Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **MELTON & MELTON, L.L.P.**

(2) EIN: **74-1550819**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	☒	☐	163783

To the Fiduciary Committee of
Intertek USA Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Intertek USA Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2023, and schedule H, line 4a - schedule of delinquent participant contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INTERTEK USA RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Intertek USA Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all United States non-leased employees of Testing Holdings USA Inc. and all of its adopting affiliates (collectively, the “Company”).

Employees become eligible to participate on the first day of the month coinciding with or next following the latter of attainment of age 18 or the earlier of (1) 30 days after the date they are given a scheduled workweek, which would require them to complete at least 1,000 hours of service during a 12-month period beginning on their hire date, or each anniversary thereof, or (2) the date which is the end of a 12-month period beginning on their hire date or each anniversary thereof, during which they complete 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Merger

The Company acquired Clean Energy Associates, LLC (Clean Energy) in August 2022. As a result, the Plan was amended effective October 1, 2023, to add Clean Energy as a participating employer and all individuals who were employed by Clean Energy prior to October 1, 2023 became participants in the Plan on that date. Prior to October 1, 2023, Clean Energy was a participating employer in the TriNet 401(k) Plan, which is a multiple employer plan. Effective November 20, 2023, Clean Energy’s portion of the TriNet 401(k) Plan was merged into the Plan resulting in a transfer of assets totaling \$1,924,359.

Contributions

Participants may elect to make pre-tax salary deferral contributions to the Plan of 1% up to 75% of eligible compensation, up to the maximum amount allowed under the appropriate sections of the Internal Revenue Code (IRC). The Plan includes an automatic enrollment feature. If an eligible employee does not make an affirmative election to make salary deferral contributions or not to participate in the Plan within 30 days of employment, the employee’s eligible compensation will be automatically reduced by a pre-tax salary deferral contribution of 4%. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Plan participants may elect to make salary deferral contributions on a Roth after-tax basis, and convert existing pre-tax deferrals to Roth after-tax contributions.

The Company makes an employer matching contribution equal to 50% of a participant’s salary deferral, excluding catch-up contributions, that does not exceed 6% of their eligible compensation each pay period. A true-up matching contribution shall be made on behalf of each participant employed

on the last day of the plan year who had a matching contribution deficit for the plan year. The Company may also make an employer discretionary contribution for all participants who complete 1,000 hours of service during the plan year and are actively employed on the last day of the plan year. The employer discretionary contribution is allocated to each participant in the ratio of their eligible compensation to total eligible compensation of all participants during the plan year. There were no employer discretionary contributions made for 2023.

The Plan allows rollover contributions from eligible retirement plans qualified under the appropriate sections of the IRC. The Plan is participant directed, and participants may change their contribution rates and investment options at any time.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings. In addition, participants are charged with any applicable administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are at all times fully vested in their contributions and the appreciation or depreciation thereon. Vesting in the employer matching contribution and employer discretionary contribution portions of their accounts plus earnings thereon is based on years of service. Participants vest 25% per year after one year of service and are 100% vested after four years of service. Certain participating employers have additional vesting requirements as defined in the Plan document. A participant shall be immediately vested upon death, retirement, or termination of employment due to total and permanent disability.

Payment of Benefits

Normal retirement age under the Plan is age 65. Upon retirement, disability, death, or termination of service with the Company, participants may receive their distributions in a lump-sum payment. Distributions in partial payments are also allowed. Distribution of a participant's prior plan transfer account, if any, shall be governed by the special provisions relating to such prior plan as described in the Plan document. The Plan also permits hardship distributions and certain in-service withdrawals.

Notes Receivable from Participants

Plan participants may borrow from their vested account balance a minimum of \$1,000 up to a maximum of the lesser of 50% of their vested account balance in the Plan, or \$50,000 reduced by the excess, if any, of the highest outstanding balance of loans of the participant from the Plan during the one-year period ending on the day before the date on which such loan is made. Interest rates on loans are

stated at the prime rate as reported in the *Wall Street Journal* as of the time the loan is approved. Loans are repaid in level installments through payroll deductions for periods ranging up to five years, or up to 15 years for the purchase of a primary residence. Loans are secured by the participant's vested account balance to the extent of the principal amount of the loan plus accrued interest. No more than one loan may be outstanding at any time.

