larson Company 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of March 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended March 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of March 31, 2023 and 2022, and for the year ended March 31, 2023, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of March 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Very truly yours,

Certified Public Accountants

THE OSCAR W. LARSON COMPANY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A - Description of Plan:

The following brief description of The Oscar W. Larson Company 401(k) Plan ("the Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

1. **General** - The Plan is a defined contribution plan covering substantially all employees of Oscar W Larson Company ("Company") who are age twenty-one or older (effective January 1, 2022). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is currently provided as a pre-approved plan by Pension Plan Services, Inc.
2. **Contributions** - Eligible employee participants may authorize their employer to withhold from 1% to 100% of their compensation, as defined in the Plan, as a pre-tax elective deferral contribution or an after-tax Roth contribution. Effective January 1, 2022, eligible employees are automatically enrolled to defer 2% of their pay as of the date they became eligible to participate in the plan, unless they choose a different percentage or choose not to participate in the plan. Automatic enrollment only applies to participants who first become eligible on or after the effective date. Also, under an automatic escalation provision, a participant's contribution percentage is increased 1% on April 1 of each year, until it reaches a maximum of 10% of compensation unless elected otherwise. The automatic increase takes effect beginning in the second Plan year following the year in which the automatic deferred election first becomes effective. Eligible employees may enroll or change deferral rate as of April 1, or October 1 after the date they become eligible to participate in the plan. Effective January 1, 2022, eligible employees may enroll or change deferral rates effective immediately after the date they become eligible to participate in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from another retirement plan. Segregated accounts are maintained for each participant. The participant directs the investment of those amounts among a selection of 32 money mutual funds and a stable value common collective trust offered by American Funds. The Company makes discretionary employer matching contributions for participants with one year or more of service. Effective January 1, 2022, the Plan was restated and service requirements were removed. The Company annually determines the amount of discretionary employer matching contributions. For the year ended March 31, 2023 the Company matched 50% of a participant's first 4% of deferrals, up to a maximum of 2% of compensation. Contributions are subject to certain limitations.
3. **Participant Accounts** - Each participant's account is credited with the participant's contribution and allocations of Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. **Vesting** - Participants are 100% vested in all contribution types immediately upon entry into the Plan.
5. **Notes Receivable from Participants** - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance if certain hardship criteria are met. The loans are secured by the balance in the participant's account and bear an

NOTE A - Description of Plan (continued):

interest rate ranging between 4.25% and 8.75%, which is commensurate with local prevailing rates. As of March 31, 2023 and 2022, the balance of outstanding loans was \$208,483 and \$114,471, respectively. Principal and interest is paid ratably through weekly payroll deductions.

6. **Forfeited Accounts** - At March 31, 2023 and 2022 forfeited nonvested accounts totaled \$96,595 and \$7, respectively. The balance at March 31, 2023 includes amounts forfeited and transferred in from Oscar W Larson Company Profit Sharing Plan, which will first be used to reduce that plan's expenses, with any remaining balance reallocated to that plan's participants in accordance with plan provision. Any other forfeited account balance will be used to reduce employer matching contributions. Also, in the fiscal year ended March 31, 2023 employer contributions were reduced by none from forfeited non-vested accounts.
7. **Payment of Benefits** - On termination of service due to any reason, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount. The Plan also allows in-service distributions for those who reach age 59 ½.

NOTE B - Summary of Significant Accounting Policies:

1. **Basis of Accounting** - The financial statements of the Plan are prepared on the accrual basis.
2. **Notes Receivable from Participants** - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of March 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.
3. **Investment Valuation and Income Recognition** - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's fair value of surrender value of participant life insurance policies is based on current cash value. The Plan Administrator determines the Plan's valuation policies. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

4. **Administrative Expenses** - Certain administrative expenses of the Plan are paid directly by the employers and are therefore excluded from the financial statements.

THE OSCAR W. LARSON COMPANY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE B - Summary of Significant Accounting Policies (continued):

5. **Uses of Estimates** - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.
6. **Payment of Benefits** - Benefits are recorded when paid.
7. **Subsequent Events** - Subsequent events were evaluated through August 30, 2024, which is the date the financial statements were available to be issued.