Forfeitures

Forfeitures of nonvested employer contributions may be used to reduce future employer contributions or to pay Plan administrative expenses. The forfeitures balance at December 31, 2023 and 2022 was \$89,407 and \$670,529, respectively. The amount of forfeitures used to reduce the Company's contributions and pay Plan administrative expenses was \$910,899 and \$483,511, respectively, during 2023.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investments

Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Fiduciary Committee determines the Plan's valuation policies utilizing information provided by investment advisors and the trustee. See Note 3 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

INTERTEK USA RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions

Contributions from Plan participants and the Company matching contributions are recorded in the plan year in which the participant contributions are withheld from compensation. The Company discretionary contribution is recorded in the plan year in which participant compensation is paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to recordkeeping, advisory, consulting, notes receivable from participants, withdrawals, and certain investment transaction fees are charged directly to the participant's account and are included in administrative expenses. Other investment-related expenses are included in net appreciation in fair value of investments.

NOTE 3 - FAIR VALUE MEASUREMENTS

Various inputs are used in determining the fair value of the Plan's investments. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy, including the types of Plan investments that fall under each category and the valuation methodologies used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Participant-Directed Brokerage Account: Account primarily consists of mutual funds, common stocks, money market funds, and cash reserves that are valued at the closing price reported by the active market on which the individual securities are traded.

INTERTEK USA RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 - Inputs to the valuation methodology are other than quoted market prices in active markets that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices that are in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Common Collective Trust Fund: Valued at NAV based on the contractual terms of the underlying unit value reported by the trustee based on the fair value of the underlying investments less liabilities. The fund attempts to maintain a stable NAV of \$1 per unit. The fund's principal objective is to preserve the principal investment while earning interest income and primarily invests in benefit-responsive investment contracts issued by insurance companies and other financial institutions, fixed income securities, and money market funds. The fund allows for daily liquidity with no additional days' notice required for redemption for participant-directed transactions. The terms of the contract prohibit participants from making a direct exchange from this fund to a competing fund. Instead, a participant must first exchange to a non-competing fund for 90 days. The Plan has no unfunded commitments and no contractual obligations to further invest in the fund.

Collective Investment Trust Funds: Valued at NAV of shares held by the Plan. NAV is based on the value of the underlying assets owned by the funds, minus its liabilities, and then divided by the number of shares outstanding. The NAV is determined by a financial institution. There are no restrictions on redemption of these investments. The Plan has no unfunded commitments and no contractual obligations to further invest in the funds.

Level 3 - Inputs to the valuation methodology are unobservable inputs (i.e., projections, estimates, interpretations, etc.) that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The inputs and methodologies used for valuing securities are not an indication of the risk associated with investing in those securities. There have been no changes in the methodologies used at December 31, 2023 or 2022.

NOTE 4 - INFORMATION CERTIFIED

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company (Fidelity), the trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, and the schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2023, and the related investment income and interest income on notes receivable from participants reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2023.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are in mutual funds, collective investment trust funds, and a common collective trust fund managed by entities affiliated with Fidelity. Fidelity is the trustee of the Plan and, therefore, qualifies as a party in interest as defined under ERISA guidelines. Notes receivable from participants also qualify as party-in-interest transactions. These transactions are covered by an exemption from the prohibited transaction provisions.

NOTE 6 - INCOME TAX STATUS

The Plan obtained its latest determination letter dated August 10, 2018, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan to determine if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan provides for various investments. In general, such investments are exposed to various risks such as significant world events, interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - DELINQUENT CONTRIBUTIONS

During 2023 and 2022, there were unintentional delays by the Company in submitting participant contributions to the Plan totaling \$163,488 and \$295, respectively. During 2023, the Company compensated the affected participants for lost earnings on the 2022 delinquent contributions. The Company intends to compensate the affected participants for any lost earnings resulting from the 2023 delinquent contributions in 2024.

NOTE 9 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 30, 2024, the date the financial statements were available to be issued.