Effective June 27, 2023, a resolution was adopted to include Capital Business Equipment, Inc., Crompco LLC, J.B.I. Electrical Systems, Inc., and Petroleum Equipment Service of New Hampshire LLC as participating employers. The plans of these participating employers (Capital Business Equipment, Inc. 401(k) Plan, J.B.I. Electrical Systems, Inc. 401(k) Plan, Crompco LLC 401(k) Plan, and Petroleum Equipment Service of New Hampshire LLC 401(k) Profit Sharing Plan and Trust) were merged into the Plan.

Effective June 28, 2023, the Plan changed its trustee and custodian to Charles Schwab Trust Bank, with all pre-existing trustees removed. Plan investments held with Capital Bank and Trust Company were transferred to the new custodian.

Effective July 3, 2023, the Plan was restated, incorporating numerous changes. Among these changes, the Plan adopted a new pre-approved basic plan document with Schwab Retirement Plan Services, Inc., changed its name to OWL Services 401(k) Plan, and changed its plan year to a calendar year (with the exception of a short plan year beginning April 1, 2023 and ending December 31, 2023). Also as part of the restatement, the Plan will make Safe Harbor matching contributions effective January 1, 2024, equal to 100% of a participant's elective deferrals up to 3% of compensation, plus 50% of a participant's elective deferrals that exceed 3%, but do not exceed 5% of compensation.

Also effective July 3, 2023, the Plan was amended to reflect statutory changes pursuant to the Bipartisan Budget Act of 2018 and the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"), as well as any related guidance.

Effective October 1, 2023, the Plan was amended to modify the classes that qualify as eligible employees in the Plan.

NOTE C - Fair Value Measurements:

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair

NOTE C - Fair Value Measurements (continued):

value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Common Collective Trust: Valued at the NAV of units of a common collective trust, which invests mainly in a stable value fund. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

Life insurance policies: The fair value of the surrender value of life insurance policies is based on current cash value. Current cash value includes the value of any dividend additions or accumulations and is net of any outstanding policy indebtedness. The policies held with Northwestern Mutual are not actively traded and significant other observable inputs are not available. The fair value is determined by and based on amounts provided by Northwestern Mutual. These amounts would be used by market participants in pricing the asset in a current transaction, including assumptions about risk.

The preceding methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of March 31, 2023 and 2022:

NOTE D - Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their employer contributions.

THE OSCAR W. LARSON COMPANY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE E - Tax Status:

The pre-approved Plan provider has obtained an opinion letter dated June 30, 2020, in which the IRS stated that the restated pre-approved Plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The plan administrator timely adopted the restated pre-approved Plan. Although the Plan has been amended since receiving their opinion letter, the plan administrator believes that the Plan is currently being operated in accordance with the IRC and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE F - Information Certified by Custodian:

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA for the years ended March 31, 2023 and 2022. Accordingly, Capital Bank and Trust Company, the custodian of the Plan, has certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of March 31, 2023 and March 31, 2022, and the Supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of March 31, 2023, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended March 31, 2023.

NOTE G - Related Party/Party-In-Interest Transactions:

Certain Plan investments are invested in American Funds and managed by Capital Bank and Trust Company. Capital Bank and Trust Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the custodial and administrative services amounted to \$7,047 for the year ended March 31, 2023.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE H - Risks and Uncertainties:

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE I - Plan Transfers:

On January 10, 2023, the board of directors of Oscar W. Larson Company, as permitted by the plan document, made the decision to merge and transfer Oscar W. Larson Company Profit Sharing Plan into the Plan, effective January 10, 2023. As a result, \$17,018,322 in assets representing the accrued benefits attributable to certain current and former employees were transferred into the Plan, net of liabilities. Also, in July 2022, loan balances totaling \$196,648 were transferred into the Plan from the Great Dane Petroleum Contractors, Inc. 401(k) Plan, as a result of the Company's acquisition of Great Dane Petroleum Contractors, Inc. The affected participants would receive a benefit immediately after the transfer equal to or greater than the benefit the affected participants would have received immediately before the transfers.

NOTE J - Plan Amendments During Reporting Period:

Effective January 1, 2023, the Plan was amended to merge Oscar W. Larson Company Profit Sharing Plan into the Plan and restated to add employer contributions (profit sharing source) to the Plan.

Effective February 1, 2023, the Plan was amended to allow withdrawals of rollover contributions at any time and to allow hardship distributions for a primary beneficiary.

IRS announces tax relief for taxpayers impacted by severe storms, tornadoes and flooding in Michigan

MI-2024-01, Feb. 16, 2024

WASHINGTON — The Internal Revenue Service announced today tax relief for individuals and businesses in parts of Michigan affected by severe storms, tornadoes and flooding that began on Aug. 24, 2023. These taxpayers now have until June 17, 2024, to file various federal individual and business tax returns and make tax payments.

Following the disaster declaration issued by the Federal Emergency Management Agency (FEMA) [↗](#), individuals and households that reside or have a business in Eaton, Ingham, Ionia, Kent, Livingston, Macomb, Monroe, Oakland, and Wayne counties, qualify for tax relief. The declaration permits the IRS to postpone certain tax-filing and tax-payment deadlines for taxpayers who reside or have a business in the disaster area. For instance, certain deadlines falling on or after Aug. 24, 2023, and before June 17, 2024, are granted additional time to file.

As a result, affected individuals and businesses will have until June 17, 2024, to file returns and pay any taxes that were originally due during this period.

The June 17, 2024, deadline applies to individual income tax returns and payments normally due on April 15, 2024.

The tax relief also applies to quarterly estimated tax payments, normally due on Sept. 15, Jan. 16, and April 15, 2024. Penalties on payroll and excise tax deposits due on or after Aug. 24, 2023, and before Sept. 8, 2023, will be abated as long as the tax deposits are made by Sept. 8, 2023.

The June 17, 2024, deadline also applies to affected businesses:

- Quarterly payroll and excise tax returns normally due on Oct. 31, 2023, Jan. 31, 2024, and April 30, 2024.
- Calendar-year partnership and S corporations that had a valid tax-year 2022 extension that ran out on Sept. 15, 2023, or have a 2023 return normally due on March 15, 2024.
- Calendar-year corporations and fiduciaries that had a valid tax-year 2022 extension that ran out on Oct. 16, 2023, or have a 2023 return and payment normally due on April 15, 2024.
- Calendar-year tax-exempt organizations that had a valid tax-year 2022 extension that ran out on Nov. 15, 2023, or have a 2023 return normally due on May 15, 2024.

The IRS urges anyone who needs an additional tax-filing extension, beyond June 17, 2024, for their 2023 federal income tax return to request it electronically by April 15, 2024. Though a disaster-area taxpayer qualifies to request an extension between April 15, 2024, and June 17, 2024, a request filed during this period can only be submitted on paper. Whether requested electronically or on paper, the taxpayer will then have until Oct. 15, 2024, to file, though payments are still due on June 17, 2024. Visit [IRS.gov/extensions](https://www.irs.gov/extensions) for details.

If an affected taxpayer receives a late filing or late payment penalty notice from the IRS that has an original filing, payment or deposit due date that falls within the postponement period, the taxpayer should call the telephone number on the notice to have the IRS abate the penalty.

The IRS automatically identifies taxpayers located in the covered disaster area and applies filing and payment relief. But affected taxpayers who reside or have a business located outside the covered disaster area should call the IRS disaster hotline at 866-562-5227 to request this tax relief.

Covered disaster area

The Michigan Counties listed above constitutes a covered disaster area for purposes of Treas. Reg. §301.7508A-1(d)(2) and are entitled to the relief detailed below.

Affected taxpayers

Taxpayers considered to be affected taxpayers eligible for the postponement of time to file returns, pay taxes and perform other time-sensitive acts are those taxpayers listed in Treas. Reg. § 301.7508A-1(d)(1), and include individuals who live, and businesses (including tax-exempt organizations) whose principal place of business is located, in the covered disaster area. Taxpayers not in the covered disaster area, but whose records necessary to meet a deadline listed in Treas. Reg. § 301.7508A-1(c) are in the covered disaster area, are also entitled to relief. In addition, all relief workers affiliated with a recognized government or philanthropic organization assisting in the relief activities in the covered disaster area and any individual visiting the covered disaster area who was killed or injured as a result of the disaster are entitled to relief.

Under section 7508A, the IRS gives affected taxpayers until June 17, 2024, to file most tax returns (including individual, corporate, and estate and trust income tax returns; partnership returns, S corporation returns, and trust returns; estate, gift, and generation-skipping transfer tax returns; annual information returns of tax-exempt organizations; and employment and certain excise tax returns), that have either an original or extended due date occurring on or after Aug. 24, 2023, and before June 17, 2024, are granted additional time to file through June 17, 2024

Affected taxpayers that have an estimated income tax payment originally due on or after Aug. 24, 2023, are postponed through June 17, 2024, will not be subject to penalties for failure to pay estimated tax installments as long as such payments are paid on or before June 17, 2024.

The IRS also gives affected taxpayers until June 17, 2024, to perform other time-sensitive actions described in Treas. Reg. § 301.7508A-1(c)(1) and Rev. Proc. 2018-58, 2018-50 IRB 990 (December 10, 2018), that are due to be performed on or after Aug. 24, 2023, and before June 17, 2024, are granted additional time to file through June 17, 2024.

This relief also includes the filing of Form 5500 series returns that were required to be filed on or after Aug. 24, 2023, and before June 17, 2024, are postponed through June 17, 2024, in the manner described in section 8 of Rev. Proc. 2018-58. The relief described in section 17 of Rev. Proc. 2018-58, pertaining to like-kind exchanges of property, also applies to certain taxpayers who are not otherwise affected taxpayers and may include acts required to be performed before or after the period above.

Unless an act is specifically listed in Rev. Proc. 2018-58, the postponement of time to file and pay does not apply to information returns in the W-2, 1094, 1095, 1097, 1098 or 1099 series; to Forms 1042-S, 3921, 3922 or 8027; or to employment and excise tax deposits. However, penalties on deposits due on or after Aug. 24, 2023, and before Sept. 8, 2023, will be abated as long as the tax deposits were made by Sept. 8, 2023.

Casualty Losses

Affected taxpayers in a federally declared disaster area have the option of claiming disaster-related casualty losses on their federal income tax return for either the year in which the event occurred, or the prior year. Taxpayers choosing to claim their losses on their 2023 return have extra time, until Oct. 15, 2024, to make this election. See Publication 547 for details. Individuals may deduct personal property losses that are not covered by insurance or other reimbursements. For details, see Form 4684, Casualties and Thefts [PDF](#) and its instructions [PDF](#). Affected taxpayers claiming the disaster loss on their return should put FEMA disaster declaration number, 4757-DR on any return. See Publication 547 for details.

Other relief

The IRS will waive the usual fees and requests for copies of previously filed tax returns for affected taxpayers. Taxpayers should put the assigned FEMA declaration number (**4757-DR**), in bold letters at the top of Form 4506, Request for Copy of Tax Return [PDF](#), or Form 4506-T, Request for Transcript of Tax Return [PDF](#), as appropriate, and submit it to the IRS.

Qualified disaster relief payments are generally excluded from gross income. This means that affected taxpayers can exclude from their gross income amounts received from a government agency for reasonable and necessary personal, family, living or funeral expenses, as well as for the repair or rehabilitation of their

home, or for the repair or replacement of its contents. See Publication 525 for details.

Additional relief may be available to affected taxpayers who participate in a retirement plan or individual retirement arrangement (IRA). For example, a taxpayer may be eligible to take a special disaster distribution that would not be subject to the additional 10% early distribution tax and allows the taxpayer to spread the income over three years. Taxpayers may also be eligible to make a hardship withdrawal. Each plan or IRA has specific rules and guidance for their participants to follow.

The IRS may provide additional disaster relief in the future.

Affected taxpayers who are contacted by the IRS on a collection or examination matter should explain how the disaster impacts them so that the IRS can provide appropriate consideration to their case. Taxpayers may download forms and publications from the official IRS website, [IRS.gov](https://www.irs.gov).
